Hello folks, I am still way behind in my updates (the attachment’s “Snapshots of Current Events”). I just can’t seem to keep up with all of terrorist attacks and such, especially with everything else that I currently have on my plate. But I do hope to catch up on them eventually.

Can you feel it in the air ...that this year is different from other years in recent history? With looming economic fears, black and white race tensions and new terrorist attacks seemingly happening every week! I truly believe that a change is beginning to happen this year. Below are my predictions for the remainder of this year, so long as the nation’s current heatwave continues through most of September (that is only contingency).

46 Predictions (based on Codes and the Prophetic Voice – read this paper for more info) for the remainder of 2016, Contingent upon on a Sustained (through September) “Heartland” Heatwave in America:

1) Spring rains will be plentiful across the nation. **Fulfilled!** Most of the nation did have normal to above normal amounts of precipitation this spring (2016). Second wettest May on record for Washington D.C. and parts of Virginia. Texas and Oklahoma floods throughout the spring. Northern California and the Pacific Northwest received copious amounts of snow and rain this past winter and spring. Updated: 07/14/2016

2) The summer heatwave (average national temperatures of 90 degrees or greater for at least 3 consecutive days) will begin on June 9th, 2016. **Fulfilled!** A subtropical ridge did in fact set up in America’s heartland on the exact date of 9 June! Updated: 07/14/2016

3) This year’s national heatwave will come to be known as the “heartland” heatwave and it will be relentless ...not ending until close to October! **Near 100% confidence level in this prediction.** Updated: 07/14/2016

4) There won’t be any rain of any significance from mid-June until fall throughout **most** of the country. **Near 100% confidence level in this prediction. Fulfilled so far!** The last significant rains occurred in West Virginia and Kentucky. On 23 June, West Virginia floods killed at least 25 people. Updated: 07/14/2016. Most of the territory west of the Mississippi is in some form of drought, as well as portions of the heartland, Michigan and northern Ohio, large portions of the northeast and the Carolina and Georgia uplands. Updated: 08/02/2016. Louisiana and parts of northern Florida are currently getting inundated with rain, but the vast majority of the country is well under average rainfall amounts for the summer. Updated: 08/14/2016.

5) Downtown Fredericksburg, Virginia will experience a flood, sometime between now and the beginning of November 2016. The last time downtown Fredericksburg had a major flood was in 1942. **About a 60% confidence level in this prediction.** Updated: 07/22/2016

6) Due to a lack of rain and a relentless nationwide heatwave this year, Southern California's 5-year drought will continue and even worsen! **Near 100% confidence level in this prediction.** Updated: 07/14/2016. **Fulfilled! Southern California's drought continues to worsen!** Updated: 08/02/2016.

7) A 'new' (first time since 2012) nationwide (most of the U.S.) drought will emerge this year! (view the drought monitor archive website <http://droughtmonitor.unl.edu/mapsanddata/maparchive.aspx>) updated every Thursday. **Near 100% confidence level in this prediction.** Updated: 07/14/2016

8) The heatwave's peak temperatures will be in the month of July. **Near 100% confidence level in this prediction.** Updated: 07/24/2016. **Fulfilled! This year's peak heatwave date occurred on July 22, 2016.** Updated: 08/02/2016.

9) Believe it or not, one or more cities (possibly Blythe, Mecca or Needles, California and/or Bullhead City, Florence, or Mammoth, Arizona) will actually reach or exceed 130 degrees Fahrenheit this summer's heatwave! **Near 100% confidence level in this prediction.** Updated: 07/14/2016. By-in-large (the prediction was only missed by a few degrees) **Fulfilled!** Let's put this in perspective, the all-time record high temperature for anywhere in the world was 134 degrees Fahrenheit, set by Death Valley on July 10, 1913! And it is very unusual for any U.S. city to exceed 120 degrees Fahrenheit in any given year! As an example Phoenix, Arizona's all-time record high is only 122 degrees!

But the heat is on this year, partially due to our friend El Nino (also known as ENSO), and the world is currently on pace to have its hottest year ever, since weather record keeping began!!! A dozen or more weather stations in the desert southwest have met or exceeded 120 degrees so far this year! And several cities have done it multiple times! The highest recorded U.S. temperatures for some of these cities, during this year's heatwave follows:

Blythe, California hit either 126 or 122 degrees (conflicting data), Needles, California reached either 125 or 123 degrees (conflicting data), Parker, Arizona hit either 125 or 121 degrees (conflicting data), Bermuda Dunes, California hit 124, Indio, California recorded 124 degrees, La Quinta, California maxed out at 124 degrees, Bullhead City, Arizona hit either 124 or 120 degrees (conflicting data), Mammoth, Arizona hit 123, Palm Desert, California hit 123, Cathedral City, California reached 122, Lake Havasu City, Arizona hit 122, Mecca, California hit 122, Palm Springs, California hit 122, Coachella, California hit 121, Salton City, California reached 121, Thermal, California hit 121, and Furnace Creek Resort (Death Valley), California even exceeded 120 degrees 4 separate times (122, 122, 121 and 121) during this year's national heatwave! Updated: 08/02/2016

10) Power outages caused by the heat. **Near 100% confidence level in this prediction.** Updated: 07/14/2016. The last major power outage occurring in the United States was the "Northeastern Blackout" which occurred on August 14, 2003. Updated: 08/07/2016

11) Fuel shortages worsen. Get used to the heat, electricity will be out indefinitely in many places in the United States. **Near 100% confidence level in this prediction.** Updated: 07/14/2016

12) Corn crops in parts of America's heartland will be devastated! **Near 100% confidence level in this prediction.** Updated: 07/14/2016

13) Cattle will be sent off to the butchers early for lack of animal feed and water. **Near 90% confidence level in this prediction.** Updated: 07/14/2016. **Changed to about a 75% confidence level in this prediction.** Due to the fact that many parts of Texas continue to receive ample rain falls this summer, which are being drawn up from the Gulf of Mexico. Updated: 08/02/2016

14) Last year was the United States worst year in its recorded history for forest fire acreage consumption with a record 18 mega-fires! This year's forest fire numbers will be exponentially worse than last year's totals! **Near 100% confidence level in this prediction.** Updated: 07/14/2016. There are 13 major forest fires burning in the west at this time! Updated: 08/04/2016

15) There won't be any landfall hurricanes on the U.S. side of the Gulf of Mexico until the middle to late September. **About an 80% confidence level in this prediction. Fulfilled so far!** The Gulf waters are very warm this season, but unfavorable dry air with upper atmosphere "cap" over the heartland, is greatly discouraging the formation of supercell thunderstorms and tropical systems over the central U.S. thus far this summer. Updated: 07/14/2016. **Remarkably fulfilled so far!** Updated: 08/14/2016.

16) The dollar will begin to slide in July 2016. **Near 100% confidence level in this prediction.** Updated: 07/14/2016.
Fulfilled! The dollar sunk on Tuesday July 26, 2016 to its weakest level against the yen in nearly two weeks! The slump was caused amid reports that Japanese stimulus efforts might fall short of investors' expectations. Then on Friday July 29, 2016, the U.S. dollar slumped again in relation to the other major currencies. This time the dollar weakened in the wake of weaker than expected second quarter gross domestic product data. The weak data "crushed" the dollar (just in the nick of time - at the end of July) as predicted! At the same time, the Japanese yen surged against the dollar, after the Bank of Japan delivered a smaller than expected round of additional stimulus (BOJ stimulus program) to boost the yen. The euro also gained ground versus the dollar at the end of July, to trade at \$1.1179, up from \$1.1075 late Thursday July 28, 2016. Updated: 08/02/2016.

17) The sliding dollar will cause crude oil imported to the United States to increase sharply. **Near 100% confidence level in this predictions.** Updated: 07/14/2016.

18) There will be gold value problems (possibly due to lack of tangible gold for traders cashing in their paper commodities). **Near 100% confidence level in these predictions.** Updated: 07/14/2016

19) The delayed (indicated by winter storm Jonas) Japanese disasters (Tokyo mega-earthquake, subsequent tsunami and Mt. Fuji eruption) initially seemingly scheduled to happen in December 2015, will occur sometime this year, resulting in millions of deaths! The next 188-day earthquake array date (this date or either side of this date) to be watching for in the near-term is Friday 5 August, 2016. **Print out and read the attachment to learn more about the disasters in Japan. About a 90% confidence level in this prediction happening on August 5th or sometime else this year.** Updated: 07/14/2016. A 6.3 magnitude earthquake struck 70km east northeast of Iwo Jima, Japan on Thursday August 04, 2016. Updated: 08/09/2016.

20) A volcanic eruption will occur in Venezuela around the time of the Japan disasters. **Near 100% confidence level in this prediction.** Updated: 07/14/2016

21) A worldwide stock market crash will directly follow the above tragic Japanese events mentioned above. Look for the last DOW Jones high, prior to the crash, to have a lot of "1"s and "8"s number elements within its final high number (like 18,818.81 etc. **Print out and read the attachment to learn more about the stock market crash. About a 90% confidence level in this prediction.** Updated: 07/14/2016

22) The worldwide stock market will occur on a Monday and will come to be known as "Black Monday". **About an 80% confidence level in this prediction.** Updated: 07/23/2016

23) A second worldwide stock market crash will also occur on a Monday a few weeks to months after the first crash. This crash will be come to be known as the "Second Black Monday". The worldwide stock market will never recover from this second crash. **About a 70% confidence level in this prediction.** Updated: 07/23/2016

24) This year many will lose jobs and city and state governments will fail suddenly. **Near 100% confidence level in this prediction.** Updated: 07/14/2016

25) Japan and China will become friends through economic agreements this year (probably following and as a result of the Japan disasters) and arrange certain defense agreements that will seem aimed at Russia-but secretly aimed initially at the United States. This will be a great deception. The United States will fall for it. Japanese government will change character drastically in a visible way. **Near 100% confidence level in this prediction.** Updated: 07/14/2016

26) The mega-west coast (California, Oregon, Washington State and western Canada) earthquake and subsequent tsunami will follow the Tokyo earthquake (when it occurs) approximately 3 months later – millions will die. **Near 100% confidence level in this prediction.** Updated: 07/14/2016

27) Food riots will break out in August in many major U.S. cities. **Near 100% confidence level in this prediction.** Updated: 07/14/2016

Near 100% confidence level in this prediction. Updated: 07/14/2016

31) From Georgia a plague to kill thousands as it spreads. Panic and fear will grip the nation.

Near 100% confidence level in this prediction. Updated: 07/14/2016

32) Major terrorist attack (many times worse than 9/11) across America on September 13, 2016.

About a 20% confidence level in this event happening this year, it most likely will occur in 2017 on the same date.

Updated: 07/14/2016. I recommend people staying home on this date as a precaution. Updated: 08/02/2016. As a result of some recent code work, I have upped my confidence in this event happening this year. **About a 40% confidence level in this event happening this year, but it might occur in 2017 on the same date instead.** Updated: 08/14/2016.

33) St. Louis Missouri earthquake (about a 7.4 Richter scale level) to occur on or about September 19, 2016.

Near 100% confidence level in this prediction. Updated: 07/14/2016

34) Many will blame this St. Louis earthquake on fracking. **Near 100% confidence level in this prediction.**

Updated: 07/25/2016

35) Record or near record water temperatures even at deep depths registered in the Gulf of Mexico this year. **Near**

100% confidence level in this prediction. Updated: 07/22/2016

36) Devastating hurricane to hit New Orleans in September (middle to late?). **Near 100% confidence level in this prediction.** Updated: 07/14/2016

37) The above devastating hurricane will come to be known as the “black storm”. **About a 60% confidence level in this prediction.** Updated: 07/14/2016. This hurricane might very well be the storm that finally breaks the back of this year’s heatwave. Updated: 08/12/2016. The center of this hurricane will strike somewhere in the Houston, Texas/New Orleans, Louisiana region. Updated: 08/13/2016.

38) Sudden and drastic temperature drops in October. Get prepared for an extremely cold winter in many parts of the United States. **Near 100% confidence level in this prediction.** Updated: 07/14/2016

39) Riots (including civil war-like happenings) and deliberate destruction by enraged individuals and extremist groups aiming at overthrow of the government. Local police will fail to deal with violence and State troops will be called out and in some areas, the violence will be so severe that Federal troops and tanks will have to be called out.

40) **Near 100% confidence level in these predictions.** Updated: 07/14/2016. Many or most riot cities will be in the northern half of the United States, including the city of Chicago. **Near 90% confidence level in this prediction.**

Updated: 07/22/2016. On August 13, 2016 a 23-year-old black man armed with a handgun was killed by a police officer with a police cam filming the event. The officer ordered the suspect to drop the weapon, but the suspect refused. The officer then shot the suspect twice, which proved to be fatal. Multiple buildings and businesses were set on fire by rioters late Saturday night/early Sunday morning. The National Guard has been activated but as of yet, has not been deployed to the city of Milwaukee. **I believe that the Milwaukee riot is the beginning of this predictions fulfillment.** Updated: 08/14/2016.

41) A form of Martial Law will be instituted in America around the time of the November 9, 2016 election or just after the failed election and sometime before the EMP strike (listed below) occurs. **About an 80% confidence level in this prediction.** Updated: 08/02/2016

42) If/when the worldwide stock market crash occurs this year, Donald Trump will drop out of the race.

About an 80% confidence level in this prediction. Updated: 07/14/2016 **Unfulfilled – At this point, I concede, that Donald Trump will stay in the race through to the general election voting day, regardless of whether or not the Japanese disasters and stock market crash occur prior to the November 9, 2016 election day.** Updated: 08/02/2016

43) The general election process will be halted and president Obama will stay in power by default and he will be known as the United States’ last president. His presidency will end in demise. Updated: 07/14/2016. The election process will be halted due to the fact that the Democrats will be caught in the act of breaking the rules/manipulating the votes (stealing Trump votes). President Obama in essence will say, since I can’t guarantee a fair election so I have no choice but to suspend/postpone the election. But a postponed election will not take place ...the U.S. will never have another election again! Updated: 08/02/2016. Donald Trump’s Words “The coming election might be rigged” will turn out to **be prophetic!** Updated: 08/04/2016. Hillary Clinton will actually win the election, but because of voter fraud it will be deemed an unfair election and it will be suspended. Updated: 08/07/2016. **Near 100% confidence level in these**

predictions. If the manipulation of the Trump votes is discovered prior to voting day or discovered after the votes are counted and Hillary seemingly wins the election, the end result will be the same, the election will still be halted.

Updated: 08/09/2016.

44) The President will be in serious trouble by December and his presidency will end in a demise. **Near 100% confidence level in these predictions.** Updated: 07/14/2016

45) In December Russia will "accidentally" (possibly a Y2K-like event) launch many nuclear warhead rockets from Siberia. Most of these rockets will be destroyed by America's Star Wars Defense System, but four warheads will manage to get through. Three American cities (Lexington, Kentucky, Richmond, Virginia and Columbia, South Carolina) will be totally destroyed. And one nuclear rocket aimed for New York City, will be grazed by Stars Wars System diverting its target and causing it to land in a valley just north of the city. Millions will die! New York City will be greatly damaged but not destroyed. An 'Electromagnetic Pulse' (EMP) effect east of the Mississippi river, will occur knocking out most electronics, cell phones and household heating systems just prior to the winter season! United States counter attacks by striking and destroying three Russian cities. Millions will die! **Near 100% confidence level in these predictions.**

Updated: 07/14/2016

46) The Josephs (modern-day apostles) will be released from their symbolic prisons (their trials, tribulations, slander and obscurity, etc.) and will be advanced into positions of prominence. "True" Christian believers who have also been in symbolic bondages will likewise be released from their dungeons! **Near 100% confidence level in these predictions – happening sometime after the disasters in Japan occur.** Updated: 07/14/2016

Preparations (Things to Buy) for these coming Bad Times:

Keep up with your spiritual and physical preparations, America and the world will soon be changed forever! We are entering into the 7 years and 70 years of famine and captivity, where food scarcity and unavailability will become the norm rather than the exception!

Food for you and your family and your pets: At least a six month supply of long-life can foods and/or MRE's. Buy bottled water, preferably in 5-gallon size (store these items in a cool and dark room). Don't forget the toothpaste and floss, soap, deodorant and paper supplies.

Cooking, Heating and Gear: Store white gas (propane and kerosene), charcoal and wood for cooking, grilling and heating (woodstoves and fireplaces). Sleeping bags rated for below zero weather, gloves, hats and warm socks and shoes. Get your bug-out bag prepared and ready to go.

Who am I? I live in Central Virginia, I'm a retired electronic communications technician. I have lots of hobbies and interests (namely the earth sciences), including but not limited to, horticulture, seismology, meteorology, astronomy, geology, gemstone and gold prospecting. But most of all, I am a passionate student of Prophecy and Code Finding/Breaking. Jesus Christ is my "first love" and trying to reach the world with the TRUE salvation message of the Lord is my greatest ambition.

Sincerely, David Kenderes

Japan Disasters and the Worldwide Stock Market Crashes were Delayed by 1 Month or More?

It appears that the disasters in Japan and the worldwide stock market crash that was scheduled to happen in the fall of 2015 was delayed by at least one month. For more information please read "James Bailey's 12-10-2015 Prophetic Dream – Wild Volatility Coming in Currency Markets" and "Rachel Baxter's January 3, 2016 Prophetic Word – I Am Raising Up the **Josephs**, the Famine Begins on January 16th".

Matt Smith's Prophetic Poem 'Revealing the Future of America in 2016 and Beyond' seems to be stating that it will occur between "December (2015) through February (2016)". Updated: 01/16/2016

It's Football Season, is it Time to Punt?

As we know, nothing of great significance happened on 29 Elul 5775 (13 September, 2015). And 'seemingly' nothing of any great significance happened during the month of September 2015 either or even this past fall. So, what should we as "watchman on the wall" do? ...bury our heads in the sand? Do we throw away all of the

Prophetic Writings and Codes and just give up? No! ...to God be the glory and not to man!!! We are looking through a glass darkly right now, but it's not time to throw out the baby with the bath water ...it's not time to punt! God's Prophetic Words always ring True ...it is our understanding and our interpretations that many times go awry. And sometimes these prophetic events are delayed for various reasons. All these things will become much clearer as we approach the Lord's return. Updated: 01/06/2016

1 Corinthians 13:9-10, 12 (KJV):

“9 For we know in part, and we prophesy in part. 10 But when that which is perfect is come (*Jesus' 2nd coming and the receiving of our glorified bodies and minds*), then that which is in part shall be done away. 12 For now we see through a glass, darkly; but then face to face: now I know in part; but **then shall I know even as also I am known.**”

Amos 3:7 (KJV):

“Surely the **Lord GOD will do nothing** (*nothing of significance*), **but he revealeth his secret unto his servants the prophets.**”

Matthew 18:16 (KJV):

16 “But if he will not hear thee, then take with thee one or two more, that in the **mouth of two or three witnesses every word may be established.**” I have repeatedly cited at least 2 or 3 and many times many more Prophetic Voices for corroboration support for these ‘fall season’ events that I am spotlighting. Prophetic Timing of the ‘First Bad Year for America’?

Some noteworthy events (**extremely deadly floods and fires in the U.S.**) did occur over the 13/14 September 2015 transition period and a noteworthy event (**Volkswagen CEO quit due to the Volkswagen emission scandal**) did happen during the 23-25 September Rosh Hashanah, Day of Atonement period. Updated: 09/28/2015

What has Changed?

People nothing has changed! Germany's Volkswagen scandal has not gone away. Germany's 1 trillion dollar Deutsche Bank derivative debacle cannot be erased or fixed! The German DAX is still hovering around this summer's lows! The U.S. 19 trillion dollar debt cannot be paid off. It has been reported that stocks suffered their worst quarter in the last five years! The DOW closed out today right around the 16,000 mark and was down about 313 points! The Nikkei is also down. Things aren't getting better folks, they are getting worse! We are still living in a stock market bubble! A worldwide stock market reset is required ...it is demanded! When things start to fall apart they will go down fast! The days of lattes and frequent flier reward miles will soon be over! So what should we do? Well, we have a few extra days now to prepare (physically and spiritually), rather than disperse, so let's get busy! Updated: 09/28/2015

Logical Progression leading up to the “Sudden” Worldwide Stock Market Crash:

Don't believe those that insist that things will continue to gradually get worse, like they have in past decades and in past years. The Lord is slow to anger (past decades) until His cup overflows! People, I think it is pretty safe to say, that the worldwide stock market crash won't occur as the result of the world's economies gradually getting worse. God's trigger will be hard and swift! ...the result of a “**sudden**” event/s (Mt Fuji eruption, Tokyo earthquake and subsequent tsunami?) as illustrated in the excerpts below. Updated: 01/18/2016

David Feagin's “The 12th Hour” Prophetic Vision:

“All of a “**sudden**”, a gigantic antique clock with Roman Numerals dropped from the sky. Everyone looked up; it was 11:59. As I looked up, the large hand moved to the right. **The clock struck 12.**”

Joanie Stahl's Prophetic Word – “I Am Calling You to Walk in the Darkest Period of Human History”:

“**It is midnight now.** I am now searching the earth with lanterns. I am making thorough searches. I will

move “**suddenly**”. Everything you have learned from Me through these years was for the purpose of toughening you up for what will come upon the whole earth all at once.”

Acts 16:25a (KJV) The Midnight Hour (using the “Twice Speak” Code):

“25 And **at midnight** Paul (*Christians who were held in captivity during the 11th hour?*) and Silas prayed, and sang praises unto God: and the prisoners heard them. 26 And “**suddenly**” there was a **great earthquake**”

Rodney Berry’s April 19, 2010 12:12:21 pm (Midnight Hour?) “Volcanoes, which One will be Next”? – Prophetic Word:

“**Suddenly**, a **volcano erupted**, we all turned and huge Boulders began falling all around us”

Thomas Gibson’s August 11, 2002 Prophetic Word:

“I could see a chart with one line on it. It went up and down in a jerky fashion. “**Suddenly**” it dropped off so low that it was almost off the bottom. Then it continued its jerky up and down motion, but it was now doing so very near the bottom of the chart...”

Kenyan Pastor Dr. Owuor’s 25 May 2012, Prophetic Vision of an Earthquake “Coming to the Earth”!

7:30 Mark: “...then all of a “**sudden**”, even before I finished, a massive earthquake hit that place.”

Excerpts from Brian Carn’s October 6, 2015 ‘Clarion Call’ (https://www.youtube.com/watch?v=3Ui_paNefl4) Video:

18:48 Mark: “...So I really want us to be very prayerful in this season, because there’s getting ready to be a major shift, something “**suddenly**” is about to happen in the media, OK. And again, I see something happening as we (USA) begin to go into a season of “**smoke and ashes**”.”

Excerpt from Brian Carn’s November 25, 2015 (7:30 & 12:15 minute marks) Clarion Call Video:

12:15 Mark: “...something is going to happen that is going to take away the happiness, the joy that everybody would normally experience.

12:15 Mark: ...something catastrophic is going to take place, where normally everybody is happy, everybody is rejoicing, something is going to happen “**suddenly**”, where people are going to say that **we went into the New Year weeping**. It’s going to be a time of weeping as soon as the New Year begins! There is getting ready to be a shaking,”

Stan Johnson’s 12-05-1999 Prophetic Dream - Earthquake with and an Economic Crash:

“All of a “**sudden**” the bank began to shake! The bank fell about half the way to the floor.”

Penny Notzrim’s 11, 09, 2013 Prophetic Dream “After Thanksgiving Everything Changes”:

“all of a “**sudden**” I’m looking around and I’m like honey, there’s ‘**ashes falling**’ on me. I said hold on a second I smell something. And I went into the other room and our Hanukkah ??? was on the piano in the living room and the shamash candle had ‘**erupted**’ and **blown up!**”

Eve Brast’s February 13, 2012 Prophetic Dream of an Economic Collapse:

“I was with many people and “**suddenly**” to the east of us a medium-sized **volcano erupted** so completely that it left a huge black crater in the earth.”

James Bailey’s 7 July 2014, Prophetic Dream:

“I saw the world had entered into a time of increased tensions prior to a “**sudden**” **crash of the U.S. stock market and devaluation of the dollar.**” “...I saw the “**sudden**” drop in the stock market happening soon after that.” “Then “**suddenly**” the **people who were hidden from my view on the other side of the U.S. table shoved the table very hard causing it to crash into the ones who were standing.**”

Anonymous 12-06-2015 Prophetic Dream - 'Caught with My Pants Down' - the Alarm Goes Off:

“Then “**suddenly**” (maybe a little embarrassing) **my pants were down** and I was trying to get them back up, but I was struggling. **I was literally caught with my pants down**. Once I got them up, and **the alarm went off again.**”

Anonymous September 2015 Prophetic Dream - 'It is Here', - Caught with My Pants Down:

“**Suddenly** there is massive chaos and we all realize that **"it's here"**.”

Emma Moore's Prophetic Dream - Do Not Be Afraid When the Bull Begins to Run Again:

“I turned and saw a **BULL** and it was running straight for me and I knew I couldn't do anything. “**Suddenly**” the bull was over me...”

Rick Sergent's Prophetic Vision - LARGEST CRASH IN U.S. HISTORY, July 12, 2012

“They are partying it up by either denying the economic conditions, thinking things will get better, or believing in the safety within the borders of the United States and not realizing that “**sudden**” destruction is near.”

Jane Lowder's Prophetic Word, January 3, 1999:

“**Suddenly**, banks shall close without notice, and the **stock market shall hit an all-time low.**”

Harold Eatmon's "Two Black Mondays" August 1997 Prophetic Vision:

“I also saw the **Yen and Mark** (the Mark was Germany's currency before the Euro was instituted) **fall dramatically** (This happened in September of 2014) **just before this “sudden” and inexplicable crash.**”

Heidi Baker's Prophetic Vision shared at the Lancaster Prophetic Conference, August, 2015 – 'Americans “Suddenly” in Bread Lines and Soup Kitchens':

“I asked, “Why are they so well dressed and standing in this line?” He said, “Because it is “**sudden**”. They are “**suddenly**” in need of food.”

Nathan Leal's 23 March, 2009 Prophetic Dream:

“The bank manager got hit from behind. God said that means it is going to catch them off guard. It's going to strike all of us “**suddenly**”. It's going to be breaking news: Banks are failing all at once.” “The banks are going to get cleaned out and it's going to happen fast and “**suddenly**”. That means just like in the first depression when there was a run on the banks, it's going to happen again.” “He (*God*) told me that **the airplane I saw is the economy**. And He said, “**The economy is going to crash**. It's going to hit the ground and crash. But before it crashes, it's going to happen so fast (**sudden**) that it is going to take out small banks.”

Prophetic Dream of a Black Transport Airplane Crash – David Jones, October 28, 2015:

“I was at an airport and “**suddenly**” some alarming news was announced. I looked in the sky and **watched a massive black transport plane crashed.**”

Eve Brast's 10 September 2012, Prophetic Dream – Disaster in the Sky:

“I was inspecting the damage that the **space shuttle** had caused as it had crashed through the side of the building. There were lots of bricks and broken glass all over the ground. “**Suddenly**”, I heard screams of terror coming from inside the building. Then the “**Death Angel**” that was **painted on the mural of the Denver Airport** jumped out through the hole and landed on the rubble from the hole.”

Daniel Holloran's 20 March 2009, Prophetic Dream:

“I saw the **space shuttle with the bay open descending, actually falling out of the sky** and making sounds like a helicopter does that is about to crash; it was rotating wildly on a plane as do helicopters about to crash.”

Matt Smith's Prophetic Poem Revealing the Future of America in 2016 and Beyond:

“December through February, Winter finds itself here, A “sudden” event will strike, And many will be in fear. Know then My judgment, Has come upon this land, God reigns supreme, And deals with a heavy hand.”

Logical Progression of the 16 “Signs” leading up to the Worldwide Stock Market Crash:

Please read and study all of these Prophetic writings in this paper. Let's logically step through them and discover what they are really trying to tell us. These writings did not state that a worldwide stock market crash would occur on 13 September, or even during the month of September 2015 for that matter. Although some of them indicated a fall of late fall season event, we can't discount the fact that sometimes prophetic events are delayed for various reasons.

Now let's look at the indicators or sign posts that will pave the way for a worldwide stock market crash. I have listed a total of 18 signs (directly below) that I believe will precede the disasters in Japan. But I don't believe that any or all of these 18 signs combined will actually trigger the worldwide stock market crash. I believe that the actual trigger for the worldwide stock market crash in late 2015 or early 2016 will occur from the Japan disasters (Mt Fuji volcanic eruption, massive Tokyo earthquake, and subsequent tsunami).

Sign #1 – 70-Year Captivity, after Sept 08, 1945 (01 Tishri 5706) - 14 Sept 2015 (01 Tishri 5776):

David Kenderes' Prophetic Words about 70 Years of Bondage for America:

“...During this **70-year cycle**, the “lost” had “freedom” (because they were serving their first love – money) but the “saved” were bound, because the things of this world and the anti-Christian world system was fighting against them and winning! We will soon and very soon see a reversal of the roles! But sometime after 1 Tishri 5776 (14 September 2015), the tables will be turned over! After the world stock market crashes for the 2nd time and the world enters into the second Great Depression, as bad as it sounds, Christians will once again begin to experience freedom and turn back to their first love – the Lord Jesus Christ, while the lost will lose their first love – the things of this world and enter into captivity!”

5776 is the **70th** Jubilee year since Joshua led the children of Israel into the Promised Land!

Selective transcript excerpts from Jan 24, 2016 X-Files Premier TV Show “Forever Dreaming”:

“Garner: That we've had since the '40s. No fuel, no flame, no combustion. A simple electromagnetic field.

Technology kept secret for **70 years** while the world ran on petroleum.”, “Tad: But it's not hard to imagine... a government hiding, hoarding... alien technology for **70 years**, at the expense of human life and the future of the planet. Driven not only by corporate greed, but... a darker objective.”

Obama and Putin's meet on Monday 28 September 2015 United Nations (U.N.'s **70th birthday**)

Sign #2 – The “Joseph's” and the 7 Good Years and the 7 Bad Years:

Two Cows Born with the Number “7” on their Foreheads – What does it Mean (2008-2022)?

1 Tishri 5769 (30 September 2008) through 29 Elul 5782 (25 September 2022) 14-Years/2 Shemitahs? Is a “7-Year Drought” Coming to the Earth? Could “Ben-Joseph” (the son of Joseph) be a Twice Speak code illustration, telling us that what happened to Israel while in Egypt, will now begin to happen to America in spiritual Egypt/Babylon, beginning this year (5776) ...in this Jubilee year?

One of the cows born with a “7” on its forehead was named “Joseph”

Sign #3 – Drop in Oil prices/Start of the Oil Crisis (Greatly Affecting Russia, Saudi Arabia and Others):

In July of 2015 oil prices fell 21%, which was the worst drop since October 2008.

Ugandan minister Elvis Mbonye's Prophetic Warning: **“He saw the economy plunging in June/July 2015”.**

Sign #4 – Weakening of the Germany (strongest economy in the EURO) and the European Economies:

In September 2014, the EURO (Germany's currency) along with the British Pound and the Japanese Yen dropped dramatically against the dollar and the gap continues. Germany's 75 trillion dollar Deutsche Bank derivative scandal surfaced in June of 2015. The German DAX stock exchange was walloped on August 25, 2015 and has not recovered since. The Volkswagen emissions scandal was revealed on September 18, 2015 and remains. So, the once strongest economy in Europe (Germany) has already been weakened and humbled! Harold Eatmon's "Two Black Mondays" Prophetic Vision: "I also saw the Yen and Mark (the Mark was Germany's currency before the Euro) fall dramatically just before this "sudden" and inexplicable crash".

Sign #5 - Jubilee Transition Date – Sept 13, 2015 (29 Elul 5776) / 14 Sept 2015 (01 Tishri 5776):

It is the possible/likely transition date into the Jubilee Year, the year that occurs every 50th year, when personal, corporate and global debts are to be voluntarily forgiven or many times reluctantly forgiven.

It is the possible/likely transition date from the end of 7 good years for America to the 7 bad years for America and the World and for the end of 70 good years and the beginning of 70 bad years.

Will the "7-Year Fast" begin sometime during this Jubilee Year?

Sign #6 - Pope Francis and President Barack Obama's secret closed door meeting:

It happened on September 23, 2015 on the "Day of Atonement".

Bette Stevens' Prophetic Vision: "The abomination of desolation"

Sign #7 – The Last of the Blood Moons which was also a Supermoon occurred on September 27/28, 2015:

The last of the 2014/2015 blood moons, which happened to also be a supermoon, occurred on the night of September 27, 2015 in the U.S., Canada, and in Central and South America, and in Africa, the Artic, parts of Asia and throughout Europe it was viewed after midnight on September 28, 2015. If this series of 'Blood Moons' is representative of past 'Blood Moons', we shall see something good come from this. How about the release of the **Josephs** and the Beginning of the 'Last Days' Great Revival? But the End-Times Great Revival will not begin prior to the economy collapsing (worldwide stock market crash).

Sign #8 – Everything Changes for the "American Woman" after the 2015 Holidays!

Stan Patton's December 2, 2015 Prophetic Dreams: "Everything will change"

Penny Notzrim's Prophetic Dream: "After Thanksgiving everything changes"

Ali Winters' Feb 2016 Prophetic Word - "Much that has been withheld will be withheld no longer"

Debra Elramey's Nov 12, 2015 Prophetic Dream – Christian Woman Given 1 week Stay of Jihadist Execution

Sign #9 – The FED Raises Interest Rates and Weakens the Economy on and after December 16, 2015:

The rate hike was a small one (0.00% to 0.25%), but it will affect millions of Americans, such as home buyers, savers and investors. David Rowland's Prophetic Dream: "Judgment Begins with Fed Interest Rate Decision"

James Bailey's Prophetic Dream: "Someone suggested this stand might be the Fed raising interest rates"

Sign #10 – The Green Light and Funding for the Iran Nuclear Treaty – January 16, 2016:

January 16, 2016: Iran said to comply with the 'Iran Nuclear Deal' as sanctions are lifted. Also today, 5 American hostages were swapped for 4 Iranian prisoners.

Sign #11 – Winter Storm Jonas – The Late January 2016 Storm Complex that was given as a “Sign”:

Jonas has a Greek etymology with a meaning of “**Sign**”, because in ancient Greece, Greeks believed that birds were sent by gods as a sign to people. The Hebrew version of the name means Dove. (Wikipedia).

Are the “modern day prophets” and people in general who have been waiting for God to act in the form of judgment in 2015 and now in 2016, looking and praying for a “**Sign**” from God? Do you remember what Jesus said about a “**Sign**” and about “**Jonas**”? Updated: 02/06/2016

Sign #12 – The New York City Financial District Crane Collapse (Event Code) on Feb 05, 2016:

A 565-foot ‘red’ crane collapsed in Lower Manhattan’s Financial District on Friday February 05, 2016. The collapse killed 1 person and injured 3 others. The one fatality, a 38 year old David Wicks, a Wall Street worker who lived in Manhattan, was sitting in his parked car at the time of the collapse.

This is an “Event Code” folks, an Event Code depicting the fast approaching NYC Financial District stock market collapse! Note, the crane was “red” (finances in the red) and that the deceased man was “38” (the number of change – financial change). This same type of event code happened twice in the spring of 2008, pointing to a soon approaching stock market crash, which occurred in September! Updated: 02/05/2016

Sign #13 – James Bailey’s “The Event before the Event” March 01, 2015, Prophetic Dream Fulfilled – Obama Authorizes \$1.2 Billion for Military Defense Equipment on February 9 2016:

Sign #14 – James Bailey’s February 17, 2016 - Triple Top Reversal Could Be Forming Now:

A triple top reversal pattern began forming six months ago and is still not complete, but it has already formed three of the four legs of the W shape, which is an interesting coincidence because I have seen the fulfillment of three of the four signs I was given. To complete the final leg of the W the stock market would need one final rally. I believe we could see that soon because of two recent dreams in which I saw the value of the dollar moving up much higher prior to the coming crash. The DJIA’s last 5 sessions prior to today (Thursday, February 18, 2016) finished in positive territory, so it appears that the last upswing of the “W” might in fact be taking place!

Sign #16 – Are we Entering into the “Midnight Hour” of Mankind’s History as the Earthquake Strikes?

David Feagin’s “The 12th Hour” Prophetic Vision: **“The clock struck 12”**

I Am Calling You to Walk in the Darkest Period of Human History: **“It is midnight now. I am now searching the earth with lanterns. I am making thorough searches. I will move suddenly”**

Acts 16:25-34 (KJV) The Midnight Hour (Twice Speak Code): **“25 And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them. 26 And “suddenly” there was a great earthquake”**

Sign #19 – Dismemberment:

The “Trigger” – Great natural disasters in the Tokyo, Japan region triggers a worldwide market crash?

Technically, signs “15” through “18” are not really signs at all, but are part of the actual “**trigger**”.

Folks, when the Earthquake “**Coming to the Earth**” strikes at the “**Midnight Hour**” the “**trigger**” for the worldwide stock market crash will have been activated and many will be “**caught with their pants down**”!

The **Joseph’s** and other true Christians will be set free!

Tokyo lies in a region of three converging tectonic plates (Pacific, Okhotsk and Okinawa). The Pacific plate actually subducts underneath the Okhotsk Plate at the Japan Trench region, making it tsunami prone. Seismic activity has been increasing in this region over the last few months. And along with this increased earthquake activity (Richter scale quakes of 4’s and 5’s continue to strike around Tokyo. A powerful 6.7 earthquake on November 13th. A 6.5 Richter scale quake in the Philippines and a 6.1 Richter scale quake in Japan on 11 January and another 6.7 magnitude quake in Japan on 14 January! After that, a 7.1 magnitude quake jolted Alaska’s Kenai Peninsula on 24 January and on 30 January and a 7.3 Richter scale earthquake struck 95 km north of Yelizovo, Russia! On 02 February, a 5.6 quake hit Miyako, Japan and a 5.8 hit near Yonakuni, Japan. And on 05 February, a 6.4 quake struck 28km north east of Pingtung, Taiwan). Updated: 02/07/2016

Volcanic activity is also increasing in the region in recent months. The worst volcanic disaster in nearly 90 years, occurred in Central Japan just last year, when Mt. Ontake unexpectedly erupted! The result was the death of 63 people! In May of 2015, a remote island south of Kyushu was evacuated because of another eruption! Japan’s Mt. Aso in the Kumamoto prefecture of southwestern Japan, experienced an eruption on September 14, 2015, with a 1.2 mile high plume of smoke and pyroclastic flows! Folks, Mt. Fuji is only about 60 miles from Tokyo, how could the authorities evacuate the second most populous city in the world during an actual eruption? Updated: 02/07/2016

The ‘Ring of Fire’ is heating up again! Things are really heating up on the Pacific “Ring of Fire” right now. A 6.0M quake struck on 01 April near Shingu, Japan, followed by a 6.2M quake that hit north east of Angoram, Papua New Guinea. The following day on 02 April, a 6.2M quake struck near Chignik Lake, Alaska. Then on April 3rd, a monster 6.9M quake struck near Port-Olry, Vanuatu! Again on 06 April, Vanuatu was struck by another monster, a 6.7M earthquake hit 105km west-southwest of Sola! The following day another 6.7 quake very close to the same region. On April 13th a huge 6.9 quake terrified folks about 45 miles southeast of Mawlaik, Burma. It keeps going folks ...on 14 April three huge quakes struck near Port-Olry, Vanuatu (6.4M) and in Ueki, and Uto, Japan (6.2 and 6.0). The 6.2 Ueki quake killed 9 people and injured scores of people! The following day on 15 April, a giant 7.0M earthquake struck Kumamoto-shi, Japan killing at least 41 and leaving hundreds injured! Then just the next day (April 16th), a gigantic earthquake struck near Muisne, Ecuador, killing more than 246 and injuring more than 2500 people! And on 20 April, Muisne had 6.0 and 6.2 aftershocks, while a 5.8 quake struck near Naime, Japan! Next on 29 April, a 7.0M struck 1km south east of Norsup, Vanuatu and shortly after a 6.6M struck the northern East Pacific Rise. The big earthquakes keep coming friends! Updated: 04/30/2016

A World Economic Collapse? But you ask, how do we know that the devastations in Tokyo could really bring the economy down? Well, the modern-day prophetic voice tells us so. Also, what do you think a devastated Tokyo would do to the Tokyo/world automotive and electronics markets?

Mena Lee Grebin Prophecy:

Mena Lee Grebin stated that God mentioned a timing of [September through December of 2015](#). My question to you is – has the ‘September through December’ window past us by yet? She was also told that are [preparations must be completed by the end of the summer 2015](#). Are your preparations finished yet? At a minimum, we should have several months of water, food and toiletries for ourselves and our families. Don’t forget to store some white gas (kerosene and/or propane) in a safe location. You will need it to cook and heat with when the power goes out indefinitely. Updated: 09/28/2015

It appears that this fall of 2015 Prophecy has been delayed. Updated: 01/06/2016

Harold Eatmon's "Two Black Mondays" Prophetic Vision:

Harold Eatmon stated this about the timing **"I saw the season to be when 'the leaves fall to the ground' (the fall season) then the first crash would occur"**. Well, the 2015 fall season just started, it commenced on September 23rd. This prophecy also stated that there would be two crashes about two months or less apart, and that both crashes would occur on Mondays. Samuel Garcia's Prophetic Dream seemed to also be alluding to the fact that there would be two market crashes that would happen towards the end of the year, during the Christmas shopping season. Updated: 09/28/2015

It appears that this fall of 2015 Prophecy has been delayed. Updated: 12/30/2015

A 2015 Fall Season Hypothetical Scenario:

Let me pose a hypothetical scenario here. Let's just say that on a given Saturday, Sunday or even Monday morning, in the not too distant future, that there is a huge earthquake and subsequent tsunami/Mt. Fuji volcanic eruption (the trigger), and millions of people died from the three events! What do you think would happen to the worldwide stock markets with the first 3 sign's already initiated (see above), and then **"suddenly"** the 4th and last sign becomes active? Updated: 10/26/2015. It appears that the fall of 2015 Scenario has been delayed. Updated: 12/30/2015

So What am I still Watching for?

I'm watching a singular, **"sudden", catastrophic event**, the Japan disasters (Mt. Fuji volcanic eruption, Tokyo earthquake and subsequent tsunami) to **trigger** the 1st "Black Monday" stock market crash in the fall of 2015 or early 2016, and for it to **change the history of mankind forever!** The **"Midnight hour"** event will commence setting the captives (the **Joseph's** and true Christians) free from prison and the rest of the world into bondage! We have already looked at some, but please do a word search within this paper to see how many times you see the Words **"Sudden"** or **"Suddenly"** in the Prophetic Voice of this attachment. Folks, **"suddenly"** negates gradualism! Did the first Great Depression come in gradually? Nor will the 2nd one! But some signs still have to be completed before the crashes and subsequent 2nd Great Depression occurs ...and by the way, most of them will happen **"Suddenly"** too!

I'm still watching for the German economy and DAX to continue its downward rollercoaster ride. I doubt that we are done hearing about Germany yet (sign #4). I'm also still monitoring for increasing earthquake activity in the Tokyo, Japan region, and closely watching Mt. Fuji for volcanic activity, until the massive earthquake strikes and the volcano erupts (the trigger). And then lastly, I was anticipating a worldwide stock market crash in the fall season of this Jubilee year, but it hasn't happen yet. Was it delayed for whatever reason, I don't know, but I suspect that it was ...some of the prophecies seem to be indicating that. I am still expecting it to occur in the upcoming days or weeks on a "Monday" in early 2016 immediately following the **"trigger"**. I believe that this first stock market crash will be followed by a short recovery and then a **second stock market crash, again on a "Monday", a couple of months or less after the first crash, which will lead the world into a second Great Depression and the Greatest Christian revival that this world has ever seen!** I was expecting the first crash to happen on one of the following days: (September 23 was the autumnal equinox – the first day of the fall season). September 28th, October 5th, 12th, 19th, 26th, November 2nd, 9th, 16th, 23rd, 30th, December 7th, 14th, or the 21st. (December 22 is the winter solstice – the first day of the winter season).

Well Folks, the 2015 fall season has come and gone ...has the Harold Eatmon Prophecy been delayed? Will the worldwide stock market crash happen after Christmas or even after New Year's? I strongly believe that it will, but only time will tell us for sure. Please get your food and water supplies ready folks. Updated: 12/30/2015

Do I know for sure that a tanked German economy (sign #4) will proceed a Tokyo earthquake, tsunami and Mt. Fuji eruption (**the trigger**), which will lead to a worldwide "Monday" stock market crash? No I don't, I'm doing the best that I can with the Prophetic writings and Codes that I have to work with; but having said that, these Prophetic writings do seem to be pointing in that direction! Hurricane Joaquin Destruction, January 20-22, 2016:

Hurricane Joaquin – The October 2015 Storm Complex that was **Lifted by Yahweh!**

Joaquin is the Spanish language version of Joachim. It is a male name which finds its origin in Hebrew and literally means "**lifted by Yahweh**" (Wikipedia).

Was this storm be "**lifted by Yahweh**" to strike the East Coast in the form of **judgment against America?** Hurricane Joaquin, was a category #4 hurricane which sat over the Bahama Islands for days. As it slowly moved northward, heavy winds which were driven from a blocking high pressure zone to the north, coupled with a cutoff low to the south; pulled hurricane Joaquin laden moisture into the Carolinas for days! Some meteorologists are labelling this complex system a 'one thousand year' event!

33 Sailors Dead after Hurricane Joaquin sinks the Ship 'El Faro' (the Pharaoh) – Sign #2:

Since October 1, large portions of North and South Carolina have been **inundated with a foot or more of rain and some areas have exceeded two feet of rain!** Seventeen dams have failed or breached. Local residents are calling this flood event "the Biblical Flood of 2015!" An unimaginable 55.6 trillion gallons of rain water fell in Virginia and the Carolina's during this hurricane storm complex! The death toll in the United States (South Carolina - 17 and North Carolina - 2) has reached nineteen. The peanut and cotton fields are gone – they are gone!!! Look for this loss to be transferred to costs in the market place. And 33 sailors are feared dead (28 Americans and 5 Polish nationals) from the missing cargo ship 'El Faro', which was lost at sea in the hurricane. 'El Faro' is pronounced Pharaoh – as in 'the Pharaoh' as in the 'first bad year' ...the theme of this paper, right?) Faro means "lighthouse" the beacon is gone – lost in the sea (the world)!!!

Hurricane Joaquin eventually reached just under category #5 hurricane strength (cat #5 requires 156 mph plus wind speeds) with 155 mph winds, as it traveled toward the Island of Bermuda. This storm complex left hundreds of miles of severely eroded beaches in Virginia and the Carolinas, which would take billions of dollars to restore! With all of this beach sand gone, the East Coast beach towns (especially the Outer Banks) are now primed for tremendous structural devastation, in the event that another hurricane strikes this fall, or when the annual nor'easters strike this winter!

Winter Storm Jonas Strikes the MidAtlantic and Northeast from January 20-22, 2016:

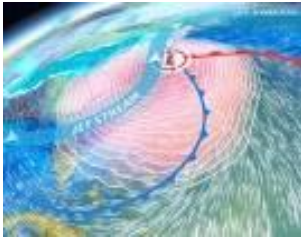

Winter Storm **Jonas** – The Late Jan 2016 Storm Complex that was given as a “**Sign**” – **Sign #11:**

Jonas has a Greek etymology with a meaning of “**Sign**”, because in ancient Greece, Greeks believed that birds were sent by gods as a sign to people. The Hebrew version of the name means Dove. (Wikipedia).

Are the “modern day prophets” and people in general who have been waiting for God to act in the form of judgment in 2015 and now in 2016, looking and praying for a “**Sign**” from God? Do you remember what Jesus said about a “**Sign**” and about “**Jonas**”?

Matthew 12:39 (KJV) (“**Twice Speak**” Code):

“But he answered and said unto them, An evil and adulterous generation (*America*) seeketh after a **sign**; and there shall no **sign** be given to it, but the **sign** of the prophet **Jonas**”

Well what was that sign in a “Twice Speak Code” setting? Was this (Jan 21-24, 2016) storm given as a “**Sign**” to America (Washington D.C. specifically) in the form of **judgment**; and to speak to the “**delay of the Prophetic Voice**”, which originally seemed to be indicating that the “**sudden**” trigger event (**Mt. Fuji eruption, Tokyo earthquake and tsunami**) was to occur in the fall of 2015, rather than in the winter of 2016? Well, I believe God is speaking “delay” in **Jonas**.

Remember, the (Twice Speak Code) passage from Acts (see directly below) that seems to be saying that at the “**great earthquake**” would happen at the start of the “**Midnight**” hour, at which time the **prisoners** (**the Joseph’s**) would be released and the “**great Last Days revival**” would commence across the world!

Acts 16:25-34 (KJV) **The Midnight Hour** (“**Twice Speak**” Code):

“25 And **at midnight** Paul and Silas (*the Josephs held captive during the 11th hour?*) prayed, and sang praises unto God: and the prisoners (*the other Christians held captive during the 11th hour?*) heard them. 26 And “**suddenly**” there was a **great earthquake**”. But at **midnight** Paul and Silas were praying and singing hymns to God, and the prisoners were listening to them. **Suddenly** (*how many times have we seen that word before in these pages, ha, ha*) there was a **great earthquake**, (*Mt. Fuji eruption, Tokyo earthquake and tsunami*) so that the **foundations of the prison were shaken; and immediately all the doors were opened and everyone’s chains were loosed**. And the keeper (*the unsaved people of the world that are successful and in charge*) of the prison, awaking from sleep (*the unsaved understanding that the Prophetic Voice of judgment was true*) and seeing the prison doors open, supposing the prisoners had fled, drew his sword and was about to kill himself. (*realizing that their world view was wrong and all that they stood and lived for was seeming lost, they were contemplating taking their lives*) But Paul called with a loud voice, saying, “Do yourself no harm, for we are all here.” Then he called for a light, ran in, and fell down trembling before Paul and Silas. (*the unsaved seeing the light of the gospel and falling down to their knees and repenting of their sins...*) And he brought them out and said, “Sirs, what must I do to be saved?” So they said, “Believe on the Lord Jesus Christ, and you will be saved, you and your household.” (*...and they accepted Jesus as their savior!*) Then they spoke the word of the Lord to him and to all who were in his house. And he took them the same hour of the night and washed their stripes. (*the unsaved people of the world that are successful and in charge will begin to take care of the Christians who have been in captivity and under persecution*) And immediately he and all his family were baptized. Now when he had brought them into his house, he set food before them; and he rejoiced, having believed in God with all his household.”

How about **Jonah** (“**Twice Speak**” Code)?

Now the name “**Jonas**” is a direct form of the name **Jonah**. And the story of Jonah in the Bible (in the Twice Speak Code) speaks of the reluctant Prophets, who refused to prophesize to Nineveh (United States) that judgment is coming! Most of us know the story. Jonah refused to preach (reluctant 11th hour preachers) to Nineveh (United States) and his ship (his life) was going in the wrong direction and was about to capsiz into the sea (the sins of the world). He told those on the ship to cast him off the ship and they did! (the death of the

11th hour prophets) He was swallowed up by the great fish and remained in his belly for 3 days, before being spit out and washing up to shore (coming back to his senses – the birth of the 12th hour prophets).

Jonah 3:1-5&9-10 (KJV) (“Twice Speak” Code):

“And the word of the Lord came unto Jonah the second time, (*the 12th hour prophets arise*) saying, Arise, go unto Nineveh, that great city, and preach unto it the preaching that I bid thee. So Jonah arose, and went unto Nineveh, according to the word of the Lord. Now Nineveh was an exceeding great city (*United States*) of three days' journey. (*3 beginning of the third thousand year period after Christ*) And Jonah began to enter into the city a day's journey, and he cried, and said, Yet **forty days**, (*the days of faith testing*) and Nineveh (*America*) shall be overthrown. (*the warnings of Rabbi Cahn and others after 9/11?*) So the people of Nineveh believed God, and proclaimed a fast, and put on sackcloth, from the greatest of them even to the least of them.” “...Who can tell if God will turn and repent, and turn away from his fierce anger, that we perish not? And God saw their works, that they turned from their evil way; and God repented of the evil, that he had said that he would do unto them; and he did it not.”

Jonah 4:1, 3-4, (KJV) (“Twice Speak” Code):

“But it displeased Jonah exceedingly, (*the fact that the Prophetic Voice was delayed*) and he was very angry. Therefore now, O Lord, take, I beseech thee, my life from me; for it is better for me to die than to live. Then said the Lord, Doest thou well to be angry?”

Historians state that Nineveh was destroyed in 612 B.C. by the Medes. This destruction was the (**delayed**) fulfillment of the prophet Nahum's prediction that God would completely totally destroy the city. See the passage from Nahum below.

Nahum 2:8-13 (KJV) (“Twice Speak” Code):

“Though Nineveh (*United States*) of old was like a pool of water, Now they flee away. “Halt! Halt!” they cry; But no one turns back. Take spoil of silver! Take spoil of gold! There is no end of treasure, Or wealth of every desirable prize. (*the wealth of America will be plundered and destroyed*) She is empty, desolate, and waste! The heart melts, and the knees shake; Much pain is in every side, And all their faces are drained of color. Where is the dwelling of the lions, And the feeding place of the young lions, Where the lion walked, the lioness and lion's cub, And no one made them afraid? The lion tore in pieces enough for his cubs, Killed for his lionesses, Filled his caves with prey, And his dens with flesh. Behold, I am against you, says the Lord of hosts, I will burn your chariots in smoke, and the sword shall devour your young lions; I will cut off your prey from the earth, and the voice of your messengers shall be heard no more.”

Now let's look at Jonas as a “**dove**”. Remember that the secondary definition for the name Jonas is “**dove**”.

Genesis 8:6-12 (KJV) (“Twice Speak” Code):

“And it came to pass at the end of **forty days**, (*the days of faith testing*) that Noah (*12-hour Prophets?*) opened the window of **the ark** (*place of refuge and salvation*) which he had made: And he sent forth a raven, (*Satan who goes forth to and fro upon the earth*) which went forth to and fro, until the waters were dried up from off the earth. Also he sent forth a dove (*the Holy Spirit*) from him, **to see if the waters were abated from off the face of the ground**; (*to see if the world was receptive to the gospel of Christ*) But the dove found no rest for the sole of her foot, and she returned unto him into the ark, for the waters were on the face of the whole earth: then he put forth his hand, and took her, and pulled her in unto him into the ark. And he stayed yet other seven days; and again he sent forth the dove out of the ark; And the dove came in to him in the evening; and, lo, in her mouth was an olive leaf (*olive leaf symbolizing victory and prosperity*) plucked off: so Noah knew that the waters were abated from off the earth. (*12-hour Prophets knew that it was time for the Last Days revival to begin?*) And he stayed yet other seven days; and sent forth the dove; which returned not again unto him any more.” (*the Holy Spirit begins to move across the world in the Last Days revival!*).

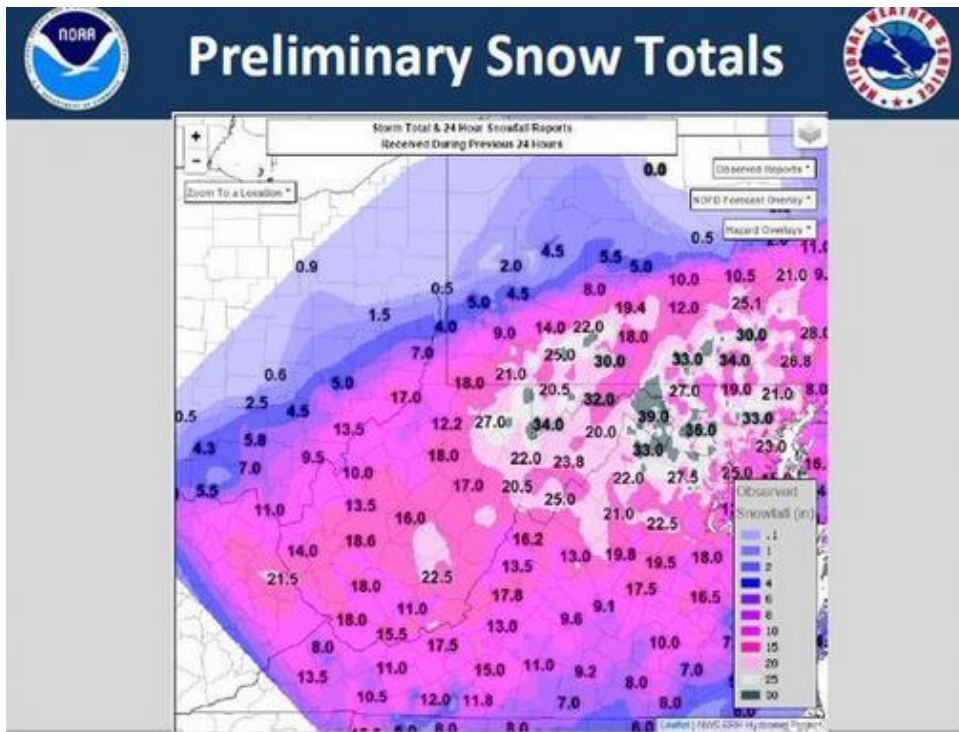

So, the dove with the olive leaf in the story of Noah's ark was also a “**sign**”, a sign that the flood had receded.

The Curtain comes down on Carly Fiorina, (Event Code) September 27, 2015:

And what about the curtain falling down on republican presidential hopeful Carly Fiorina?

<http://abcnews.go.com/Politics/curtain-collapses-carly-fiorina-speaks-stage-texas/story?id=34090620>

It happened on a Texas stage where Carly Fiorina was in the midst of a speaking engagement at a conference of women entrepreneurs. Folks this is what I call an “Event Code”. An event in one’s life that is symbolic of a happening in that same person’s life. In Broadway, when the curtain comes down, the show is over! Folks prior to the curtain coming down around Carly, the former CEO of Hewlett-Packard had surged up to second place in the national polls behind Donald Trump, but after the curtain came down she almost immediately dropped to around sixth place, where she remains today! Cruz-ing? Republican Presidential Candidate Ted Cruz gets Stuck in an Elevator (Event Code):

Republican presidential candidate Ted Cruz running neck and neck with Trump in the Iowa polls, on Saturday (January 16, 2016) was briefly trapped in an elevator before giving a speech at the South Carolina Tea Party Convention. The Texas senator quipped after he was released that GOP rival Donald Trump was to blame.

“All right, so who put Donald Trump in charge of the elevator?” he said to reporters gathered outside of the elevator. By Bradford Richardson The Ted Cruz campaign will not be moving up. Updated: 03/12/2016

How about a Little Politics with Donald Trump?

Republican front runner Donald Trump seems to believe that he can fix all of America’s financial woes singlehandedly. He has stated that he wants to make individuals earning less than \$25,000 (\$50,000 for married couples) per year tax exempt, by heavily taxing the super-rich stock market hedge fund managers. My question to him is how will he be able to pull off his plan once the stock market crashes? Who will he heavily tax when the stock market and real estate bubbles both burst? What will this billionaire real estate tycoon propose to fix America’s financial woes when his own financial portfolio “suddenly” comes crashing down? What will he propose then? I suspect that he will decide to shut down his campaign at that time. People, when will we learn, that a major Spiritual problem cannot be corrected with a mechanical fix? Updated: 10/25/2015

If the Japan disasters were to happen in the coming days and if Rubio were to capture Florida on Super Tuesday Two, Rubio would then have an outside chance of winning the nomination against Ted Cruz. Updated: 03/03/2016

If this is in fact the first “bad year”, then according to the “Prophetic Voice”, I am expecting America’s extremely wet “El Nino” spring to end and the “La Nina” drought and heatwave to begin across America on June the 9th, with little to no rain falling in the country after mid-June. Also look for volcanic activity to begin in Venezuela in the coming days. And I am still expecting Donald Trump to suspend his campaign, if and when the world’s stock market crashes, for most of Trump’s wealth is held in leveraged real estate holdings which will plummet in a market collapse. Also, he has proposed to fund many of his grandiose plans with stock market money. If he does in fact drop out, it would seemly allow Clinton to win the general election by default, unless the GOP nominates a replacement candidate and/or Clinton is indicted. But no matter how it shakes out, keep in mind that the Prophetic Voice tells us that there will not be a replacement president, it tells us that Obama will remain in office. Updated: 05/26/2016

Whoops! Carly Fiorina falls off stage, by Donovan Slack, USA TODAY May 2, 2016:

Carly Fiorina apparently lost her footing after introducing Texas Senator Ted Cruz at an event in Indiana.

Donald Trump seized on the fall, saying he thinks it was a "weird deal."

"They just showed it to me, and I said, 'Wow that's really cruel,' she fell off, she just went down," he said. "And she went down right in front of him and he was talking and he kept talking... That was a weird deal, man."

Cruz's wife, Heidi, was apparently first to notice Fiorina's tumble and reached out to help her.

It's been less than a week since the Republican hopeful announced he had picked Fiorina as his vice presidential running mate (if he actually wins the nomination). And they are still trying to navigate joint campaigning, it seems. It has not gone unnoticed on social media. Just check out this painfully awkward moment.

What is this "Event Code" telling us folks? We already discussed her last event code ...the one where the curtain fell down on her and then she bottomed out in the polls. So now Carly falls off the stage just days before Cruz suspends his campaign. Well, Senator Cruz obviously isn't aware of, or doesn't believe in event codes or he would not have picked her as his vice president running mate. So now she falls off the stage ...do I really need to explain the meaning of that code friends? Updated: 05/26/2016

Clinton questioned for 11 hours by Benghazi Committee - Oct 22, 2015 by Stephanie Condon, CBS News:
 “Democratic presidential candidate and former Secretary of State Hillary Clinton spent 11 hours answering questions from the House Benghazi Committee Thursday. At one point, the hearing devolved into a yelling match between Committee Chairman Trey Gowdy and Democrats on the committee.

The bickering followed Gowdy's questions regarding Clinton's email correspondence with Sidney Blumenthal, a longtime Clinton family friend and informal adviser. Iowa caucus: Hillary Clinton Won six delegates via Coin Toss - Independent News Feb 03, 2016:

“A coin toss was used to decide whether Hillary Clinton or Bernie Sanders won at six precincts in the Iowa caucus. Ms Clinton won six county delegates through coin tosses in Newton, Ames, West Branch and Davenport, as well as two precincts in Des Moines, the Des Moines Register reported.”

Under Iowa's Democratic caucus guide, ties between two or more candidates can be determined by a coin toss.

The guide states: "Note: In a case where two or more preference groups are tied for the loss of a delegate, a coin shall be tossed to determine who loses the delegate."

[Hillary Clinton ended up with 49.8% of the votes to 49.6% of the vote for Bernie Sanders in Iowa. It was the closest finish in a presidential primary in Iowa’s history! It was stated that Clinton won all six required coin tosses. How is that possible?](#) Updated: 02/03/2016

Donald Trump wants Iowa rematch, accusing Cruz of 'fraud' – BBC News February 03, 2016:

Presidential candidate Donald Trump has called for a new election in Iowa, accusing the Republican winner, Ted Cruz, of fraud. Mr Trump pointed to the fact that during the caucus the Cruz campaign told voters rival Ben Carson planned to quit the race, which was not true.

The Cruz campaign apologized to Carson's camp, saying it was a misunderstanding.

Mr Trump also cited Cruz leaflets that accused Iowans of "voting violations". Paul Pate, the top election official in Iowa, condemned the mailers on Saturday, saying the state does not track or grade individual voters. Mr Pate said Mr Cruz's mailers "misrepresent Iowa election law" and that they were "not in keeping in the spirit of the Iowa Caucuses," but he stopped short of any official action.

"Ted Cruz didn't win Iowa, he stole it. That is why all of the polls were so wrong and why he got far more votes than anticipated. Bad!" Mr Trump said." Updated: 02/03/2016

The pope said that there is a "clear moral difference" between terminating a pregnancy and "preventing" one, according to the Associated Press. Skipping Scalia autopsy spawns conspiracy theories - CNNPolitics.com, Death on Feb 13, 2016:

"Republican presidential candidate Donald Trump on Monday referenced a report from the scene about Scalia's body when asked on a radio show to comment on the possibility that Scalia may have been murdered and whether there should be an independent investigation into this death.

"They say they found a pillow on his face, which is a pretty unusual place to find a pillow," Trump said on conservative radio host Michael Savage's show "The Savage

Nation." Savage called for "the equivalent of a Warren Commission"-style investigation into Scalia's death.

In a statement Tuesday, the owner of the ranch clarified to CNN what he meant when he told the San Antonio Express the judge was found with a "pillow over his head."

"I think enough disclosures were made and what I said precisely was accurate. He had a pillow over his head, not over his face as some have been saying," John Poindexter, owner of the Cibolo Creek Ranch, where Scalia was found, told CNN over the phone. "The pillow was against the headboard and over his head when he was discovered. He looked like someone who had had a restful night's sleep. There was no evidence of anything else."

A U.S. law-enforcement source told CNN: "There was absolutely nothing out of the ordinary in Justice Scalia's room. There were no signs of foul play." The source added that law-enforcement agents know the difference between someone dying in their sleep and being suffocated to death with a pillow.

But despite the assertions of law enforcement and local justice officials that all signs pointed to death from natural causes, questions about the process they followed have flared on social media.

The former head of criminal investigations for the Washington, D.C., police, poured fuel on the conspiracy theory fire.

"As a former homicide commander, I am stunned that no autopsy was ordered for Justice Scalia," William O. Ritchie wrote in a Facebook post on Sunday, according to reports. After seeking to cast doubt on the conclusion of the deputy U.S. marshals who responded to a call from the ranch, he added, "My gut tells me there is something fishy going on in Texas." Ritchie told CNN on Tuesday that there is still time to act because Scalia isn't lying in repose at the Supreme Court until Friday and his funeral isn't until Saturday.

Antonin Scalia to lie in repose at the Supreme Court on Friday

"At least you have a trained medical professional look and make an examination," Ritchie said. "There is sufficient time to do that." The conspiracy theories surrounding the death run the gamut. In an "emergency transmission" posted on Facebook, Infowars' Alex Jones said, "The question is was Anthony (sic) Scalia murdered?" while the site Harddawn.com speculated that "the Illuminati" might have been responsible, calling Leonard Nimoy — who died last year — "the wild card in this equation." And a number of sites have made reference to a so-called "heart attack gun," a secret CIA weapon that could, per their claims, have been used to kill Scalia.

At issue are a series of decisions made by the Texas county judge who took charge in the aftermath of Scalia's passing when two justices of the peace sought out by those at the ranch could not make it to the site.

Reached by The Washington Post late Monday, Brian Monahan, a U.S. Navy rear admiral and the doctor who had reportedly cared for Scalia, declined to comment, citing "patient confidentiality."

Donald Trump cites report that the judge was found with pillow on his face

A local judge's decision not to order a post-mortem examination have triggered a round of questions ranging from scrutiny of the procedures to the bizarre.

"They say they found a pillow on his face, which is a pretty unusual place to find a pillow," Trump said on conservative radio host Michael Savage's show "The Savage Nation." Savage called for "the equivalent of a Warren Commission"-style investigation into Scalia's death.

In a statement Tuesday, the owner of the ranch clarified to CNN what he meant when he told the San Antonio Express the judge was found with a "pillow over his head."

The source added that law-enforcement agents know know the difference between someone dying in their sleep and being suffocated to death with a pillow.

But despite the assertions of law enforcement and local justice officials that all signs pointed to death from natural causes, questions about the process they followed have flared on social media.

The former head of criminal investigations for the Washington, D.C., police, poured fuel on the conspiracy theory fire.

The U.S. Marshals Service coordinates with the Supreme Court police to provide security for the justices but they may decline protection. In this instance, the USMS detail was declined, so USMS personnel were not present at the ranch. Deputy U.S. Marshals from the Western District of Texas responded immediately upon notification of Scalia's death.

Members of the high court do not routinely make their health information public, like presidents and presidential candidates. Guevara did not order an autopsy -- the same decision, according to The Post, that the Scalia family made when speaking to the El Paso funeral home that received his body.

George Washington University law professor Jonathan Turley said an autopsy should have been performed.

"Frankly, I'm surprised there was not an autopsy," Turley told CNN's Dugald McConnell. "I was also surprised at how casual the treatment of the scene appeared to be. I mean, you had someone pronounced dead over the description of marshals on the phone. This is not just anyone, this is a member of the U.S. Supreme Court, one of the highest officials in the judicial branch, therefore one of the highest officials in our government." Asked about the conspiracy theories, Turley said, "There's obviously an insatiable desire from many people to look at facts and see something untoward or suspicious. The Internet doesn't help that ... We are living at a time where conspiracy theories are a virtual sport. The fact that you had a justice who died and was left in his room for hours doesn't mean this is some Hollywood script. What it probably means is that a justice passed away in his room and was left for hours. Nino Scalia did have medical problems, he was 79 years old."

Pittsburgh Steelers Ben Roethlisberger, Denver Broncos John Elway and the Number 7:

So the first Cow named Ben, was named by the owner after the Pittsburgh Steelers star quarterback Ben Roethlisberger to act as a good luck portent for the Pittsburgh Steelers football. So what happened to the Steelers in the 2014/2015 season? They finished the season with an 11-5 record but on January 3, 2015, they lost 30-17 in the first round of the playoffs in Pittsburgh's Heinz Field, to the visiting Baltimore Ravens Wildcard team. So this Event Code wasn't fulfilled in the 2014/2015 season. So what about the Steelers' 2014/2015 season?

Well, the Steelers made the playoffs with a 9-6 record. They managed to win their first playoff game against the Cincinnati Bengals 18-16 as a result of a turnover and some penalty flags in the waning seconds of the game. Ben hurt his right shoulder (throwing arm) late in the game, but managed to drive far enough down the field in the last minute of the game, to get into field goal range for the winning 35-yard field goal. Pittsburgh's superstar receiver Antonio Brown, was spearheaded in the head by an opposing team member's helmet, which drew a 15-yard penalty that set up the winning field goal. Brown suffered a concussion and is questionable for the next playoff game.

As a result of their win, Pittsburgh is scheduled to play the Denver Broncos in Denver next weekend. Let's continue to watch and see what unfolds here. Remember, in the prophecy the first well-favoured cow (named Ben) is consumed by the ill-favoured cow (named **Joseph**). Denver Broncos quarterback Peyton Manning' jersey number is number 18 ...the number of beginnings and rebirth. Will the **Josephs** be released when Ben is defeated? Will this coming weekend be the weekend of the Japan disasters leading to a Monday stock market crash? We shall see.

Do you remember that the current Broncos General Manager John Elway was the former Broncos superstar quarterback and wore a jersey with the number 7 on it? Will his team defeat Ben's this weekend during the time of a Mt. Fuji eruption, Tokyo earthquake and tsunami?

Also, please do a study on the Illuminati in America and you will discover that "their" roots actually were established in Pittsburgh, Pennsylvania. And I need not inform you all about the supposed Illuminati connection in Denver and with the Denver International airport! Updated: 01/10/2016

The Coin Toss Call (Event Code) at in OT of the Packers/Cardinals Crazy NFL Playoff Game:

The OT coin toss event occurred at midfield of the University of Phoenix Stadium in Glendale, Arizona. Green Bay Packers quarterback and team captain Aaron Rodgers called tails, and referee Blakeman tossed the coin in the air. But it didn't flip in the air and landed on heads, which would have made the Arizona Cardinals the winner. The replay camera actually confirmed that the coin did not flip! What's the chance of that happening, folks??? Herein lies the Event Code, folks, a crazy occurrence to a crazy game! The event was the "coin toss" and the code meaning would be that game would have all kinds of crazy statistics to match the unusual likelihood of non-flip coin toss! Let's look at some of the craziness!

Crazy #1: Down 13-10, when Cardinals Carson Palmer tried threading the needle with a pass to Larry Fitzgerald. But Damarious Randall covered him perfectly, sticking out his arm which tipped the ball up in the air. The ball fell perfectly into the arms of Michael Floyd for a touchdown! New score 17-13 Cardinals.

Crazy #2: Down 20-13, after a big sack by Dwight Freeney, the Packers faced 4th and 20 from their 4-yard line and needing a touchdown to force overtime. Aaron Rodgers converts on 4th and 20 for 60 yards to Jeff Janis!

Crazy #3: Still down 20-13, with five seconds left in regulation time, Aaron did it again (Detroit). A 7-man pass rush by the Cardinals pressured Rodgers, forcing him to launch up a 60 yard Hail Mary pass while falling backwards on one foot! Then Jeff Janis made the catch of the night, sending the game into OT 17-17!

Crazy #4: Referee Blakeman decided to call off the non-flip OT toss, informing both teams that the coin hadn't flipped. Prior to the second coin toss, Blakeman did not give Rodgers the opportunity to change his call. This time, the coin flipped and landed on heads for a second time. The Cardinals won the second coin toss and chose to receive the kickoff and eventually won the game.

Crazy #5: On the very first play of overtime, Fitzgerald weaved in and out of the Packers, catching the Palmer pass and eluding five or six Packer defenders to reach Green Bay's 5-yard line for a 75 yard gain! Two plays later, Palmer completed a shovel pass to Fitzgerald for a 5-yard touchdown reception to win the game 26-20! Updated: 01/18/2016

David Kenderes’ Jan 14, 2016 Prophetic Poem - “The Digression of the Boob Tube”!

Friends, our moral fabric has been eroded to the umpteenth degree! We “**call good evil and evil good**” and think nothing of it ...we don’t even ‘bat an eye’ at it. Our ‘**God Reality**’ has been supplanted by ‘**Reality TV**’. The Commandments tell US to have no idols before US, but for years we have made ‘**American**’ TV our ‘**Idol**’ and we still haven’t repented because we don’t have “eyes to see”! Many of today’s action and fantasy TV shows have a post-apocalyptic setting – what are “they” trying to tell us folks? Let’s examine the moral digression of many of the TV shows in the form of a **Prophetic Poem**:

“**We’ve evolved from** ‘The Flintstones’ **to the** ‘Family Guy’.

Traded 'Candid Camera' **for** 'Punk'd', 'Zorro' **for** 'Debunked'.

Long gone are 'Captain Kangaroo' and 'The Captain and Tennille' **long yawn for** 'Blue' and 'Key and Peele'.

Isaiah 5:20 (KJV):

“Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!”

2 Peter 2:12 (KJV):

“But these, as natural brute beasts, made to be taken and destroyed, speak evil of the things that they understand not; and shall utterly perish in their own corruption;”

We’ve sown ‘Green Acres’ but we’ve reaped ‘Weeds’!

I think it is apropos to list (below) and discuss the ‘Green Acres’ theme song at this time, since I believe it’s germane to what has transpired in American society over the last 70 years. We’ve gone from an agricultural age, to an industrial age and now we are living in the acclaimed computer age. Although some would say that we have increased in knowledge and wisdom over the decades, I would ask if it was an increase in worldly, or Godly knowledge and wisdom? Although some would argue that we have learned how to excel at capitalism, while working in the city away from the country. I would ask if we have forgotten how to live off of the land in the country, while living in the city? What about morality? Have we traded Mana of His Word for mana of this world? Did we start out planting good seed and growing good crops, only to leave our fields unattended, hoping that others would tend to the needs of growing crops? Have we let our teachers and professors teach our children the ways of the world? Have we let our politicians and judges legislate the morality of demons? Has our once bountiful ‘Green Acres’ turned into a field of ‘Weeds’? Folks, when will we realize that our **‘Green Acres’ are no longer there!** Updated: 01/14/2016

2 Timothy 4:3-4 (KJV):

“3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; 4 And they shall turn away their ears from the truth, and shall be turned unto fables.”

‘Green Acres’ Theme Song:

“Green acres is the place to be
Farm living is the life for me
Land spreading out,
so far and wide
Keep **Manhattan**, (*Wall Street*)
just give me that countryside.

New York
is where I'd rather stay
I get allergic smelling hay
I just adore a penthouse view
Darling, I love you,
but give me Park Avenue.

The Stores
Fresh air
Times Square
You are my wife.
Goodbye city life.

Green Acres, we are there!”

Is the Truth Out There?

**Selective transcript excerpts from Jan 24, 2016 X-Files Premier TV Show “Forever Dreaming”:
Mulder’s Contemplation Time:**

Mulder: In 1947, Kenneth Arnold saw nine unidentified craft out the window of his small plane, followed by the historic crash at Roswell and its legendary cover-up. In 1957, UFOs were spotted over our nation's capital. The Pentagon held press briefings. Multiple witnesses in 1967 at Malmstrom Air Force Base in Montana see fighters scramble but easily outrun by UFOs that climb upwards of 200,000 feet, twice the service ceiling of our highest-flying spy planes. Dr. Edgar Mitchell, the sixth man to walk on the Moon, cites secret studies on extraterrestrial materials and bodies. Secretary of State Cyrus Vance and future president Gerald R. Ford validate the UFO phenomenon in official government memoranda. But now people only laugh, and only Roswell is remembered. But we must ask ourselves... are they really a hoax? Are we truly alone? Or are we being lied to?

Mulder & Scully’s Meeting with Tad O’Malley (the Wealthy Conspiracist) and Sveta in Low Moor, VA:

Mulder: I'd be happy to talk to you, Mr. O'Malley, but right here is fine.

Tad: Allow me my small precautions. Low-flying aircraft often employ what they call "dirt boxes" to record conversations that I prefer private.

Scully: How many times have you been abducted, Sveta?

Sveta: I lost count. And then there are the screen memories they implant.

Scully: The aliens made you pregnant?

Sveta: A number of times. But they take the babies before they're born. Those are the memories they can't remove.

Scully: They removed your unborn fetuses?

Sveta: Through here. They do everything through here. Even with the DNA.

Tad: Tell them about your DNA, Sveta.

Sveta: I have alien DNA. For sure.

Tad: I want to prepare you for what you're about to see, Mr. Mulder.

Mulder and Tad meet with an Engineers inside a Faraday Cage Hanger at an Undisclosed Location:

Mulder: A Faraday cage? For what?

Tad: Do you know what an ARV is?

Mulder: That's what you brought me here to see?

Garner: What we're showing you we do at great risk. Colleagues have had labs burned to the ground and work destroyed by our own government.

Garner: It's running on toroidal energy, so-called zero-point energy. Simply the energy of the universe.

Mulder: You're talking about free energy?

Garner: That we've had since the '40s. No fuel, no flame, no combustion. A simple electromagnetic field. Technology kept secret for 70 years while the world ran on petroleum.

Mulder: Oil companies making trillions.

Garner: What I'm gonna show you next is the most unbelievable part.

Mulder: Gravity warp drive... but how?

Garner: Element 115. Ununpentium.

Mulder: There was a moment you were being asked about your abductions... about your pregnancies, how the aliens took your babies... and before you answered, you looked at O'Malley. Why?

Sveta: Because it's not exactly the right question.

Mulder: I'm sorry, I don't understand.

Sveta: Because I don't believe it's aliens who were taking them.

Mulder: Sveta, who took your babies?

Sveta: Men.

Mulder: Men? Humans? You saw their faces?

Sveta: Yes. They took me aboard their ships. And... I was afraid they would kill me if I ever told anyone the truth.

Mulder meets with the 'Man in the Know' on the Mall in Washington DC:

Man in the Know: Is the hour absolutely necessary?

Mulder: It was important that I see you.

Man in the Know: We made an agreement about our meeting in unsecured environments.

Mulder: I took the usual precautions. I'm assuming you did, too. I've been standing here for over an hour. I haven't seen a soul. I called you because you said, if I ever put the pieces together, that you would confirm.

Man in the Know: And have you put them together?

Mulder: I've met someone, I've seen something. 'Cause you weren't even close. Warring aliens lighting each other on fire and other such nonsense.

Man in the Know: I was being cleverly manipulated. And what brings this new clarity?

Mulder: I saw an ARV running on free energy. I saw it disappear.

Man in the Know: That's what they all seem to do.

Mulder: But the technology exists. It's existed since Roswell. And it's been in use, being used on humans in human testing, the taking of men, women and children that's misreported as alien abductions.

Man in the Know: So you believe you have the how.

Mulder: Yes. And I think I know the why.

Man in the Know: The why is more complicated than you may ever know, Mr. Mulder.

Mulder: 60 years ago, we were warned about the military industrial complex gathering too much power.

Man in the Know: This is old news. The countdown has begun. It began in 2012, but no one knew. Tell me something new.

Mulder: Alien technology being used against us, not by aliens, not with aliens, but by a venal conspiracy of men against humanity.

Man in the Know: You're wasting my time.

Mulder: What are the tests for?

Man in the Know: You tell me, Mr. Mulder.

Mulder: Ten years ago, you came to me saying you couldn't take your secrets to your grave, that you couldn't live with it.

Man in the Know: I'm a man of medicine. I didn't know how my work would be used. The lies are so great, Mr.

Mulder: The truth must be unassailable.

Mulder: So let me tell the world.

Man in the Know: They'll make a mockery of us.

Mulder: Then let me take that bullet.

Man in the Know: And these men are capable of that. You're nearly there. You're close. Roswell. That was a smokescreen.

Mulder: So I've been told.

Mulder, Scully, Tad and Sveta Discussions:

Mulder: The crashes at Roswell. More importantly, places like Aztec. World leaders signed secret memos directing scientific studies of alien technology and biochemistry. Classified studies were done at military installations S4, Groom Lake, Wright-Patterson and Dulce, extracting alien tissue.

Mulder: Tests were done on unsuspecting human subjects in elaborately staged abductions, in craft using alien technology recovered from the downed saucers... including human hybridization through gene editing and forced implantation of alien embryos.

Sveta: Why do such a thing and lie about it... our own government?

Mulder: Your own government lies as a matter of course, as a matter of policy... the Tuskegee experiments on black men in the '30s; Henrietta Lacks.

Sveta: What are they trying to do?

Mulder: That's the missing piece.

Tad: But it's not hard to imagine... a government hiding, hoarding... alien technology for 70 years, at the expense of human life and the future of the planet. Driven not only by corporate greed, but... a darker objective.

Mulder: The takeover of America.

Tad: And then the world itself, by any means necessary, however violent... or cruel... or efficient. By severe drought brought on by weather wars conducted secretly using aerial contaminants (Chemtrails?) and high-altitude electromagnetic waves, (HAARP?) in a state of perpetual war to create problem-reaction- solution scenarios to distract, enrage and enslave American citizens at home with tools like the Patriot Act and the National Defense Authorization Act, which abridged the Constitution in the name of national security.

Tad: The militarization of police forces in cities across the U.S. The building of prison camps by the Federal Emergency Management Agency (FEMA) with no stated purpose. The corporate takeover of food and agriculture, pharmaceuticals and health care, (Obamacare?) even the military, in clandestine agendas, to fatten, dull, sicken and control a populace already consumed by consumerism. (Dumbing Down of America) And I encourage you all to go shopping more.

Tad: A government that taps your phone, collects your data and monitors your whereabouts with impunity. (Snowden) A government preparing to use that data against you when it strikes and the final takeover begins.

Scully: The takeover of America.

Tad: By a well-oiled and well-armed multinational group of elites that will cull, kill and subjugate.

What are "they" (the bad guys) trying to tell us folks? The TV episode showcased a laboratory hospital that housed young children with horrendous birth defects, while at the same time (in real life) "they" announce through "their" controlled media, that the Zika virus is causing small headed (Microcephaly) birth defects in babies, that are born to mothers infected with the virus during their pregnancies! Is that coincidental folks? – I think not!!!

The TV episode mentioned low-flying aircraft deploying "dirt boxes" to record our conversations. Faraday cage hangers, hiding alien aircraft equipped with invisible cloaking and zero-point energy (eradicating the need for petroleum products in society) technologies. Alien abductions impregnating our daughters to use them as incubators. Tests being done on unsuspecting humans in elaborately staged abductions. Was Roswell, merely a smokescreen? Is there a planned takeover of America and the world? Has the entire world been deceived under a colossal lie for the last 70 years? Well, let me tell you this much at this time. "The Truth is out There", but it isn't what the "bad guys" think or what they try to make us think. Let's examine 'their phrase' using the Standard Conversion (A=1, Z=26) Gematria Code:

20 08 05 20 18 21 20 08 09 19 15 21 20 20 08 05 18 05 = 260 = 26 = 07 15 04
“THE TRUTH IS OUT THERE”=260=26=GOD”

Walking Dead?

Zombie Apocalypse – “Fear of the Walking Dead” Coded Messages:

The show stated, and I'm paraphrasing, in the 09/13 & 20/2015 episodes, that **'when things begin to go down, it will go down fast!'** Another paraphrased declaration came from Victor Strand (actor Colman Domingo) in the 09/27/2015 episode, who said: **'The latte and frequent flyer days are over, we have returned back to gold now'.**

After the 10/04/2015 season finale episode, the AMC network aired the “Talking Dead Fear” special, where they displayed on the screen the following: **“Let's sail away and pray that the walkers (zombies) can't swim.”** (representing those “few” that are in the world but not of it?) The TV special was alluding to the likely possibility that the group of survivors were going to sail off into sea (next season) in a boat pick-up that was to be arranged by Victor Strand.

So let's analyze the hidden coded messages which I believe “the bad guys” are revealing to us through these zombie apocalypse shows. What I believe the “Fear of the Walking Dead”, “The Walking Dead” and to a lesser degree, all zombie movies and shows are telling us. I believe that the ‘zombies’ represent us (“US” as in **USA**) ...they represent Americans! Americans that are asleep (dead) to the events that are going on all around them! A so-called “Christian nation” who has been asleep for years and has lost its voice. Americans, who are so consumed in their own affairs, their selfish ambitions, self-centered dreams (the American dream), all-consuming striving and searching for comforts of this life, the desires and luxuries of **This-World** rather than searching for the riches of **His-Word!** (His “Word” is in “this world”, one simply has to know how to look for it) These lukewarmers are totally consumed with making money and more money and more money! And then spending this money and even money that they don't have (debt), on fancy clothes, cars, boats and houses. Americans are consumed by sports and recreation, reality TV shows, and sexual lusts and sexual sins. Americans are so consumed with achieving the “**American Dream**” that they don't see the approaching financial storm – the “**American Nightmare**”! They don't realize that their financial security blanket is about to be ripped right off of them! These “walkers” are infected ...they are infected with the infectious disease of trying to keep up with the Jones'!

Have any of you wondered why the AMC network aired their new series (Fear of the Walking Dead) this year, before their current series (The Walking Dead) even started its final season? And why were there only 5 episodes in season 1 of the new show? None of this seems to make sense on the surface does it? Here's what I believe is going on. “They” wanted to complete the new show's first season, with all of its new hidden messages, before the stock market crashes this fall or early winter! When the bad guys state in the new show, **'when things begin to go down, they will go down fast'**, they mean it! When “they” state **'the latte and frequent flyer days are over, we have returned back to gold now'** “they” mean it! Why would the show state that we have **'returned back to gold now'** on a zombie show? ...that doesn't make sense either, does it ...who would need gold during a zombie apocalypse??? Nobody would care about gold in a zombie world – food, water and safe housing would be all that would matter! We have got to learn the codes folks! It symbolically represents that in the future, things without intrinsic value (paper money, and especially electronic currency stocks and bonds), will become worthless – **Gold Will Rule!**

And when the episodes show military constructing large chain link fences topped with razor concertina wire, around housing developments for “safe” housing of the ‘survivors’, ultimately, these encampments never remain safe do they? These encampments represent free government housing (military controlled FEMA concentration camps). And when the ‘survivors’ leave the cities on their own and construct their own walled safehavens, it represents those that aren't of the walking dead, those that have “eyes to see” and “ears to hear”, those that aren't blind to the coming apocalypse. Notice that all of these shows start out with the characters saying **'we have to leave the cities'**. The hidden message for Americans is that we need to flee the cities before it is too late, before things get really bad! We need to leave the city before we die and join the ranks of the walking dead, or before martial law is instituted and we get locked up in one of the FEMA camps. Now

what about their “**Let’s sail away...**” quote, could this be their warning to Americans to leave the United States, go somewhere overseas while you still have a chance? Updated: 10/25/2015

The 1994 Song ‘Zombie’ by the Cranberries:

Another head hangs lowly
Child is slowly taken
And if violence causes the silence
Who are we mistaking
But you see it's not me
It's not my family
In your head in your head
They are fighting
With their tanks and their bombs
And their bombs and their guns
In your head in your head they are crying
In your head
In your head
Zombie zombie zombie ei ei
What's in your head
In your head.
Zombie, zombie, zombie ei, ei, ei, oh do, do, do, do, do, do, do, do
Another mother's breakin',
Heart is taken over
When the violence causes silence
We must be mistaken
It's the same old thing since 1916
In your head in your head
They're still fighting
With their tanks and their bombs
And their bombs and their guns
In your head in your head they are dying
In your head
In your head
Zombie

This song was inspired by the Irish Republican Army (IRA) bombing that killed two children in Warrington, Cheshire back in 1993. The Cranberries lead singer claimed that "Zombie" spoke about "The Irish fight for independence. The IRA actually declared a ceasefire on August 31, 1994, a few weeks after the song was released.

I want to present a possible secondary meaning for the song. A meaning representing the “bad guys” who control and manipulate the populous (the zombies), the politicians, the mega-corporations and the world’s financial system including the World Bank, the IMF and the Federal Reserve, by means of debt, payoffs, deception, extortion, coercion and wars. The “bad guys” control what we hear, see and even think about! The zombies infiltrating our heads, our minds and what we see and what we hear! Today, the American zombies are controlled by just six, giant, monolithic media corporations (GE, News-Corp, Disney, Viacom, Time Warner and CBS) who control over 90 percent of the news and entertainment industry! Jerry Sunberg's 1976? Prophetic Dream – Christian's (The Walking Injured) Rise above the Deceased (The Walking Dead)!

Many years ago, I was given an interesting dream. "I, along with many others, came together to join one another to fight against a very real danger that threatened to take over our families and our lives to enslave us all. We joined together to fight against this evil.

Next scene:

I along with others, were in a section of a city which I understood to be "spiritual Jerusalem" and as we fought against our enemy, we all held our own. But then, news came to us that the enemy had employed a new strategy never seen before.

In the midst of a battle, where they fought individually, now they withdrew, formed a kind of wedge and then they would attack as before but in unison. Just as we were hearing this, the enemy we were fighting withdrew and returned in the form of that wedge and we fell before them easily.

Next scene:

I woke up on a **heap of bodies, being left for dead. I was severely wounded but was able to roll off the heap of bodies I was placed upon.** I found my weapon, a kind of Samurai sword, which to me spoke of skill of use. I used that sword as a crutch to help me walk because I did not have much strength left in me because of the many wounds suffered.

No one that was with me survived. I was the only one in that section of the city. Not knowing where to go, I wandered down one narrow corridor after another. All the corridors in this city were very narrow and wound this way and that way.

Eventually, as if guided by an unseen hand, I found myself in a large open area about the size of a football field surrounded by various buildings and walls. I found a place to sit and rest against a wall.

As I took my place, I watched as others came into this large place as wounded as I was and some even more so. They came by their ones, twos and threes. **All wounded, left for dead.** All found a place to rest.

Now while I was resting, I remembered what brought me to this war. I remembered the evil threats made against our families, that threat of enslavement and pure evil. Remembering this gave me a kind of strength,

enough strength that I felt I needed to stand in the midst of all the people who have now made it to this place of rest.

I rose up and began to speak aloud those same thoughts I had while I sat resting, knowing full well that everyone in this place were thinking the very same thoughts. We knew there would be a price to pay. **We were willing to lay our lives down if it meant that this terrible enemy would be defeated and through our victory, we could assure a life of freedom from bondage and servitude for all our families we left behind.** Saying these things brought a renewed commitment to all present and just as I finished speaking, we all rose as one man. No one was healed. We were just as wounded and as weak as we were when we arrived in this place, but now, with a renewed commitment, we all left that place to return to that section of the city where we met our enemy and fell before them. I too left that place and returned to where I was left for dead. The place was the same but all the dead bodies had been removed and the place was “cleaned up”.

Moments after I arrived in my section of the city, the enemy that had formed a wedge “**suddenly**” appeared. It took the very last of my strength to lift my sword for the battle when something strange happened. **My sword “suddenly” took a life of its own and began to move in a level of skill and strength I never possessed and it sliced through that wedge of the enemy as a hot knife through butter. And so, this seemingly invincible enemy fell before this incredibly powerful sword that was in my hand.**” End of Dream.

Provision for Those that Trust in the Lord:

Jim Robey’s Provisions Prophecy, October 02, 2008:

“The Word of the LORD says, **“Soon the American economy will collapse** under the weight of national and personal sins. These things must be, declares the LORD to try and purify my Bride and to recompense the abominations that have been committed in your country. I have stated in MY Word that the nations are a drop in the bucket to me, and I do with them as I please. Though many in this country have forgotten Me days without end, yet My judgments are redemptive in nature, and I will bring many people to Myself in their afflictions. Many have snubbed their noses at Me by thinking that America is too powerful to be brought to its knees. Yes, the goodness of the LORD brings men to repentance, but My afflictions that I send also bring men to repentance, as My servant David had stated.

“This Economic Depression will be lengthy and will try the souls of many. My true followers will be separated from those who only claim to call me by Name. But I provide for My people, as I have always. I still can provide a table in the wilderness, declares the LORD. Do not look to the great lack that is coming and is even here, but look to Me, as I have stated in My Word that I keep My people satisfied during famine. You have nothing to fear, but be full of faith and know that I will keep you and your families. It is I Who breaks the staff of bread in a nation that transgresses against Me. I have sent messenger after messenger, prophet after prophet to declare the sins of this nation, but to no avail. I do not afflict willingly, from the heart, the sons and daughters of men for their sins, but to redeem and restore a people to Myself. When a nation transgresses against Me, and I give them space to repent, and they trodden under foot My mercies, then it is righteous for me to stand up and act. Stay in MY Word. You are My disciples, if you continue in My Word.

“To those who neglect My Word and desire the corrupt things of this world shall indeed come a reaping. I have told you these things so that when your economy soon collapses that you will not lose heart, but that you will trust Me with all of your heart to take care of you. But do I find faith on the earth? Will you believe every Word that proceeds forth from the mouth of God? Whose report will you believe? Are you not a stranger and pilgrim traveling through this world, keeping yourselves unspotted from the world?

“Take courage, I am with you and dwelling in you. Be full of faith and trust and in the Day of Trouble

I will rescue and deliver you. "With Great Love, Your God and Father."

1 Kings 17:10-16 (KJV) The Giving Tishbite Woman (Twice Speak Code):

“10 So he arose and went to Zarephath. And when he came to the gate of the city, behold, the widow woman was there gathering of sticks: and he called to her, and said, Fetch me, I pray thee, a little water in a vessel, that I may drink. 11 And as she was going to fetch it, he called to her, and said, Bring me, I pray thee, a morsel of bread in thine hand. 12 And she said, As the Lord thy God liveth, I have not a cake, but an handful of meal in a barrel, and a little oil in a cruse: and, behold, I am gathering two sticks, that I may go in and dress it for me and my son, that we may eat it, and die. 13 And **Elijah said unto her, Fear not; go and do as thou hast said: but make me thereof a little cake first, and bring it unto me, and after make for thee and for thy son.** 14 For thus saith the Lord God of Israel, The barrel of meal shall not waste, neither shall the cruse of oil fail, until the day that the Lord sendeth rain upon the earth. 15 **And she went and did according to the saying of Elijah: and she, and he, and her house, did eat many days.** 16 **And the barrel of meal wasted not, neither did the cruse of oil fail, according to the word of the Lord,** which he spake by Elijah.”

**As the Clock strikes 12, the Midnight Hour Begins
(An Hour of Mixed Blessings) – Sign #16:**

Will humanity move from the 11th to the 12th Hour (the hour of WW3 and the Lord’s return) in this Jubilee Year? Did God’s Time Clock shift to the last (12th) hour, when the world passed into this Jubilee year Tishri 1, 5776 (September 14, 2015)? I believe that it did and I’ll give you a couple of examples of 11th hour prophets that have passed on. Prophet John Paul Jackson (known as the 11th hour preacher) passed away on February 18, 2015. And what about the Prophet Bob Jones? ...he actually prophesied his own death. He also stated (I’m paraphrasing) that the Great Revival would not occur before he died. He died on Valentine’s Day, February 14, 2014. I actually attended his memorial church service (held in March) at Morning Star church in Fort Mill, South Carolina. Prophet Jones, openly stated that the great revival would not take place until after his death. Updated: 10/25/2015

Folks as great as the prophetic voice has been (John Paul Jackson, Bob Jones and many, many others) during the 11th hour, **it will be enhanced 100-fold during this 12th hour!** Instead of speaking in ‘general’ the prophetic voice will start to become much more ‘specific’ ...specific, detailed events and instruction will be given to His church by this season’s prophetic voice! And just let me say, without naming any names or places that this new prophetic voice has already begun! Not just abroad, but in the United States too!

And the **great blessings** will follow as well, to those that seek the Lord with all their minds, hearts and souls. All manner of illness will be healed, deformities and amputated bones will be recreated, crooked backs will be made straight, burned-scared skin will be made new, mental illness and brain diseases will be instantly healed, terminal illnesses will be cured and the dead will be raised from the grave! Food and water will be miraculously multiplied (*to those that are willing to give to others*) and the clothes and shoes that you ‘own’ and ‘wear’, will ‘clone’ and/or not ‘wear’ out!

David Feagin’s “The 12th Hour” Prophetic Vision sent to Glynda at the ‘Wings of Prophecy’ website 04-09-2014: “I was outside taking a walk. There were a lot of people doing the same thing (just living their lives and going about their daily business).

All of a “**sudden**”, a gigantic antique clock with Roman Numerals dropped from the sky. Everyone looked up; it was 11:59. As I looked up, the large hand moved to the right. **The clock struck 12.** Glynda, everyone started screaming, yelling and crying. It was horrific sounds of panic.

Then I could hear the people outside say, “**It’s 12 o’clock, it’s 12 o’clock on God’s Prophetic Time Clock.**” (everyone new that time was up). I raised my hands to the heavens (as in worship). I could see a cloud above me. I was looking for Jesus to appear at that very moment. As the cloud began to move, I woke up from the dream.”

Glynda, I woke up in a cold sweat and my heart was pounding so hard. This dream shook me up so much that I couldn’t sleep for the rest of the night. So I just spent the rest of the night praying. Last Sunday, my pastor preached on “We’re living in the final hour”, which to me is confirmation.

Are we living in the final hour? I would say we are living in the last minute of God’s Prophetic time clock. Time is running out. Jesus is coming quickly. Get read. Make sure your sins are forgiven and you have received Jesus Christ as your Savior.

**Joanie Stahl’s January 2016 Prophetic Word –
I Am Calling You to Walk in the Darkest Period of Human History:**

“**It is midnight now.** I am now searching the earth with lanterns. I am making thorough searches. I will move “**suddenly**”. Everything you have learned from Me through these years was for the purpose of toughening you up for what will come upon the whole earth all at once.

Few will be able to stand up under it. Do not be fooled by those who seem to be strong in Me. Many will fall away. Some will return last minute. This will take everyone by surprise. I am speaking to all of you individually right now. Listen to Me. Each of you have relied too much on each other, and habits related to Christian living more than quickening your ear to Me.

The time that is upon all of you will require independent strength, but not independent from Me. Circumstances will require immediate strength to stand. I will give you that strength, you will not have it within you to derive it out of yourselves at your will, but Mine. As the day is so shall your strength be. Many of you will be made to go through some very difficult dark places that will test your minds, your will, and your emotions. And do not try to figure out whether this will be during the the rise of the “man of sin” or the time that will arise later. The time is now. Look up and keep yourselves ready.

Many are fast asleep. They equate readiness with a soft, familiarized thought. They tell themselves they are ready by their own viewpoint standards. But those that do will not be able to stand, not immediately anyway. Later many will.

The pressures, fearful sights and more will eventually push them into the name of My strong tower. Everyone of you who have lost everything and yet still walk with Me will be those easiest for me to command. For during this time, they will know the time of My coming, that it is nearer now than ever before. And because they know it, will have a superior strength of power, superior to everything else everyone is terrified by.

I have not left any of you alone, not ever. The times you felt that I did were only to reinforce you to stand like a mountain in the midst of severe storms. I have been warning many of you for a long time. I can only warn for so long. Then comes the day, the moment, the hour in which I will begin to unseat Satan and root out his kingdom, force his ruthless kingdom forever out of my earth.

His claims of what he has the power to give are false. If anyone receives anything, it is only because I have allowed it. His forces of evil, his wickedness is near the end and he is very aware of that nearness. He has a wrath coming that he has been saving up all these millennia. Understanding is key right now.

Do your lives seem common? I hear many people groaning under every weight of concern and hopelessness. The very cries I am hearing in my ears today echo the same as the Hebrew slaves during their long oppression.

Night and day, night and day until it mounted up to my throne on the sides of the north right into My ears, until I couldn't take it anymore, until it came into its fullest measure.

I am at that same place. Do you wonder why I said that I would roar out of Zion? Once I do rise up, I will devour at once.

Begin to prepare yourselves in Me and only Me without mixture. Do not lean too much on others, other than what is necessary. Dig in and sharpen your swords, bathe them in heaven. Be in charge of your own weapons you have been entrusted with. You are my weapons of righteousness. And do not be afraid of anything, or anyone, or any threats. I know what I am doing. Your obedience to Me will determine critical safety measures at every turn. Home is coming for you. The harpers are harping. My gates are opening wide, and my hosts are preparing for all of you to come in all at once. If you could only see the loving fervor among the Saints of the ages! The happiness, thrill and great joy is the sentiment of heaven..." Updated: 01/03/2016

Acts 16:25-34 (KJV) The Midnight Hour (using the "Twice Speak" Code):

"25 And **at midnight** Paul (*Christians who were held in captivity during the 11th hour?*) and Silas prayed, and sang praises unto God: and the prisoners heard them. 26 And "**suddenly**" there was a **great earthquake**, (*Tokyo earthquake – Twice Speak Code?*) so that the foundations of the prison were shaken: and immediately all the doors were opened (*revival begins?*), and every one's bands were loosed. (*Christian captivity ends?*) 27 And the keeper of the prison awaking out of his sleep (*the 'walking dead' that lose all of their wealth overnight?*), and seeing the prison doors open, he drew out his sword, and would have killed himself, (*committing suicide – jumping off skyscraper buildings, etc?*) supposing that the prisoners had been fled. (*wealth transfer to those Christians who have proven they can be trusted with the Lord's finances?*) 28 But Paul **cried** with a loud voice, saying, Do thyself no harm: for we are all here. (*Witnessing to the lost?*) 29 Then he **called for a light**, and sprang in, and came trembling, and fell down before Paul and Silas, 30 And brought them out, and said, Sirs, **what must I do to be saved?** 31 And they said, Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house." (*The Great Last Days Revival where millions of people will become saved?*)

Matthew 25:1-13 (KJV) The Ten Virgins:

"1 Then shall the kingdom of heaven be likened unto ten virgins, which took their lamps, and went forth to meet the bridegroom.
2 And five of them were wise, and five were foolish.
3 They that were foolish took their lamps, and took no oil with them:
4 But the wise took oil in their vessels with their lamps.
5 While the bridegroom tarried, they all slumbered and slept.
6 And at **midnight** there was a **cry** made, Behold, the bridegroom cometh; **go ye out to meet him.**
7 Then all those virgins arose, and **trimmed their lamps.**
8 And the foolish said unto the wise, Give us of your oil; for our lamps are gone out.
9 But the wise answered, saying, Not so; lest there be not enough for us and you: but go ye rather to them that sell, and buy for yourselves.
10 And while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut.
11 Afterward came also the other virgins, saying, Lord, Lord, open to us.
12 But he answered and said, Verily I say unto you, I know you not.
13 Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh."

**Christina January's Mar 28, 2016 Prophetic Poem –
The Time of Peace Runs Out, the Clock has Struck Twelve:**

“The day dawns, light breaks forth,
My goodness revealed.
Be merciful as I AM merciful,
Hold fast, the day is coming.
Night precedes day, darkness before the light.
Know the richness of My Love.
It is worth more than silver and gold.
My love endures forever – never ending.
Find Me, Seek Me while I may be found.
Honor Me in praise and adornment.
Fully surrender that I may work in and through you.
I will save you from the fowlers snare,
I will hold you with My Righteous right hand.
Love and mercy precedes judgment.
Lo, I have been merciful.
The time is near. Lo, it is at hand.
War comes – it is almost here.
Hold fast, stay near Me,
Pray unceasingly.
Detonation strikes,
Fear grows,
Many lives lost.
Run to Me, hold fast,
For you are Mine and I AM yours
The time of peace runs out,

The clock has struck twelve.”

Lana Vawser's August 2016 Prophetic Vision – Clocks are about to Strike Midnight, Years of Disappointment will be Broken and Healed in an Instant!

“I had an encounter recently where the Lord showed me a whole lot of rooms where "FINISHING TOUCHES" were being put on CREATIVE MIRACLES.

As I saw these rooms there were clocks on the back wall of these rooms and the clock had almost struck MIDNIGHT!!!

The atmosphere surrounded me of heaviness and despair in the "WAITING". That many have been crying out for restorative, creative miracles and instead of things getting BETTER and the signs of HOPE and BREAKTHROUGH starting to show, things were actually looking like they were getting darker and breakthrough further away.

But as I looked into these rooms I saw the Lord working with angelic hosts and they were putting the "FINISHING TOUCHES" on these creative miracles to see them released onto earth and into the lives of believers.

These miracles that were coming to the people of God were CREATIVE MIRACLES. They weren't 'touch up's' or 'repairs', they were COMPLETELY NEW REPLACEMENTS from situations and closed doors to miraculous replacements of brand new organs and divine health.

The sense surrounded me that where many have been waiting in the darkness for so long, waiting for the light of day, the breakthrough... where many have been crying out for 'restoration', not only is He going to restore, He is going to REPLACE in the area you have been crying out for with something BETTER THAN BEFORE. COMPLETELY NEW!!!

YEARS OF DISAPPOINTMENT BROKEN AND HEALED IN AN INSTANT

I watched as the "time arrived" for these creative miracles to manifest in the lives of believers and I watched as angelic hosts worked with the Spirit of God to bring these miracles into being in the natural. As the breakthrough of these CREATIVE MIRACLES and the AWE and WONDER of a GOOD FATHER that they were testifying to as they exploded in the lives of believers leaving them undone by His kindness and His heart of Ephesians 3:20, I saw YEARS OF DISAPPOINTMENT BROKEN and HEALED in AN INSTANT!!!!

The very areas of SO MANY YEARS of disappointment that had ushered in the lie in the heart of many believers of "this just must be my lot in life..." THOSE VERY AREAS, those areas of such despair, heartache and disappointment, where the TARGET of their next greatest DIVINE APPOINTMENT!!!!

The VERY AREA where their has been such death, destruction, such loss, such decay, such pain, such disappointment, such despair was the VERY AREA that JOHN 10:10 was about to MANIFEST in GREATER FULLNESS!!!

THE GREATEST TURNAROUND IS BEING MIRACULOUSLY BIRTHED IN THE AREAS YOU HAVE ALMOST GIVEN UP ON

I saw many "sitting down in defeat" in weariness and despair from so many years of believing and contending to only be knocked down again by lack of breakthrough. The very place of almost giving up, I heard the Lord say "IT'S MIDNIGHT!!! THE NEW DAY IS DAWNING!!!" TOTAL DIVINE TURNAROUND displaying Zechariah 4:6 LOUDLY "Not by might, nor by power, but by My Spirit says the Lord!!!!!!".. A RADICAL NEW DIVINE DISPLAY USHERING IN A DESTINY DAY!!!!

DECAY TO DESTINY

I saw many of these areas of "decay" in the lives of believers where there has been lack of breakthrough and there seems to be a continual breaking down. So much prayer, so much contending, yet the wait continues... the enemy has come after those places with intensity and he has come ferociously because that VERY AREA is LINKED TO YOUR DESTINY!!!!

You are about to return to your FORTRESS you prisoners of hope! He is about to restore to you DOUBLE! (Zechariah 9:12)

I saw the LION OF JUDAH coming FEROCIOUSLY into these areas of the lives of God's people and ROARING His authority over it all and THE DECAY FLED!!! The ENEMY FLED and in it's place opened a DOUBLE DOOR OF DESTINY!!! Some of these decay areas of your life where curses have been, are about to become some of your greatest DIVINE DISPLAY areas. The Lord is going to move powerfully THROUGH YOU in the very area the enemy tried to stop you and kill you, to SET MANY OTHERS FREE!!!

Where the decay has continued to spread... His ROAR is bringing about the DIVINE TURN.. to OPEN UP YOUR DOUBLE DOOR OF DESTINY!! You just watch and see how what the enemy meant for your harm, the Lord is about to now SUDDENLY turn for your good!!! (Genesis 50:20)

Hold onto your hat!!!! You're in for the most glorious creative miracle and double door of destiny in your life that you have EVER seen." Updated: 08/13/2016

The Apostate Church, its Leaders and Followers:

Anonymous Pastor's Prophetic Dream – Doughnuts and Tornadoes (Pastors Warning)

A local pastor recently shared with me ([Denika Alston](#)) a prophetic dream the Lord gave him and he felt like it was important to share with the body.

“In the dream, he was driving down the street and I was a passenger in his car. As he was driving down the road, he saw a series of large tornadoes swirling together off in the distance. Then he suddenly said, “I want to stop and grab some doughnuts”. I immediately turned to him and said, “We don’t have time to stop for doughnuts! The storm is coming!!”

Then he said, “It won’t be long, I have a taste for doughnuts.” I repeated, “We don’t have time for that! We have to take action; the storm is coming!” He ignored my pleas and put his blinker on and got into the left lane to turn into the doughnut shop. Just as he did, the tornado funnels came out of nowhere and dropped down right in front of us and we were trapped. Then the scene changed and the pastor was in a body of water with lots of people. There were giant waves in the water with the tornado still in close proximity. He was able to escape just in time, but the people were still left in the water.” Updated: 02/15/2016

Will the Tribulation for the Lukewarm Churches begin in this Jubilee Year?

What will happen to the lukewarm, pretribulation rapture, positive thinking, prosperity gospel, politically correct, seeker sensitive, ~~grace~~ (disgrace), Prophetic Voice rejecting, tickling ears preachers and their churches, if the bottom falls out of the economy in this Jubilee year? Pastors who have decided to build the kingdom of this world rather than the Kingdom of God. When will they repent and return back to the basics, back to righteousness and holiness? Will the members and attenders of these congregations continue to put money in the offering coffers, after they personally lose their own pensions, 401k plans, IRA’s, jobs and their houses? Who will continue to pay for the pastor’s salaries, staff member salaries and church building mortgages then?

Will they continue to attend these church services after discovering that their pastors can’t answer any of their questions about all of the extraordinary events that are happening all around them? What if these church goers discover that there are other groups that can answer their questions? Where will they go then?

What about the “so-called” Christian colleges and ~~cemeteries~~ ...I mean seminary schools, are they off the hook? Hardly! ...what do they teach and preach, what do they espouse, what are they promoting – the true gospel, or the world’s curriculum? Are they teaching the modern-day Prophetic Voice or have they rejected it just as most of the churches have done? Updated: 10/25/2015

Pastors are Secretly Storing Up Food for Themselves While Refusing to Warn Their People, Debra Walker’s Prophetic Word, October 2015:

Last month the Holy Spirit said to me, “**There are preachers who have secretly stored up food for themselves, and not disclosed it to their churches.**” I even know who some of them are. Then on November 19th, confirmation came from Holy Spirit while I was watching The Jim Bakker Show and he said the same thing.

“Pastors, who are placed into this position of responsibility, of being watchmen on the wall, and **shepherds of the flocks** placed into their care, will have the blood of the sheep upon their hands if they do not warn them to prepare. **The same food that they have stored up for their own blessing will be turned into a curse for them.**” These same pastors are thinking that when disaster strikes, the sheep will still be attending their churches and giving into their pockets. The surprise to them will be that it will completely turn around: Many in their congregations will leave, and the Underground Church will begin to emerge.” Updated: 11/27/2015

Ali Winters’ January 2016 Prophetic Word – Soon I Will Begin to Bring Down Pastors:

“Rebellion instead of righteousness fills My house. **Pimps posing as pastors speak lies driving the lost further from Me. Soon, very soon, I will begin to bring down pastors, first one then another.**

Pastors have taught the ways of the world, but NOT My Word. My lambs have been subtly led to slaughter by those trusted to teach and train them. **False shepherds have given false hope to millions and millions have taken that false hope, let down their guard, and allowed lies to be spoken into their spirit from the father of lies.** Millions have come to faith through religion, a religion built upon lies, deception, corrupt theology, and void of godly teaching. Caring not for holiness, they labor in vain.

These shepherds are great obstacles to faith, placing hindrances on all sides. **Their desire is fame and name** without principle or pathos to teach and train My flock. Their lampstands will be removed and another will take their place. Judgments forthcoming will rock My church. Some will crumble, others will re-examine their foundations, but none will escape My judgment.

Across America My people reject the good, embracing the profane. America has traded her palace for a pig pen. Where righteous robes should wrap My people, only filthy rags cover their nakedness and sin. They have taken holy vessels and traded them for the profane and detestable. Fools say in their heart, 'There is no God.' My people profess to know Me yet live as if I do not exist. Your sins have reached into heaven, now your guilt demands retribution.

You cannot escape the righteous judgment of your holy God. My children, 'Return to Me.'
But you say, 'We will not return.'

Life has taken you from Me. Lives seeking money, a bigger this, a better that, have stolen your heart. When all is taken from you will you return to Me or shake your fist in anger? Soon enough all will know where your treasures have been buried. Soon enough all will see. **Will you stand naked and ashamed or fall to your knees in humility and heartache over choices you have made?** Soon enough all will know, even you. Your sins will find you out." Updated: 01/06/2016

Matt Smith's June 3, 2016 Prophetic Word - These Wicked Pastors shall surely Pay for Leading my Sheep to the Slaughter House:

"I have a message from the Lord, which He gave me yesterday. This scathing message concerning the pastors in our land had me literally crying. I warn you when reading this, it got to my spirit very deeply, and I am not even a pastor. As I was studying Ezekiel 34:1-10 (shown at the bottom of this post), the Lord asked me, "Why are you studying this book?"

My reply, "Because I wanted to read the book of Ezekiel, and this chapter 34 got my attention and was very disturbing, and sad how pastors act today."

The Lord then replied, "I am disgusted with these wicked pastors."

I then cried out for mercy and asked the Lord to explain. He eventually told me, "Write down what I say."

"I am the Lord God, and My anger is hot! My anger has kindled against these pastors! I am mad and disgusted with them. They peddle lies! They peddle lust! They peddle whoredom! Know this very well, I see everything they do, and it makes me sick.

These pastors shall surely pay for leading my sheep to the slaughter house. Well, I am going to take these pastors to the slaughter house, and slaughter them. They are an embarrassment to My name. My Son Jesus Christ died on the cross, and they teach as though He never did. They do not teach repentance and mercy, they teach harlotry!

The day is coming when these pastors will wish they never got in bed with Satan. They think they are cool! They think they are cute! They think they are pretty! They are not; they are utterly disgusting. I will destroy every one of them, I will shame them in their nakedness. Their makeup will be taken off, and the people will see how ugly they are. I will embarrass them, just like they are an embarrassment to me. They will surely pay. For they are full of many spiritually transmitted diseases. They are sick, very sick. They teach doctrines not of me.

They lie, cheat, and steal! They cheat the people. They steal from the people. They lie to people, and expect to be blessed by Me. I do not bless these lies. I am the Lord, and I require holiness. I require honesty, even when it hurts.

I require no interest and no fees when it comes to My kingdom, yet you take usury from people, and keep them down and poor. You take usury to fatten yourselves. You take usury to kill the innocent. You even take bribes to kill the innocent. You cannot take a bribe for your salvation.

You, My sheep, must come out of these churches, for if you do not you will be slaughtered. I am calling you out of these churches, into my real shepherds. I am calling you out into the truth.

For all My shepherds who have done what has been commanded of them, to all My shepherds who have done what is right, who have not squandered what was given to them, or their opportunity, they have taught and

preached love, they have taught and preached holiness, they have taught and preached repentance, they have taught and preached mercy, they have not preyed on the weak, they have not lied, they have not cheated, they have not stolen from their members, nor anyone else.

I am the Lord God I see you and I will remember you. I am raising you up. You will show forth great signs and wonders.

You wicked pastors, you think you can pimp me out? You are whores, and whores are not over pimps. Satan is your pimp. I am God, not a pimp! I am not a whore either. You open your legs for a dollar. You open your legs for popularity. You open your legs for so called protection. You will now reap all the diseases from being a harlot, and I the Lord God will shut your legs for good.

The days are coming when these wicked pastors will not know what hit them, and like a whirlwind, I will bring much destruction upon them. Your dollar will not save you, in the hour of My judgment. The rapture is coming soon, but not before many trials and tribulation. I shall bring down America, and many in the west, and these wicked pastors will not have anyone to save them.

My true shepherds teach the right way, and I will see them through this storm. I am the Lord God, you must keep My commandments. You must live holy. You must repent. You must believe on the name of My Son Jesus and be baptized. Do not let anyone tell you any different.

You wicked pastors, it's over for you! You have allowed this land to become this way because you refuse to walk upright and rightly divide My word. You are a bunch of sissies and cowards in My eyes. You refuse to fight in My army. You refuse to walk in your true calling. You refuse to walk in holiness. Now I refuse to walk with you, or fight with you. You wicked pastors your time is over!"

I then asked the Lord one final question, "Didn't the people desire all these sins?"

The Lord replied "Yes, but these shepherds refused to teach them holiness and My ways. Thus, they had nothing but a desire to sin whenever they left the church house. Many choose to follow these pastors because they have the choice. My desire has always been to leave people with no option, but to follow the true shepherd, but man wanted Satan. If Adam and Eve would have followed me, and not Satan, I would have dealt with eliminating Satan from their presence then, and they would have passed the test. Sadly, many choose Satan over Me, and in the end if they do not come back to Me, they will have Satan for all eternity, where their will be weeping, and gnashing of teeth.

When there are true shepherds in the land, and many of them, people will seek them for the truth, and find them. But when there are no true shepherds in the land, they will seek for guidance, and they will not find any. Seek Me while you can, because a day will come when you will not be able to seek Me any more. Instead it will be judgment day and you will have found who your true master is. Will it be Me, because you served Me, or will it be Satan because you served him?

Those who truly seek Me will find Me. Unless you blaspheme against the Holy Spirit, there is no sin I will not forgive. Tell My people to come unto Me. **The hour is very late, we are minutes away from midnight.** The tribulation will soon begin, please know Me and My commandments. Tell the people, I am the Lord God, and The Book of Revelation is unfolding right now."

Ezekiel 34:1-10:

1 And the word of the Lord came to me, saying,

2 "Son of man, prophesy against the shepherds of Israel, prophesy and say to them, 'Thus says the Lord God to the shepherds: "Woe to the shepherds of Israel who feed themselves! Should not the shepherds feed the flocks?"

3 You eat the fat and clothe yourselves with the wool; you slaughter the fatlings, but you do not feed the flock.

4 The weak you have not strengthened, nor have you healed those who were sick, nor bound up the broken, nor brought back what was driven away, nor sought what was lost; but with force and cruelty you have ruled them.

5 So they were scattered because there was no shepherd; and they became food for all the beasts of the field when they were scattered.

6 My sheep wandered through all the mountains, and on every high hill; yes, My flock was scattered over the whole face of the earth, and no one was seeking or searching for them.”

7 ‘Therefore, you shepherds, hear the word of the Lord:

8 “As I live,” says the Lord God, “surely because My flock became a prey, and My flock became food for every beast of the field, because there was no shepherd, nor did My shepherds search for My flock, but the shepherds fed themselves and did not feed My flock”—

9 therefore, O shepherds, hear the word of the Lord!

10 Thus says the Lord God: “Behold, I am against the shepherds, and I will require My flock at their hand; I will cause them to cease feeding the sheep, and the shepherds shall feed themselves no more; for I will deliver My flock from their mouths, that they may no longer be food for them.” Updated: 06/04/2016

Benjamin Faircloth’s July 24, 2016 Prophetic Word - There is a Poisonous Pollution being Spewed across the Churches of America:

“During my early morning prayer time on July 24 2016, the Father spoke the following words to me.

“There is a poisonous pollution being spewed across the churches of America. A false prophecy of hope, rooted in the trust of a man. I will expose this false Hananiah prophecy in the coming days! I will clear the air in My Churches with fresh revelation and fresh anointing. I am not the author of confusion! I have not sent these false prophets, who are not prophets, but mouthpieces for the wicked one!

Confusion, deception, and false revelation reeks from the mouth of these vipers and snakes. Their venomous poison has been designed to confuse My Church, to paralyze them between two opinions. Whom shall I serve and whom shall I believe? But I will settle the score and I will settle the issue. I will silence the prophets of Hananiah with great vindication to My Jeremiah’s, My Isaiah’s, and My Prophets of Truth!

I will clear the air says your God. I will remove the stench of the Prophetic Pollution that the prophets of Baal proclaim. This will be the showdown of My Word against the god of this world.

The prince of the air has confused many but I will reveal My Truth. I will reveal My Voice and those who know Me will respond and follow Me. My Sheep know My Voice, My Church knows My Ways, My Bride knows the time of Her departure. For it is when the fig tree bears her fruit, the time is nigh. Do not be dismayed by the prophesies of false peace and false hope. The tares will always grow among you. But you must abide in Me and My Words abide in you. That will be the difference between the wheat and tares of the last days. I know the difference says the Lord and I will reap, bundle, and store what is Mine!

But for the unprofitable servant, I will cast him out. For I will reward both the wicked and the righteous. Choose this day; to whom will you serve, and to whom will you listen!”

The Father then revealed to me the following prophetic teaching. The prophet Jeremiah was instructed by God to tell the King of Judah and the five kings of foreign nations that they would go into bondage to the King of Babylon. This was a very heavy and hard word to give and receive, but it was the word of the Lord. It was such an extreme word that the Father added some consequences if they did not obey His plan.

And it shall come to pass, that the nation and kingdom which will not serve the same Nebuchadnezzar the king of Babylon, and that will not put their neck under the yoke of the king of Babylon, that nation will I punish, saith the LORD, with the sword, and with the famine, and with the pestilence, until I have consumed them by his hand. (Jeremiah 27:8)

The Father then said in essence, “Don’t try to prophesy your way out of this judgment! I said what I said and I will do what I’m going to do!”

9 Therefore hearken not ye to your prophets, nor to your diviners, nor to your dreamers, nor to your enchanters, nor to your sorcerers, which speak unto you, saying, “Ye shall not serve the king of Babylon”

10 For they prophesy a lie unto you, to remove you far from your land; and that I should drive you out, and ye should perish. (Jeremiah 27:9-10)

The Father warned them not to listen to anyone in their “spiritual barn” that spoke contrary to what He was saying to them through His prophet. False prophets will lie to us out of the very nature of self-preservation! The prophetic parallel of Jeremiah 27 is taking place in our nation right now. We have a sure word of judgment coming to America, and really it’s already here. If you don’t believe me, just take a few moments at your computer and research how much blood has been shed in this nation and around the world, in this month alone. Honestly, the world has gone off the cliff of sanity, into the abyss of madness!

But because we are in a major election cycle, the prophets of false hope and false peace are sprouting up everywhere! We have entered the old worn-out mantra cycle that repeatedly says; “If we can just get the right person in office, things will change.”

Once again our major leaders of mega ministries are promising us that with enough prayer and of course enough financial support, God will see our efforts and once again bless us! Plus, everybody will live a long and happy glorious life (except for the 60 million aborted babies)! But the reality is judgment has been determined by the Courts of Heaven and no amount of lip service and political deal making with Heaven will change the outcome!

Can you see all the church superstars gathering together on some massive stage, praying and agreeing on doctrine of any kind? It’s not happening now, but it might happen after the sword of the Lord intensifies across this nation, but I wouldn’t buy any advanced tickets for that one. Now if our church leaders want to find the biggest stage on the planet that will hold the weight of their egos, and strip off their pride, wearing only sackcloth and ashes, maybe, just maybe, Heaven would offer a reprieve. But from where I’m sitting, I can only hear the sound of crickets!

Jeremiah declares the warning and uses a prophetic illustrated sermon by means of a yoke around his neck. America, we have been wearing a yoke around our neck for over seven years under this current administration! Can you tell me what merits of righteousness and deep acts of repentance grants us the freedom from this yoke? The silence is deafening because we have been silent in our crying out to God! Our pulpits are quiet, lethargic and impotent, not because of an IRS code (501c3) but because we don’t believe in the Covenant called the Bible! We are not forbidden to speak of the Blood of the Lamb by our government. We don’t preach about it because we don’t believe in its’ power! We are not forbidden to speak against the sin of abortion, murder, pedophilia, homosexuality, or even the sin of lying. The PC police (politically correct), may not like it, but I fear God and not man! Yes, there are incidents of persecution, intimidation, and mafia style extortion taking place against the Church, but that should be NORMAL CHRISTIANITY! Go back to the book of Acts, look how the Church was birthed, in, by, and through persecution! We are too pampered to understand the power and principal of persecution, but our crash course has only begun!

The modern day Laodicean, Babylonian church, doesn’t speak to the sin of our day because they don’t have the fear of the Lord! It has nothing to do with the government! That is a lie. Research church statistics on what they believe and you will find we are apostate in our theology. Our seminaries have become cemeteries where dead men teach dead men a lifeless gospel of humanism! That is why we are living in Hell right now!

The People’s Choice and Voice:

Jeremiah recorded how the false prophet Hananiah, who was only a son of a prophet, prophesied in the House of the Lord, that all would be well. By the way, these false prophets still operate in the House of the Lord! Hananiah rebuked the words of Jeremiah and sought to negate the plans of Heaven.

1 And it came to pass the same year, in the beginning of the reign of Zedekiah king of Judah, in the fourth year, and in the fifth month, that Hananiah the son of Azur the prophet, which was of Gibeon, spake unto me in the house of the LORD, in the presence of the priests and of all the people, saying,
2 Thus speaketh the LORD of hosts, the God of Israel, saying, I have broken the yoke of the king of Babylon.
3 Within two full years will I bring again into this place all the vessels of the LORD'S house, that Nebuchadnezzar king of Babylon took away from this place, and carried them to Babylon:
4 And I will bring again to this place Jeconiah the son of Jehoiakim king of Judah, with all the captives of Judah, that went into Babylon, saith the LORD: for I will break the yoke of the king of Babylon. (Jeremiah 28:1-4)

In verse 2, Hananiah spoke as the devil did to Eve by releasing confusion and deception. Genesis 3:1-7. Did the Lord really say what was said? Did He really mean it? This is what the false Hananiah spirit does, he confuses the language of the prophetic and produces a type of pollution that clouds the truth! Folks, that is what is happening right now in America! This prophetic parallel is undeniable. Updated: 08/04/2016

Nelson Lee's 5/8/2015 Prophetic Dream – Judgment is Coming to America's Defiant Sleeping Churches:
"I had a terrible dream on the night of May 8, 2015. It was very vivid and terrifying. I awoke in a cold sweat and immediately knew this was a dream from the Lord.

In my dream, I walked up to a concrete slab (maybe 20' x 20') situated in the middle of a green field. One by one, four men laid down individually. All of them were nude in various poses. A voice told me, "These people will burn."

Then I saw a giant blow-torch, about three feet in diameter, belching a long stream of blue flame, which consumed each of these people, one at a time. The flame came from BEHIND me and went THROUGH me to consume them. I was not the source of the flame, but I was immune to it. At first I thought they were dead bodies being cremated.

The first man was lying nude on his left side (facing me) and on the right side of the slab. Then the flame came on and consumed him. I saw the fire blister his skin and it began to boil and char, but he was sound asleep and never showed any reaction. It was very graphic and very sickening.

Next I saw another man laying on his left side on the left side of the slab and facing away from me. This man was also asleep, but when the flame came on again I saw him flinch. A voice then told me, "These are not dead, but asleep."

I prayed for this man to have a painless death and for God to have mercy on him. I was sickened at the thought of him suffering.

Then I saw a third man laying in the same position as the second man. However, he was awake and KNEW what he was doing. He had intentionally laid down.

I then realized that ALL three men had intentionally put themselves on the slab knowing their fate. The first two had simply tried to sleep through the judgment as to lessen the pain. The first man had successfully slept through the fire because he was so fast asleep it didn't wake him. The second man tried to ignore the fire, but he could not.

I was terrified when I saw the third man was awake. I cried out to God to lessen his torment and to make this quick so he didn't suffer. I watched his ivory skin turn light brown as the fire hit him. I watched his hair catch on fire. Then I saw he was in extreme pain, but he would not cry out to the voice to save him. I observed a certain arrogant defiance in him as his skin browned then blackened. It looked a lot like a marshmallow getting roasted, until finally he burst into flames. I realized he just took it, and it was then I realized that all three of these men had intentionally placed themselves on the slab knowing punishment was coming. They did not care.

The first two were just trying to escape the pain of the fire by sleeping although the second man didn't achieve his goal. The third man was a willing participant, but all three were defiant to the end.

Then I saw the fourth guy. He was also nude and on all fours facing away from me. His butt in the air defiantly. It was a disgusting and disturbing sight. He was strutting his butt in the air and then the voice told me he was a homosexual. He was yelling at the fire, "Hurry up!"

He was wanting to be burned, beginning with his genitalia, as if to gain some sort of perverse pleasure from it. Then the flame consumed him.

Immediately the slab was clear. Two giant hands held a small metal trashcan, no bigger than a waste-bucket, and showed me the inside of the contents: it was full of ash. I realized in my spirit this was what was left of these four men.

It amazed me that none of these men screamed or begged for mercy. I was begging for mercy for them, at least the last three, for it to stop and for their deaths to be painless and quick (when it became apparent the fire wouldn't stop).

It was also apparent that all of them had willingly placed their bodies on the slab knowing their fate. They knew they were headed to their deaths, but they were defiant, arrogant to the end."

Interpretation:

The four men represent four different types of churches in America. God's judgment is coming to those who are in the church, but are not part of THE church (the true Body of Christ). These people are willingly embracing the Laodicean life because to get off the slab of judgment is too inconvenient for them.

1. The first man represents the majority of self-labeled Christians who are simply asleep by their own choice.
2. The second man represents those who are aware of what's going on, but don't want to do anything about it.
3. The third man represents those who KNOW what is happening and what is wrong, but in their arrogance they refuse to repent and do what it takes to stop the coming judgment.
4. The fourth man is the part of the American church who is getting into bed with the homosexual revolution. God is judging America because of her sin and these churches are openly embracing the homosexual agenda (despite Romans 1:26, 27) by ordaining homosexual clergy, performing weddings for homosexual couples, and compromising the Word of God. They do it willingly and are proud of their disobedience. The fourth man represents the apostate church, the church which is rejecting the authority of God's Word and embracing the world.

The fire is God's judgment, which is coming and is now unavoidable. God is judging the church in America because it is asleep, indifferent, and apostate.

I represented the part of the church which will pass through this judgment and be refined by it, but not hurt or destroyed. There will be a remnant who will be found awake when this judgment comes, which explains why I was not burned by the flame. Updated: 01/09/2016

Bette Stevens' January 2016 Prophetic Word - This Year is the Judgment Upon My House:

The Lord is saying, "This year is the judgment upon My house, meaning judgment has begun at the house of God FIRST.

You cannot command Me. **I will have mercy on whom I will have mercy and judgment as I will. I will take some home with Me this year, and there will be those that I take out of here and they will enter eternity without Me.** For I am God and there is no other.

I will first judge ALL prophets. I will judge ALL pastors. My hand is raised to remove churches that I have long since left. There will not be many make it if they do not repent. Hear the word of the Lord.

2016 will leave everyone in turmoil. You don't believe? Then watch what I will do. 2016 will bring much chaos and mayhem such as has not been seen.

Hell and the afterlife will be more real to you in this season as things take off, things you thought would not happen. Guard your heart.

My true church will arise in this year (2016) and in 2017 will begin the coming of the Kingdom-age church and the reign of Yeshua. We will walk in much more Kingdom authority because the Kingdom of God will be at hand. **God will begin to more intensely build His church likened to the church in the book of Acts.** There will be more added daily to this church as more people enter in. The glory anointing will be so very heavy that some people will glow. **There will be an increase of God's authority and power beginning in the fivefold ministries.** Guard your ears for you will hear false things come out of those that claim to know and speak for Me. **A true prophet, prophetess, or messenger doesn't bring in only peace and safety, nor do they proclaim only prosperity, rather they warn when they see danger approaching. They can see things pertaining to the church as God gives them clearer insight.** They are not shaken by slander or persecution against them. They are sold out to the Lord and their sole purpose is to serve God and harvest souls. **Their needs are provided by God, so if a person does bless them they know how to put that blessing back into the Kingdom.** They are not easily distracted and will continue moving forward. They do and say only what the Lord directs. Selah!" Updated: 01/06/2016

Shemitah Year Events of the Twentieth Century: The rising up and the falling of empires.

Rabbi Cahn's 20th Century Shemitah Year Events from his book “The Mystery of the Shemitah”:

1917: America rises to power ending World War I. The rising of the Communist State of the Soviet Union.

1917: The defeat of Germany. The fall of the Czar of Russia. The fall the Austrian-Hungarian Empire. The fall of the Turkish-Ottoman Empire.

1938: German Nazis attack Jewish businesses and burn Jewish Synagogues on Kristallnacht (the Night of Broken Glass.)

1945: Nazi Germany is defeated. The Atomic bomb is dropped on Japan thus ending World War II. Japan signs peace treaty the same week of the end of the Shemitah year.

1945: The United States becomes a military super power. The U.S. dollar becomes the world standard currency. The United States is the richest country in the world, and the world's largest lender nation.

1973: The United States Supreme Court declares that America's can kill their unborn babies.

1973: The World Trade Center is completed which is a symbol of Americas economic strength.

1973: America loses its first war to Vietnam. Nixon takes America off the Gold standard. This sets in motion the decline of the U.S. dollar.

1980: The U.S. Supreme Court bans the posting of the Ten Commandments in Public Schools. Thus God is now completely banned from our public schools in America.

2001: The World Trade Center buildings (the symbols of Americas economic strength) are destroyed by an Islamic

terrorist attack. One week later Wall Street has one of its greatest collapses on the last day of the Jewish Shemitah Year.

2008: Exactly seven years later, Wall Street suffers its largest decline. America is now the world's largest debtor nation.

2014-2015: In Sept of 2014 we start a new Shemitah Year. This happens in connection with a Tetrad of 4 Blood Moons which all occur on Jewish feast days. As the United States has turn away from God and endorsed many sins, it is very possible that God's judgment will fall on America during this year of the Shemitah.

7 Well-favoured (plenty) Years (2008-2015), followed by 7 Ill-favoured (lean) Years (2015-2022):

Will the United States and its **American Pharaoh** be heading into **7 famished years of dearth?** But remember **Joseph** ...when God allows **judgment** to flow, it is always mixed with **mercy!** Those that put their full trust in the Lord will be **protected, guided** and in many cases **prospered!** Updated: 10/03/2015

American Pharaoh Wins 2015 Belmont Stakes & Triple Crown on June 6, 2015:

“As **American Pharaoh** came out of the far turn and squared his shoulders to let his rider Victor Espinoza stare down the long withering stretch of Belmont Park, a sense of inevitability surged through this mammoth old grandstand. The fans in a capacity crowd strained on the tips of their toes and let out a roar from deep in their souls. It was going to end, finally — this 37-year search for a great racehorse.” By Joe Drape, June 6, 2015. (This is code language folks!)

Genesis 41:1-37 (KJV) Pharaoh’s 2 Twice Speak Code Dreams - 7 Years of Plenty followed by 7 Years of Dearth (2008-2022) – (Well Favoured Kine & Corn (2008-2015) Years of Plenty) swallowed up by (Ill Favoured Kine & Corn (2008-2022) Years of Dearth):

“1 And it came to pass at the end of two full years, that Pharaoh dreamed: and, behold, he stood by the river. 2 And, behold, there came up out of the river seven well favoured kine and fattleshed; and they fed in a meadow. 3 And, behold, seven other kine came up after them out of the river, ill favoured and leanfleshed; and stood by the other kine upon the brink of the river. 4 And the ill favoured and leanfleshed kine did eat up the seven well favoured and fat kine. So Pharaoh awoke.

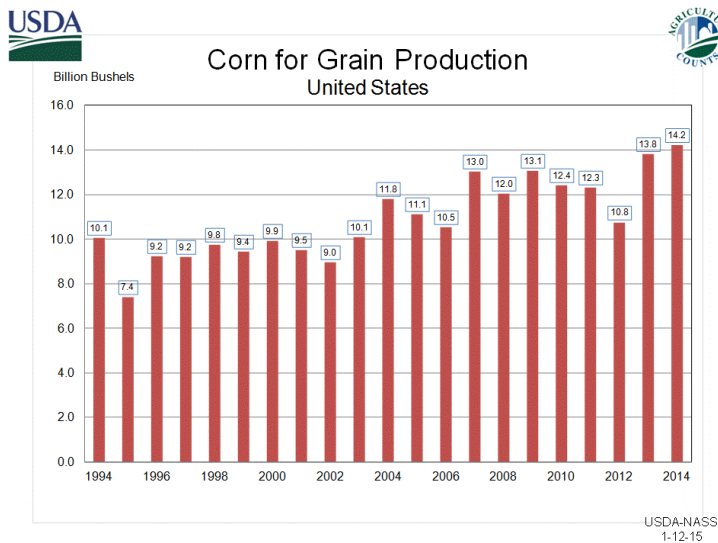

5 And he slept and dreamed the second time: and, behold, seven ears of corn came up upon one stalk, rank and good. 6 And, behold, seven thin ears and blasted with the east wind sprung up after them. 7 And the seven thin ears devoured the seven rank and full ears. And Pharaoh awoke, and, behold, it was a dream. 8 And it came to pass in the morning that his spirit was troubled; and he sent and called for all the magicians of Egypt, and all the wise men thereof: and Pharaoh told them his dream; but there was none that could interpret them unto Pharaoh. 9 Then spake the chief butler unto Pharaoh, saying, I do remember my faults this day: 10 Pharaoh was wroth with his servants, and put me in ward in the captain of the guard's house, both me and the chief baker:

11 And we dreamed a dream in one night, I and he; we dreamed each man according to the interpretation of his dream. 12 And there was there with us a young man, an Hebrew, servant to the captain of the guard; and we told him, and he interpreted to us our dreams; to each man according to his dream he did interpret. 13 And it came to pass, as he interpreted to us, so it was; me he restored unto mine office, and him he hanged.

14 Then Pharaoh sent and called **Joseph**, and they brought him hastily out of the dungeon: and he shaved himself, and changed his raiment, and came in unto Pharaoh. 15 And Pharaoh said unto **Joseph**, I have dreamed a dream, and there is none that can interpret it: and I have heard say of thee, that thou canst understand a dream to interpret it. 16 And **Joseph** answered Pharaoh, saying, It is not in me: God shall give Pharaoh an answer of peace. 17 And Pharaoh said unto **Joseph**, In my dream, behold, I stood upon the bank of the river: 18 And, behold, there came up out of the river seven kine, fattleshed and well favoured; and they fed in a meadow: 19 And, behold, seven other kine came up after them, poor and very ill favoured and leanfleshed, such as I never saw in all the land of Egypt for badness: 20 And the lean and the ill favoured kine did eat up the first seven fat kine: 21 And when they had eaten them up, it could not be known that they had eaten them; but they were still ill favoured, as at the beginning. So I awoke. 22 And I saw in my dream, and, behold, seven ears came up in one stalk, full and good: 23 And, behold, seven ears, withered, thin, and blasted with the east wind, sprung up after them: 24 And the thin ears devoured the seven good ears: and I told this unto the magicians; but there was none that could declare it to me. 25 And **Joseph** said unto Pharaoh, The dream of Pharaoh is one: God hath shewed Pharaoh what he is about to do. 26 The seven good kine are seven years; and the seven good ears are seven years: the dream is one. 27 And the seven thin and ill favoured kine that came up after them are seven years; and the seven empty ears blasted

with the east wind shall be seven years of **famine**. 28 This is the thing which I have spoken unto Pharaoh: What God is about to do he sheweth unto Pharaoh. 29 Behold, there come seven years of great plenty throughout all the land of Egypt: 30 And there shall arise after them seven years of **famine**; and all the plenty shall be forgotten in the land of Egypt; and the **famine** shall consume the land; 31 And the plenty shall not be known in the land by reason of that **famine** following; for it shall be very grievous. 32 And for that the dream was doubled unto Pharaoh twice; it is because the thing is established by God, and God will shortly bring it to pass. 33 Now therefore let Pharaoh look out a man discreet and wise, and set him over the land of Egypt. 34 Let Pharaoh do this, and let him appoint officers over the land, and take up the fifth part of the land of Egypt in the seven plenteous years. 35 And let them gather all the food of those good years that come, and lay up corn under the hand of Pharaoh, and let them keep food in the cities. 36 And that food shall be for store to the land against the seven years of **famine**, which shall be in the land of Egypt; that the land perish not through the **famine**. 37 And the thing was good in the eyes of Pharaoh, and in the eyes of all his servants.”

Will America’s Corn Harvest be Coming to an End in 2016?

If we believe that America has entered the Jubilee Year and that we are under the **judgment of God**, and if we believe that Pharaoh’s Prophetic Dream about the Corn is a Twice Speak Code Prophecy for America, then we also have to believe that America’s corn harvest will come to an end in the summer of 2016. You might ask, how is this possible? I’ll tell you how, through an upcoming 2016 summer heatwave and drought. You might then ask, well we have had lots of heatwaves and droughts in America during the last seven years, which didn’t affect America’s corn harvest, so how could 2016 be any different? The reason why the corn harvests weren’t affected during the last 7-year cycle (*in fact we had the greatest corn harvests in America’s history during the last seven years*), was

because the summer heatwaves and droughts and even floods were not nationwide, they were localized. We would experience a heatwave and drought in one section of the country while other parts of the country experienced ample rain and bountiful corn harvests. In other years the sections of the country that had great harvests, experienced floods or droughts while neighboring States received the abundant corn harvests.

I believe (1977 Chuck Johnel Youngbrandt’s prophecy – (<https://www.youtube.com/watch?v=4oXPe-6Zuf4>)) that in 2016, after the spring rains have ended, the entire nation will go into a heatwave (starting on June 6th) and drought season with little to no rain falling down on America from mid-June forward!

Have Christians been Tricked by the ‘World System’ and its False Promises Prophecies?

Remember that Jacob (*in the world but not of it*) loved Rachel (*well favoured*) and thought that he only needed to serve (*bondage that is in the world*) Laban (*the ‘Shadow’ System*) 7 years to get her, but he was tricked by Laban and ended up with Leah (*ill favoured*) instead of getting Rachel (*well favoured*). He was in bondage (*bondage that is in the world*), for 7 years, and then had to serve another 7 years (for a total of 14 years) before he was free (*freedom in the Lord*) to have Rachel. I believe that Christians have been under the bondage and weight of this ungodly, world system for the last 14 years (2001-2015), but the heavy weight and religious persecution will soon be reprieved during this Jubilee Year (Tishri 1, 5775 (September 25, 2014) through Elul 29, 5775 (September 13, 2015)).

Genesis 29:10-28 (KJV) Jacob (Christians) Twice Speak Code 14 Year Bondage (2001-2015) – (served 7 Years for (Ill Favoured Leah – Ill Favoured America toward Christians (2001-2008)) and then (served 7 years for Rachel (2008-2015)) before getting his Freedom (Well Favoured Rachel – Well Favoured America toward Christians through God’s Protection & Provision)):

“10 And it came to pass, when Jacob saw Rachel the daughter of Laban his mother's brother, and the sheep of Laban his mother's brother, that Jacob went near, and rolled the stone from the well's mouth, and watered the flock of Laban his mother's brother. 11 And Jacob kissed Rachel, and lifted up his voice, and wept. 12 And Jacob told Rachel that he was her father's brother, and that he was Rebekah's son: and she ran and told her father. 13 And it came to pass, when Laban heard the tidings of Jacob his sister's son, that he ran to meet him, and embraced him, and kissed him, and brought him to his house. And he told Laban all these things. 14 And Laban said to him, Surely thou art my bone and my flesh. And he abode with him the space of a month. 15 **And Laban said unto Jacob, Because thou art my brother, shouldest thou therefore serve me for nought? tell me, what shall thy wages be?** 16 And Laban had **two daughters**: the name of the elder was **Leah**, and the name of the younger was **Rachel**. 17 **Leah was tender eyed; but Rachel was beautiful and well favoured.** 18 And Jacob loved Rachel; and said, I will serve thee seven years for Rachel thy younger daughter. 19 And Laban said, It is better that I give her to thee, than that I should give her to another man: abide with me. 20 And Jacob served seven years for Rachel; and they seemed unto him but a few days, for the love he had to her. 21 And Jacob said unto Laban, Give me my wife, for my days are fulfilled, that I may go in unto her. 22 And Laban gathered together all the men of the place, and made a feast. 23 And it came to pass in the evening, that he took Leah his daughter, and brought her to him; and he went in unto her. 24 And Laban gave unto his daughter Leah Zilpah his maid for an handmaid. 25 And it came to pass, that in the morning, behold, it was Leah: and he said to Laban, What is this thou hast done unto me? did not I serve with thee for Rachel? wherefore then hast thou beguiled me? 26 **And Laban said, It must not be so done in our country, to give the younger before the firstborn.** 27 **Fulfil her week, and we will give thee this also for the service which thou shalt serve with me yet seven other years.** 28 **And Jacob did so, and fulfilled her week: and he gave him Rachel his daughter to wife also.**”

Lana Vawser’s June 2016 Prophetic Word - I Heard the Seven Mountains Crying Out, Where Are the Josephs?

The Lord has been speaking to me a lot lately about the seven mountains and recently I had an encounter with Jesus and He showed me the seven mountains crying out for the manifested sons and daughters of God to arise and to take their place. It’s time to ARISE and SHINE. (Isaiah 60:1)

The positioning is happening from a deep place of intimacy and rest/trust in Him, and doors were opening that were unimaginable and so glorious, to position God’s people to move into and further into these seven mountains of culture (arts and entertainment, business, family, religion, government, media, education) awakened to the truth that they are called as “salt and light” and releasing the Glory and goodness of God wherever they are positioned.

As the Lord is taking me deeper into His heart to see cities and nations transformed through influencing and taking the seven mountains for Jesus, I heard the seven mountains crying out “**WHERE ARE THE JOSEPH’S?**”

Instantly I was surrounded by the sense that many with a **Joseph-like mantle** and calling upon their lives are hiding in caves because of the opposition and trials they have faced constantly and are weary and disillusioned about their mantle, which has prevented them from being released into their destiny and positioning.

I saw others still in the PIT process and waiting to be “called for”. In the midst of ‘process’, keeping their hearts positioned towards the Lord, going deeper in intimacy and allowing the Lord to do the deep heart surgery, character refining and building work within their hearts. There was such a purifying work taking place in the

PIT, they recognized the work of the Spirit of God, but at the same time they were dreaming of the day of release and destiny.

AWAKEN! AWAKEN! A GREAT MOVE OF AWAKENING! I AM AWAKENING THE JOSEPH'S!
Over both of these areas I saw the Spirit of God blowing powerfully a mighty rushing wind. As it blew fiercely, I heard the words **“AWAKEN! AWAKEN! A GREAT MOVE OF AWAKENING! I AM AWAKENING THE JOSEPH'S!!!”**

For the past few years, the Lord has been highlighting the positioning of the **Joseph's** to me, almost like the 'lead up and preparation' for a great REVEALING.

As I heard the seven mountains crying out **“Where are the JOSEPH'S?”** I was surrounded by the sense that the **“FULLNESS OF TIME”** has arrived for the Joseph's to be DELIVERED and POSITIONED!!!!!!
VINDICATION is UPON you!

There has been an INTENSE preparation over the **Joseph's** and that has been to mature you in intimacy with Jesus. To prepare, train, purify and refine you, but you are now being CALLED FOR.

JOSEPH'S YOU ARE BEING RELEASED AND INCREASED

The PIT you have been in is now turning to POSITION! Your destiny and increase is about to MANIFEST! Networks, connections, and open doors are upon you, a strategic placing to release the word of the Lord and divine wisdom and strategy to AFFECT THE NATIONS!!!!!!

Your positioning in this season will see the move of the Spirit THROUGH YOU to affect cities and nations. There is an extension of tent pegs and sphere's of influence opening up in this season for the **Joseph's** to move in with their mouths FULL OF TRUTH.

WHERE YOU HAVE FACED POISON, YOU SHALL NOW SEE PROMOTION

Where there has been intense attack, where there has been venomous poisonous words, intense jealousy, and lies of the enemy coming against you and against the dreams the Lord has given you, the Lord is turning the tables. He has strengthened you and taught you how to fight using His Word, and broken off strongholds of the fear of man. He has taught you to keep your heart pure towards Him and others in the assault, and He is now positioning you for GREAT promotion. The VERY AREAS that these venomous poisonous words and lies hit, is the VERY AREA the Lord is now positioning you in with great FAVOR and PROMOTION.

Your roots have gone deep in Jesus in the PIT so you can STAND TALL, STRONG, MATURE and with great integrity and character in God's favor. His Glory will shine brighter than ever through you than you have ever seen in this new positioning of promotion.

DO NOT FEAR, THE LORD IS USING YOU TO OPEN UP A NEW PAGE OF DESTINY FOR INDIVIDUALS AND NATIONS

The Joseph's will speak in this season with such truth and boldness, their words saturated in the love of Jesus with sharp accuracy of heavenly strategy. There will be GREAT TURNAROUND seen on increased levels in the seven mountains from the grass roots to the top of the mountains. Everywhere the Spirit of God will move through these Joseph's there will be an ACTIVATION for the destiny and dreams of individuals and nations to be AWAKENED!

Increase and momentous breakthrough is coming upon the Joseph's personally and corporately in this season. You shall move forward with crowns of wisdom and heavenly strategy as you are positioned in places you never dreamed in this season. You will be positioned to release the strategy of heaven and see BREAKTHROUGH.

The Lord has been developing the revelation of the power of RESTING in HIM in the TESTING, which many of the **Joseph's** have walked through lately. They shall now see effectual doors and domino effects of breakthrough released as they minister.

DO NOT RUN AND HIDE, THIS IS YOUR TIME TO SHINE

Do not run and hide! Stay positioned and watch the Lord position you to see the greatest move of His Spirit through you that you have ever seen. You have been prepared for such a time as this!

He is not only activating your destiny and bringing you out of the caves and the pits more AWAKE than you have ever been, but He is also restoring to you YOUR DREAMS that you felt were long forgotten.

Joseph's you MUST take your place in this season as the Lord opens doors for you. The seven mountains of culture are crying out for you to arise!!! Say "YES" to Jesus again and watch and see the beautiful positioning hand of God. More shall be added to you in a day of obedience to Him than you have ever seen.

You're being called for in this season! It's time to step in as the voices of HOPE, but not only positioned as voices of HOPE, but as those who release HOPE AND STRATEGY!!! Your area of influence is about to TURN IT'S HEAD to you because of the wisdom and strategy of heaven upon you to bring LIFE and BREAKTHROUGH to that very mountain! From the grassroots to the top of the mountain, He is using you to REROUTE and CHANGE history and release DESTINY!!!!

THE MEDIA MOUNTAIN IS CALLING FOR YOU JOSEPH'S!!!

I saw specifically the media mountain calling for the Joseph's. The Lord is sending you into the media mountain in this season to release a great move of His Spirit to see the COMMUNICATION of heaven released. The prophetic is moving into the media mountain in explosive, increased ways in this season through the Joseph's (and many other ways) to release the strategic revelation of heaven that will see the media mountain affect and changed by the revelation of the God who SPEAKS. Our beautiful, creative, powerful all knowing Jesus will speak life, revelation, insight and wisdom through His Joseph's in the media mountain in this season that will see unprecedented signs, wonders and turnarounds take place where the GOOD NEWS of the Gospel and GOODNESS of God is going to be communicated in NEW, FRESH and CREATIVE ways. Hallelujah! It is Time for the Imprisoned Joseph's to be Released from their Prisons!

Joseph hated by his brothers, thrown in a pit, served in Potiphars House and then thrown in Prison for a total of 14 Years (1994-2015 – Twice Speak Code) – Sign #2:

For us "Joseph's", we have had to endure 14 years of incredible 24/7 persecution from the "bad guys"! It has been a relentless barrage of "kill, steal and destroy"! For me personally, the hardest aspect of these past 14 years has not been enduring the trials and tribulations, but rather it has been sharing these persecution stories with people who were near and dear to my heart, only to be rebuffed, shunned and rejected! In recent years and days, I have all but stopped sharing these things with others. But as incredulous as these stories might seem to be, they are nonetheless as real as you are reading the words off of this paper!

The days are coming when all of us **Josephs** will be able to meet with each other, face to face and share all of these stories amongst each other! It will be time of releasing tears, and joyful laughs and lots of bear (no pun intended) hugs! For the only person that can fully relate to a **Joseph** is another **Joseph**!

How Long Was **Joseph** In Potiphars House? How Long In Prison?

In Genesis 41:46 we learn that **Joseph** was 30 when he was made overseer to the king of Egypt. Since he was 17 when he was sold into Egypt, which means he spent 13 years total in Potiphars house and in prison. We know **Joseph** was in prison at least 2 years because chapter 40 tells us about the servants of the king whose dreams **Joseph** interpreted. The first verse of chapter 41 tells us that 2 years passed after that event before the king had the dreams that **Joseph** was called to interpret.

So **Joseph** lived in Potiphar's house 11 years or less and was in prison 2 or more years.

According to the **Joseph** was 17 when he was sold into Egypt.

He was 30 when he was made overseer (Jesus was also 30 years old when his ministry started)

He was 39 when his brothers first came to Egypt (second year of the **famine**, or nine years after being made overseer)

He was probably 41 or so when the brothers came a second time and Jacob comes to Egypt

He was 110 when he died

Genesis 41:38-46 (KJV) Joseph Released from Prison & Given Unimaginable Wealth & Position:

“38 And Pharaoh said unto his servants, Can we find such a one as this is, a man in whom the Spirit of God is? 39 And Pharaoh said unto **Joseph**, Forasmuch as God hath shewed thee all this, there is none so discreet and wise as thou art: 40 Thou shalt be over my house, and according unto thy word shall all my people be ruled: only in the throne will I be greater than thou. 41 And Pharaoh said unto **Joseph**, See, I have set thee over all the land of Egypt. 42 And Pharaoh took off his ring from his hand, and put it upon **Joseph's** hand, and arrayed him in vestures of fine linen, and put a gold chain about his neck; 43 And he made him to ride in the second chariot which he had; and they cried before him, Bow the knee: and he made him ruler over all the land of Egypt. 44 And Pharaoh said unto **Joseph**, I am Pharaoh, and without thee shall no man lift up his hand or foot in all the land of Egypt.” 45 And Pharaoh called **Joseph's** name Zaphnathpaaneah; and he gave him to wife Asenath the daughter of Potipherah priest of On. And **Joseph** went out over all the land of Egypt.

And **Joseph was thirty years old when he stood before Pharaoh king of Egypt**. And **Joseph** went out from the presence of Pharaoh, and went throughout all the land of Egypt.”

Prophet Brian Carn's 12/6/2015 Prophetic Word (<https://www.youtube.com/watch?v=8LridNaFjjY>):

51:07 mark: “...**America is about to experience a famine**. I mean for real you'll. We're getting ready to see things in our country that we've never seen before! And I'm telling you that while everyone else is losing their minds, He's gonna keep you in perfect peace!...” Updated: 12/10/2015

Rachel Baxter's January 3, 2016 Prophetic Word –

I Am Raising Up the Josephs, the Famine Begins on January 16th - Sign #10 (Iran Nuclear Deal):

“On January 3 2016 I was awakened and heard, “See.” I saw before me twirling figures as if dancing in another time with sacks on their backs. They were adorned by jewelry, fancy clothes, and had their hair done up. I was made to understand they were joyful in the Lord for having listened and prepared.

Then I heard “**I am raising up the Josephs. The date the famine begins is January 16th**”.

I went back to sleep, but was awakened again and saw in the spirit a huge pile of mechanical bows, but no arrows to go with them.

Then I went back to sleep again, but was awakened again and saw in the spirit as if in the corner of my room a very tall figure that appeared to be in a dark robe. I heard, “Tell them what is coming”.

I said, “Yes, I will tell them anything you say.”

In my head I heard, “**There is no God like Jehovah,**” playing over and over again from deep within me.

Contemplating these things, I believe the first vision represented a picture of those people who will have plenty in the time of **famine** that is coming upon our nation. We are facing a great **famine** and I feel like this will be a time of lack of food and a lack of all resources for many people who have been asleep to the times we are living in. But for those who have been and are awake, they will rejoice in the Lord for His great provision.

I asked the Lord to help me understand what the pile of bows with no arrows represents. I feel it will be a time of great war when so many will lose their lives that all the “arrows” will be used up and there will be no more men to carry and fight with the “bows”.

The tall figure in a dark robe represents the angel of death and destruction who has been given the key to death and hades. He is coming to take many who are living outside of the Lord.

Then I heard this:

“Write what I have to say to the Nations: You have not heeded my warnings. You have not stopped to bow to me, and now I will break your back. You forget that it is I that raises up kings and nations and it is I that causes them to fall. But you will remember again!

I call to you now My people to awake from your slumber. Sober up so that you can see what is going on around you. Listen to My voice and follow Me. The war will rage around you. Many will fall at your right hand and your left, but determine to keep your eyes on Me. I will lead you through the darkness and into the great light my children.”

I was led to Ephesians 3 where the Apostle Paul writes:

Ephesians 3:7-21 (KJV):

7 Whereof I was made a minister, according to the gift of the grace of God given unto me by the effectual working of his power.

8 Unto me, who am less than the least of all saints, is this grace given, that I should preach among the Gentiles the unsearchable riches of Christ;

9 And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ:

10 To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God,

11 According to the eternal purpose which he purposed in Christ Jesus our Lord:

12 In whom we have boldness and access with confidence by the faith of him.

13 Wherefore I desire that ye faint not at my tribulations for you, which is your glory.

14 For this cause I bow my knees unto the Father of our Lord Jesus Christ,

15 Of whom the whole family in heaven and earth is named,

16 That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man;

17 That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love,

18 May be able to comprehend with all saints what is the breadth, and length, and depth, and height;

19 And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God.

20 Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,

21 Unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen.

I then saw a picture of a great expanse of tents that look like small army tents propped up in a wide open space. They are exposed to all the elements and are defenseless against the forces of nature. I then see in the distance a mighty and marvelous castle fortress. I’m reminded of the way **the Lord made a way for Joseph to be positioned safely in the castle of the ruler and to have authority over the riches of the kingdom.**

God Almighty is inviting us in to his castle in this late hour. Some of us have been living just outside the gates, so we don’t have far to go. We are being made to see the storm coming and He is calling us to come inside. Still others have erected their flimsy tent covering very far from the mighty castle of the Lord. They have a long journey to get from where they are, living under the lie of the false covering, truly exposed and vulnerable, to where the castle of the Lord is and where safety can be found. They must awaken right now to have time to make it before the great storm arrives and is raging and there is no longer a way. Every false covering will be destroyed and all those who choose to dwell in them.” Updated: 01/04/2016

Year of the Jubilee – What has Rabbi Jonathan Cahn Stated?

Rabbi Jonathan Cahn believes that we might have entered into a "Super Shemitah" or year of the Jubilee, which supposedly happens every 50 years, and without going into much detail on the subject at this time, there are quite a few indicators that would seem to back up this theory. While the past Shemitah (7th year of the 7-year cycle) supposedly ran from Tishri 1, 5775 (September 25, 2014) through Elul 29, 5775 (September 13, 2015); the "Super Shemitah" or Jubilee year (the 50th year at the end of seven cycles of the Shemitah years) supposedly began on Tishri 1, 5776 (September 14, 2015) and will end on Elul 29, 5776 (September 19, 2016). So according to Rabi Cahn, the cleansing (**judgment** and **blessing**) of the world's finances can happen anytime during this Biblical Jubilee year. The Jubilee is a sabbatical year, a year of rest for the land, its inhabitants and with its financial dealings. Updated: 10/02/2015

The Jubilee – Leviticus 25:8-10 (KJV):

“8 And thou shalt number seven sabbaths of years unto thee, seven times seven years; and the space of the seven sabbaths of years shall be unto thee forty and nine years. 9 Then shalt thou cause the trumpet of the jubile to sound on the tenth day of the seventh month, in the Day of Atonement shall ye make the trumpet sound throughout all your land. 10 And ye shall hallow the fiftieth year, and proclaim liberty throughout all the land unto all the inhabitants thereof: it shall be a jubile unto you; and ye shall return every man unto his possession, and ye shall return every man unto his family.”

Rabbi Judah Ben Samuel's 10 Jubilees Prophecy:

“When the Ottomans (Turks) conquer Jerusalem they will rule over Jerusalem for eight Jubilees. Afterwards Jerusalem will become no-man’s land for one Jubilee, and then in the night Jubilee it will once again come back into the possession of the Jewish nation – which would signify the beginning of the Messianic end time.”

When he was asked where he received his wisdom from, his answer was: “The prophet Elijah, who will precede the Messiah, appeared to me and revealed many things to me and emphasized that the precondition from answered prayer is that it is fueled by enthusiasm and joy for the greatness and holiness of God.”

12TH-CENTURY RABBI PREDICTED ISRAEL'S FUTURE

Now his prophecies about return of Messiah are being studied

JERUSALEM – Judah Ben Samuel was a legendary and prolific German rabbi of the 12th century who made some astonishing and specific predictions about the future of Jerusalem and Israel that came true.

Judah Ben Samuel, also known as Judah he-Hasid (Judah the Pious), lived and worked from the end of the 12th century until the beginning of the 13th century in Regensburg, authoring a number of books in the German language.

Ludwig Schneider of Israel Today magazine has translated some of his work into English over the last few years, including “The Book of the Pious – Sefer Hasidim” and the “Book of Calculations – Sefer Gematriyot.”

Following the Christian crusades to the Holy Land, between 1096-1270, a regular correspondence developed between the Jews in the Holy Land and the Christian West. Thus, for example, the rabbis in Worms and Regensburg in Germany knew that Saladin’s Ayyubids had been ruling in the Holy Land since 1187.

At this time, Judah Ben Samuel published the results of his biblical calculations (Gematria) and astrological observations and summarized as follows: “When the Ottomans (Turks) – who were already a power to be reckoned with on the Bosphorus in the time of Judah Ben Samuel – conquer Jerusalem they will rule over Jerusalem for eight jubilees. Afterwards Jerusalem will become no-man’s land for one jubilee, and then in the ninth jubilee it will once again come back into the possession of the Jewish nation – which would signify the beginning of the Messianic end time.”

One jubilee is 50 years (Leviticus 25). It is the 50th year after seven times seven years, the year in which each person should regain ownership of his or her land. Ben Samuel’s calculations were purely theoretical; there was absolutely no sign at that time of their being fulfilled. He himself was not able to experience their fulfillment, for it was only 300 years after his death that the first of his predictions were to come true.

The Mamluks, who had been reigning in Jerusalem since 1250, were conquered in 1517 by the Ottoman Turks. They remained for eight jubilees ($8 \times 50 = 400$ years), that is to say they were in Jerusalem for 400 years. Exactly 400 years later, in 1917, the Ottoman Turks were conquered by the British. The League of Nations conferred the Mandate for the Holy Land and Jerusalem to the British. Thus, from 1917, under international law, Jerusalem was no-man’s land.

Then, when Israel captured Jerusalem in the Six Day War of 1967, exactly one jubilee (50 years) after 1917, Jerusalem reverted to Jewish-Israeli ownership once again. Thereby, according to the prophecies of Judah Ben Samuel, the Messianic End Times began.

Many scholars have studied and made reference to Judah Ben Samuel's writings in an effort to understand how he reached his conclusions. Among those referencing Ben Samuel were Rabbi Isaac Ben Solomon Luria, a mystic dealing with the messianic world (Jerusalem, 1531-1572, Safed); Joseph Solomon Delmegido (1591 Candia – 1655 Prague), a mathematician and astronomer ("Mazref le-Chochma"), Azulai I (1724-1806), a famed bibliographer; Samuel David Luzzatto (1800-1865), a Bible scholar; historian Heinrich Graetz (1817-1891); and Torah scholar Jacob Epstein (1925-1993).

The secret of how Judah the Pious arrived at such accurate predictions has less to do with the actual calculations than it does with the fact that he had consecrated his life to God. His pupils Rabbi Isaac ben Moses (Vienna), Rabbi Baruch ben Samuel (Mainz) and Rabbi Simcha (Speyer) testify that Ben Samuel was a model of abstinence and selflessness and was awaiting with a burning desire the coming of the Messiah.

Ben Samuel was often called "Light of Israel." Even bishops came to him for advice. If anyone asked him where his wisdom came from he would answer, "The prophet Elijah, who will precede the Messiah, appeared to me and revealed many things to me and emphasized that the precondition for answered prayer is that it is fueled by enthusiasm and joy for the greatness and holiness of God."

But to recap the astonishing predictions: In AD 1217 this scholarly and pious rabbi prophesied that the Ottoman Turks would rule over the holy city of Jerusalem for eight Jubilees. Now, keep in mind, he made this prediction 300 years before the Ottoman Turks seized control of Jerusalem in 1517. If indeed 1217 and 1517 were jubilee years as Judah Ben Samuel believed, then his prophecy was exactly right, because exactly 400 years after the Turks took control of Jerusalem they were driven out of the city and the holy land in 1917 by the Allied forces under the command of General George Allenby – on Hanukkah, by the way.

But it gets more interesting still.

The rabbi also prophesied that during the ninth Jubilee Jerusalem would be a "no-man's land." This is exactly what happened from 1917 to 1967, due to the fact that the Holy Land was placed under British Mandate in 1917 by the League of Nations and literally "belonged" to no nation.

Even after Israel's war of independence in 1948-49, Jerusalem was still divided by a strip of land running right through the heart of the city, with Jordan controlling the eastern part of the city and Israel controlling the western part of the city. That strip of land was considered and even called "no-man's land" by both the Israelis and the Jordanians.

It was not until the Six Day War in 1967 when the entire West Bank of the Holy Land was conquered by the Israeli army that the whole city of Jerusalem passed back into the possession of Israel. So once again the prophecy made by the rabbi 750 years previously was fulfilled to the letter.

It certainly would be significant if both 1917 and 1967 were Jubilee years, considering the significance of what happened in Jerusalem on those years. But it gets even more interesting, because Judah Ben Samuel also prophesied that during the 10th Jubilee Jerusalem would be under the control of the Jews and the Messianic "end times" would begin. If he's right, the 10th Jubilee began in 1967 and will be concluded in 2017.

"The Bible should be our standard for prophecy and interpretation of prophetic events," said Joseph Farah, editor and founder of WND, upon learning of Judah Ben Samuel's predictions in Israel Today. "But one cannot ignore what this 12th-century rabbi said and wrote. It's well-documented. And I applaud Israel Today for bringing it to light. The implications of these predictions is staggering to say the least."

The Light House of Jubilee – Marina Webley

“Looking for a house to live in, I entered a small vacant house that was located in a quiet neighborhood. It was an older house, but in good repair. It was light green. It had a very clean atmosphere. As I entered it, I noticed a lot of light coming into this house through all the windows. I liked this very much and realized this was going to be my house. I walked through it, and exited the backdoor to check the fenced backyard. I noticed that the plants and the grass were in somewhat neglected shape, and I was looking for a hose in order to water the lawn. As I was looking for a faucet, I noticed with delight that the yard had an underground sprinkling system.”

I believe the light represents spiritual light, and the underground water system represents the well of living water that Jesus speaks of.

Elisabeth Elijah Nikomia ‘Jubilee Year’ Prophecy:

“He spoke of freedom to the prisoners and releasing the oppressed and proclaiming the year of YAHUVEH'S favour. **What other year could this mean but the year of jubilee?** After proclaiming it he went on to bring deliverance from sin, sickness and satan to multitudes of those who were bound and afflicted. All this culminated with his own deliverance from the chains of death, and **50 days later the deliverance of his followers from all fear on the glorious day of Pentecost.** They in turn proclaimed deliverance and release to captives wherever they went.

In the year of 2008 the economy has hit hard everyone but the ultra-rich. Unemployment, foreclosures, choosing between paying off debts or putting food on your table and paying for shelter and fuel, has even caused Americans to become humble. Famine is sweeping over nations and countries and I would like to tell you it will get better but the bible cannot lie. ... **The freedom of debt derives from the biblical idea of the year of Jubilee, the 50th year. In the Jubilee Year** as quoted in Leviticus, those enslaved because of debts are freed, lands lost because of debt are returned. ... **If you need a Year of Jubilee where you are free from the debts that are crushing you, claim this Word from YAHUVEH as your own.** There is no shame in this, for even the debt collectors such as banks, credit card institutions, mortgage companies, and even the Government of various lands including America, had to borrow more money because they could not pay their debts. Yet the same people come after the ordinary person with their high price attorneys and threats showing no mercy. **YAHUVEH is not amused and I pity the rich when HE sends judgment on them it will be a vengeance like none other and the shoe will be on the other foot.**” Updated: 10/01/2015

Todd Bentley’s 2014 Prophetic Dream about the 2015/2016 Jubilee Year:

I believe this recent dream I had is a significant promise for 2015 and God visiting the womb of the church and giving us a new generation of dread champions and mighty warriors. **It was the descendants of Perez that became the mighty captains of all the armies of David's mighty men. Many women will be blessed this year with children!**

In a recent dream I had, the Lord showed me a new generation of kingdom demonstrators that would begin in 2015. In my dream,

The first part of my dream: “I saw two things of significance. I saw Bob Jones, who went to be with the Lord earlier this year, on the day of love (Valentine’s Day)! Bob spoke with me about his near-death encounter in 1975 and the billion-soul harvest of youth and young adults. When Bob came back from his near-death experience in 1975, he came back to prepare a generation of leaders for the harvest at the end of the age. Bob talked with me again about this word and about the harvest of harvesters anointing. In this dream, Bob told me it has now been one generation, 40 years, since that experience. Beginning with 2015, a new generation of

harvesters would be released to fulfill this word in a greater measure of power and possess the promise much like Joshua and Caleb when they took the land after one generation passed in the wilderness.”

The second part of my dream: “I saw a **brand-new fleet of muscle cars** that I have never seen before. I knew these vehicles were a new type of ministry. I had never seen so much power under the hood and my first thought was, "I wonder what kind of 'high grade oil' they use in these cars?" That's when I heard the Holy Spirit say, "**these vehicles are a new generation of ministries that will walk in a level of My power without limitations and with unprecedented power because of their commitment to holiness and purity.**" I asked the Lord who this generation was and He spoke to me about new children conceived and born in 2015. They will walk in a ministry and power we have never seen before because of their surrender, strength in purity of heart, and love for the Lord. They will be trusted to demonstrate God's power without restriction.”

This verse then immediately came to me.

"Here am I and the children who the LORD has given me! We are for signs and wonders in Israel from the LORD of hosts, Who dwells in Mount Zion" (Isaiah 8:18). (I believe that the Great “Last Days” Jubilee Revival, with the sending out of this “**new generation of ministries**” will start in earnest in the spring of 2016, during the spring rains (the ‘Latter Rain’)!)

Arthur Burt’s 1934 Prophecy about the Judgment and Mercy during Endtime Jubilee Year?

“There shall come a breath and the breath shall bring the wind and the wind shall bring the rain and the rain shall bring the floods and floods and floods and the floods shall bring the torrents and torrents and torrents. So shall **they be saved like falling leaves** (after a fall season stock market crash?) from the mighty oaks swept by a hurricane in a great forest. Arms and legs shall come down from heaven (regeneration of body parts?) and there shall be no ebb.”

Days of Elijah by Donnie McClurkin:

“These are the days of Elijah
Declaring the word of the Lord, yeah
And these are the days of Your servant, Moses
Righteousness being restored

These are the days of great trials Of famine and darkness and sword

Still we are the voice in the desert crying
Prepare ye the way of the Lord!

Say, behold He comes, riding on the clouds
Shining like the sun, at the trumpet's call
Lift your voice, (it's) the **Year of Jubilee**
Out of Zion's hill, salvation comes

And these are the days of Ezekiel
The dry bones becoming as flesh
And these are the days of Your servant, David
Rebuilding the temple of praise

And these are the days of the harvest
The fields are all white in the world
And we are the laborers that are in Your vineyard
Declaring the Word of the Lord

Say, behold He comes, riding on the clouds
Shining like the sun at the trumpet's call
Lift your voice, (it's) the **Year of Jubilee**
Out of Zion's hill, salvation comes

Behold He comes, riding on the clouds
Shining like the sun at the trumpet's call
Lift your voice, (it's) the year of Jubilee
Out of Zion's hill, salvation comes.”

Is an Eclipse of the Moon a Bad Omen?

Contrary to what you may have heard, the 'Full Tetrad Blood Moons' are signs of blessings not curses, since the moon (cratered and pitted with spots and wrinkles) is symbolic of satan (a creature of the night) and when it/he is bloodied, it is symbolic of the bruising of satan. A full moon is a bad sign, since it represents the fullness of evil ...the time that the wolves howl at night and a time when the majority of criminal activity occurs. But an 'eclipse of the moon' like a 'new moon' is a good sign. What kind of good signs? How about Christians coming out of bondage (the unsaved will be going into bondage), coming back into the Promised Land and/or a great revival! The sun is symbolic of Jesus the bright morning star, thus, it is when we have a 'full eclipse of the sun' that it should be looked upon as a bad sign, rather than a 'full eclipse of the moon'. Genesis 3:15 (KJV):

“And I (*God the Father*) will put **enmity** between thee (*satan*) and the woman (*Israel*), and between thy (*satan*) seed (*the lost*) and her seed (*the saved and Jesus*); **it shall bruise thy** (*satan – mortal wound to the head*) **head**, and thou (*satan*) shalt **bruise his** (*Jesus*) **heel** (*Jesus dying on the cross*).”

Revelation 12:1 (KJV):

“**I Jesus** have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the **bright and morning star** (*sun*).”

Ecclesiasticus 43:6 (KJV):

“He made the **moon** (*satan*) also to serve in her season **for a declaration of times, and a sign of the world.**”

Ecclesiasticus 27:11 (KJV):

“The discourse of a godly man is always with wisdom; but a fool **changeth as the moon** (*satan is a fool*).”

Luke 21:25 (KJV):

“And there shall be **signs in the sun** (*Jesus*), and **in the moon** (*satan*), and in the stars (*the angels*); and upon the earth (*USA?*) distress of nations (*worldwide stock market crash/2nd Great Depression?*), with perplexity (*wars and rumors of wars?*); the sea (*the world*) and the waves roaring (*the sin of the world*);”

Revelation 6:12 (KJV):

“And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the **sun became black as sackcloth of hair**, and the **moon became as blood;**”

Tetrad Blood Moons and Subsequent Blessings that followed:

Let's talk a little bit about the “blood moons” that Mark Blitz providentially informed us about. A tetrad blood moon is one that is in a string of 4 consecutive lunar eclipses (blood moons). The blood red-like color comes from the sun's light shining through the earth's atmosphere during totality, which diminishes the light making it appear red. We have only had 8 full tetrad blood moons since the time of Christ.

Sept 28, Full Tetrad Blood (the 4th/last), Supermoon on Sukkot (Feast of Tabernacles): – Sign #7:

A supermoon is when a full moon (or a new moon) is at its nearest distance to the Earth on its elliptical orbit. The result of this occurrence is the largest apparent size of the moon as seen from Earth. The technical name for this closest proximity of a full/new moon to the earth is “perigee”. A full moon at perigee, visually appears to be 14% in larger in diameter than normal. The next total full lunar eclipse, supermoon will not happen until October 8, 2033. Updated: 10/02/2015

A few years ago, I had this dream that I think might be prophetic. Actually, it was more like a dream within a dream, because I either woke up or the dream changed and I had this vision type thing.

"It started when I began to hear this weird but peaceful music. Then I saw what looked like a man, who I assumed was Jesus (or maybe an angel) because of his appearance and the way he talked. He wore a robe and there were stars all around him, and (I know this sounds crazy) what looked like straw or hay. I am sad to say I

can't really remember everything he said, but I think he was telling me that I shouldn't be afraid because he had protected me in the past and still would in the future. But I also know I heard "**fifteen years,**" (end of 2015?) which he said with great emphasis, possibly several times. Then he said, "**I will be with you always, even to the end of the age,**" and I woke up. I can't say how I knew this, but I think the **15 years was supposed to be 15 years from then, when I would turn 15, and 2015; the end time would start sometime when I was 15 and the End would come in 2015, exactly 7 years later.** I thought this was strange because lots of prophecy teachers say the end time "tribulation" will last 7 years."

I woke up feeling very calm and not like anything weird had happened. I've also been observing some current world events and think it's very plausible that the final seven years will start in 2008. I'd like to hear if anybody thinks I might be right on this or if I'm just crazy. I don't believe that you are crazy Snakeslayer, and I do believe that the 7-year cycle (2008-2015) is the last plentiful seven years for America, so in affect, it will be the last seven years for America as we know it. But the Great Tribulation with the antichrist probably won't occur until the (2022-2029) 7-year cycle.

Bart Druckenmiller's Prophetic Vision "The Effect of Every Vision Shall be Retained No Longer", May 15th 1995, A Prophetic Word for 2015 - 2029 (14 Years):

Bart's original message from the Lord was given to him back in 1995, and then he lost/forgot about the message until some 10 years latter! Bart now believes that the message was meant for today ...the day and age that we are currently living in! He believes that the Lord allowed him to find this message after all of these years because the actual appointed time for its fulfillment is now!

Bart's Prelude to the Vision: All of the "**sudden**" while in prayer still sitting up in my bed, this wonderful presence come upon me and began to fill my entire being. It was the most incredible feeling ever and I wanted it to last as long as possible. I knew at that moment that something holy and divine was about to take place and I told the Lord that if there was something that He was trying to get through to me that He was welcome to do whatever He wanted. At that moment I literally felt my right ear pop open as though it was closed or something had been blocking my hearing, and then I audibly internally heard words being spoken to me.

These were the words that I heard, "**THE EFFECT OF EVERY VISION SHALL BE RETAINED NO LONGER.**" As I said before I have asked people that have been in ministry for over 30 years if they can tell me where this phrase "the effect of every vision" is found in the Bible and no one has been able to tell me. This simply means that the voice that spoke to me knew the bible better than those who have been preaching it all their lives. At the exact moment I heard these words:

"I was then given a vision of a man whose eyes were open but there was some type of covering over his eyes so he could not see. I then saw hands laid upon his head and all of the "**sudden**" the covering was removed from his eyes and he could then see. I believe God has given me this word to share with people that He will fulfill His every word regardless of what any man says. God wants to open up your eyes to His truth so you might be able to see where you are going in this life so as to help you open your eyes to be prepared and ready for the One who is shortly to come. Jesus is coming back soon and I want to help you open your eyes to this so you will be with Him when He returns and you will be involved in His harvest as He with us seeks to save those who are lost and perishing without Him." "**The vision is for an appointed time**"

John 4:35 (KJV):

"Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest."

Ezekiel 12:23 (KJV):

”Tell them therefore, Thus saith the Lord God; I will make this proverb to cease, and they shall no more use it as a proverb in Israel; but say unto them, The days are at hand, and the **effect of every vision.**”

Habbakuk 2:3 (KJV):

“For **the vision is yet for an appointed time**, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.”

(God fearing Christians who have been sitting on unfulfilled Prophetic Words, that were given to them years ago ...waiting for the answers to come to pass ...waiting to be rescued from the enemies' fiery darts, trials and tribulations. Many of these Christians have been studying the Voice of the Modern Day Prophets – they have studied the Prophetic Dreams, Visions and Prophecies, desperately trying unravel when all of these things would begin to come into fruition. Folks, I believe that this “Jubilee Year” is the time! The time when:

David Kenderes' Prophetic Words about 70 Years of Bondage for America – Sign #1:

(1945-2015) 70-Year Captivity – Sept 08, 1945 (01 Tishri 5706) - 14 Sept 2015 (01 Tishri 5776):

During the past decade or so, the Lord has been speaking to me through a series of “Words” about a period of 70 years of bondage for America. One might think, as I once did, that these 70 years of bondage would consist of some future age or time ...it definitely couldn't be now, when America is seemingly **being blessed** and when many Americans including Christians are living a successful life of affluence and opulence.

Years ago, the Lord told me that **America was a type (Twice Speak code language) of Babylon and that just as Israel was taken into Babylon captivity for 70 years, so would be the fate of America!** At that time, the Lord didn't tell me when the 70-year period would begin ...it was a puzzle that I seemingly had to solve. So I dug into the Bible to refresh my memory about all of the **terrible judgments** that Israel went through during their Babylonian captivity, hoping to shed some light on what America would shortly have to endure as well.

After reading through **Jeremiah 29**, to my surprise, I discovered that the form of judgment against Israel was somewhat different than what I had expected! There weren't any killings mass murdering or even torturing going on in Babylon. I did not even read of any burdensome slavery taking place there. Instead what I read about was the Lord telling them to **“build houses and dwell in them”** and to **“plant gardens, and eat the fruit of them”** to **take wives and have sons and daughters** and to **give your daughters to husbands so that they could have lots of children too!** Hmmm, it was beginning to make sense to me now, I discovered that it was talking about the **“American Dream”!** Even though I didn't know anything about the 7-year Shemitah cycles (for a modern world) at that time, I was beginning to realize that the 70-year period for America would have begun sometime after the Great Depression and WW2 (WW2 ended on September 2, 1945/Elul 24, 5705). It had to encompass the time of the “baby boomers” (1946-1964). It also had to be talking about a period of time when America's housing market, bank accounts and stock market portfolios ruled supreme, a time when we did grow lots of gardens and America's fruit and vegetable farms (California and the Midwest Heartland) were robust and fed the United States and the world!

But it wasn't until recent years that I believe the Lord showed me the ballpark starting and ending dates through the teachings of the Prophet Rabbi Cahn. I always knew about the Shemitah and Jubilee cycles, but I always thought of them as a Jewish directives. I never thought that they could or should also apply to the Gentiles. It was then that I for the first time, latched on to the dates of 1 Tishri 5706 (08 September 1945) through 1 Tishri 5776 (14 September 2015). So I'm now convinced that the 70-year cycle would begin sometime after these dates (after WW2). Remember, the baby boomers started one year after the end of WW2 in 1946!

You see folks, the American Christians have been in captivity and bondage to worldly success, money, fame and fortune! We have been both **“in the world”** and **“of it”!** Although some Christians know how to use, spend

and invest their time and money wisely, the vast majority of Christians don't have a clue, they have never learned these principles. During this 70-year cycle, the "lost" had "freedom" (because they were serving their first love – money) but the "saved" were bound, because the things of this world and the anti-Christian world system was fighting against them and winning! We will soon and very soon see a reversal of the roles!

But sometime after 1 Tishri 5776 (14 September 2015), the tables will be turned over! After the world stock market crashes for the 2nd time and the world enters into the second Great Depression, as bad as it sounds, Christians will once again begin to experience freedom and turn back to their first love – the Lord Jesus Christ, while the lost will lose their first love – the things of this world and enter into captivity! Updated: 10/25/2015

Matthew 21:12-13 (KJV) (Twice Speak Code):

"Jesus entered the temple courts and drove out all who were buying and selling there. He overturned the tables of the money changers and the benches of those selling doves." "It is written," he said to them, "My house will be called a house of prayer, but you are making it a den of robbers."

Matthew 13:7 (KJV):

"And some fell among thorns; and the thorns sprung up, and choked them:"

Mark 10:25 (KJV):

"It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God."

1 Timothy 6:10 (KJV):

"For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows."

Revelation 3:16 (KJV):

"So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth."

Jeremiah 29:1-7 (KJV):

1 "Now these are the words of the letter that Jeremiah the prophet sent from Jerusalem unto the residue of the elders which were carried away captives, and to the priests, and to the prophets, and to all the people whom Nebuchadnezzar had carried away captive from Jerusalem to Babylon; 2 (After that Jeconiah the king, and the queen, and the eunuchs, the princes of Judah and Jerusalem, and the carpenters, and the smiths, were departed from Jerusalem;) 3 By the hand of Elasah the son of Shaphan, and Gemariah the son of Hilkiah, (whom Zedekiah king of Judah sent unto Babylon to Nebuchadnezzar king of Babylon) saying, 4 Thus saith the Lord of hosts, the God of Israel, unto all that are carried away captives, whom I have caused to be carried away from Jerusalem unto Babylon; 5 Build ye houses, and dwell in them; and plant gardens, and eat the fruit of them; 6 Take ye wives, and beget sons and daughters; and take wives for your sons, and give your daughters to husbands, that they may bear sons and daughters; that ye may be increased there, and not diminished. 7 And seek the peace of the city whither I have caused you to be carried away captives, and pray **unto** the Lord for it: for in the peace thereof shall ye have peace."

Johnny Enlow's 2015 PROPHETIC WORD: DOUBLE FOR YOUR TROUBLE

Floods; Is.55:5 Focus; Four 7-Year periods; 4 Winds of W that will Double You

I have recently been having an unprecedented number of dreams of rain and floods. In each dream there has been a different point of emphasis but in all dreams there was no doubt about the dramatic change of life as we know it, that these floods would bring. These dreams have all been followed by actual rains and flooding here in the previously parched state of California. The dreams have not been fearful dreams but rather have kept my spirit in an anticipatory mode as to the New Year we are entering into.

AWAKENED AT 5:55 AM

Then on December 10, I awakened at 5:55 AM and received a download of understanding from the Lord as to many things including the last 21 years -as they were broken up into 7 year segments. These 7 year periods are (1994-2001), (2001-2008), (2008-2015) and (2015-2022)

For a point of reference, it was December 10, of 2008 that I woke up at 3:43 AM and was given the essential download for my 7 Mountain Mantle: **Receiving the Joseph Anointing for Reforming Nations book** that spoke into what I was able to see until 2015. At the time I was directed to look at Psalm 34:3,4 as theme verses and I believe this passage has been our available lifeline since then.

“Oh magnify the Lord with me and let us exalt His name together. I sought the Lord and He heard me and delivered me from all my fears.”

At the time I was shown that God’s people had been instead magnifying the challenges and fears brought on by the market collapse of August 29, 2008 when the Dow Jones lost 777.7 points and over 1 trillion dollars in one day. We were to now magnify Him- as we were having a hard time seeing Him. As we magnified Him we would be set free from ALL of our fears and enter into radiant hope. This focus led us to understand that to remain in a prevailing state of hope we would have to remain in a state of continually magnifying Him. This in essence remained our focus since then as we were to learn to cultivate hope. This remains as unfinished business for many but the new season will be more conducive to staying in hope.

THE NEW 7 YEAR FOCUS OF ISAIAH 55:5

“Surely you shall call a nation you do not know, And nations who do not know you will run to you, Because of the Lord your God, And the Holy One of Israel, For He has glorified you.”

The 5:55 AM wake-up call is an awakening to Is. 55:5. 555 is also the number of prevailing grace, and the grace of God now flooding into His people is so that we become a nations-minded people. He will now release so much glory on His participating kids that nations will run to us. In essence He is flooding us- so that through us - He might flood the nations with an atmosphere of revival and a mission of reformation. We are the Hope Brigade. This is a focus we must now wake up to in order to access the greater victorious grace. It is often much easier to discern where we are going by knowing where we have been. We are ending the third 7-year period since 1994 and I was shown key perspectives from each of these.

(1994-2001) 1 Tishri 5755 (06 September 1994) – 29 Elul 5761 (17 September 2001):

David Kenderes:

This 7-year Shemitah cycle was a time of tremendous wealth and arrogance in America and within the church.

Johnny Enlow’s Prophetic Vision:

THE TORONTO BLESSING AS A VOLCANO OF THE HOLY SPIRIT

“I was shown that the big event of this 7 year period was the Toronto revival called “the Father’s Blessing” that began at the Toronto Airport Vineyard in January of 1994. I saw it as a huge volcano that sent flying rocks and lava to the whole globe. It appropriately enough began in a church of about 120, as in the book of Acts- and then exploded into every tongue and tribe around the world. I saw that the many secondary outpourings and revivals all came from this one and that they did touch every nation.

One of those secondary revival stations was Brownsville which alone saw over 4 million people touched between 1995-2000. The Toronto Blessing was by far the most important thing to happen on the planet during that 7-year period and everything has changed since that time. It was a volcanic release of the Holy Spirit, hope and joy into the Body of Christ that essentially resurrected the Body of Christ from a great stagnancy.

Appropriately enough over 50,000 pastors who were strongly contemplating quitting were ignited into life by the pouring out of the Holy Spirit. As is customary, the Body of Christ's wineskin was not prepared for this new wine and so many wineskins and also much wine was wasted. Despite the wastage and loss the positives from that time far outweigh the negatives- and in essence the foundation for the next great move of God was laid at that time. Those who absorbed that move of the Holy Spirit and then kept moving forward are those positioned to carry and lead the new focus of reformation of nations that is now uppermost on the King's agenda. We have always known He is passionate for souls; we are now to know He has that same passion for nations.

I was shown that many secondary benefits were released into society from the Toronto explosion of the Holy Spirit. Many societal markers were affected as a collateral benefit of the Holy Spirit's infusion into His willing sons and daughters. Divorces and abortions have dropped dramatically in the 20 years since that volcano of the Holy Spirit, so that where divorces were at 50% they have now dropped to 35%. Abortions have dropped from 1 in every 3 pregnancies to 1 in every 6. Additionally almost all violent crime statistics have dramatically dropped.

Worldwide the extreme poverty rate has been reduced by at least 10% since that time despite the serious economic challenges of the last 7 years. Also since 1994, an estimated minimum of 250 million around the world have become filled with the Holy Spirit and this too is changing everything. For those of you who can remember being under the influence of the Toronto outpouring you will remember that hope and joy were seemingly in the air. There was hope in the air but it was hope-lite which is untested hope. The last 14 years have been much different as hope-lite has been assaulted requiring us to search for hope-hardy."

(2001-2008) 1 Tishri 5762 (18 September 2001) – 29 Elul 5768 (29 September 2008):

David Kenderes:

This 7-year Shemitah cycle immediately followed the 9/11 disasters, which humbled the U.S. and led multitudes of Americans back into the churches. Unfortunately this movement wasn't long lived, and instead of changing and humbling people's hearts, American's became defiant (Rabbi Cahn's message)! They left the churches that they recently flocked to and began to adopt the philosophy of "patriotism to America" rather than serving God.

Johnny Enlow's Prophetic Vision:

THE WAR ON TERROR: INVADED BY THE HITTITES

"I was shown that the twin towers terroristic attacks of 9/11 was the significant event of this second 7 year period. This introduced a 7 year focus on the war on terror. This was a natural reality and truth but also a spiritual reality. The enemy countered the 1994-2001 period of grace and hope with an assault on our hope and a release of unprecedented fear. I believe Apollyon himself was spearheading this assault- in part to stem the tide of a great harvest that was taking place around the world in those years- as over 200,000 a day were coming to the Lord.

In the book of Joshua, when he was poised to take the children of Israel into the Promised Land, it was referred to as "the land of the Hittites" in Joshua 1:4. The word Hittites means "fear" or "terror" and in essence the 9/11 attacks represented an invasion by the Hittites during the time period of 2001-2008. New fears were in the air at all times and most of us succumbed to it. We became very shortsighted in our spiritual projections and until this day many of us have been unable shake our inability to project hopeful outcomes for us and for the world. We have remained in "waiting for the other shoe to hit mode" and it has kept us from contending for territory God has granted us and assigned us. Joshua had been told that to take out Hittites he needed to "be very strong and courageous" ; likewise for those who remained strong and courageous there was still great gains to be made and assuredly the kingdom of God kept expanding all over the globe.

The 2001-2008 time period was in effect a media assault. Never has there been a period when the news outlets were more complicit with the principalities over media. To view the news was to be ministered to by demons of fear and despair. Many of us became addicted to negativity during this period and many of us have not yet broken that addiction. 2015 will be the year for that addiction to be broken.”

(2008-2015) 1 Tishri 5769 (30 September 2008) – 29 Elul 5775 (13 September 2015):

David Kenderes:

This 7-year Shemitah cycle ushered in an economic recession and the erosion of America’s “Middle Class”. Cost of living continued to rise while salaries greatly diminished! The housing bubble all but burst, with the bubble/balloon greatly deflating.

Terry Bennett’s Prophetic Visitation “You Will See 666”:

The angel Gabriel told Terry, “2008 will be the beginning of economic sorrows in our nation and in the world. During this time the great economic wealth of the United States will be neutralized and the military power of the United States will be greatly diminished.” The economic problems will be the primary cause for the military power being weakened.

Gabriel: “The status of the United States as a world power would end during this time.”

Terry: “In one sense of it this is the protection of the Lord because if it were not for this downfall the spirit of antichrist that is coming out of Europe would make a grab for this nation.”

“There will be a change in the U.S. currency. A different currency is going to come, at least one. That will entail us no longer being the reserve currency of the world. I believe we are on the verge of seeing those things take place in our nation and the banking system failing again. So there are very serious things coming economically.”

Johnny Enlow’s Prophetic Vision “The Release of the Frogs and the Rise of the Josephs – Sign #2:

People talk about the “release” of the “Josephs” glibly, without even knowing who “they” are or what “it” means! Friends the Josephs consist of a very small portion of “future” church leadership, and “they” will not be “released” and they will not break out of prison with their prison uniforms on, they will be released from prison and will be elevated to positions of power and authority in the Lord. And they will not be released from their prisons (extreme persecutions of all types and financial loss) until or unless a great price has been paid first! With the good comes the bad. The Josephs will not be released until or unless life as we know of on planet earth is changed forever! But keep the hope and keep the faith friends, for the Lord will be with us through these future trying days and times and the greatest revival in church history is right before us! Updated: 04/30/2016

Johnny Enlow’s - THE RELEASE OF THE FROGS AND THE RISE OF THE JOSEPHS:

“In my book on the 7 Mountain Mantle, I shared about the rise of the **Josephs** and what our side was to be about during this time period. While 11 brothers would hunker down in the sheep shed, visionary **Josephs** would be positioned for a time of shining. When I was awakened at 5:55 AM, I was shown what the enemy had been given permission to release. August 29, 2008, when the Dow Jones dropped a record 777.7 in one day, it all coordinated with a major demonic assault upon the nations of the world. I saw multitudes of frogs burping and releasing a dingy greenish-gray mist and haze throughout the whole earth. It was like a smog that covered everything. I was led to look at Rev. 16:13 where it talks about unclean spirits like frogs- that came out of the mouth of the false prophet. This was not that specific release but something of a similar measured release.

I saw that these frogs were releasing anxiety, murmuring and complaining that fed off the fear already in the atmosphere from the previous 7 year season. With this comes finger-pointing and a judgmental spirit which further wars against the needed grace to overcome the fog.

This was yet another 7 year counterattack of the enemy designed to thwart the advances of the expanding kingdom of God. I saw that very spiritual people were some of the most susceptible to this fog as it was from the mouth of “the false prophet” that these frogs came from. I saw that even very prophetic and very spiritual people would process

their spirituality through a very negative and distorted grid. It affected intercession, dreams, visions, prophecies and perspectives. Many began to in effect murmur and complain through their “spiritual” senses. Some would call it intercession but it was really just complaining out of fear. Some would call it prophecy, but it was just murmuring against flesh and blood and heightening the fear they felt.

This frog fog was affecting dreams and visions. If the prophets or intercessors didn’t rise above the foggy haze their gift was compromised and they would end up agreeing with and further releasing this dingy greenish-gray myst through declarations that obsessed with demonic conspiracies. This is why hope has become the most valuable commodity on the planet. This dingy haze chokes out the oxygen of hope and disables spiritual vision. We have been under a 14 year demonic assault on hope, that had intensified the last 7 years and then maxed out the last two years.

The Lord permitted this as a test to our hope levels. We wanted the haze removed - but He wanted us rising above the haze where hope-lite becomes hope-hardy and makes not ashamed. That is why we were thrown a Psalm 34:3 lifeline 7 years ago- as it is in the magnifying of God on a constant basis that we climb above the smog and find the “upper room” He has made available for us on planet earth ever since Acts 2.

Those who were able to do this in this last season will now be given greatly expanded spheres of authority and influence. The great test has had a great promotion built into it. Many of us have passed the test with a C- or even a D- but He only wanted us to pass the test. Our hope root systems have had to increase so that we might be the transformational oaks of righteousness we were designed to be.”

(2015-2022) 1 Tishri 5776 (14 September 2015) – 29 Elul 5782 (25 September 2022):

David Kenderes:

I believe that this 7-year Shemitah cycle will bring in the end of America as we have known it. I am looking for back-to-back stock market crashes leading to a second worldwide Great Depression. During this cycle, I believe that a Russian/Chinese confederacy (along with 5 other nations) will attack (nuclear), invade and then occupy America. Seven flags will be raised on America soil and none of them will be the U.S. flags!

Terry Bennett’s Prophetic Visitation “You Will See 666”:

“The economic problems of the first seven-year period would be the primary cause for the next major issue occurring during the second period from 2015-2021. 2014-2015 would be a transitional year leading to the next seven-year period, which would be a time of dramatic changes in governments around the world, great political turmoil, and wars.

Terry: “What the United States is going to go through is civil conflict, civil war, and then invasion. This will greatly diminish the desire of the spirit of antichrist to take hold of this nation. So there was a side of it, particularly if we pray, that all of this would result in a blessing from the Lord to keep us from the domain of the spirit of antichrist. I saw in the governmental arena we will go through a dramatic change in our government and there would be a time of anarchy and chaos. For a while we will have a fractional government, which means basically our government will come down to the state level because of the military stepping in and having to seize control of our federal government. We would call it a coup, but in all honesty it will be to help our nation. That is why the military will step in. I believe we are now on the verge of these things happening. Lawlessness and chaos was shown to me, and civil unrest.”

The angel Gabriel told Terry, “When the checks from our government stop coming to the people the chaos will ensue.”

Terry: “Then we are going to see a major change with our government. The great economic turmoil in the 2014-2015 year of transition will bring on these changes in government. Then there will arise a new government in Europe, which Gabriel warned me. Here is what he said to me back in 2001, “Keep your eyes on four nations. They are signposts to what is coming. Firstly keep your eyes on Greece. Secondly, keep your eyes

on Italy. Thirdly, keep your eyes on Spain. Fourth keep your eyes on France. Greece is going to want another Alexander the Great. Italy is going to want an emperor. Spain is going to want a king and queen. France is going to want another Napoleon. Satan is going to offer that to them in one person. They will say yes. Through chaos they will gain control.”

Terry: “I believe some of that chaos will be created, purposeful, while other chaotic events will come because once they get it going they will be unable to control it. The economic chaos will lead to dramatic governmental change in Europe, as it will here in our nation. It will begin in the economic arena and then go forth into the governmental arena. Major governmental changes are going to happen in various parts of the world, particularly in Europe.”

Johnny Enlow’s Prophetic Vision:

THE NEXT 7 YEARS YOU WILL BREATHE AGAIN: WINDS OF WORSHIP, WEALTH, WISDOM AND WONDER

“There will be much more coming as to what to expect in 2015 and beyond, but I was impressed with the revelation that the frogs and their haze are being expelled. A great host of angels has been sent to crush these unclean spirits that have conspired against the hope and joy of God’s most passionate followers. I believe that this is a set, done-deal assignment from heaven- but I also believe their assignment will be expedited by a worshipping people.

1) WINDS OF WORSHIP

I saw winds of worship come in in 2015 and we want to look for them and make sure to have our sails ready to sail with them. We will be taken to new places in His heart as we worship this year. I saw flash mobs of worshippers becoming significant news stories in 2015. I saw a worshipping crowd that as they danced every dance step it crushed a frog and then further accelerated the angels to also stomp them out. He inhabits the praises of His people and this year we will increase our worship and praise to Him. He is making us His habitation on earth and as we target reforming nations we want to stay mindful that He will give the nations to radical worshippers. It will be a worshipping people who will see the nations come running. You will in fact connect your reformation assignment to worship and see it as an extension of that worship. If you have toned down your worship because you are a more “seasoned” believer then this is the year to find and release your child-like worship again. Worship Him with song and dance and worship Him with your 9 to 5 life. You will be rewarded with a new hope-filled place in God’s heart as you do and demons will literally run from you.

2) WINDS OF WISDOM

In my 2014 Rosh Hashanah word I shared how angels with scrolls are coming and this will continue to increase. The wisdom is coming for how the house of the Lord on planet earth is to be built. Wisdom for how you must advance His destiny in and through you is also in these scrolls. Pay attention as these scrolls will come in many and various forms. Some will be dreams and supernatural encounters and others will seem quite mundane- but be sensitive as the Holy Spirit will remind you that you just received a scroll. Wisdom comes when it is building time and this is where we are at.

3) WINDS OF WEALTH

I was shown years ago that the archangel of the Mountain of economy or business would be released at Rosh Hashanah 2015. This will be a big deal and is why the wisdom angels are being released ahead of that. All Josephs must carry the wisdom and the wealth but as with Joseph the wisdom comes first. Wisdom is divinely applied knowledge and it trumps every PhD on the planet.

There is almost nothing that excites God more than to be able to prosper us abundantly and He really is going to do that. This is what He does in heaven and He no less so desires to do so on earth. It is a part of His name and nature to do so. He only looks for a hopeful people with His heart for the nations as finances turned inward cause self-destruction. Wealth empowers one's vision and if your vision is not His then He has to hold back His natural bent of extreme generosity to let your vision come in line with His. He is not interested in funding anymore "Left Behind" type movies. Some measure of truth is encapsulated in that perspective but the overall narrative is a gross distortion of who He is, what He is about, and what time it is.

We are in the spring season of the kingdom age and the quicker we can understand more about what that means, the quicker we can be a prime target for the coming prosperity angels. 2012 marked the beginning of this season and we must shift out of preparation for "end-time scenarios" into arising and shining with His glory. You really can't do both at the same time. Don't build a ministry that feeds on fear and apprehension. Build one around reforming and transforming society. Winds of wealth are coming to those who make this shift.

4) WINDS OF WONDER

God is going to be so restoring and redeeming our individual stories that it will astonish us. Signs and wonders will increase- but many of these wonders will begin to be how God turned devastating personal stories into beauty and triumph. He will begin to blow us away with how He has orchestrated the details of our lives.

God is telling His great story through us and as we connect to His kingdom narrative (i.e. seek first the kingdom of God) it allows Him to rescue and restore our personal story. If your personal story is a mess and seemingly impossible to make beautiful, give yourself to Him as never before and you will find yourself receiving His winds of wonder that will leave you overwhelmed by His goodness. Everything and everyone who remains in His hands becomes beautiful - in its time. He has promised all who receive Him a great eternal storybook ending of eternal life in heaven but He is also looking to showcase His goodness to us here in the land of the living. As David said, "I would have fainted if I didn't believe I would see the goodness of God in the land of the living."

DOUBLE FOR YOUR TROUBLE

This is one of His personal prophetic words for you in 2015. Look to Is. 61: 7 as inspiration.

"Instead of your shame, you shall have double honor, and instead of confusion they shall rejoice in their portion. Therefore in their land they shall possess DOUBLE."

The play on words is this: 2015 will be the year He sends Winds of W (worship, wisdom, wealth and wonder) because He wants to double you (W). There has been a 14 year assignment against your hope and this year you are going to breakthrough into radical, crazy hope. Even as Jacob worked 14 years for Rachel and even as **Joseph** was processed until his 14th year after receiving his prophetic dreams- so too will you the persevering ones now step into a similar place of breakthrough. This does not mean a life of no challenges- but it does mean a life of greatly satisfying fruitfulness. You will strive less and accomplish more. Less effort will bring about more fruit. Simple obedience will trump leveraging capabilities. You will learn to rest, to worship and to love- and then repeat that cycle. There is nothing else to do. At the end of the day it is all about growing more in love and releasing more of that love. Conditions in 2015 will be optimal for this to happen. Get happy about that."

(2022-2029) 1 Tishri 5783 (13 September 2022) – 29 Elul 5789 (09 September 2029):

David Kenderes:

I believe that this 7-year Shemitah cycle will usher in the 7-year Biblical Endtimes Tribulation Period. I believe the antichrist will rise to power and the "mark of the beast" will be implemented!

Terry Bennett's Prophetic Visitation "You Will See 666":

“The final phase revealed to Terry occurs in 2022-2028. The predominant part of the governmental troubles will be in preparation for, particularly in Europe, the arising of the spirit of antichrist. What is coming is called the new world order, but behind that is the spirit of antichrist and the false prophet spirit with that. With that is coming a one-world religion.

Terry: “I was told it would be a combination of three world religions, Judaism, Christianity, and Islam all brought together into a one-world religion. Those three would be combined as a compromise, a mixture. Each of those three religions believes in one god whereas other religions have many gods. The one-world religion will be presented as a solution that will bring peace, when in reality it will be a compromise and a mixture offered by Satan to turn the world away from the absoluteness that there is no other name under heaven whereby men can be saved than the name of Jesus Christ. Anybody who refuses to accept the new one-world religion will be labeled as a radical terrorist and a threat to world peace. As it goes forward it will move to murder. It will be declared by a religious leader in Europe that this person whom they will receive as their governmental leader is god, when in reality it is the antichrist”

James Bailey: “When this religious leader declared this man to be god, Terry saw hundreds of thousands of Catholics rose up and said no. They resisted what they knew was an attack against the Lord Jesus himself. As a result many Catholics were murdered. He also saw many Protestants resisting and they were also put to death in great numbers. He saw millions of these resisters put to death, martyred for their refusal to accept the divinity of the antichrist.”

Terry: “There will also be resistor nations and tribes of people, even in the European area, who will be unwilling to go down that path, but it was at great cost of life that they will resist, and some of them will resist. Satan is going to push for worldwide acceptance of the antichrist, but he will never be fully accepted. There will be sheep nations that absolutely resist and there will be people groups who absolutely resist.”

The angel Gabriel told Terry: “The people of Ireland and Scotland will never bow to the antichrist.”

Gabriel told Terry: “You will see 666. You will see the number of man demonically controlled in economics, government, and religion. When it goes to religion that is when the mass martyrdom begins.”

James Bailey: Unprecedented Exploits from a Remnant:

“We know from the Bible a time of great trouble is coming upon the whole earth. However, for those who walk close with God will see great things during these times.”

Terry Bennett: “At the same time as the unprecedented in the earth is happening I believe there is going to be the unprecedented moving of the spirit of God among His people. I believe a lot of that is going to be a remnant issue. I want every person to be involved in that, but I believe, especially in western culture, there is going to be a remnant issue, although I think there is going to be some very major moves of God in western areas of the world, but even more so in the east. The Lord keeps saying to me that His people are going to do unprecedented exploits. He is saying to expect the unprecedented, what has never even been written and what has never even been heard about. What we have recorded in the scriptures, but I believe we are in the final showdown here. The Lord said to me, ‘Prepare for the invasion of heaven.’ The unprecedented is upon us. God is going to do that which has never even been heard about and that is exciting.”

Signs & Trigger (Japan Disasters) & Worldwide Stock Market Crash:

ILoveGod777's (Youtube Name) July 2015, Prophetic Vision – “Prophecy for America, Stock Market, Famine, Persecution, JUDGEMENT”: <https://www.youtube.com/watch?v=bw8NvrMCP8Q>

Notice that the first event of the five events that were given to her in the Prophetic Vision was the stock market crash. The stock market crash comes first, leading us into the famine!

Transcription of Prophetic Vision video: “I looked out my window and I saw a tree bending down from withering. And I heard Wisconsin will be destroyed by fire. And then I saw the tree on fire, withering. And then I went about my daily business and then it hit me all of a sudden. *I said:* Lord, when will this happen? And He said, when I open a door for famine upon the Land and when you see these order of events. And He spoke as I saw and heard:

“1” Stock Market Crash. And I saw the fall of America and I saw a green bill of money torn in half and burned with fire, falling like paper. And then He said:

“2” all houses that do not belong to me shall utterly fall. And I saw the house in front of me crumble down.

“3” and I saw the Lord in front of me with sheep on His right hand and goats on His left. And I heard Him say those who are on the right will be cast off as ones on the left. And I

heard:

“5” the tribes of Israel shall walk with Me in white, before their work for My kingdom is completed. And their fight for love will be established. And I thought to myself, Lord, what is the fourth one? And then I got really stirred up with His power in my spirit and the Lord said, are you sure you want to know? And without hesitation I was like – yes. And His reply:

“4” And I saw a hand receiving from a long needle an implanted device (mark of the beast?) under its skin. And I saw and heard the word **“Judgment”**. And I saw a visual of these as being spoken from the Lord. And this is a Word which He has spoken to me. He said to share:

“You shall be condemned, who shall fight for you? On this day, Gog and Magog, yourselves, you filthy lusts of falsehoods and money. Who planted the eye? Shall he not see this? Who planted the ear? Shall he not hear the noise? Shall he not hear all of this? Constant ringing is in my ears. And then I could hear kind of loudly in the spirit: How long, how long O Lord, Holy and True, until you avenge our blood on those who dwell on the earth? And then I heard: “I am the Lord and there is no other. Thus saith the Lord. “You shall not prosper by me or by yourselves unless you repent.” Updated: 10/22/2016

Lynn Myers’ 03, 2015 Prophetic Dream – “Iran Nuke Deal, U.S. Attacked By Nuke from the North”:

<https://www.youtube.com/watch?v=RRc7pNdIM80>

3:00-9:37 & 23:18-25:22 Min Marks Transcription: “I was in this house (Mesa, Arizona, a desert where it is dirty and very dusty), and the house was very well lit, it was sunny and I opened the front door and I was going to get my children from outside, and I noticed that across the street, in the house across the street from me, a woman came out of the home. And it was the home that’s south of me, OK, of where I was. She came out and she was dressed beautifully. She was in a beautiful white adorned dress, beautiful adorned hair. **She looked like a queen,** (the bride) I’m telling you. But it struck me, why would she be coming out over here, you know, **she looked Persian.** And I asked her – you look like you are going to a wedding, is it a Persian wedding? And she said “yes”.

So I was just kind of looking at her, just thinking wow, this is incredible the way she is dressed, so beautiful. And before me then, I see a man. (the groom) And he was in the same kind of wedding type dress and **he looked like a king.** He looked very adorned, you know what the Middle Eastern men would wear over their head. Except, and this sounds funny, but it had meaning, **he had a very bad spray tan** ...he looked orange. And his brother, it was obvious that it was his brother, said to him. Why are you dressed that way? Why do you look that way? And the man who was the groom, who spoke with very American (accent) said **“they”** (the bad guys?) **want me to look this way.** And I said to him, are you going to a **Persian wedding?** And are you the groom? And he ignored me.

And I looked away just for a second, because, I’m looking for my children off in the distance. And peripherally, behind the house that I was just coming out of (which would be to the north of me) **I see a flash, a quick flash.** And before I could get the words out that that’s weird, before I could even get that phrase out, **I saw a huge mushroom cloud.** And I screamed, I said Oh my, who did this?! And immediately I saw an

angel of the Lord. And he was ascended in the air. And his stance was with his upper arms to his side, palms up. His face was looking up with his eyes closed. And the glare, the orange glare of that bomb reflected off of his gown, off of his tunic. I said oh Lord you're coming! Immediately, I looked and I see myself coming off of the ground, my feet still in the dust of the earth, and I was lifted off of the ground, I'm ascending, I'm going up and I look across the horizon and I see lights, and I know what they are, they people, they are rising up with me, but they look like lights ascending." And the dream ended. And I awoke and I wept before the Lord, because I said oh Lord what are you showing me?

Interpretation:

Marriage: I knew in my spirit that Iran and the United States were going to make a deal.

Brother: I thought it was either England or Canada, but I don't it was England because there wasn't an accent. I believe in my spirit that it was Canada.

Marriage: I knew in my spirit that Iran and the United States were going to make a deal.

Now, when the Lord gave me that interpretation, the Lord just said, "**that's the Last Straw**". Because this deal signifies so much more. They minimize it by say well it's just a deal, but this is a trail of America towards the country that we have always supported and that's Israel. **This is the Last Straw**" says the Lord!

Bride (Persian Queen): Iran

Groom (King): America

Groom's Fake Suntan: The face of our nation was going to start looking Muslim.

Marcos Goncalves' July 2015 Prophetic Dream – "Alliance with Iran":

I want to tell you guys about a dream that I just had about a nuclear deal with Iran. And what I saw, I'm not sure of the meaning of this dream. But if you guys do find the meaning or interpretation of this dream, please make comments (YouTube), so we will get to an understanding. <https://www.youtube.com/watch?v=eoxI4R7QNB8> (Youtube transcription listed below) Published on July 14, 2015:

In the dream I saw a political figure who is a powerful man (Obama), making a speech. That **the deal with Iran would grow and make connections with Islam and with the Middle East**. His (the powerful man) title was the Messiah of Islam. Doing that, conquering, the victory for this political figure. His mission was to break the alliance with Israel.

And after that, I saw what looks like a park, in the dream I saw a park. Like a Disney kind of park. And in this park demons are playing. And I saw a kind of society and figures from Hollywood, they were playing in this park. And all of the illuminati symbols was around in this park. And they were having a good time.

And here I saw ...there was a movie (The Wizard of Oz) with a little girl, and I think her name is Dorothy. The ones that has the shoes. And she was like ...the one that always saying "there's no place like home" and she held the shoes and cracked one to another. She used to ...guys I'm not sure, what this meaning is ...I probably ...I even got ...a meaning for this dream. I just decided to draw it (on the YouTube video he displayed a paper with 5 illustrated drawings on it) and to give it to you guys, so we can see if there is a meaning on it. See if the Lord is speaking from this dream. So help me out.

So I saw this girl from the movie and I heard the name, her name was Dorothy. She had like two missiles on her feet. She was in this park. She had two missiles on her feet and the missiles got active and she disappeared. (she shot off from the thrust of the missiles) She like flew so fast that she disappeared.

And after that, I saw this guy, it was like he was made with corn. And he had a goat (also another symbol of our society). He had a goat, (Satan is symbolized as a goat) he took this goat for a walk (the illustration shows the man with a goat on a leash). And this is a small city (the illustration shows the goat tethered to the man by a leash, eating a city that was perched on a table or some type of platform). This represents a city and he (the goat) was eating the city. But he was interested, after he was done eating the city ...he was going go and eat this guy. It looks like a trap or something, I'm not sure. I have no idea what city it is, but the idea was, to go around the world destroying everything. This guy is also a figure from this movie (scarecrow/straw man) and

he was carrying a goat, and the idea was to go around the world feeding the goat, because if he stopped feeding the goat, the goat would eat him, devour him! He has to keep feeding the goat ...that was the idea. (“a straw man (the scarecrow) is an object, document, person or argument that temporarily stands in for and is intended to be "knocked down" by something more substantial” - SearchCRM).

Marcos stated that the Lord gave him the following Bible passage as confirmation to the Prophetic Dream:

Daniel 4:34 (KJV):

“And at the end of the days I Nebuchadnezzar lifted up mine eyes unto heaven, and mine understanding returned unto me, and I blessed the most High, and I praised and honoured him that liveth for ever, whose dominion is an everlasting dominion, and his kingdom is from generation to generation.” Updated: 01/20/2016

The following is what I believe to be the “bad guys” symbolism interpretation in ‘The Wizard of Oz’ movie.

The Wizard of Oz Symbolism Interpretation:

Tornado: Tornadoes represent the physical and spiritual whirlwinds (trials and tribulations) of the enemy in life that try to kill, steal and destroy us, but if we survive the onslaught, we end up gaining new insight into the things that are of the greatest importance in life.

The Scarecrow “without a brain”: Represents the lost ‘cold’ that don’t understand the gospel: Matthew 13:19 (KJV): “When any one heareth the word of the kingdom, and understandeth it not, (“without a brain”) then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the way side.”

Secondarily, a straw man can also represent: “A straw man (the scarecrow) is an object, document, person or argument that temporarily stands in for and is intended to be "knocked down" by something more substantial” – SearchCRM. Such as, Satan taking care of and using the “shadows” until “they” complete his dirty work, wherein “they” will be destroyed by him and his evil forces.

The Cowardly Lion “without courage”: Represents the lost ‘cold’ that understand and accept the salvation of Jesus, but fall away when tribulation or persecution comes: Matthew 13:20-21 (KJV): “But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it; Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended.” (“without courage”)

The Tin Man (The Tin Woodman) “without a heart”: Represents the lost ‘lukewarm’ that understand and accept the salvation of Jesus, but fall away when the cares of this world, and the deceitfulness of riches, choke the word out: Matthew 13:22 (KJV): “He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.”

They are rusty, stiff necked, self-centered people (“without a heart”) only thinking about themselves at the expense of others.

Dorothy “without a home”: Represents the saved ‘hot’. The American Christians who might not always study to show themselves approved. American Christians who might not necessarily have a good understanding of the Ephesians 6:12b “principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.” But they are American Christians nonetheless. The degree of their walk in the Lord determining the amount of their fruit: Matthew 13:23 (KJV): “But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty.” (“without a home”). Dorothy’s worldly home was destroyed by the tornado in the prophetic dream, but she eventually realized that her eternal home is in heaven. “There’s no place like home”.

Men and Woman Characters: Did you notice the Scarecrow, Cowardly Lion and the Tin Man are all male figures, but Dorothy is female? There’s a reason for that. Religious systems are always depicted symbolically in the feminine, such as the “Woman”=Israel, “Bride of Christ”=Church and the “Whore”=False Church

System. Well, Dorothy is female because she represents Christians and the other three are male because they represent non-christians.

Toto the Dog: Toto represents the downcast, poor and/or homeless. The lower class Americans that are stepped on, and not respected by most of the middle and upper class Americans. The only ones that occasionally take care of and provide for these folk, are the true American Christians (Dorothy). These other Americans (Toto) are sometimes very insightful and wise, in spite of their unfortunate lot in life.

Secondarily, Toto represents actual American pets that many times have a better sense and understanding of the spiritual realm (both good and evil) than we do. Remember when Toto revealed to Dorothy and the others that the Wizard was a fraud behind the curtain and that he wasn't the True Oz?

Dorothy's Nasty Neighbor: Represents the "bad guys". Dorothy's nasty neighbor that pushes to have Toto put to sleep, represents the "bad guys" (remember Hitler?) attempts to get rid of what they believe to be the undesirable elements of society (the poor, uneducated, minorities, elderly, etc, etc.), through manmade created diseases, euthanasia, drugs and other methods to help achieve their goal of drastic depopulation.

Emerald City: Heaven, the city of mansions and gemstones.

Emerald Palace: The place of God the Father's throne

Yellow Brick Road: People's journey through life with the ultimate objective and goal of obtaining everlasting life in heaven, vice eternal life in the Lake of the Fire. While we attempt to follow the yellow brick road, the enemy throws all types of obstacles in our way, trying to thwart us from receiving salvation and walking in the fullness of the Lord. It's only by keeping our focus on following the "yellow brick road" that we are able to reach the desired city of mansions. By the way, heaven's roads are paved in transparent gold (yellow).

Flying Monkeys: Represents demons/fallen angels in the form of principalities and powers of the air.

Munchkins: Represents demons/fallen angels in the form of the little voices that speak to us and try to tell us what to do and try to tell us to seek the Wizard of Oz.

The Wizard of Oz: The wizard represents Satan, the great accuser and deceiver! The angel of Light! The one who says thou shalt not surely die. The one who cleverly tries to lure us into worshiping the wrong god (himself) until or unless he is exposed. Job 1:6-7 (KJV): "Now there was a day when the sons of God came to present themselves before the Lord, and Satan came also among them. And the Lord said unto Satan, Whence comest thou? Then Satan answered the Lord, and said, From going to and fro in the earth, and from walking up and down in it."

The True Oz: A 'troy ounce' of gold is abbreviated "Oz". Gold is representative of good (gold, good, God) "Oz" represents Jesus who is the Alpha and Omega (A to "O" or A to "Z"), the beginning and the end.

Silver Slippers: Dorothy's slippers are silver. Silver is representative of Evil (silver, evil, vile, devil). Silver shoes representing feet that are not of Ephesians 6:15 (KJV): "And your feet shod with the preparation of the gospel of peace". Being spiritually unprepared and unaware of the evils of this world and unable to properly stand against the wiles of the devil.

Ruby Slippers: Ruby or Red slippers gave power over the evil forces. Red represents power and the blood of Jesus, walking in the power of His blood. Wearing ruby red slippers represents feet that are of Ephesians 6:15 "And your feet shod with the preparation of the gospel of peace". Being spiritually prepared and aware of the evils of this world and able to properly stand against the wiles of the devil. Representing the Christians who not only talk the talk, but walk the walk!

The Wicked Witch of the East: Represents bad angels assigned to the east.

The Wicked Witch of the West: Represents bad angels assigned to the west.

The Good Witch of the North: Represents good angels assigned to the north.

The Good Witch of the South: Represents good angels assigned to the south.

The Wizard Deceives the Masses at the End of the Age: Represents the scene at the end of the movie, when the Wizard of Oz was exposed by Toto and he (Satan) comes out from behind the curtain (antichrist is revealed) and tries to win over the masses (the Scarecrow, the Cowardly Lion, the Tin Man, and Dorothy) to accept the “**mark of the beast**” Revelation 13:6 (KJV): “And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads.” rather than the “**seal of the Father**”.

Revelation 14:1 (KJV): “And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.” Updated: 01/20/2016

Obama’s Sept 2015 Meetings (w/Vladimir Putin, Xi Jinping & Pope Francis):

Obama and Putin's planned Monday 28 September 2015 United Nations (U.N.'s 70th birthday) meeting already rife with miscommunications:

President Barack Obama will meet the Russian president, Vladimir Putin, on the sidelines of the UN general assembly in New York next week, the White House confirmed on Thursday. But soon after the meeting was announced, apparently contradictory remarks from Washington and Moscow emerged on the encounter’s genesis and purpose.

In the US, the White House press secretary, Josh Earnest, said the “top agenda item” for the meeting would be Russian support for separatist fighters in Ukraine, with the leaders also expected to discuss an apparent Russian military buildup in Syria. “President Obama will once again use this occasion to impress on President Putin the importance for Russia to keep the commitments they’ve made” to withdraw from the conflict in eastern Ukraine, Earnest said. In Moscow, meanwhile, the presidential spokesman, Dmitry Peskov, said the main topic of the meeting would in fact be Syria and that Obama and Putin would discuss Ukraine only “if time allows”.

Xi Jinping, Chinese Leader, Has Weighty Agenda and Busy Schedule for U.S. Visit:

September 24 Mr. Xi leaves for Washington, where he will have a working dinner at the White House with President Obama, Secretary of State John Kerry and Susan E. Rice, the president’s national security adviser.

September 25 Mr. Xi will be greeted with a 21-gun salute at the White House and hold a joint news conference with Mr. Obama. Mr. Kerry and Vice President Joseph R. Biden Jr. will host a lunch for him at the State Department. This will be followed by a visit to Capitol Hill to meet with congressional leaders and in the evening a state dinner at the White House.

September 26 Mr. Xi proceeds to New York for events at the United Nations headquarters.

September 27 China and the United Nations are hosting the Global Leaders’ Meeting on General Equality and Women’s Empowerment: A Commitment to Action, 20 years after the Fourth World Conference on Women was held in Beijing in September 1995. Mr. Xi is scheduled to make opening remarks and to serve as chairman of the first session.

September 28 Mr. Xi speaks at the United Nations’ 70th anniversary session. This will be his first speech at the United Nations and will underline China’s status as a charter member, a co-founder of the postwar international order and a permanent member of the Security Council. Mr. Xi leaves the United States later in the day.

Strange Bed Fellows:

It’s very interesting to me that U.S. president Obama, Russian president Putin, and Chinese leader Xi Jinping and will all be present at the Monday 28 September United Nations meeting. Pope Francis already addressed the UN a few days earlier. Updated: 09/28/2015

James Bailey: “Pope Francis will be in the United States for four full days from September 22-26, but he will only be in the world’s financial center for one whole day, Friday September 25. He will be speaking to the United Nations General Assembly at 8:30 am that day.”

The Catholic prophetic website Locutions.org 3 September 2015, Prophetic Warning:

“The collapse will not come before Pope Francis comes to America but it will happen while he is in America. I deliberately brought the Pope to America, the world’s financial center, to be here when it takes place. I want him to be part of the picture. I want him to be present. His presence in America will be my sign that the Church is very important in saving mankind from its own follies. ~~Toward the end of his trip, he will have to shift his message and address the new world situation.~~ In this way, **I will begin to exalt the Church as a beacon of light in the darkness.**” Updated: 09/19/2015

Write up in Time Magazine about the Pope’s recent Visit by Nancy Gibbs and Elizabeth Diaz:

“...the U.S. church is shifting demographically, politically and spiritually, and no one knows better than the Pope (Francis) who is hard at work transforming his church in all those same ways...”

Bette Stevens’ October 1, 2015 Prophetic Vision:

My husband and I have been sensing the spiritual darkness in most of September (2015), but it did not manifest itself until October 1st.

In September (2015), I watched and listened to the message of the Pope. The Lord had already made me aware of an underlying meaning to his message that if we didn’t listen carefully, we would miss. **As I watched the Pope and the President come together,** I heard these words:

“The abomination (Obama-nation) of desolation”. Secret meetings being done. Secret rituals having already taken place. Many American citizens will be slaughtered and the river of blood will flow, just as many in Israel will be slaughtered. Many will come to realize from My word, that if I, the Lord, did NOT intercede, then ALL OF MANKIND WOULD BE WIPED OUT.

Then on October 1st (2015), as my husband and I were getting ready to go to bed, a darkness like I have never seen fell in every room of our house. It was like tar. It was so cloudy and dark. As I looked around I could hardly see, but I got up and yelled to my husband, “I know what this is.”

I saw the spiritual darkness fall upon the earth. We had to do spiritual warfare, and I mean some serious warfare, to the extent that I enlisted others to pray and even some of them were under spiritual attack. It came strong in my spirit of curse words being spoken against our nation, warnings for believers to armor up, and so forth. This was going to be the beginning of something we had never encountered in America.”

Paul Keith Davis' Prophetic Warning:

I am prophesying that by the Day of Atonement in 2015 (September 23, 2015)

something major is going to happen.

This Ordeal will usher in the One World Government – Stephen Hanson's Prophetic Word:

“I tell you that this is the beginning of the end. For the **powers behind the (Pope's) recent trip to the United States will bring about the institution that the great harlot desires.**

Don't be deceived, for **this ordeal will usher in the one world government.** This is the beginning; and then the lines will be drawn up. For there is only One God, and one man who is Jesus Christ, who is the mediator between God and man.

You can't blend all of the religions into one. The world will flood to the deception of these powers.

This is he whom you have wondered about. Goodness can be clothed in deceit. Humility can be a pretentious thing. Watch and pray, for a great cloud of deceit hangs over the world. Those who are wise will discern these things.”

Jennifer's September 22, 2015 Prophetic Dream – The Pope Choked Me from the Left:

Steve (Steve Quayle), “Listening to your recent broadcast about persecution coming to America, I completely agree that it was not surprising that the pope decided to schedule his visit to America on the Day of Atonement. I had a dream about a month ago where I was sitting in the back seat of a car with the pope and while he was trying to turn my attention to the right he grabbed me and **choked me from the left** and when I looked at him, **he transformed into a very evil demon** with sharp jagged teeth. It was then that I started rebuking him. Finally on the third attempt, I rebuked him in the name of Jesus and his grip on my neck finally subsided.

Last night, on the eve of atonement, I had another dream that the entities in our government & the Pope were holding some kind of evil ritual under the White House.”

Patricia Green's Prophetic Word, July 29, 2015:

“**September 23rd is the day Obama makes a pact with the devil.** It was not by chance that the Pope and Obama are meeting on the Day of Atonement. (September 23, 2015) They will make a pact that will seal the fate of the United States of America. My vengeance will be poured out from this point forward. (September 23rd) There is no turning back...”

September 23, 2015 was also the first day of the fall season ...could this day also represent **the beginning of the “fall” of America?** Updated: 10/01/2015

Ali Winters's Prophetic Word:

“Pope Francis and Barack Hussein Obama, have fomented plans for control of rogue nations, including America; nations who have not aligned themselves to follow the New World Order program. Test patterns are being carried out now, perpetrated by their evil schemes. But soon, very soon chaos, upheaval disruption in cities, school lockdowns, false flags are coming... all implemented to move people to cry out for government help, government intervention. Millions will follow their evil agenda, falling into the trap of satan. Soon after, **Pope Francis will usher in the man of perdition.**”

Oil, Germany and the EURO Woes – Sign #4:

Ugandan minister Elvis Mbonye's Jan 6, 2015, Prophetic Warning about an Economic Crash: He saw a coming economic collapse in the United States. **He saw the economy plunging in June/July 2015 and continuing to go down for years.** The U.S. start market did plunge in June, July and August from May all time high levels (18,250) to mid to low 15,000 levels in August, partially due to the **downturn in the oil market.**

Oil falls about 21% in July 2015, worst since October 2008:

“Oil saw its worst monthly drop since the 2008 financial crisis after signs that top producers in the Middle East were continuing to pump at record levels despite a growing global glut... **U.S. crude closed down \$1.40, or 2.89 percent, at \$47.12 a barrel.**”

Michael Perritte's (Munich, Germany born and works in the North Dakota oil fields) Jan 2015, Prophetic Dream:

In the dream I was in a classroom. It was as if I was there for career day. I had my hardhat on from the oil field. I was speaking to the class telling them about my work in the oil field. Then I took my hardhat off and placed it on a shelf to my left. As soon as I did that **a force threw it (hardhat) down to the floor (drop in oil prices/start of oil crisis?)** and a voice said, “You are on the wrong side of the classroom.”

Immediately the entire classroom shifted to the right. After the shifting I was still in the same classroom, but I was now standing behind a large wooden teachers desk, which was not there before. Also, my Atlanta doctor, who is from Australia, was seated at this desk, right in front of me with his hands clasped in front of him. He didn't make a move. It was as if he was very focused. Also, there was now a bookshelf on the wall behind me, which was not there before. Then the same voice that said I was on the wrong side of the classroom said, **“Why don't you show them a map of Germany?”**

So it was not only the classroom that shifted, but the topic too. I was no longer talking to them about the **oil** field, but now it was about Germany. I was born in Munich, Germany. I turned to my left to grab a book off of the bookshelf to show the class a **map of Germany**, but when I reached to grab it **the book was thrown to the floor (German Economy crashing to the floor?)** with the same force as the hardhat. That was the end of the dream. I have felt impressed by the Holy Spirit since early in the year that between **June and September** there would be significant events **not only in America but also other western nations in regard to Gods shaking and judgment** both in the church and the nations as a whole.

In 1998 Rick Wiles of Trunews Radio was given a Prophetic Understanding that **“derivatives”** would bring down the financial system. Updated: 12/03/2015

Per the Wall Street Journal, the **German Deutsche Bank** lost over \$75 trillion on **derivative products caused by a “sudden” spike in interest rates in June 2015.** Deutsche Bank is Germany's largest bank and the world's twelfth largest in terms of assets. On Sunday June 7 2015, they unexpectedly announced the resignation of both of their co-CEO's, Anshu Jain and Jurgen Fitschen.

Terry Bennett's June 2011, Prophetic Vision:

“The angel then pointed his finger to Germany and said that the **German economy will stumble** and that there would be **exposure of wrongdoings** at some high levels, such as banking, economists, and even

government leaders. The angel also spoke of bad investments, like with Greece that would be a factor in this stumbling. **(Germany will now longer bail out the Greek economy)**”

Neville Johnson's August 12 2015, Prophetic Word:

“**Something is going to happen this month (August), which will affect what is going to happen next month (September).** I don't know what it is. All I saw was a lynchpin being pulled out of a wheel and the wheels fell off. I thought maybe that it is the economy. I wasn't sure, but something in **August is going to sign that.** It is either some legislation, or I don't know what it is, but I saw it very, very clearly.”

James Bailey: “Neville Johnson was not told what the lynchpin was, but thought perhaps it was the economy. When he delivered this word on August 12 the Dow Jones Industrial Average closed the day at 17,402.51.

Thirteen days later on **August 25** it closed at **15,666.44, a drop of 1,736.07 or 10%.** If this was just the lynchpin imagine what will happen when the wheels come off.”

“A death cross is said to have occurred when the 50-day simple moving average, which many use to track the short-term trend, crosses below the 200-day moving average, which is widely used to gauge the health of the longer-term trend.”

Louie McGeorge's (New Promise Christian Fellowship Associate Pastor & Phoenix House of Prayer) - Prophetic Dream:

“In this dream I was with some friends in Kansas City. They were redecorating their home. Taking things off the wall in one of their back rooms and putting them on their wall in the main hallway. Then my old Pastor came in and someone asked him to tell us what he knows. He said, **‘There will be a crash in Germany on the 25th.’**

That was the end of the dream.”

Joanie Stahl's Year 2000 Prophetic Dream (<https://www.trunews.com/trunews-122315-joanie-stahl/>) –

Do you know the Stock Market will go Belly Up?

10:00 mark: Around the year 2000 when the EURO was first introduced, Joanie Stahl had a Prophetic Dream and in the dream “Joanie was walking along and I came to a hall. I saw people milling around and there was some kind of a barbecue going on, but nobody noticed that I was there. And I thought, I don’t know why I am here and I sat down on a bench. And then I saw a man and the man came to me, and I recognized Him and I knew it was the Lord – I knew it was Him. And He had little children with Him. And He came down and sat down across from me and said: **Joanie, do you know that the Stock Market will go belly up?** And I thought to myself, why is He saying this to me? How does He even know that I look at things like this? And He said, by the way, the **EURO will fail, it will absolutely fail, it will utterly fail!** (utter as in udder? - in the year of the cow (7 well-favoured kine eaten up by the 7 ill-favoured cows?)) And He asked are you ready?...” Will the EURO utterly fail at the time the stock market goes belly up? Folks the EURO is falling apart as we speak! Updated: 01/06/2016

David Skelly's Prophetic Writing – Economic Calamity Coming:

“The economic crisis will start in Europe. **Euroclydon; the EURO in rough water.** Later the American dollar will fall. Afterwards a big recession or depression will come over the rest of the world. China will stumble but then come back stronger than ever. Euroclydon the east wind of China will become strong. A group of ICBM and intermediate range missile are called Dong Feng. Dong Feng means East Wind in Chinese. The economic downturn in Europe and America will culminate in the rise of China as the golden dragon. Russia has been buying gold for her central bank in large amounts. In the last 10 years Russia has about tripled her gold reserves in the Russian central bank. Last year even under western sanctions, Russia has acquired lots of gold. Some have said; will Russia go on the gold standard? But the big story is that China is now the biggest producer of gold in the world. I believe that China has been greatly understating her gold holdings. On paper America is supposed to have about 8000 tonnes of gold but I doubt that she has this. Germany requested that the US return her gold. America has been very slow to comply. The US has not allowed Germany to inspect all German gold held on US soil. It does not sound right.”

Federal Reserve Holding German Gold:

Federal Reserve refused to give Germany any of its gold holdings that were stored in the New York vault a few years back (2011?). The Feds told Germany that they would have to wait 7 years to receive their gold! Why, because “**they**” (the powers that be) knew that “**they**” would pull the plug on Germany before the 7 years came to pass!

Germany To Break Away From US, UK, and Join a Russia China Alliance? - Jim Willie, Mar 6, 2015

“...The Germans have had enough fed up with destructive US activities all kinds for the last few months they have been laying at their indictment their justification their reasons to abandon the corrupt US UK crowd, the bank wreckage, the market, the endless wars, the sanctions which backfire, and monetary policy. The economic sabotage, the spying, **the gold gimmicks**, it has finally reached a critical level!...”

Ezekiel 38 (KJV)

1 And the word of the Lord came unto me, saying, 2 Son of man, set thy face against **Gog, the land of Magog, the chief prince of Meshech and Tubal** (*Russia?*), and prophesy against him, 3 And say, Thus saith the Lord God; Behold, I am against thee, O Gog, the chief prince of Meshech and Tubal: 4 And I will turn thee back, and put hooks into thy jaws, and I will bring thee forth, and all thine army, horses and horsemen, all of them clothed with all sorts of armour, even a great company with bucklers and shields, all of them handling swords: 5 Persia, Ethiopia, and Libya with them; all of them with shield and helmet: 6 **Gomer** (*Germany?*), and all his bands; the house of Togarmah of the north quarters, and all his bands: and many people with thee. Will Germany break away from a failed EURO and make an alliance with Russia and China?

James Bailey's May 17, 2016 Piece - Prophetic Warnings Pointing to Big Trouble in Germany:

Several prophetic warnings regarding Germany have been shared in the past few weeks, as listed below.

Z3er Michelle shared the following warning in an email sent on May 9 2016:

“My 73-year old husband last night at 6:00 pm on May 8 2016 became very out of character. He looked at me strangely and said, ‘Something big just happened in Europe.’ I looked at him and said, ‘It has to do with the money system.’ He sat there dumbfounded for another ten minutes and the Holy Spirit said to him, ‘International banking system.’”

Z3er Scott shared the following warning in a comment posted on April 26 2016:

“I had another short dream or vision on April 15 2016 where I quickly knew the word ‘Germany’, and I was shown a computer screen that everything had just gone blank or disappeared, and the screen went to what I think is like a start-up page, or whatever you call it, and all the icons disappeared and only two were left and they kind of migrated up to the upper left hand part of the screen, I just knew something happened suddenly that changed things and something along the lines of trading, etc., got shut down or stopped.”

Z3er Phaniel shared the following warning in an email sent on April 26 2016:

“I had a few dreams this weekend that the DAX (Germany's stock market) is about to get slaughtered, falling to 8600-8900.” At that time, the DAX was at 10,259, so it would have to drop 16.2% to get to 8,600. However, it closed on May 16 at 9,952.90, so it has already dropped by 3% in the past three weeks.

Z3er JW shared the following prophetic dream in a comment posted on April 26 2016:

“In the natural I have this very nice BMW—very fast and powerful. A couple of nights ago, I dreamed I was driving a similar car up a steep hill on a two lane highway. Toward the top, the powerful expensive car started losing power and barely made it to the top of the hill and stopped.”

“As I was wondering what was up with that, I looked back down the hill and a late model Volkswagen sedan was coming fast up the hill in the other lane. There was a young guy driving it and it did not power out like my car, but he had to slow down a bit as he came up near me but still evidently had plenty of power to top the hill and just keep going down the other side. But, as he got beside me in the other lane this, sort of, clamp thing came up over his car and stopped the car dead, right next to mine, at the top of the hill.”

“I remember it occurred to me that his car was a much less expensive model than mine but easily made it to the top with plenty of power. Then I saw the guy get out of the Volkswagen and he was very upset that the clamp stopped him and held him back from going over and down the other side of the steep hill. I got out of my car and walked to look over the hill—down the other side. The highway did not continue. It ended right there at the top of the hill.”

“Down the other side was a green grassy field. It wasn't very steep down the other side—sort of steep, but only somewhere around 45 degrees. Near the top, however was a series of wooden lodge pole fences, like you see bordering upscale ranches. There may have been some barbed wire along them also. This series of fences only proceeded perhaps thirty or forty feet down the hill then the rest of the hill, way on down, was just green grass, very pretty. As I stood there by the fences, there were some pieces of the lodge poles about three feet long sitting in a row, maybe six or eight of them as I recall. I felt compelled to pick them up, one at a time, and throw them down the hill. End of Dream.”

Interpretation of JW's Dream:

JW shared the following interpretation of his dream:

“I felt like the guy with the less expensive car was someone taking puts or options against the market and being sorely disappointed when he was stopped at the top of the hill. Similarly, I felt my expensive car slowly and barely making it to the top is my very heavy and expensive FAZ holdings. Also, the fences being barriers near the top of the hill probably represent some kind of market barriers as the market drops.”

On April 26 2016, Z3er Hilbilee, who teaches classes on dream interpretation, shared the following interpretation of JW's dream:

“Both cars are German and they have reached the top. However, it's not as if there is a steep drop in the highway. There is no highway! Is this the end of the road for the DAX? It appears there is no German market to continue, but there will still be a decline (grassy steep hill).”

Since JW saw the German cars moving up to the top of the hill, my interpretation is the DAX is going to make another top before crashing. The previous top for 2016 was April 20, the same as the Dow. Just as we are expecting to see the Dow make a steep climb over the next few days, the DAX is likely to move up at the same time. So the fulfillment of this dream could be coming very soon, or perhaps there is another steep climb coming at a later date.

JW's impression that the powerful BMW represented FAZ sounds right to me because it is a high-powered investment vehicle, which would lose value (lose power) when the markets move up. However, the BMW still had some hope of sliding down the grassy hill while the less expensive VW, which he felt represented options trading, had much bigger problems, demonstrated by the clamp preventing it from going down the hill and the driver getting very upset. It sounds like a major market disruption.

In January 2015, Z3er Michael Perritte received a prophetic dream revealing a coming crash in the North Dakota oil fields followed by a crash in Germany.

In his dream, the two crashes were separated by a shift in the classroom he was in. Just one month later, in February 2015, the oil fields started collapsing, resulting in many people losing their jobs. Michael felt the shift in the classroom represented the transition from one school year to the next. We now have just a few weeks remaining in this school year, which means the collapse in Germany could be very soon. The details of Michael's dream were including in my previous post, Prophetic Dream: German Economic Collapse Coming Soon.

Back in 1973, David Wilkerson received a prophetic vision of a global economic collapse.

He said, “It's going to start in GERMANY!” After that he says it will “spread to Japan, and finally to the U.S.”

Japan – Tokyo Earthquake, Tsunami and the Mt Fuji Eruption – Sign #15:

David Wilkerson's 1973 Prophetic Vision:

"I saw a vision this past April, so frightening it staggered my mind. For the past three months I have tried to shake it off, but I can't do it. An economic recession is going to affect the lifestyle of every wage earner in the world. The world economists are going to be at a loss to explain what is happening. It is going to **start in Germany, spread to Japan, and then to the United States.** (Sounds to how a worldwide stock market would crash in a day – it would start in the east and move to the west) Large and trusted corporations are going to go bankrupt. **Many churches are going to go into bankruptcy and some missionary projects are going to flounder.**"

Neville Johnson's Prophetic Warning:

Neville Johnson, founder of The Academy of Light, received a prophetic vision in which he saw the next economic collapse starting in Germany and Japan. He shared the following testimony in his newsletter dated October 2013: "I saw another devastating economic collapse. Although the order and timing was not clear, I saw that **Japan and Germany were some of the signs** in this. I saw an **earthquake devastating Tokyo, which is also a sign** as the Tokyo stock market closed indefinitely. The USA was seriously affected by this. It was revealed to me that none of the banking safeguards, which were recommended after the last economic meltdown in the USA had been put in place. This economic collapse will be far more severe than the last one. Many churches and Christians organizations along with large corporations will fall into bankruptcy because of this."

Darin Hibbert's Prophetic Dream (Total Crash of the European and Asian Economies?):

In the first part of the dream, I was hunting with my brother not sure what we were hunting, but it was for large game (deer or elk). We saw some moose and stopped to take a look. We noticed they were being hunted by wolves. The wolves then came after us. There was a large black wolf and a large white wolf. Someone from behind me (Jesus?) shot the black wolf. I am not sure who the shooter was. Then the white wolf was still aggressive and looked like it wanted to attack me. I shot several times at it but not 100% sure I killed it.

In the second part of the dream, I was with my brother again. This time we had a large ladder going up to the roof at my dad's house. I was on the roof and my brother was down below on the ground. Even in the dream I was confused as to why I was on the roof. I thought it was to fix it, but nothing was broken.

Then I went in our driveway. My brother said, "Watch this." He slammed two cars together in the driveway. Then he intentionally rolled one of the cars down the driveway so that it went into the road and onto oncoming traffic. It struck another car. Then another car hit that car. Then a truck hit that car, and in no time we had 40 or so cars and trucks all smashed together.

I went to start helping people out and to see if they were okay. I noticed that **none of the cars in the crash were American, but all European (namely German?) and Asian (namely Japanese?).** No big Ford or Chevy pickups that you would expect to see on a country road in a farming town. End of dream.

I lay in bed pondering this dream and asked God to help me because this was too strange and complicated for me. I fell back to sleep and woke up later to hear, "They just shot the dollar. Gold is going to go to the moon."

This voice was not loud like I have heard before, I can't describe it very well. When I have received words like this it usually jolts me up, but this didn't. Maybe it's because it's not surprising, I've expected that for years.

David Eells: “On March 9, 2011, the Japanese government promised the Palestinians tens of millions of dollars and called for a Palestinian state with Jerusalem as its capital. **The massive earthquake (2011 Tōhoku earthquake and tsunami) which followed was described by scientists as a once in a 1000-year event!** What are the chances of a once in a 1000-year event happening almost to the day. The Japanese government defied the Word of God and called for the dividing of Jerusalem! The timing shows the authority of the Word of God. Japan pledged millions of dollars to create a Palestinian state and within two days the country was hit with a disaster that is going to cost \$180 billion or more!”

Japan Pledges \$200 Million in Aid for Palestinians - The Associated Press and Haaretz Mar 01, 2014

Japan has pledged more than \$200 million in aid to the Palestinian Authority, as representatives from 22 nations reiterated their support of the Palestinians' quest for their own state. The pledge was announced Saturday at the second Conference on Cooperation among East Asian Countries for Palestinian Development, held in the Indonesian capital of Jakarta. Japanese Foreign Minister Fumio Kishida said the first disbursement of the aid — about \$62 million — was expected later this month. Ministers and high-ranking officials from 22 countries and five international organizations participated in the one-day conference, which was jointly chaired by Indonesia, the Palestinian Authority and Japan.

The conference is aimed at renewing continuous commitment to support the Palestinian Authority so it is able to provide essential services to the Palestinian people. During the conference's opening, Palestinian Prime Minister Rami Hamdallah said the two-state solution between Israel and Palestine can still be realized, and commended the recent peace efforts by U.S. Secretary of State John Kerry. Hamdallah was quoted by AFP as saying that during the current round of negotiations "all issues actually have been [put] on the table," yet cautioned against Israel's settlement policy: "Sixty-two percent of all our land is still controlled by the Israeli authorities," he said. "This impedes any access we have to natural resources, and severely restricts our development." (<http://www.haaretz.com/news/middle-east/1.577266>)

Thomas Gibson's August 11, 2002 Prophetic Word:

As I was in prayer this afternoon the Lord showed me the following: “I could see a chart with one line on it. It went up and down in a jerky fashion (sounds like an earthquake seismograph chart to me). **“Suddenly”** it dropped off so low that it was almost off the bottom. Then it continued its jerky up and down motion, but it was now doing so very near the bottom of the chart...”

It was so far off—not easy to see because I was still on Big Bear Mountain, but it started to go into the sea. I couldn't hear screaming, but I could see the surprised look on their faces. They looked so surprised. Japanese girls are made well, supple, easy, muscles that move well. Pretty, too. But they were all like dolls. It was so far away I could hardly see it. “...I got a Word from the Lord in the Dream. And the Words were spoken into my spirit that Tokyo had been destroyed. So it was utterly devastated by the same earthquake and I knew, along with the Word, I got a picture of Tokyo in my head and it was utterly leveled. I thought this Canadian city had been decimated, but I knew in this dream that Tokyo had it so much worse. And so it was utterly destroyed. So this was an earthquake that was so bad that it literally went around the Pacific “ring of fire” – from Japan all the way to Canada! I don't know if it was a coastal city in Canada or what, but that would be my guess...” Updated: 06/09/2016

Massive Earthquake and Volcano “Coming to the Earth” – Sign #15:

Jeremiah 51:25 (KJV) (Twice Speak Code):

“Behold, I am against thee, **O destroying mountain**, saith the Lord, which **destroyest all the earth**: (see “Coming to the Earth” *directly below*) and I will stretch out mine hand upon thee, and roll thee down from the rocks, and **will make thee a burnt mountain**.”

Wattacoota’s (Youtube name) May 2012, Prophetic Dream of an Earthquake in Japan, Another one is Coming! Transcript (<https://www.youtube.com/watch?v=vjLdz2905nU>):

“I had a dream about a month ago and in this dream I hovered over the waters and the Lord showed me and earthquake to happen in Japan. Another one! There was an earthquake last year ...early last year in 2011 (the Friday March 11, 2011 Tōhoku 9.0-magnitude earthquake and tsunami) The Lord’s telling me that a new earthquake is coming. This one that I saw is not as big as the 9.0 of last year, it was a little bit less in magnitude, but it was in land. (inland earthquakes are more damaging than earthquakes that strike off the coast) And the Lord reminded me of it yesterday. The Lord spoke to me and said “Nick prophesy again, the people serve the church, but do not serve me! They honor me with their lips, but their hearts are far from me.” And He said a few other things. He’s talking to believers here. The believers – He’s telling them that they need to wake up! Then the Lord showed me a vision and in the vision. I was amongst all the people and all the people were screaming and running away. And this building that I had seen, started collapsing. I didn’t see it collapse I saw it starting to collapse. **This very, very tall building** all at once I saw it **collapsing**”. Updated: 12/05/2015

Kenyan Pastor Dr. Owuor’s 25 May 2012, Prophetic Vision of an Earthquake “Coming to the Earth”! Transcript (<https://www.youtube.com/watch?v=peJyPdE-ji8>):

“The Lord spoke ...He took me to a place, today, on the 25th of May (2012) the Lord said bring judgment to this place! So I faithfully and obediently sought the judgment of the Lord for this place. And when I faithfully and obediently sought the judgment of the Lord for that place, then all of a “**sudden**”, even before I finished, a massive earthquake (Tokyo earthquake?) hit that place. It was very much shaking, very severe in that place. And the earthquake was so massive, I did not the other buildings move away. But **I see one tall building, with glass windows and that building was struck by the earthquake**. And when this building was struck by the earthquake, it broke ...the building broke! I see one side of the building that has been totally devastated and I see a big metal dish. Maybe there was a dish on top of the building. I don’t know. But I see the side that has been demolished. The same building, one side is fully demolished. The roof and the stairs were broken ...it’s a tall building, so the floors have been broken on one side. Then I see a big dish, I don’t know if it is a satellite dish or a communications dish that was on top (of the building) that has fallen or if it was something that was mounted in that place, I don’t know. But there is a dish that has actually collapsed. I see a dish that has collapsed! Again the entire building has been struck ...I don’t know, but I think the other buildings have also been struck along the line, but He brought me to this particular building. And when it is struck one side is totally devastated!!! And the dish now falls on that devastated side. So that dish, maybe a satellite dish that was on top of the roof of the building or maybe a dish that is actually at that place and it is now devastated with the destruction.

But the problem is this, that once the building is struck by the earthquake, the other part that remains standing is now tilted like this (he leans and rocks with his body) And the Lord put me in that situation. So, I see that the building is about to fall, and then, I also fear that the tremors might come, and so then it might fall on me. So I begin to run in this dream. I begin to run away because the building ...and I was worried if I would make it across the perimeter of the building before it falls. And that means, there’s a building that will almost fall. It was struck, crashed on one side and almost fall and then the tremors will probably bring it down!! I don’t know. But people run away!!! I am already running for my life ...this night I ran for my life! ...just a few hours ago (he had the dream a few hours before the video was recorded) So people run away from that building! ...there’s an earthquake (Tokyo earthquake?) that’s coming! And that earthquake is “**coming to the earth**”! (“coming to the earth” seems to imply to me that it will have a global impact. Maybe a worldwide stock market crash?) And the Lord said these are the signs of the coming of the Messiah! Updated: 12/05/2015

Kevin Mirasi’s Vision of a Mega Historic Earthquake “Coming to the Earth” “Very, Very, Very Soon”!

In the morning of 2nd October 2014, The LORD God Almighty, The LORD Jesus Christ and The Holy Spirit communicated to me through a vision of the night (Prophetic supernatural dream).

“So in this vision of The LORD, I found myself in a situation where The LORD made me know that He had a very important revelation He wanted to pass forth to me. So in the vision, I slowed down on my daily chores and activities awaiting this communication of The LORD. So after sometime, probably a few days in the dream, I went on my knees and said the following: “Mighty Father In Heaven, You Can Now Take My Soul!!!”

Immediately, I said that short prayer, The LORD took me in spirit and I found myself in a place where an earthquake map was presented before me. And as I looked at this real time earthquake map in the vision of The LORD, I then saw a mega earthquake (Tokyo earthquake?) that had hit somewhere here on the earth. The aftershocks were very big and very many to an extent that on the earthquake map there were very many earthquakes that were listed in Red; meaning that they were marked in Red to illustrate their big magnitude. Even though the earthquakes listed were very many and in Red; I was made to understand that they had occurred within a very short time span. As I continued to go through the listing, then the voice of The LORD proclaimed: **“This Is a Judgment of The LORD God Almighty upon the Earth”**.

I then woke up from the vision of The LORD.

The first message that was imparted in my heart from this very mighty communication of The LORD is that there is a mega, historical earthquake that is about to hit the earth. When this earthquake hits, it will be followed by very many numerous big aftershocks that will not only be near the epicenter of the main Mega earthquake but other aftershocks will be in other areas relatively far from the epicenter of the mega earthquake. In fact in the dream, I took quite some time trying to see where the epicenter of the original earthquake was. Even though in my mind in the dream I was looking to see whether this mega earthquake had hit California, USA but what shocked me was that a variety of names of different locations had experienced the aftershock of the main mega earthquake. The aftershocks themselves were so big such that even on the earthquake map, they were also marked in Red, and they were so many until I had to turn to the next page of the earthquake map but still it was still a Red listing. So I don't know whether the main epicenter of this mega earthquake revealed to me by The LORD in this communication of 2nd October 2014 will be in California, USA or another location on the earth, I also don't know whether it means that very mega and big earthquakes are about to occur on the earth within a very short time span. But all in all The LORD is now revealing the prophesy of a mega historical earthquake **“coming to the earth”**, an earthquake that will be followed by very many big aftershocks in different places (locations) of the earth. And that this mega historical earthquake will happen **“very, very, very, soon”**.

The second message that was imparted in my heart from this very mighty communication of The LORD is that this mega historical earthquake that is **“coming to the earth”** will be a judgment of The LORD God Almighty. What the voice of The LORD proclaimed in the vision: **“This Is a Judgment of The LORD God Almighty upon the Earth”**

So The LORD God Almighty has got a controversy with the people of the earth, and the only remedy is to submit oneself in humility before The LORD by embracing absolute and sincere Repentance for the forgiveness of sins and thereby walking in Righteousness, Holiness, Truth and Complete Surrender to The LORD Jesus Christ. SHALOM!!!”

Folks, “come let us reason together”, God chooses His Words carefully and we should do the same when reading His Words! In both the Owuor and the Mirasi Prophetic Visions (listed directly above), God chooses the exact same words, He said that an earthquake is **“coming to the earth”** this can't be coincidental! And how can an earthquake come to the earth? It could come to a city, or it could come to a country, but how could it come to the entire earth??? The Lord must be trying to tell us something more than merely telling us that an earthquake will strike the earth! Both visions also state that this earthquake is coming to bring judgment from God! The Mirasi Vision actually states that **“This Is a Judgment of The LORD God Almighty upon the Earth”**. There's that crazy verbiage again **“Upon the Earth”**. People, the ‘earthquake’ and the ‘judgment’ are both **“coming to the earth”**, doesn't that seem imply a worldwide impact event to you? ...it

does to me! And how could a Tokyo earthquake, a Mt. Fuji eruption or even a super tsunami affect the entire world, affect the entire “**earth**”? The Prophetic Voice seems to be indicating that millions of people will die in Japan from these three related events, and it is plausible that many more people from other countries could be killed by the subsequent tsunami, but that still doesn’t touch all of the “**earth**”, right? For this earthquake to affect the entire “**earth**”, it must be referring to a financial collapse (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) that will follow.

And I might also add, that these two prophets (Owuor and Mirasi) typically give fairly detailed prophecies, but these two visions are somewhat vague. Don’t you find that to be a little unusual? I mean both of these guys have given several Prophetic Dreams and Visions about earthquakes over the years which have always listed where the quake would strike, like California, Mexico, Chili, New Zealand etc., but no impact location is given in these two visions. And Mirasi was told by the Lord in his October 2014 vision that this earthquake will happen “**very, very, very, soon**”! This seems to imply to me that it would be coming within weeks, months or at most a year or two ...that we wouldn’t have to wait for years for its fulfilment. And several Prophets have stated that the massive Tokyo earthquake would strike before the massive California quake, so we know that this “**very soon**” earthquake can’t be referring to the California quake, right?

Come let us reason together says the Lord. Updated: 12/07/2015

Prophetic Dream of a Light Bulb shattering (what caused the light bulb to shatter?):

There was a prophetic dream that was in my collection (I can no longer find it) which in essence stated that the dreamer saw a light bulb shatter followed by a stock market crash that would start in the east move through Europe and then to the west! I believe the dream went on to say that it would start in Asia (Tokyo earthquake?) and then spread to Europe and finally to the United States!

Tokyo Earthquake (Equidistant Letter Sequence method Code) – Christian Apologetics Study:
The one country most likely in danger of a massive earthquake, according to the Bible code (ELS Code), is Japan. Japan will suffer a series of major earthquakes in the coming years. Recent English Bible and Hebrew Codes reveal a **giant earthquake could hit Tokyo Japan sometime in the near future.** Likewise, dream interpreter and prophecy teacher John Paul Jackson says another massive earthquake will strike Japan sometime in the near future and 7 million Japanese will die. He believes the eruption of Mount Fuji will be associated with this massive earthquake in Japan. Mount Fuji is the highest mountain in Japan, it rises to 12,388 ft (3,776 m) near the Pacific coast in central Honshu. Mount Fuji, with its graceful volcanic cone (dormant since 1707), has become famous internationally. It is considered a sacred symbol of Japan, and thousands of Japanese climb to the shrine on its peak every summer. The mountain is the major feature of Fuji-Hakone-Izu National Park, created in 1936. For many code researchers, “**Japan**” is also the country most clearly encoded with a future “**great earthquake.**” Again, there is no way to know if the stated danger is real. However, **there seems to be an apocalyptic urgency in the Bible Code to warn the Japanese people about their near future.**

Jim Bakker – From the ‘31 Things’ 1999 New Year’s Eve Prophecy at Morning Star Church:

“There is going to be that earthquake God has been speaking to me is coming soon to Japan. And I was dreaming in this dream, I was running and I was warning people. I was saying "get to higher ground. Get to higher ground." I could look and I could see in the streets and I saw walls of water coming way down, even miles down the roadways. But walls of water were coming in. As we ran higher and higher, I was still looking back and as walked up and I could see the water coming, I said, "come follow me."
“...Tokyo would be flattened first, followed by the Los Angeles earthquake...”

Prophetic Vision of Tokyo Earthquake, Bob Jones:

Our (U.S.) economy will be destroyed when a **huge earthquake hits Tokyo** and the **Japanese pull their money out of the U.S. stock market.** (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?)

Sadhu Sundar Selvaraj's Prophetic Vision for 2015:

“**An earthquake will hit Japan again.** While I tell you this, I am seeing a vision. In the right side of the map of Japan, a very big angel is standing on the ocean. Raising his right hand towards the heaven, he says, **‘I swear this in the name of the living God. This will come to pass very soon.’**”

James Bailey's Excerpt from Nita Johnson Two Major Earthquake Warnings:

She was shown that judgment in the form of **massive earthquakes** is set against both Los Angeles and **Japan.** (Mt Fuji?) She was shown that these would not be just big earthquakes but massive ones that could lead to the **loss of life for millions of people.** Such events would also have ripple effects across the world and could bring down the economy. John Paul Jackson's 1985 Prophetic Vision:

He saw the following news headline: “**Volcano Erupts Near Tokyo: 7 Million Dead, Another Million Missing**” (Mt Fuji?)

After seeing the headline he found himself standing on a mountain near Tokyo. Here is what he saw: I actually found myself standing on a hillside or a mountain or a high hill across from Tokyo. There was a tree that was blooming or blossoming or just finishing blossoming. A high-speed train had just gone by on the railroad tracks that were a little bit in front of me, maybe 200 yards down from where I was standing.

I looked **across the city of Tokyo at a huge mountain (Mt Fuji?) in the background** that was half covered with snow. The snow was about halfway down on it. I saw a plume of smoke or steam coming out of the side of the mountain. Then a little while later I saw another **plume of smoke** or steam come out of the side of the mountain. Then I saw a **third plume** (could these ‘plumes of smoke’ be indicating that there will be time to flee? – a warning sign for those in Tokyo to get out now?) come out of the side of the volcano. Then a short while later, **I saw it shake.** I could hear all of the noise of the city, the people, the trains, the planes going overhead, just the hustle and bustle of a huge city.

When this thing happened, when **it erupted,** I remember saying to myself, “Oh, this is worse than Mount Saint Helens.” The Volcano blew and smoke and ash came towards the city. It was steam and water, and the water was so hot that it melted things. When it hit things it did not just blow them over but there was a melting that took place. Then a short while later all of the noise became muffled and then quiet, absolute quiet.

Keith Pierce Prophecy “There Will Be A Shaking Coming to Japan”, May 19, 2005

"There will be **a shaking coming to Japan** (Tokyo earthquake?) that will bring them to their knees. This shaking will change the industry of the nation. Japan has been built upon a fault line linked with a deep wounding from the past. **This shaking will occur before the apostolic team (the Joseph's?) that I am sending to Japan arrives.** When they arrive, I will begin the healing of the fault line and release a new anointing for industries. I am sending you to the people group of that area and they will be humbled in the midst of their pride. Do not fear. **I am causing the mountain (Mt Fuji?) to be brought down** (The ungodly political and religious leaders?) **and the valleys to be brought up.** (Christian Revival Begins?) **I will create a leveling effect in Japan"**

Diana Pulliam's 2015 Prophetic Dreams and Visions – The Church Rises out of the Ashes:

“In 2015, through a series of dreams and visions, the Lord revealed things that shook me to my core. He showed me coming death and destruction, the **rise of the Church from the ashes**, and the greatest harvest of souls in history – events to happen before the rapture of His Glorious Church.

With each revelation, the Lord continued to emphasize His Church is not to fear, that we will be walking in the Glory, doing the works of Jesus in the very midst of this coming destruction and chaos. Until Dec 16, 2015, I'd only read about the Glory of the first century Church, and subsequent periodic awakenings since that time. But on the night of December 16th, I received a glimpse of the Glory and what it will be like to walk in it!

The dream began with me at my house, standing in the family room. Although it was not revealed to me, **whether it was an earthquake, a bomb, or whatever**; something had happened. I noticed (in my peripheral vision) cracks in the wall of my house. Several people were in the room with me, and they were in full panic mode. They were yelling, “Oh, no! What are we going to do, how are we going to make it?” Immediately, I opened my mouth and the Word began to flow, “Fear not! My God will supply all our need according to His riches in glory by Jesus Christ.” As I was speaking the Word of God, I was acutely aware of the fact I felt absolutely no fear. All I felt was unspeakable joy and peace. Then the scene changed. Suddenly, I was at the location of the dream I had in July (see The Great Escape), where **everything was covered in grey ash**, with destruction as far as my eyes could see. Small groups of people dotted the landscape. Some were walking around with dazed expressions, obviously in a state of shock; some were weeping softly as their eyes took in the horrific scenes around them; while others were wailing and screaming out in pain and agony. I began to walk towards them.

As I walked towards them, I felt the love of the Lord descend upon me. It was strong and powerful, and filled me to the point I felt I was going to burst. The love was uncontainable and began to flow out of me towards the hurting people.

When I reached them, I saw the sick and severely injured surrounded by frightened loved ones. I felt overwhelming love and compassion, as the Word of God began flowing from my lips; “The Lord said, “Come unto Me all you who labor and are heavy laden, and I will give you rest...” “The Lord will forgive all your sins and heal all your diseases; He will redeem your life from destruction.” As the Word was spoken, people were drawn towards it.

As they drew closer, I extended my hands toward them. Love was now flowing like a river into me and outward through my hands. As I touched or came near each individual, their countenance changed before my eyes. Instead of expressions of fear, great peace and joy spread across their faces. Those with injuries were instantly healed, as wounds disappeared, along with any trace of blood on their skin or clothing. The maimed in the crowd rose to their feet. Then I heard a voice behind me.

I turned to see a woman approaching with a plate containing only a few morsels of food on it. With tears in her eyes, she said, “This is all we have, how are we going to live?” I said, “Bring it to me.”

One particular prophecy from Chuck Youngbrandt, predicts a financial agreement between Japan and China in the first bad year for America. I suspect that this agreement will take place shortly after the Japan disasters take place. In other words, China will be attempting to financially aid Japan in their time of trouble, albeit more than likely with a few strings attached.

Anonymous - Earthquake on Asian Soil:

Large buildings, seemed new but largely abandoned. I saw massive buildings collapsing, a **towering building rocking then falling to the ground**. The ground was shaking. I couldn't see many people but I knew I was near a large population center. I could not read the signs and billboards but they appeared to be Asian. I saw Asian symbols and writing. **Tokyo maybe**, possibly China though. **I saw ash over the city**. I woke up. 3:45 am. I feel this is a very large earthquake that will happen soon. Definitely seemed like it was an Asian country. I felt this happening in the near future. Large news event.

"I had another dream this weekend, very vivid, which I now will describe unto you, and make my findings Known!" And maybe you will have thoughts upon this Dream from MESSIAH!" "I" was on a beach, and **"suddenly"** men began walking towards me, and **they were of Old, wearing helmets made in a fashion of England or Viking or Spanish**, I have yet to research and find again, who made helmets with a long nose guard coming down the length of the nose!" They were carrying sharks, four sharks!" And they threw them down on the sand, and a large dog ran up, and began eating one of the sharks, a dog likened unto a husky!" **"Suddenly"**, a **volcano erupted**, we all turned and huge Boulders began falling all around us, I said do not run, we will not be hurt, but we moved from side to side so as the giant rocks would miss us..."

Rachel Baxter's 12-09-2015 at 3:03 am Prophetic Dream – 'Soldier at the Door' and 12-13-2015 Prophetic Word – 'Prepare For Battle', The Time Has Come:

"On December 9 2015 at 3:03 am, I was deeply asleep dreaming of being asleep in this very large house that was grand and exquisite. It was better than any mansion I've ever seen on television. I was in bed asleep in the master bedroom with my husband when I was awoken to knocking at the door. It went on for a while. Eventually I nudged my husband go see who it was. I was a little anxious like you would be if it had really happened. I didn't know who it was as I watched my husband go down the hallway, down the big staircase, then start towards the door, which was quite a ways away since the house was so big. He either said it or was thinking he knew who it was before he got to the door. Just then, I was woken up from my dream by one of our kids.

So I got up still thinking of the dream and wondering who was going to be at the door. Then I felt like I should go downstairs to get a drink of water. I went downstairs and heard the word **"centurion."** I had the sense that a large soldier was standing in the corner of the dining room facing me. His presence was so real I felt like I should have been able to see him, but I couldn't with my eyes, **only with the eyes of my heart, in my spirit, but with those eyes I saw very clearly.**

I kept looking at the spot where I thought the **centurion** was. I asked the Lord, "Why is he here?" The Lord answered, "The battle lines have been drawn". Then I asked, "What battle?"

He answered, "For souls, to take them to hell or to heaven". Then I asked, "What does the centurion want with me?"

Then I heard, "To give you plans and orders".

Then I felt like the **centurion** had moved to the living room and was about 8 (number of 'rebirth') feet from me. I asked the Lord, "How do I get the orders?"

I heard, "Put out your hand and he will place them in your hand."

So I did and felt like he laid a rolled up piece of parchment in my outstretched hand. I asked, "How will I read them?"

I felt like he said, "Move your hand to your heart to take them into yourself."

So I did. Then I felt like the **centurion** turned to leave out the back of the house. He then mounted a horse and went away. Later, in prayer, I felt confirmation that it was Jesus at the door in the dream. He is knocking as the time is at hand. He wants everyone of us to answer His call, and He wants to give us wisdom and understanding for what lies ahead.

Revelation 3:20 NIV:

"Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with that person, and they with me."

Then on December 13 2015 in the early evening I heard:

"Quiet yourself before me. Get rid of all distractions. I am the gentle breeze. I am a soft fabric against your skin. I am subtle. Do not lose sight of the end game, eternity with me. Stand strong, even as the winds of evil blow mighty and powerful. I will be your protection. I will be your strong tower.

The Giants come. They are returning to earth for a final quest. This battle they desire to fight is one of intellect, but they shall be outsmarted. They forget My promise to My children, that I will never leave them or forsake them. Even to the end of the age! The demonic will have its fun, but when it is over, I will reign victorious for all time. The schemes of the enemy are great, but not one hair on the head of one of My children will be harmed, for those that rest in the shelter of the most high.

I will show you their plans. I give you copies of their own orders to discern. I will lay it out for you in your heart so that your mind can then begin to comprehend the details. Seek me for discernment. There is no need to be surprised when minions carry out the evil plots of Satan, the crafty serpent.

The centurion wears my armor into every battle. He walks in sandals of peace. His head is covered with the helmet of salvation. His chest is covered in my righteousness. His shield of faith causes every arrow of the enemy to fall. His sword is mighty cutting even to the bone with the power to create and destroy with my word. I desire every one of my children to dress as the centurion. You will face battle and you must put on the whole armor. When in it fully, your protection is complete, and victory is assured. Prepare for battle. The time has come. Do not go out without it on anymore. Teach each child to wear theirs.

Fear not that which is coming upon the earth. Everything made by man will shake. Everything built on the foundation of My Son, the cornerstone, will stand firm. I am doing a work in My children. I am pouring My love out, beyond measure. No ear has heard the glorious riches in store for My children who love me. Remember that this is temporal, temporary, but I am eternal. **There is nothing that you will face that I have not already triumphed over.**

It is good to complete preparations in the physical before Christmas. After Christmas, the only preparations that are required are those in the Spiritual. Wait upon my throne daily. Make time for my instructions each and every day. This will save physical lives. This will save eternal souls. Life is found in me. I will turn every scheme of the enemy for good. Even now his frustration grows as his plans of so-called genius fall apart and backfire. He is the God of chaos but I AM the God of peace. I give you my peace to carry.

Arise children of the one true God! Waive your banners! Blow your trumpets! Begin your march in step as I lead you around Jericho! For it will be I, only Me that brings ultimate victory over death. Watch as the wall falls and evil is destroyed once and for all.

Then, there shall I stand in victory, as the old passes away and the new comes forth. My bride ready for her groom!” Updated: 12/17/2015

Catherine Browne of Scotland’s Prophetic Vision:

Catherine saw a horrific **eruption of Mt. Fuji, which caused massive destruction in Tokyo and worldwide mourning.**

Excerpt from Brian Carn’s November 25, 2015 (7:30 & 12:15 minute marks) Clarion Call Video:

7:30 Mark: “...something is going to happen that is going to take away the happiness, the joy that everybody would normally experience.” (Massive Tokyo earthquake and Mt. Fuji eruption and subsequent worldwide stock market crash?)

12:15 Mark: “...something catastrophic is going to take place, where normally everybody is happy, everybody is rejoicing, something is going to happen “**suddenly**”, where people are going to say that **we went into the New Year weeping**. It’s going to be a time of weeping as soon as the New Year begins! There is getting ready to be a shaking, (Mt. Fuji eruption?) even in the Body of Christ, (Lukewarm Christians begin to awake out of their slumber?) God is about to shake some things...” Updated: 11/27/2015

John Croino’s 2008 Prophetic Prediction:

“If you live in Tokyo, move to the west and away from the sea. Avoid Mount Fuji. Fishermen will soon find summer fish during the winter in Tokyo bay.”

Stan Johnson’s 12-05-1999 Prophetic Dream - Earthquake with and an Economic Crash:

“I was walking under a large bank. The bank covered one square city block. I was walking on dirt. Looking up I could see the bottom of the first floor about **fifteen feet** (end of 2015?) above me. I noticed the foundation of the bank was made of red brick (The current world’s stock market and promissory notes have an unstable foundation) - the same kind of red brick used to build houses that would never hold the weight of a large bank. I began to notice that the foundation was only one brick thick and had large holes (financial bubble?) in the foundation every ten to twenty feet. Right in front of me, about five steps away, was a hole in the foundation so large I could get on my knees (prayer) and crawl through it. I thought, “Wow! This is dangerous! This bank could collapse and fall down on me any minute.” I looked at this weak foundation and thought there is no way this foundation could hold the weight of this big bank on a good day, especially in an earthquake!

I started to walk the five steps to the hole in front of me and get down on my knees (started to pray) and crawl out from under it. Then I noticed about twenty-five steps away was another hole so large I could walk out from under the bank without getting on my knees. (trying to secure one’s financial retirement nest egg in these volatile times without the Lord) I chose to take the easy way out and began to walk toward the larger hole. (deciding to walk without the Lord)

All of a “**sudden**” the bank began to shake! The bank fell about half the way to the floor. (50% devaluation of the dollar?) What was **fifteen feet** (end of 2015?) to the ceiling was now under seven foot. (start of the 7 “bad years” for America?) Instantly I was surrounded by a mass of terrified screaming people. (world financial crash?) They were running in all directions with no place to go. It was panic! They were running into me and blocking my way to the easy opening seconds earlier would have made an easy escape route. I couldn’t even see the easy escape hole anymore. I looked for the hole five steps away I could get on my knees and crawl through. I couldn’t see that either. In the panic I was lost! I was just as lost and just as much in a panic as everyone else.

I ran to the far side of the bank, found a large hole and got out from under the Bank. I knew I had to get several blocks away from the bank building (trying to escape the cities into the wilderness before it is too late?) because it was many stories high. I didn’t want it to fall on me, but as I stepped from under the foundation I saw a chain-link fence about twenty-five feet away, approximately **fifteen feet tall** (end of 2015?) topped with razor wire, surrounding the entire bank.

About a half of a city block away was a security guard firing a machine gun killing people from a guard tower along the fence. (Martial Law and Concentration camps are coming to those that don’t escape the cities?) He was telling people to

get back away from the fence and get back under the bank. Some were laying dead, others he was shooting as fast as they neared the fence. He was trying to keep people under the falling Bank!

I saw an old pickup truck parked next to the fence. I waited until his head was turned. Running I put my left foot on the bed and right foot on the cab jumping for my life jumped over the fence. I had escaped, but only at the risk of my life. Looking back I saw many others trapped or dead! Updated: 12/11/2015

September and October (2015):

“...In my Rosh Hashanah message I laid out the prophetic track for September to December. I had a parabolic comparison with the four sequential victories David had over the lion, the bear, Goliath, and lastly the Philistines. We are right on track with what I shared, which is why I want to encourage you to be excited about November. I said October would be the month "the bear gets tamed," and I said that spoke of the Stock Market, but also the next step of not being pushed around by fear (it just hit me that this is what we've been hit with: a plague of

fear). The Bear Market was tamed during October, as it was necessary that no fear be given an outlet during the month that the panickers were looking for opportunities to panic.

A November (2015) to Remember, Goliath Beheaded and a Wonderful Thanksgiving November - A Time to Risk and Beheading Goliath with His Own Sword:

“...The atmosphere is shifting and changing so much that we are now being enabled to behead our personal "Goliaths". There have been many who have been as the children of Israel were during the 40 days of Goliath's taunts and "prophetic declarations" that froze the nation. Perhaps you had chosen to "hide and whine" instead of "arise and shine"...there is a reality that's available now for you to take out Goliath with his own sword. As David did, you must run towards him fearlessly and risk it all. When David went after Goliath he risked his whole future and life itself, should his assumption of a God with a different narrative not pan out. ...Chase down the tap root of fear itself.

“...Fear will cost you some serious Kingdom ground, BUT a great recovery is available if you will throw all Goliath-inspired caution to the wind and go after Kingdom destiny. Without faith it is impossible to please God! Whatever steps of "caution" (translated to FEAR) that you took in order to not need faith, you now want to reverse in order to get back your Kingdom edge. Face your fear. Take it out with its own sword. Great help from Heaven is being sent on our behalf in November, in order to make it a November to Remember. Unavoidable relational and financial advancements are commanded for us in November. However none of it will happen if we don't shut Goliath's mouth of access into our lives. Identify the fear source and cut it out of your spiritual diet. Great winds of wealth and winds of wonder (from my prophetic word of the year for 2015: Four Winds of W) are blowing right now and will be increasing in November and December. Your sail will not be up to catch them if you are in fear. GET IN FAITH AND DO SOME RISKING. Sow into Kingdom advancement. Your best returns will come from investments of faith you make in November, as well as in December.

A Wonderful and Wonder-filled Thanksgiving:

Very key in this "November to Remember" will be a remarkable Thanksgiving. We have just broken out of a 14-year cycle of trial and refinement and you will feel it this Thanksgiving. (I did feel it!) There has been a release of a wonder-filled "wind of reconciliation" and connecting for family and friends. Expect a sweet time together as you hoist your sail and yield to that wind. Relational estrangements from many years are going to be repaired, and one of the first signs of this is when you will hear from family members wanting to connect, who haven't wanted to connect in a long time. This Thanksgiving and this Christmas will be an amazing healing time for families and you only have to yield to it. Solid family relationships will go to yet another level of love and closeness as great bonding will take place. Many significant physical healings will also happen as families take the time to pray over each other. Jehovah-Rapha (the Lord who heals) will be visiting our homes this

Holiday Season and amazing testimonies will come from it. Much healing and even new important relational connections will happen this whole November, but especially around Thanksgiving.”

Notice that Mr. Enlow’s prediction for a stock market recovery in October came to pass – it did rebound and has remained so through November. He also said that “**Christmas will be an amazing healing time for families**”. I am assuming that means that the prodigals will begin to come back in the fold at Christmas time. If that be true than what will the catalyst be (disasters in Japan followed by a worldwide stock market crash?) to bring families back together? Updated: 12/01/2015

Everything Changes for the “American Woman” after the Holidays! – Sign #8:

Debra Elramey’s November 12, 2015 Prophetic Dream –

Christian Woman Given One Week Stay of Execution by Muslim Jihadists:

“I was at my father’s birthplace, across the orchards from where I grew up. ISIS came for me. As in my first dream, they were dressed in black and wearing ski masks, as we see in all the videos they release.

I begged them for **another week** to get myself prepared before they beheaded me, or crucified me, or whatever heinous form of death they had planned for me. Imagine how surprised I was by one young man’s mercy toward me. He said, ok, we’ll be back in a week.

I figured **seven more days** would give me a chance to find a safe place. But the week came and went – and guess who didn’t get prepared.

So they **returned in exactly one week** to carry out the execution. My only thought was to try and flee, run to the house where I’d grown up – if I could find an inconspicuous way to escape. Either get real creative about it or die at their hands. I thought about trying to take the back path toward my homestead, past where the orchards had once stood, if only I could pull off the escape.”

Jihadists Sent by Our Government?

“These men looked like jihadists, but upon waking from the dream it occurred to me that they could have been U.S. government agents in disguise, given the humaneness of granting me that extra week to prepare before my execution. Yet I wasn’t certain. It’s bad when you can hardly distinguish between jihadists and your own government agents in waking reality.

After all, the U.S. is funding these terrorists, according to credible reports. Not to mention John Kerry’s recent confession. They could have been sent by the Obama regime, as Christians and patriots who resist tyranny are being targeted here in our land. We are the ones called “extremists” – as good is now called evil – and the persecution is ramping up by the day. We are now deemed enemies of the state.”

We Have Already Been Invaded:

“In interpreting the dream, my impression wasn’t that my father’s literal birthplace would be invaded, as his land is out in the middle of nowhere and terrorists tend to attack metropolitan areas, but that our homeland has already been invaded. Yes, the government has brought in “680,000 immigrants from the Middle East and hundreds of thousands of foreign students from the Middle East every few years,” according a Conservative Review article titled, “San Bernardino Terror: The Islamic Jihadists Among Us.”

The Washington Free Beacon reports that at least 72 employees at the Department of Homeland Security are listed on the terrorist watch list – DHS workers on the terrorist watch list! This bizarre and disturbing news was disclosed after an investigation of the agency found that “DHS continues to fail inspections aimed at determining the efficiency of its internal safety mechanisms, as well as its efforts to protect the nation.” Updated: 01/29/2016

Rachel Baxter’s November 1st, 2015 Prophetic Dream “There Is To Be No More Delay”:

My heart is so heavy for that which is coming upon our nation and the world. I want to share a word the Lord gave to me and released me to share. On November 1st I heard this:

“There is an event (volcanic eruption, earthquake and tsunami in Japan?) just in front of you that will change the direction of your nation for eternity. It is time for America to experience the wrath of the one true God. Every drunkard must sober up eventually.” “There are no more curtain calls. **There is to be no more delay.**”

“I have spoken and my angels shall be dispatched to the corners of the earth to release the punishment that has been saved for this day. **There shall be much weeping and nashing of teeth.** Mothers will cry out for lost children. Fathers will crumple with the loss of their sons and daughters. Families will be ripped apart. Hearts will fail with fear for the great and terrible day of the Lord. Many will seek death, but not find it. Many more will die an inward death no more to experience joy in their day. All that was once considered gain shall then be loss.” “Every eye shall shed many tears, but I have prepared my remnant to survive the storm through the power of my word in their ears.”

“There will be three major events that are to come in short succession.

The first will be a calamity of the governments (scandals and changes in government leaderships?). Many kings and rulers will fall. They will face opposition from each other and from their own people.

The next calamity will be of nature. (volcanic eruption, earthquake and tsunami in Japan this fall in 2015?) The earth will toss and turn to and fro. Mountains (Mt Fuji?) will crumble and the water will flow in unnatural ways. There will be too many bodies to dispose of properly so that they will rot where they fall.

The third calamity will be of economics. (the 1st worldwide stock market crash following the tragedies in Japan?) Money will fail.

This is the time for every child to step into all that I have for them.” “Yes, I am already victorious. The end is known. What has not been made known until now is the way that I choose to gain the victory battle by battle. I made man for my purposes, to express all that I am. From Adam and Eve, that purpose has been constrained by sin. My image in all its fullness has not been expressed, but that is about to change. Before my son lives and reigns on this earth again for one thousand years, I will establish His kingdom, which will usher in His glory.” “It will be in you, and every child that purifies their heart to receive all that I am, that my kingdom shall come. You will see the unparalleled glory and magnificence of all that I am displayed in the unity of the body of Christ as the times reach their fullness.” “The time has come to put on the full armor of God that I have given to you, to walk out into battle with me. The war will rage around you, but you will rest under the wing of The Almighty.” Updated: 12/02/2015

Thomas Gibson’s Prophetic Word:

... You stand on the verge of the greatest destruction of the economy of this earth. ... When the great crash (in America) occurs, it (the World Economy) shall come down. **You stand on the verge of the greatest economic collapse in the history of mankind.** (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?)

Bill Weather’s May 25, 2015 Prophetic Dream – American Woman Get away from Me:

On 5/25/15, I dreamed: “I and a couple others were playing a game of war with fake rifles. We were playing a fun game of war running through the yard. Then I didn’t have my rifle and had to wrestle two kids from their toy rifles before they would fake shoot me with them.

One of the kids I knew. His name is Nehemiah. So I managed to thrust their guns away from them with my arm and then proceeded to fun wrestle Nehemiah to the ground to fake choke him, but suddenly, real blood started rapidly flowing out of his entire head, neck and chest area. Then we stopped in shock, as the fun game of war, by our surprise, turned to blood.”

The lyrics of the song American Woman, by the Guess Who, were playing throughout this dream. So when I woke up I was singing these words, which I believe are the key to understanding the dream.

“American Woman” by The Guess Who:

“American Woman, get away from me-hee.

I don’t need your war machine.

I don’t need your ghetto scene.

Colored lights can hypnotize,

Sparkle someone else’s eyes....

Gotta go gotta get away,

Now go go go, gonna leave you woman,

Gonna leave you woman,

Bye bye bye bye....you’re no good for me,

I’m no good for you,

Gonna look you right in the eye,

Tell ya what I’m gonna do,

You know I’m gonna leave,

You know I’m gonna go,

I’m gonna leave you woman.” Updated: 04/01/2016

David Doughty’s April 30, 2015 Prophetic Word – There is No Time Left for the American Woman:

On April 30, 2015, I had been at a Thursday morning prayer meeting where we had been in deep prayer about America. As I was jogging home, I continued to ask God for a revival in this country. The word of the LORD came to me as I ran: **“She’s come Undone. There is No Time left for the American Woman.”**

As a classic rock fan, this word had instant meaning. The message referred to three Guess Who songs from the late Sixties and early Seventies. When I got to my law office that morning, I looked up the lyrics. The songs hold a very sobering message for America:

“American Woman” by The Guess Who:

“She’s come undun.

She didn’t know what she was headed for

And when I found out what she was headed for

It was too late...

It’s too late

She’s gone too far

She’s lost the sun (son)...

Too many churches, and not enough truth,

Too many people and not enough eyes to see...

It’s too late

She’s gone too far

She’s lost the sun (son).

Undun, The Guess Who

There’s no time left for you

No time left for you...

There’s no time left for you

No time left for you.

No Time, The Guess Who

American Woman, gonna mess your mind
American Woman gonna mess your mind...
American Woman, stay away from Me
American Woman, mama let Me be
Don't come a-hangin' around my door
I don't wanna see your face no more."

There is no time left for the United States. We're over the tipping point. Judgment is coming upon us as surely as it did on Jerusalem back in Jeremiah's day.

Randy Bachman, a member of the Canadian band The Guess Who, wrote the lyrics to Undun after seeing a woman at a party who had overdosed on acid. That's a pretty apt description of our country. We've come undone. We're like an overdosed woman, fazed and dazed on drugs, passed out to the spiritual warning signs that are flashing. Too many churches and not enough truth. Those words could not be more prophetic. The song American Woman has an interesting story behind it as well. The band was jamming in Ontario, with its lead singer Burton Cummings ad-libbing some lyrics that spontaneously came into his mind. Fortunately for them, someone in the audience had a tape recorder. They felt the song had been given to them. American Woman stayed at number one for three weeks in 1970. In discussing the meaning of the song, co-writer Jim Kale said, "John Lennon once said that the meaning of all songs come after they are recorded. Someone else has to interpret them."

It doesn't take much interpretation to read the meaning in these songs for our late, great nation. The American Woman has come undone. There's no time left for her. [Updated: 04/01/2016](#)

David Doughty's May 29, 2015 Prophetic Word – The Night They Drove Ole Dixie Down:

On May 19, 2015, I had a dream with more musical connotations, with yet another "doom" message for America:

"In the dream, it was a dark setting, the sky black and red. People were killing one another in front of me. I saw a person, a famous celebrity, stabbed in the mouth with a pitchfork. This scene of utter destruction and murder was something I had seen before in a dream.

This is just like what I had dreamed, I thought as I watched the chaos."

As I viewed this apocalyptic vision, the song The Night They Drove Ole Dixie Down by The Band was playing in the background.

"The Night They Drove Ole Dixie Down" by The Band:

In the winter of '65
We were hungry, just barely alive
By May the 10th, Richmond had fell
It's a time I remember, oh so well
The night they drove old Dixie down
And the bells were ringing
The night they drove old Dixie down
And the people were singing
They went, "Na, na, la, na, na, la"

The song details the terrible aftermath of the Civil War, when Richmond, the capital of the South fell to the Union forces. It is a beautiful song of great sadness from the perspective of the defeated Confederates. It signifies the coming destruction and sorrow of American's fall.

As I watched with complete grief filling my soul, the word of the LORD came to me.

"Judgment draws nigh. Every word I have spoken shall come to pass." [Updated: 04/01/2016](#)

David Kenderes' April 01, 2016 Prophetic Word – "Miss American Pie":

In the early morning hours of April 01, 2016, while I was reading Bill Weather and David Doughty's prophetic Words and Dreams (listed directly above), the Lord gave me the Word "**Miss American Pie**". So I looked up the lyrics to Don Mclean's "American Pie" and found the following prophetic lyrics:

"American Pie" by Don Mclean:

"A long, long time ago
I can still remember how that music used to make me smile
And I knew if I had my chance
That I could make those people dance
And maybe they'd be happy for a while
But February made me shiver
With every paper I'd deliver
Bad news on the doorstep
I couldn't take one more step
I can't remember if I cried
When I read about his widowed bride
But something touched me deep inside
The day the music died

[Chorus:]

So bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
And them good ole boys were drinking whiskey 'n rye
Singin' this'll be the day that I die
This'll be the day that I die

[Verse 1]

Did you write the book of love
And do you have faith in God above
If the Bible tells you so?
Now do you believe in rock and roll?
Can music save your mortal soul?
And can you teach me how to dance real slow?

Well, I know that you're in love with him
'Cause I saw you dancin' in the gym
You both kicked off your shoes
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck
But I knew I was out of luck
The day the music died

[Chorus:]

I started singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
Singin' this'll be the day that I die
This'll be the day that I die

[Verse 2]

Now for ten years we've been on our own

And moss grows fat on a rollin' stone
But that's not how it used to be
When the jester sang for the king and queen
In a coat he borrowed from James Dean
And a voice that came from you and me
Oh, and while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned

And while Lenin read a book on Marx
The quartet practiced in the park
And we sang dirges in the dark
The day the music died

[Chorus:]

We were singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
Singin' this'll be the day that I die
This'll be the day that I die

[Verse 3]

Helter skelter in a summer swelter
The birds flew off with a fallout shelter
Eight miles high and falling fast
It landed foul on the grass
The players tried for a forward pass
With the jester on the sidelines in a cast
Now the halftime air was sweet perfume
While the sergeants played a marching tune
We all got up to dance
Oh, but we never got the chance
'Cause the players tried to take the field
The marching band refused to yield
Do you recall what was revealed
The day the music died?

[Chorus:]

We started singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
And singin' this'll be the day that I die
This'll be the day that I die

[Verse 4]

Oh, and there we were all in one place
A generation lost in space
With no time left to start again
So come on, Jack be nimble, Jack be quick
Jack Flash sat on a candlestick
'Cause fire is the devil's only friend

Oh, and as I watched him on the stage
My hands were clenched in fists of rage
No angel born in Hell
Could break that Satan's spell

And as the flames climbed high into the night
To light the sacrificial rite
I saw Satan laughing with delight
The day the music died

[Chorus:]

He was singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
And singin' this'll be the day that I die
This'll be the day that I die

[Outro]

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music wouldn't play

And in the streets, the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken

And the three men I admire most
The Father, Son and the Holy Ghost
They caught the last train for the coast
The day the music died

[Chorus:]

And they were singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
And them good ole boys were drinking whiskey 'n rye
Singin' this'll be the day that I die
This'll be the day that I die

[Chorus:]

They were singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
And singin' this'll be the day that I die". Updated: 04/01/2016

Wanda Bordelon's Prophetic Dream, December 2015 - I Heard the Number "15" (2015?) and Shadow Figures Raise Up the Bull Market Then Shoot It Down:

"The dream began with me standing around a concrete teepee shaped mound that was approximately 25 feet tall and flat on the top. As I stood there, I watched some men who I knew were politically powerful, but I never saw their faces. They wrestled a very weak bull all the way up to the top of the mound and chained his foot. I felt so bad for the bull because he was sickly and weak and had no fight in him. The men were proud of themselves for their accomplishment. They didn't seem to notice the bull's sickliness.

Once the bull was secured, he was shot in the head. These men were ecstatic over their deed. I saw the bull's blood going down the sides of the mound. I somehow was able to see the bullet as it exited his head and I was concerned how far it would travel and the

damage it would do. After that, I turned my head in sorrow and shame because of what had happened. The bull didn't die right away. **There were discussions amongst these men as to how long it would take the bull to die and fall down. Then I heard "15" (2015?).**

I don't know the meaning of the dream. But I do feel as if it was from the Lord." Updated: 12/24/2015

Stan Patton's 2 December 2015 Prophetic Dreams – "Everything will Change":

I've had a couple of dreams the last couple of weeks that might be from the Lord.

In the first one, which I had on December 7th or 8th, I dreamed we (my family) were living in what I knew was a temporary home in a good-sized city. I looked off toward the horizon and saw what could have been an approaching storm and knew in my inner man that after the storm went through, **the earthquakes (Tokyo and California?)** would come.

In the second dream on December 18th, I dreamed that I was on Obama's staff (or perhaps just a hanger-on) and was observing him go about his (evil) business. At one point, he was laid out as for a doctor's examination and I could see that under his clothes he didn't have normal human flesh but a skeletal frame that was made of plastic and metal. As I was waking up, I heard a voice say, "**After tomorrow night, everything will change.**" Since that's tonight, we won't have long to see if anything happens!

This terrorist attack (the San Bernardino attack?) and the earthquakes (Tokyo and California?) **will finish off the economy**, which they have **falsely propped up**, so that these things get the blame. Updated: 12/24/2015

Penny Notzrim's 11, 09, 2013 Prophetic Dream "After Thanksgiving Everything Changes":

"Hi Youtube its Penny, and I'm recording this on November 11th, 2013. I wanna share a dream that I had a few nights ago. So on November the 9th, I dreamt that I was staying at a hotel, where people were sun bathing right outside of the rooms that were outside of the ground floor. And as I was walking towards my room, there was a **hairy man** with swim trunks that were too tight for him, and he was approaching me. As he got closer to me I sensed that this was not going to be good. And I had a bottle of water in my hand, and I set it down so that I could open up the patio doors to my room. Because I needed both hands for some reason, it was heavy. Anyway, I got it open and bent down to pick up the water bottle back up and I quickly slipped back inside the room. I closed the door, locked it and closed the blinds ...those patio swivel blinds. And as I was doing that, this man passed by my room outside and I heard him say:

I don't know what's up with women, but 'after Thanksgiving everything changes'.

So I knew that this was significant.”

(“Will this be the fulfillment year? Just “after Thanksgiving” on December 02, 2015 at 17 were wounded and 14 killed in a radical Islamic mass shooting terrorist attack, and I might add that one of the terrorist shooters was a woman).

One day later, on Thursday December 03, 2015, an historic change for American military was made when Defense Secretary Ashton B. Carter announced that the Pentagon would open all combat jobs to women. Also, 27 were killed and 90 were injured, in a three person female suicide attack in Lake Chad on December 05, 2015

“...one of the most significant dreams that has yet to be understood, that I had was on February 11th, 2012 and that was the one where I was doing a cheer and the words were shouted out with a battle cry “Victory 30Y” and we have still been trying to figure out – “30Y”, what’s the “30”, what’s the deal with that. (is it possible that the “30Y” represents “30 years”? Jesus’ ministry started when He was 30 years old and Joseph’s ministry also started when he was 30 years old. Could this victory cheer represent a call for the Joseph’s to come out of their prisons and for the ‘Great Last Days’ revival to commence?) When I was looking back in my notes, I saw this guy with a hairy back and I remember that I saw something about guys with hairy backs or hairy back guys or something. Well I went back and looked and the scriptural confirmation that I got for that “Victory 30Y” dream was from the book of the Jubilees. And www.cepher.net is where you can go to if you want to purchase the version of scriptures that I read from and it includes the book of the Jubilees. So anyway, it was Jubilees 38:10 where it talks about the sons of Jacob pressing hard against the sons of Esau in the mountains of Seir. And bowed their necks so that they became servants the sons of Jacob. So, I don’t know, I ended up taking a video down that I had recorded. I had seen the word Sier in front of my face in the middle of the night, one time when I woke up about a year and a half ago. And I uploaded a video called the children of Seir. And I ended up taking it down, because it showed up on some Pakistani website called Egypt videos. One of my subscribers sent it to me and said did you know and I said what, this is weird, so I took it down. Anyway, the reason that “Sier” is significant is because the Seirites were known as the hairy guys. ‘Box and the riders on the storm’ (youtuber ???) received a similar Word pertaining to the ‘riders on the storm’ awhile back. So I remember the Father showing me the Seirites, so these would be the children of Esau, the ones that were hairy, verses the children of Jacob. So, these two people groups are in opposition to one another.”

“...last year during Hanukah, I was skyping with David (her husband), we were not together (they were in separate places) at that time. And it was the third night of Hanukah. We were in Israel two years ago and bought this beautiful Hanukea ??? Menorah. So Hanukea ??? is a menorah that has what is called a shamash candle ...the candle that you use to light the other candles. And ours actually used oil in it with little floating wicks. Anyway, so last year, I’m skyping David and all of a “sudden” I’m looking around and I’m like honey, there’s ‘ashes falling’ on me. I said hold on a second I smell something. And I went into the other room and our Hanukea ??? was on the piano in the living room and the shamash candle had ‘erupted’ and blown up! And David said it melted down, I said it ‘blew up’. But there was “ash” all over everything in my house! I had to dust every square inch of it, it completely ‘erupted like a volcano’! OK, the thing that’s interesting about this to me, is a gal that goes by the name Barb and she goes by the name (youtube) of ‘278pikelk’ ...I’m not sure how she pronounces it – Barb I love you, ha, ha. Anyway she has two videos I wanna connect to. One’s called “Warning” and one’s called “Thanksgiving”. And in the first one she’s given the word ‘super volcano’ or ‘volcano’ ...something about ‘Volcano’. And the Lord specifically instructed her about this ‘volcano’. That morning before I had watched her video I had gone back I was looking up some of the stuff that the Lord was giving me last year, and on June 30th of 2012 I heard the words ‘super volcano’ and I was actually shown a date on a calendar and it looked like this “28”. (does the “28”

represent a date on the Hebrew or Gregorian calendar, or might it be a countdown of days until the event occurs, or even something else?). Updated: 12/04/2015

David Kenderes' Event Code – A Can of Baked Beans Explodes and Sets off an Alarm!

I wish I could find the write-up for this Event Code, but I haven't been able to locate it. It happened several years ago and I want to say that it occurred around 3 to 3:30 am. My wife and I were both upstairs sound asleep when our home alarm system went off and awakened us. Our dog was in the downstairs living room howling at the warning sounds! The police actually arrived at our house, rang the doorbell and asked us some questions to verify that we were OK and that we were the actual homeowners. I silenced the alarm and went into the alarm system to determine which sensor activated the alarm. I discovered a living room motion sensor, near the hallway pantry was the one that activated. As my wife and I walked into the pantry we noticed to our dismay that a can of baked beans had **exploded all over** the room! Need I say that it was a mess and that it took forever to clean it all up! I knew at the time of this event that it would represent a significant event (Event Code), but the Lord also revealed to me that it would happen in a future year ...that it wasn't to be fulfilled at this time. Will a 2015 fall season, Mt. Fuji volcanic eruption be the fulfillment of this Event Code?

Excerpt from Brian Carn's October 6, 2015 (Clarion Call) Video Recording:

"I see an **earthquake**, (Tokyo?) another **earthquake** (Tokyo?) disaster similar to what happened in Nepal. But, I see a very bad **earthquake** (Tokyo?) coming very, very, very soon. But, there's going to be another **earthquake** (Tokyo?) disaster and I wouldn't be surprised if it happened in the next couple of days or weeks. Another very bad **earthquake** (Tokyo?) getting ready to take place, and I am trying to find out in the Holy Ghost where it's going to be. But this is going to be a pretty massive **earthquake**. (Tokyo?) I feel it very strongly OK. It is going to happen within days to weeks, OK. But this thing is right around the corner. There is coming an attack on America in a couple of days (spiritually speaking). ... **I see a shaking** (Tokyo **earthquake**/Mt. Fuji eruption?) **and a shifting** (shifting of powers?) getting ready to hit our country – a shifting of power and a changing of the guard. (Coming Forth of the **Joseph's**?) **28:48 Mark:** but I see something happening **concerning a mountain**, OK. (Mt. Fuji eruption?) I want you to hear me – just pay attention to the news, something is going to come up on the news **about a mountain**. (Mt. Fuji eruption?) I don't know if **the mountain** (Mt. Fuji eruption?) is going to collapse. I don't know if **the mountain** (Mt. Fuji eruption?) is going to fall. I don't know if a bomb is going to hit **a mountain**, (Mt. Fuji eruption?) but pay attention to the news, something is going to come up about **a mountain**." (Mt. Fuji?) Updated: 11/21/2015

Lisa Cooke Doyle's May 26, 2006 Prophetic Word about a Volcanic Eruption & an Earthquake:

In My Mind I Heard the Following Statement, "**The Mountain Has Just Blown!**"

Last Friday on May 26, 2006, I was abruptly awakened to an upright position at 3:00am. (the same general time that my baked beans can exploded – see Event Code above) In my mind I heard the following statement:

"The Mountain has just blown!" (Mt Fuji eruption?) Then in the Spirit, I felt tremors from below the earth's surface that gained in momentum, until it was as if--my entire home was being violently shaken by a **giant earthquake of magnitude proportions**. (Tokyo earthquake?)

Although this was a spiritual experience, I half expected (as I turned on my television set) to find a news report of what I just experienced. Although there wasn't any indication of reports on recent seismic (earthquakes), or volcanic activity of this proportion, I knew the Lord was personally calling me to prayer.

Drastic Changes Coming in 2016 – Ali Winters’ Prophetic Word, November 27, 2015:

“...Beginning in January 2016 drastic changes come to the world. Those I sought to bless, now I will curse. A time of grave darkness and evil will fall upon the nations. Fear will grip hearts. Men’s minds will be unable to discern the wickedness. Lives will be forever changed by what is coming. Hearts have grown cold, idolatry has flourished and souls slip daily into a hell created for satan and his angels. Manmade evil coming upon the unsuspecting among you. Nations even now plan destruction and chaos against others. Watch China, Turkey and Russia closely, carefully in the weeks ahead. America is unprepared and will be dealt a mighty blow...” Updated: 11/27/2015

Ali Winter’s Prophetic Dream - After the Holidays (2015) Great Changes are Coming:

A strong word of admonition from the LORD:

“Great will be the heartache of many. You have been given hard words, but these are hard times and My little ones roam unconcerned among the wolves. Continue to share. Do not be discouraged. Look up and watch out. My children have little time to prepare for what is coming. Your future, though uncertain to you, is safe in My care, but you must be ready to face great obstacles in My Name.

Very soon you will begin to see subtle changes in your government. Listen and be aware of your surroundings. After the holidays it will happen – great changes. You have been told. I have warned My children and they in turn have spoken of this to others. You must continue to speak even under threat of punishment and persecution – speak. My Name must be proclaimed through the grief and wrath quickly coming to this once grand nation, now only a shell of what it once was and still could be if only America had chosen to follow My statutes instead of the broad politically correct road to her own destruction.”

The following is a word received on 20 December, a word I felt was personal for me. After prayer and reflection, perhaps these are words for the body. Judge them for yourselves. They ministered to me, perhaps they will minister to you as well.

“My daughter, continue as you are instructed to do. Do not lean to the left nor to the right but move straight ahead under My anointing. Great will be the battle you must fight as satan desires to destroy those who are precious to Me. But you are covered by the Blood of your Saviour. His power and might is your power and might. Continue in My will. It will not be long before evil forces charge across your land. You must be prepared for many will seek your counsel. You must remain calm and trust Me to protect and defend you. Your times are in My hand. Fear not.”

John 10:9-10:

“I am the gate; whoever enters through me will be saved. He will come in and go out, and find pasture. The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.”

Johnny Enlow’s Rosh Hashanah Prophetic Word for 2015:

Erick Enz’ December 21, 2014 Prophetic Dream, Transcribed from the January, 9, 2015

Trunews Audio Broadcast (starting at the 42:46 mark) (<https://www.youtube.com/watch?v=sZS3Ll4jMg0>):

1st Dream: “In my dream I was out over the ocean and I was looking at my watch. And I was counting down on my watch in my dream because I knew something was about to happen and I knew exactly when. And I saw on my second hand, counting down for this event, and when it reached “0” ...when my second hand counted down, I saw a nuclear missile come out of a submerged submarine, out of the ocean. And immediately in my dream my understanding was that the intended target was America. And the other understanding that I had was that North Korea was behind what I was watching. And then I immediately saw – I don’t know if it was one or multiple land based nuclear missiles being launched. And in the end of my dream I saw a date and the date that I saw in my dream was **December 3rd, 2015**. And I immediately woke up from my dream and I knew that

the dream was from the Lord, but I asked the Lord to confirm the dream by giving me another dream that night regarding the dream that I just had and I asked Him to give me a scripture to confirm that.”

2nd Dream: “I fell asleep again and the Lord gave me another dream. And the second dream that I had was: The Lord had brought two men to me and it was a divine appointment. We all understood that God had divinely brought us together for a specific purpose. And the purpose was for me to warn about this dream. And I warned the men of what I had just dreamt in the first dream.”

“Then I woke up the next morning and I asked the Lord to give me a scripture, to confirm that this was from Him. And He gave me Micah 5:10-15:

Micah 5:10-15:

“10 And it shall come to pass in that day, saith the LORD, that I will cut off thy horses out of the midst of thee, and I will destroy thy chariots: 11 And I will cut off the cities of thy land, and throw down all thy strong holds: 12 And I will cut off witchcrafts out of thine hand; and thou shalt have no more soothsayers : 13 Thy graven images also will I cut off , and thy standing images out of the midst of thee; and thou shalt no more worship the work of thine hands. 14 And I will pluck up thy groves out of the midst of thee: so will I destroy thy cities. 15 And I will execute vengeance in anger and fury upon the heathen, such as they have not heard.” Then I knew this was from the Lord.” Updated: 12/02/2015

The event did not happen on 03 December 2015. The date was either delayed, or represented something else, or was incorrect. Hopefully time will shed some light on this dilemma. Updated: 12/04/2015

David Rowland’s 06-15-2015 Prophetic Dream - Judgment Begins with Fed Interest Rate Decision:

“I had a very strong dream on the night of June 15 2015 about an upcoming interest rate decision by the Federal Reserve Bank. The Lord is really bringing it to mind as this next meeting looms closer.

Note: Although the dream did not reveal any specific timing, the next interest rate decision from the Federal Reserve is scheduled for tomorrow December 16 2015.

Here is what I saw in my dream:

I am seated in what appears to be a briefing room listening to a well-known TV minister speak. It seems he is making an announcement or having a press conference to discuss his current physical condition. He is pale, emaciated and bandages can be seen under his clothing. His face is gaunt and his eyes are dull and somewhat glazed.

As the scene opens he is already speaking and saying something to the effect “It’s been a terrible ordeal, but I have survived. By God’s grace, I have pulled through.” I realize he is referring to the state of his ministry and this is being represented by his physical appearance. His income from donations and goodwill toward his ministry have suffered greatly. End of scene one.

Then a second scene begins and I am seeing an episode of the TV show The Waltons from almost 40 years ago. In this episode John-Boy Walton (a budding journalist) wins a contest and the prize is to cover a major news event. This happens to be the zeppelin Hindenburg’s arrival in New Jersey in 1937. Of course, this was one of the most famous explosions of all time.

Then I saw John-Boy return home, but he was hesitant to share his experiences. When pressed, he shouted, “You want to know what happened? I’ll tell you what happened! We were all standing there staring at this huge thing as if it’s from God and it blew up and a lot of people died! That’s what happened!” That was the end of my dream.

Upon waking I began to attempt to connect these two scenes. I knew **this was about coming judgment and a crash**, but why the Hindenburg? The minister in scene one was a wonderful grace teacher whom I have supported in the past, but he is known for stating “God’s not mad. He’s not even upset.”

I have not seen him take into account that one purpose of judgment is God’s mercy not to allowing us to continue in our transgressions. As I prayed over this dream I realized this minister was making his announcement after judgment of our nation had begun and his financial contributions and his reputation had both taken a severe downturn. He and his ministry were pretty banged up, but had survived. He had no answer to explain the events that were befalling our country.

The Hindenburg explosion was obviously about a crash. In dream interpretation, I always teach people to ask why this and not that? Why not an airplane or something more contemporary crashing? I try to be very objective when interpreting my own dreams. I have heard Rick Joyner kidding the late great prophet Bob Jones about Bob interpreting his own personal dreams, so I always want to err on the side of caution.

For this reason I contacted a pastor friend of mine with a strong prophetic anointing. As I have taught dream interpretation in his church, we have co-labored for many years in the study of dreams. We agreed this was about judgment and an economic “crash and burn” but some of the symbolism seemed hidden.

Within a few hours he called me and said check out today’s Drudge Report. One of the lead articles was **The Fed’s Worst Nightmare – The Ghost of 1937. It showed a photo of the Hindenburg exploding!** This was an article linked to an article on CNBC, which stated:

“Many policymakers and market observers assert that the risk of the Fed raising rates too early exceeds that of moving too late. This is the specter of 1937, when the Fed raised rates prematurely and exacerbated the Great Depression.” This was exactly what the dream was prophesying. The Federal Reserve would begin to raise rates and judgment would begin through an economic crash in our nation. As I had never heard of the Hindenburg Omen or the fears that a rate hike would again create a “depression within a depression” as in 1937, I feel this was a pure revelatory dream. The specter of 1937 is upon us with this next Fed rate hike.”

The Federal Reserve raised the interest rates on December 16, 2015. It was the first hike in nearly a Decade!

Marianella Morales’ Jan 13, 2016 Prophetic Word - A Correction of Divine Magnitude is Coming!

The following was imparted to me about noon today. It was as though the Holy Spirit took hold of my pen.

“I see a correction (“correction” is a financial stock market term) **of divine magnitude coming.** (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) **A rude and true awakening. A stripping and shocking event that even professing Christians are not ready for.**

I believe that in the silence and quietness of homes, **God is raising up an army of priests, judges, leaders, ministers and prophets of old. He is putting his standards on the table, and we will be weighed against it. He is bringing justice.** Heaven on earth is coming to regroup and restore a people after Him and not religiosity. **He will declare a clean slate of all doctrines and manmade traditions. He will put a stop to man-made definitions of His Words. He will put a stop to false spokesmen and raise up mouthpieces from the throne room. (the Joseph’s?)**

This will come at the highest price imaginable. The Lord will divide and remove in order to establish His divine order. **It will be a shocking (Tokyo earthquake?) wake up call, but a final one.** Anointed ones that have surrendered all even unto death will be used to demonstrate and manifest the matters of the Kingdom.

No one will miss this presentation by God. His ambassadors were born for this and there will be no mistake about it. The Father is warning us about this approaching hour. God’s will be done. Amen.”

Denika Alston's 2 Prophetic Dreams "In Two Moons and Three Days It Will Come":

I had a troubling dream on November 29, 2015. I didn't want to share it because I was concerned about giving a date and I didn't want people expecting some huge event while the Lord might simply be just shifting things behind the scenes on that day.

Well, in my dream I had an African man approach me with terror in his eyes. He said in his African accent, "In two moons and three days, **it will come**." That was it; that was the end of the dream. However, I immediately went into another dream and I thought I was awake.

In this next dream, I knew it was important to remember all that the African man told me. I started telling people about the first dream. I was startled by what the man said because he had such concern in his eyes although he spoke calmly. In this dream, I saw a calendar showing it was November 29th ("after Thanksgiving") (which was the real date of both dreams). So in the dream I counted ahead five days and wondered if he meant December 3rd. While I was still wondering about that, I woke up very alert and sober.

Two Interpretations:

1st Interpretation: Later I began to ponder the meaning of the dream. I went back and listened to a dream I heard on **Trunews on Jan 9, 2015** and sure enough, it was pointing toward December 3 2015. It begins at the 42:30 mark. However, I asked myself, why wouldn't the man just say five moons or five days? He separated the two time periods, so I wasn't sure because I saw the calendar with the November 29th date in the second dream and counted ahead five days, but I did not see December 3rd on the calendar nor was I certain that it meant five days.

2nd Interpretation: So there is another interpretation that might fit better with the words spoken by an African man because many of the African tribal oral traditions use moons as a way to tell time and narrate their historical accounts of their village ancestors. In that context, two moons would refer to two moon cycles with each cycle lasting 29.5 days, which is how long it takes from one new moon to the next (Wikipedia). So two moons would be 59 days (29.5 + 29.5). Adding 3 days to that makes 62 days. Counting from November 29 would put the fulfillment date on Saturday, January 30. So two moons and three days could be Thursday **December 3, 2015 or Saturday January 30, 2016**. The man said "**it will come**", but did not say what it was. However, he had a look of terror and great concern in his eyes, so it sounds like something very bad.

The World Health Organization (WHO) declared the Zika virus a global public health emergency (pandemic) on February 01, 2016. I concur with James Bailey belief that this fits the second interpretation of Denika's Prophetic Dream to a tee! Starting from the November 29, 2015 (the date of the dream), we add two moons/months (Hebrew calendar – 30-day months) which takes us to January 29, 2016. Lastly, we add 3 days taking us to February 01, 2016 ...the date of the WHO's announcement!

Let's get a little bit more confirmation. "in my dream I had an African man approach me with terror in his eyes. He said in his African accent, "In two moons and three days, **it will come**". Why was an "African man" in the dream people? Well, if we look at the history of the Zika virus, we discover that back in 1947, scientists were researching yellow fever on a caged rhesus monkey in the Zika forest in Uganda (central Africa). The monkey contracted a fever and the researchers isolated it from its serum and described it as the Zika virus. This same virus was then isolated from the first human in Nigeria (again central Africa) in 1954! From there it spread to Asia and eventually to Central and South America. And at the time of the WHO's announcement it had spread ("**it will come**") to the United States!

The tiger mosquito (*Aedes aegypti*) born Zika infection has spread to over 22 countries in the Americas. *Aedes aegypti* is also the carrier of Dengue Fever, Yellow Fever and the Chikungunya disease. The virus is suspected to cause small heads (Microcephaly) in pregnant women's embryos along with other disorders. The virus can also be spread person to person by blood and bodily fluid including semen. Updated: 02/09/2016

The New York City Financial District Crane Collapse (Event Code) on Feb 05, 2016 – Sign #12:

A 565-foot ‘red’ crane collapsed in Lower Manhattan’s Financial District on Friday February 05, 2016. The collapse killed 1 person and injured 3 others. The one fatality, a 38 year old David Wicks, a Wall Street worker who lived in Manhattan, was sitting in his parked car at the time of the collapse.

This is an “Event Code” folks, an Event Code depicting the fast approaching NYC Financial District stock market collapse!

Note, the crane was “red” (finances in the red) and that the deceased man was “38” (the number of change – financial change). And he was a Wall Street worker! Wall Street will die!

Event Codes are events that happen in life pointing to an even greater event that looms on the horizon.

This same type of event code happened twice in the spring of 2008 pointing to a soon approaching stock market crash, which occurred in September! See the articles below. Updated: 02/05/2016

Crane Collapse Killed 7 and Injured 24 on March 15, 2008 - Wikipedia:

On March 15, 2008, a crane owned by New York Crane & Equipment collapsed during construction. Seven people were killed and 24 others were injured.

It was a luffing-jib tower crane manufactured by Favco that was 200 feet tall at the time of the collapse. The accident occurred when workers were attaching a new steel collar to anchor it to the building at the 18th floor, as part of an operation to extend the crane upwards.

Crane Collapse Kills Two and Unsettles New Yorkers on May 30, 2008 by Michael M. Grynbaum:

“The collapse of a crane at an Upper East Side construction site on Friday morning killed two workers and severely damaged several high-rise apartments. And it left many New Yorkers pondering an unsettling question: This again?”

It was the second time in two months that a familiar urban fear came to stunning fruition: a similar incident in March killed seven people and prompted officials to enact more stringent safety regulations and assure the public that they should not be afraid of construction sites around the city...” May 31, 2008 - The New York Times

James Bailey’s 12-10-2015 Prophetic Dream – “Wild Volatility Coming in Currency Markets”:

“In a dream yesterday I saw wild volatility coming in the forex market, specifically for the USD/CHF pair. I also saw unprecedented movements in the price including specific prices along the way. These movements provide great opportunities for traders, but might also be hard to believe because it is so unusual. So before sharing the details, I thought it would be helpful to show how my previous forex dreams have played out.

Previous Forex Dreams:

Back on April 11 2015 I saw in a dream the price for the forex pair USD/CHF was dropping fast. I shared the details in my previous post, [The Decline of the Dollar Has Started](#). At that time, the price was at .984. Within four weeks, it had dropped down to .912, a huge drop of about 7.2 cents!

In that dream I saw the starting price, but no other prices, so I did not know how low it would go. I wrongly assumed it would keep dropping until the dollar ultimately is devalued, but that was not shown to me in the dream. [So what I saw in the dream happened](#), but what I assumed did not. This

has been an ongoing process of learning not to add anything to what He reveals.

For several months after that the Lord showed me graphs, which I shared in different posts. The graphs always proved to be very accurate. They were easy to see after they happened, but I found them very challenging to use for trading because they did not show any numbers or dates. So I looked for patterns without knowing how big the pattern would be. At first I wrongly assumed some parts of the pattern had already happened, but eventually learned the whole graph was always in the future. Eventually I got so frustrated with them I asked the Lord to stop showing them to me, and He did.

Then I specifically asked Him to show me numbers, so he did. [The first numbers I saw showed the price going up to 23](#), which I shared in my previous post on October 9 2015, [Confirmation USD/CHF Price Going Up to 23](#). That is very helpful to know, but it doesn't help at the moment because it refers to the coming crash of the Swiss franc, which is still in the future.

The next week, I had another dream in which [I saw increased volatility coming](#), which I shared in my previous post on [October 15 2015, Volatility Alert to Forex Traders](#). I saw wild fluctuations with the price shooting up then immediately dropping back down. I was not shown any specific prices or dates, just movements on a graph with the general sense that the size of the movements was unusually large. I estimated the move I saw went straight up about 5 cents, then straight back down almost instantly. As I clarified in a reply to a comment, the size of the movements I saw in that dream were only rough estimates. The main point was the dramatic increase in volatility.

We now have 8 weeks of history since I posted that warning. The volatility has increased significantly as the price shot up from about .95 to 1.031, an increase of 8.1 cents! Then just a few days later it dropped all the way back down to .983, a drop of 4.8 cents. I believe the **“sudden”** dramatic 4 cent drop last Thursday December 3 is a great example of more volatility still to come. These are very big swings for this pair!

New Forex Dream:

I saw even more volatility in a new dream yesterday. For months I have been asking to see actual prices, but yesterday was the first time I have seen anything, other than the October 9 dream, which revealed the future collapse of the Swiss franc. For that reason, I have been out of the market waiting on the sidelines. I have learned to only trade when I know what is going to happen.

[I was not shown specifically which currency pair I was seeing](#), but I am confident it was USD/CHF because it is the only one I trade and the only one He has ever revealed anything to me.

[I did not see any graphs](#), but was just watching the actual price the whole time. At first it was not moving much, but then **“suddenly”** it started changing very fast going all the way up to 1.35. Since I did not see any graphs and the numbers were moving too fast to read, I don't know what the graph will look like. However, it rarely moves straight up or down so it seems likely to make some bounces along the way.

[In this dream I was holding a long position so I was glad to see the price moving up](#). When I saw it reach 1.35, I attempted to put in a sell order to take my profits, but before I could get my order entered the price started dropping fast all the way back down to 1.19 then to 1.16, roughly in that range. Then I am pretty sure I saw it drop down further to 1.12. All of this was happening very fast. I am sure I saw 1.19 and 1.16, but a little less sure about the 1.12. When I am at my computer watching it like I was, it takes me less than a minute to create an order, but it dropped back down before I could get my order entered. So that shows how fast it was moving!

[Then it started going back up again](#). I saw it go all the way back up above 1.3. I did not see it go all the way back up to 1.35, but it went above 1.3. It might have even reached 1.31. That was the end of the dream.

[The volatility I saw was unprecedented](#). In January 2015, the price dropped from 1.02 to .838 when the Swiss franc decoupled from the euro, which was a giant move down 18.2 cents. [However, what I saw yesterday was twice as big](#), moving up 36.2 cents! However, it happened so fast it will surely not show up on most charts depending on the time

increments. It might show up on the 1-minute chart, but I doubt it would show up on the 5-minute or any longer increments.

My Next Steps:

I finally got what I have been asking for, actual numbers! So I am now back in the market with a long position. I have a Limit Sell Order set at 1.349 to make sure I capture the move up to 1.35. Depending on how fast it moves back down, I will try to take a short position on the way back down to 1.12 or at least to 1.16. From there, I will take another long position as it moves back up to 1.3.

I thought about trading options on FXF, an ETF that tracks this currency pair, but my concern is the price movements might be too fast to capture with options trading. Also, market hours are more limited with options trading. The big moves could happen when the options market is closed. Forex offers the advantage of being open 24 hours. The other problem with options trading is the contracts have expiration dates. Since I was not shown any dates I don't know for sure when this will happen.

I believe this kind of volatility is possible because of other dreams in which [I saw tensions increasing throughout the world after the United States took an unpopular stand](#). As the world's reserve currency and largest economy, any major events or actions taken by the United States could cause big swings in currency markets. [I saw this stand would precede an even bigger event, which would cause a stock market crash](#). Someone suggested this stand might be the Fed raising interest rates. It could be, but the details were not shown to me. We'll find out soon. Originally [I was told the crash would occur in 2015](#), which I shared in my previous post, Warning: “**Sudden**” Economic Collapse Coming in 2015. [Later I was told there was a one-month delay, \(January 2016?\)](#) which I shared in my previous post, Prophetic Dream Announces **One Month Delay**. So I am expecting to see lots of volatility coming soon.”

James Bailey's 7 July 2014, Prophetic Dream:

[On July 7 2014 the Lord gave me a dream in which I saw the world had entered into a time of increased tensions prior to a “sudden” crash of the U.S. stock market and devaluation of the dollar.](#)

A crash in Germany could fit this scenario because it would surely cause increased tensions throughout the world. The tensions were already high when I saw the U.S. take a stand, which caused tensions to increase even more. [Months later in a separate dream I saw the stand taken by the U.S. would be the authorization of military aid to a hotspot, which now appears to be Ukraine. I saw the “sudden” drop in the stock market happening soon after that.](#) (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?)

A bill has already been approved by the U.S. House and Senate authorizing \$200 million in lethal military aid for Ukraine (HR1735). I saw President Obama increasing that amount to \$1.2 billion. So I am keeping an eye on that bill. It is currently in the final stages of being reconciled between the two houses and could be sent to President Obama very soon.

James Bailey's “The Event before the Event” March 01, 2015, Prophetic Dream Fulfilled – Obama Authorizes \$1.2 Billion for Military Defense Equipment on February 9 2016 – Sign #13:

“A news report released yesterday, February 9 2016, by Spacenews.com provided the fulfillment of a prophetic dream. President Obama authorized a proposal for \$1.2 billion in spending for military defense equipment used by the United States Air Force. His authorization is the fulfillment of a prophetic dream I received on March 1 2015, which was given as a sign to show we have entered into the season of a sudden economic collapse and to show the markets have now reached a turning point. I shared the details of that dream in my previous post, The Event Before the Event. All of the six details revealed in the dream have now been fulfilled, plus a seventh detail, which confirms the original warning dream received in 2014.

Fulfillment 1 – Proposal Sent to President Obama:

In the first part of the dream, I was working as a staff member inside the Obama administration assisting with preparation of a proposal to send to President Obama. I never saw any involvement from Congress. The fulfillment came from a proposal from the Air Force, which has now been authorized by President Obama. The path followed by this proposal is consistent with the path I saw in the dream. As Commander in Chief over the military, it is standard procedure for spending proposals prepared by the Air Force to go to the President for authorization, then to Congress for funding. This part of the dream was important because it revealed the proposal had to originate within the Obama administration, just as this one did. The President does not have the authority to increase the amount of spending bills sent to him by Congress, so it could not originate in the Congress. It also could not have been fulfilled by a sale of weapons because the seller does not have the authority to increase the amount of a sale. Only the buyer can do that.

Fulfillment 2 – Proposal was for Military Spending:

In the dream, I did not know specifically what the spending proposal was for, but I knew it was for “military weapons and equipment,” which is how I described it in my post. The fulfillment comes from an engine used to launch rockets to send our national security satellites into space, which is part of our Air Force.

“The Air Force currently depends on United Launch Alliance’s Atlas 5 rocket, which uses the Russian RD-180 engine to power its first stage, to launch the majority of national security satellites. In response to Russia’s annexation of Crimea in 2014, lawmakers have limited future use of the engine and in its place say they would like a new American engine by fiscal year 2019, a timetable Air Force officials call aggressive.” (Source: Spacenews.com)

Later, I guessed the proposal might be military aid for a foreign country, but that was only a guess and was not revealed in the dream. It will actually be used by our own military.

Fulfillment 3 – \$200 Million Proposal Increased to \$1.2 Billion:

In the dream, I saw the proposal was originally for \$200 million, but the amount was increased to \$1.2 billion when President Obama authorized it. The fulfillment came from this Air Force proposal, which originally requested “about \$208 million” for fiscal year 2017, but was then increased to \$1.2 billion.

“Previous plans called for spending \$208 million on a new liquid-fueled engine, but the 2017 budget proposal calls for the development of next-generation launch systems using a “shared-investment approach” with two or more U.S. companies. The budget includes long-range plans to develop “evolved” versions of the AEHF communications and SBIRS missile warning satellites.” (Source: Integrated Space Analytics)

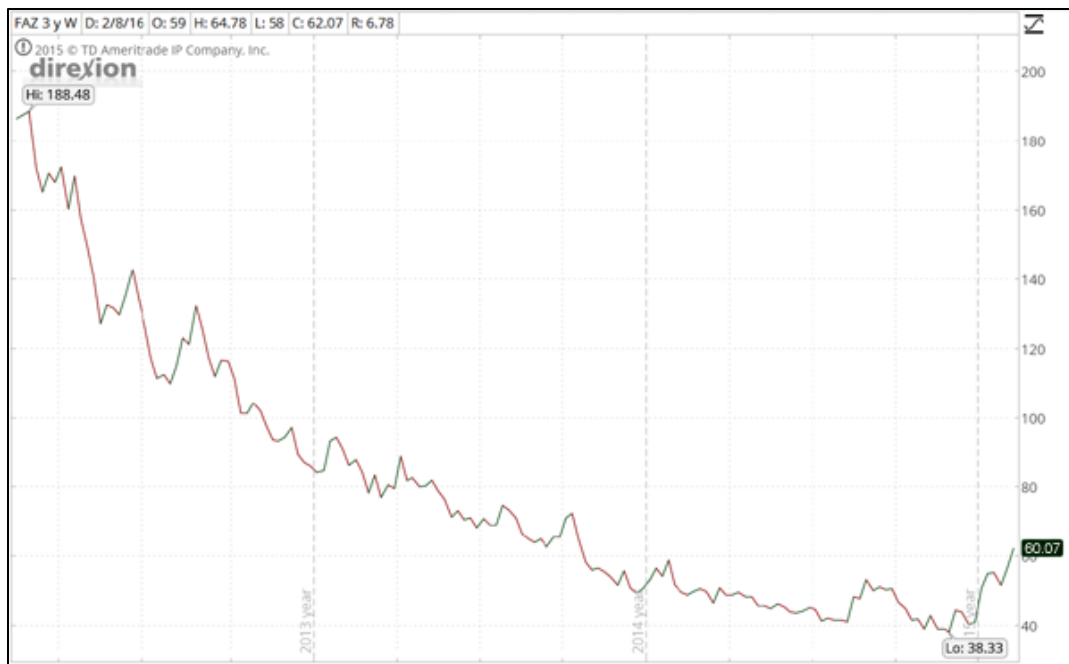

The U.S. Air Force plans to invest more than \$1.2 billion over the next five years to develop a new launch system that would aim to end the Defense Department’s reliance on a Russian rocket engine, according to budget documents set to be released Feb. 9.

“In its last budget request for 2016, the Air Force had planned to spend about \$208 million on a new liquid-fueled rocket engine from fiscal years 2017 to 2020, but now plans to spend more than a billion (\$1.2 billion) in the same time period on what’s described as an investment in a next generation launch system.” (Source:Spacenews.com)

Funding for the engine was included in the 2015 NDAA at the amount of \$220 million, but the latest proposal for the 2017 fiscal year was “about \$208 million,” which I believe is close enough to what I saw, \$200 million, to show this is the same event. The amount was increased to \$1.2 billion because the engine was upgraded to a next generation launch system, which is the exact number I saw, even though the actual number is described as “more than \$1.2 billion”, so it is also off by a small amount. The point is these numbers are close enough to fit what I saw. It is just like God to give us more than enough!

Fulfillment 4 – FAZ Downward Price Trend Reversed:

In the dream, the scene changed and I was walking into the office of my stock broker because I was planning to do a trade on a certain ETF (stock symbol FAZ). My broker then showed me a large chart with a graph of the price trend for FAZ. It showed the long-term downward trend had ended and had now started moving up, like the classic hockey stick graph. The fulfillment of this event came today when I pulled the actual three-year price graph for FAZ. I was amazed to see it looks exactly like what my broker showed me in the dream, as shown below.

Fulfillment 5 – FAZ Price Moves Up Same Day:

In the dream, I somehow knew the price of FAZ was going to increase on the same day the news was announced about President Obama's decision to authorize \$1.2 billion in military equipment. Price increases have been rare for this ETF in recent years, but the fulfillment came yesterday, February 9, when the news story was released and the price moved up from \$61.42 to \$61.93. Then again today, which is the day I received the news, FAZ moved up from \$61.93 to \$62.07. Today's price started the day down about \$2.00 per share, but rebounded at the end of the day to close up \$0.14.

Fulfillment 6 – Cancelled My Trading Plans:

In the dream, I cancelled my plans to do a trade on FAZ based on the change in the trend, which my broker showed me. The fulfillment came today because I was actually planning to sell some of my shares of FAZ today. I have been holding it for months and have not done any trades during all that time, so it is a very rare event for me to be planning to make a trade on FAZ.

My plan was to sell some of my shares to free up some cash. Over the past few days, I have been praying about this trade, asking the Lord what I should do. I had to have an answer by today because I need the cash by Friday, just two days from now. There is a lot more to this story than I am able to share right now, but one day soon I hope to tell the rest of the story. So when I got the news earlier today about the fulfillment of this dream, I realized God had already answered my prayer one year ago when He showed me I would be cancelling my trading plans the same day I heard the news about Obama authorizing the \$1.2 billion. One year ago He already knew my plans for today and already answered what I just prayed over the past few days. He is an AMAZING GOD!

The fact that I was planning to do a trade on FAZ on the same day I received news of Obama authorizing \$1.2 billion is a fulfillment of the dream. Cancelling my plans is also another detail fulfilled, so this is actually two details for the price of one.

Fulfillment 7 – FAZ Shoots Up Like a Rocket:

This dream was given as a follow up to a previous dream regarding a sudden economic collapse to let us know we were getting close to seeing the fulfillment of the first dream. So when I saw this news story today, I was amazed to see the two dreams are connected by a rocket.

In the first dream, when the economy collapsed I saw FAZ shoot straight up like a rocket. As it turns out, the fulfillment of the second dream comes through the development of a rocket engine! I don't believe this is any coincidence, but it is another proof to let us know this is the fulfillment of the dream.

Summary:

Based on the fulfillment of these seven specific details, I am confident this is the fulfillment of what I saw. The event before the event has happened. God has given us a sign to let us know we have now entered the season when our economy will suddenly collapse. We are now very close to an event that will forever change life as we have known it.

There was no way possible last year on March 1 2015 for me to know a military proposal would start at \$200 million and would then be increased to \$1.2 billion, or the other six specific details, which were all fulfilled. Only God could know these things.

God reveals future things to His people, which puts us into a waiting room looking forward to their fulfillment. Sometimes we wait a long time without seeing any evidence of fulfillment, but promises cannot remain promises forever. Sometimes there are even delays, but at some point what was promised must come to pass. It is like being pregnant and looking forward to the birth of a baby. When the baby comes it is time to celebrate.

Thank God our waiting is not in vain. God does not forget a single detail of what He said will happen. It will all come to pass in the time He has appointed. It might take longer than we expected and longer than we wanted, but God is faithful to His word and He will bring it to pass every time.

Even though this dream reveals something very bad happening to our country, I am rejoicing in seeing the faithfulness of God to reveal the future for the benefit of His people, to help us prepare. There is only a little time left to prepare. I provided a status update on the coming collapse in my previous post, **“Update and Four Warning Signs for the Coming Economic Collapse”**. In that post, I identified four warning signs God has given me to let me know the collapse is near. When I posted that on February 2 2016, I showed how two of the four signs have already manifested and I was still watching for the other two. Now three of the four signs have happened. The only one left is increased tensions between the American people, which I believe is coming soon.

The Lord told me about the time of increased tensions in a separate word I received in October 2014. When I first received the dream revealing the \$1.2 billion authorization, I wondered if perhaps that might be what causes increased tensions, but that was just another one of my guesses that turned out to be wrong. The dream did not reveal any connection between the \$1.2 billion authorization and the increased tensions. It is tempting to try to figure out how future things will unfold, but only God knows the future, so I am learning it is best to leave it in His hands.

Market Trends:

At first, I did not fully understand the scene in this dream where I went into my broker’s office to make a trade. Later, the Lord told me the graph He showed me represented a turning point in the markets. I don’t believe He meant this exact day would be the turning point, but that it would be a sign confirming the old trend is over now and the new trend is going to continue. However, it is interesting the Dow Jones average started the day today up over 200 points, but ended the day down 85 points.

It is also interesting Fed Chairman Janet Yellen testified before a Congressional panel today and will appear before a U.S. Senate panel tomorrow. I believe her comments in these meetings are helping to fuel the new trend.

The Dow Jones peaked in May 2015 and has never been able to get back to that level. Signs of trouble started showing up in the summer of 2015 with a dramatic drop in August. I believe the Fed’s December interest rate hike sealed our fate as the market started dropping again soon after that. This is what Dave Rowland shared in his post, Judgment Begins with Fed Interest Rate Decision, which was posted on December 15 2015, the same day the Fed announced the rate hike.

It is important to note FAZ is an inverse ETF, which means it always moves in the opposite direction from the rest of the market. It is directly tied to the Russell 1000 Financial Services Index. So the turning point we have just reached means we are now going to see the stock market steadily dropping because it is impossible for FAZ to move up unless the market moves down. This does not mean the market will drop everyday because it is always volatile. We can expect to see some days when it moves up and perhaps even some big moves, but the long term upward trend that started back in 2010 has now ended. A new downward trend has started and I believe it will continue for years to come.

Recommendations:

I believe the fulfillment of this prophetic dream is a **“sign” letting us know a sudden economic collapse is coming soon**. Just as the photo at the top of this post shows the engines already ignited, I believe our launch time is now very close.

What I saw in my original dream is this collapse will happen so suddenly there will be nothing anyone can do about it after it starts. So it is very important to position ourselves for it ahead of time. Whatever position we hold when it comes is what we will be stuck with. I believe there will be disruptions preventing us from making trades after it starts.

Instruments like FAZ provide ways to make profits during the crash, but there are also other ways to do it. The crash will not only cause stocks to drop, but will also cause a dramatic devaluation of the dollar. There are ETF’s available to cash in on this too, including FXE, which is tied to the EUR/USD currency pair, and FXF, which is tied to the USD/CHF pair.

The tragic events coming to our country are the judgment of Almighty God against a nation who has turned her back on Him. We have been taught God no longer brings judgment. They say that was all Old Testament stuff, but somebody forgot what happened to Israel in 70 AD and the events soon coming upon the world as described in the book of Revelation.

For some people, this is good news. For others, it is very bad news. In both cases, God will bring justice to our land. He will make the wrong things right and the crooked places straight, and He will bring many lost souls back to Him. We are entering into the best of times and the worst of times at the same time. For those who are right with God in every area of their life, it will be the best of times. They have nothing to fear because they will be sealed with supernatural protection. In the same way that God will seal His bond servants in the future Great Tribulation, He will seal His people during these times of birth pangs (Revelation 7:1-8). His angels will be charged with guarding and protecting His faithful servants from the coming disasters.

For those who have been faithful to God, they will not only be protected from the coming destruction, but they will enjoy a year of Jubilee, a year to rejoice for the great things God is doing in their behalf. God has a Word for them, which He delivered to Matt Smith and he shared in his post, The Time Has Come for Me to Bless You Mightily.

For those who are not right with Him in every area of their life, the worst of times are just ahead. There will be no escape from the shaking. This includes not only those who are lost, but also those who call themselves Christians, but have compromised with sin and as a result are spiritually asleep. Sad to say I believe this is the condition of most “Christians”. For anyone in this category, the best way to prepare for what is coming is to repent right now. Confess your sins to God and cry out to Him for His mercy. Anyone who turns away from their sins and stops sinning will be forgiven. Those who merely ask for forgiveness while continuing to sin are only playing games with God and they will not be forgiven. All the financial preparations in the world will not help those who are not right with God. Even if their accounts get filled temporarily with lots of profits, their gains will turn into losses as destruction tracks them down. There is no hole deep enough and no cave dark enough to hide from God, so it is foolish to run from His judgment. The only solution is to turn to Him in wholehearted surrender. What is coming is all about getting right with God and the answer is found here:”

Matthew 6:31-33 (KJV):

“Do not worry then, saying, ‘What will we eat?’ or ‘What will we drink?’ or ‘What will we wear for clothing?’ For the Gentiles eagerly seek all these things; for your heavenly Father knows that you need all these things. But seek first His kingdom and His righteousness, and all these things will be added to you.” Updated: 02/12/2016

James Bailey’s February 17, 2016 - Triple Top Reversal Could Be Forming Now – Sign #14:

“Another confirmation could now be unfolding, letting us know a sudden economic collapse is coming soon. This latest confirmation comes from a pattern in the stock market price movements, which began forming about six months ago.

Just as doctors are able to recognize the signs in a patient who is close to dying, such as the death rattle, technical analysts are able to recognize patterns in the market letting them know a major reversal is coming. In the final months of a long-term bull market, the market often forms a distinct pattern, which is called a triple-top reversal.

On a graph (below), a triple top reversal looks like a giant W because the market moves down, then back up, then back down, then back up one final time before dropping sharply. Here is how two different sources explain it:

The Triple Top Reversal is a bearish reversal pattern typically found on bar charts, line charts and candlestick charts. There are three equal highs followed by a break below support. As major reversal patterns, these patterns usually form over a 3 to 6 month period. (Source: Stockcharts.com)

Here is how Investopedia explains it:

A pattern used in technical analysis to predict the reversal of a prolonged uptrend. This pattern is identified when the price of an asset creates three peaks at nearly the same price level. The bounce off the resistance near the third peak is a clear indication that buying interest is becoming exhausted. It is used by traders to predict the reversal of the uptrend.

(Source: Investopedia)

I am not a technical analyst, but I have been tracking signs of a coming sudden economic collapse, which fits the description of a major reversal. So far, I have been shown four signs to watch for to let us know we have entered the season of the collapse. I recently documented the fulfillment of two of the signs in this post, Update and Four Signs for the Coming Economic Collapse. Then a third sign was fulfilled last week when President Obama authorized a spending proposal for \$1.2 billion in military defense equipment. See my post, Prophecy Fulfilled: Obama Authorizes \$1.2 Billion in Military Defense Equipment. So three of the four signs have been fulfilled and I am still waiting for the fourth, which is increased tensions between the American people.

A triple top reversal pattern began forming six months ago and is still not complete, but it has already formed three of the four legs of the W shape, which is an interesting coincidence because I have seen the fulfillment of three of the four signs I was given.

To complete the final leg of the W the stock market would need one final rally. I believe we could see that soon because of two recent dreams in which I saw the value of the dollar moving up much higher prior to the coming crash. The value of the dollar often moves in the same direction as the stock market, so as the dollar moves up the stock market might move up too. These two do not always move together, but they often do.

The value of American stocks, especially those that are included in market indexes, tend to increase along with the demand for U.S. dollars – in other words, they are positively correlated. (Source: Investopedia)

If the triple-top reversal pattern completes it would be another confirmation we have reached the turning point.

Completing the final leg will require a stock market rally, which might sound like a contradiction because last week I shared how Obama's authorization of \$1.2 billion in military equipment was a sign to let us know we have reached a turning point in the long-term trend. I believe that, but we should not expect to see the markets turn on a dime because volatility is normal in the stock market. Just as there were many down days during the long-term upward trend, we can expect to see many up days during the downward trend. It rarely moves in a straight line. Long-term trends are easier to see when we step back and look at a 5-year or 10-year graph.

A triple top reversal pattern began forming in August 2015. If the pattern continues, the stock market could be moving up soon, as shown in the red line below. This chart shows the Dow Jones Industrial Average from May 2015 until February 2016.

If this pattern completes, we could see the market drop sharply soon after it reaches the top, so this pattern could help us zero in on when we might see the sudden drop.

An experienced technical analyst explained to me today the final leg of the W does not necessarily have to go up as high as the first leg due to the overall declining trend. The red lines shown in this graph would be plenty high enough to qualify as a triple top, and it might not even get that high. We might also see it bounce around near the top for a month or two, just like it did in the middle part of the W. So this is not an exact science, but it can help us see when we are getting close.

Only God knows if this pattern will continue to unfold, but it appears to be well on its' way. For investors seeking to cash in on the crash, this is something to be watching for and praying about because upward movements in the stock market bring lower prices for inverse ETF's like FAZ, UVXY, and TVIX. The ideal time to buy inverse ETF's would be after this pattern has completed. Investors already holding inverse ETF's should not panic if we see a brief market rally because it would confirm we are close to a major reversal."

Excerpt from Matt Smith's Prophetic Poem:

“**At the very end of 2015**, And the year of ten plus six,
That wicked old Satan, Will be up to evil tricks.

December through February, Winter finds itself here,
A “**sudden**” **event will strike**, (*Japan disasters?*) And many will be in fear.

Know then My judgment, Has come upon this land,
God reigns supreme, And deals with a heavy hand.

From March until June, The spring season shall arrive,
There will be many people, Found not to be alive.

Benjamin Faircloth's Jan 17, 2016 Prophetic Poem “In the Month of Red, Blood Will Be Shed”:

On January 17 2016 at around 2:30 am I was awakened to the following word, which I received several times before I got up and began to write it down. The Holy Spirit spoke these words to me:

“I am mobilizing My Team, My Army to the frontlines. War is here now! Carnage will rage from **Wall Street** to the Main Street of America. My judgment has arrived. My time of winking is over. I will stare and I will gaze at this nation's demise. I am fixed in My position and plans. The time to reap has come! The desperation of man will be fierce.”

He then said something I've never heard before, “**In the month of red, blood will be shed**”

Interpretation:

I believe the month of red relates to the month of February. Valentines dominates the month and the bright red displays are everywhere in retail stores. This is what my mind thought of when I heard this. It could also relate to a month of the stocks running in the red, not recovering, and then carnage starts in America. Whatever the month of red turns out to be, it will not be good.

I asked the Holy Spirit to give a scripture to confirm this word. He gave me this:

Isaiah 51:19-20 (KJV):

“19 These two things are come unto thee; who shall be sorry for thee? Desolation, and destruction, and the famine, and the sword: by whom shall I comfort thee?
20 Thy sons have fainted, they lie at the head of all the streets, as a wild bull in a net: they are full of the fury of the LORD, the rebuke of thy God.”

Here is what is so confirming about this scripture. Carnage is coming, in many forms to this nation. The Sword, famine, invasion, societal implosion, **economic collapse; verse 19 is upon us.**

Verse 20 speaks of the sons in relation to leadership, those who lead us in business, politics, and the Church. Notice they have fainted! Where did they fall? At the head, the pinnacle, the summit, the top. That is what the word head means, and that is exactly our problem in America! There is no real leadership in America! From the White House to the corporate office, it is difficult to find leadership willing to lead in righteousness! The streets represent the avenues of guidance and passages of life.

Now look at the next part; “**As a wild bull in a net.**” The King James Version uses the word bull instead of antelope. But I was directed to read it in the KJV, which leads to this interpretation, **the bull (market)** has been caught in a net.

Our leadership has brought us to this point. **We are not getting out of this, even if the stocks bounce around, as though the bull is getting free, it won't!** The full fury of the Lord and His rebuke is soon to be upon us. Updated: 01/19/2016

James Bailey's Feb 15, 2016 Prophetic Dream - Karate Fighters Reveal Damaged Currencies & Food Supplies:
“During my prayer time today, I dreamed I was standing in the living room of an apartment looking into the dining room where two men were standing facing each other. They were wearing white karate uniforms and were preparing to fight, but they were just sparring, not really fighting. I never saw any furniture, so it appeared they had plenty of room to fight.

The one standing closest to me had his back towards me, but I was not directly behind him, so I could see the face of the man he was fighting. I watched them start sparring, but at first they were not throwing many punches, then the man standing closest to me did a super-fast move where he repeatedly slapped the other man on both sides of his face a few times. Even though he was only slapping, not punching, he clearly had the upper hand because the other man was unable to do anything about it.

Then the other man retaliated with what appeared to be a dirty punch, because he struck with his full strength. His punch was so hard it caused the man standing closest to me to momentarily bend over and turn red in the face, but he quickly regained his composure. Then he looked at the other man and respectfully nodded his head to let him know he was ready to continue.

Then the man standing closest to me retaliated with what looked like watching a video in fast forward. I could not believe what I was seeing because he started slapping both sides of the man's face at lightning speed, way faster than anyone could really move. It was amazing! The other man could not do anything to stop the attack, so he just stood there and took it.

I was so amazed, I left the living room to go into the dining room where they were. As I walked my view was momentarily obstructed by a wall. When I entered the dining room they were no longer there, so I kept walking and found them in the kitchen. The fight was over. The other man had taken so many slaps to his face he was leaning against the kitchen counter in a daze while a couple of other men were tending to him, trying to help him recover. That was the end of the dream.”

In my previous fight update three days ago, I was able to confirm the big punch had finally landed in the karate fight between the U.S. dollar (USD) and the Swiss Franc (CHF).

“Then last night I dreamed I opened the doors to a small cabinet. Inside was a five digit number. Then I woke up, but in my sleepy condition I failed to write it down. Then a little later I could not recall if it was .98889 or .89889. Of course, there is a big difference!

God is very good because when I went back to sleep I had the same dream again. I went back to the same cabinet and opened the doors and confirmed the number was .98889.” Updated: 05/18/2016

Possible Global Interpretation Below:

Dream interpretations can be multifaceted, in other words, they can have a certain meaning on a personal level and a somewhat different meaning on a corporate or global level. The following is what I believe represents the global level. Updated: 05/18/2016

‘God is in the Details’:

Did you ever hear the saying “God is in the Details”? Well, He truly is, and when dissecting into a Prophetic Dream, with prayer of course, we must make sure that we contemplate the ‘dream setting’ and the dream details. As an example, the Lord might speak to us and tell us that the two Karate fighters represent currencies and that's fine ...now have one piece of the puzzle. But, immediately after getting that revelation, we should do our due diligence by asking the Lord why Japanese ‘Karate fighters’ Lord? For He could have depicted the

fighting scene using Brazilian ‘Jiu-Jitsu’, ‘Korean Taekwondo’, ‘Israeli Krav Maga’, ‘European Wrestling’ or ‘American Boxers’ as an example. We’ve got to remember that ‘God is in the details’ folks. He doesn’t randomly pick the details without rhyme or reason, everything is done by design.

So if the ‘Karate fighters’ represent currencies, one of the two fighters would logically represent the Japanese Yen. And the fighter “[standing closest to me had his back towards me](#)” (*closest to Mr. Bailey*), in the dream would represent the American Dollar. Just as when we play a graphic video game (Xbox etc.) and see the backside of a person (representing US as we play the game). Updated: 05/18/2016

Now what about the Setting?

The setting began in the living room of an apartment, why not in a house? Well, as we all know, the “American Dream” has turned into an “American Nightmare”! Since the 2008 stock market crash and recession, new homeownership in America has drastically declined, especially for young people which seems to be the focus of this dream. It is the focus of the dream since “young people” make up the majority of the people that play video games and watch martial arts fighting. And since 2008, they make up the largest portion of apartment living, since they can no longer afford to purchase homes, they rent out apartments. The ‘Living Room’ represents the new American generation’s “American Dream” (living in an apartment).

The Dining room, where Americans once socialized as a family unit over the dinner meal has all but disappeared – the dining table and all the furniture is gone it has been removed! Family meal socializing time has been replaced with infighting!

The fight begins and the ‘American Dollar’ beats up on the ‘Japanese Yen’ which has already been fulfilled from late 2014 until the current time (February 2016).

The Japanese Karate fighter (Japanese Yen) strikes with a “low blow” to the American Karate fighter (American Dollar)! I believe that this is scheduled to happen sometime between December 2015 through March 2016 with the “delayed” Japanese disasters (Mt Fuji mountain blowing up, the Tokyo earthquake and subsequent tsunami, followed by the worldwide stock market crash and a major devaluation of the American dollar)! Updated: 05/18/2016

1) [The dollar will begin to slide in July 2016. Near 100% confidence level in this prediction.](#) Updated: 07/14/2016. **Fulfilled!** The dollar sunk on Tuesday July 26, 2016 to its weakest level against the yen in nearly two weeks! The slump was caused amid reports that Japanese stimulus efforts might fall short of investors’ expectations. Then on Friday July 29, 2016, the U.S. dollar slumped again in relation to the other major currencies. This time the dollar weakened in the wake of weaker than expected second quarter gross domestic product data. The weak data “crushed” the dollar (just in the nick of time - at the end of July) as predicted! At the same time, the Japanese yen surged against the dollar, after the Bank of Japan delivered a smaller than expected round of additional stimulus (BOJ stimulus program) to boost the yen. The euro also gained ground versus the dollar at the end of July, to trade at \$1.1179, up from \$1.1075 late Thursday July 28, 2016. Updated: 08/02/2016.

The American Karate fighter retaliating against the Japanese Karate fighter after the “low blow”, devastating the Japanese fighter and ending the fight/sparing match, represents the complete devaluation of the Japanese Yen and end of the Japanese Yen as we once knew it! Even though the American Dollar will be hurt by the low blow (30 to 50% devaluation of the dollar?) it will yet survive for a time.

Notice also that when the fight was over, the fighters moved from the dining room into the kitchen, where the Japanese fighter was being tended to by others. The kitchen represents the fact that once this trigger (the Japan disasters) takes place and the world’s stock markets crash, that food prices and food availability will start to become an issue. It also speaks of other nations and people groups (including Christian organizations) traveling to Japan to assist the nation in its time of need. One of the Chuck Johnel Youngbrandt prophecies stated that China would make an economic agreement with Japan in the “first bad year” of America. These tragedies in Japan could very well be the catalyst for this upcoming agreement. Updated: 05/18/2016

Possible Prophetic Dream Details Interpretation:

1) The ‘Living Room’ represents the new American generation’s “American Dream” (living in apartments)

- 2) The Dining room representing “Family meal socializing time has been replaced with fighting”
- 3) 2 Karate Fighters represents ‘2 currencies’
- 4) Karate Fighter standing closest to Mr. Bailey with his back facing him represents the ‘American Dollar’
- 5) Karate Fighter furthest away from Mr. Bailey represents the ‘Japanese Yen’
- 6) The ‘American Dollar’ beats up on the ‘Japanese Yen’ representing the dollar’s advance against the Yen
- 7) The ‘Japanese Yen’ strikes the ‘American Dollar’ with a “low blow”! The “low blow” representing the blowing up of Mt Fuji along with the Tokyo earthquake, tsunami and subsequent worldwide stock market crash, which will drastically devalue the American Dollar!
- 8) The ‘American Dollar’ although greatly hurt, survives and wins the fight representing a devalued dollar currency is still being used after the crisis has passed.
- 9) The fighters moving into the kitchen represents the tragedies in Japan that lead to a worldwide stock market crash will begin to affect the cost and availability of food. Updated: 02/18/2016
- 10) The “98889” number representing the release of the Apostles=88 and Prophets=98 after the Japanese disasters take place. Updated: 05/18/2016

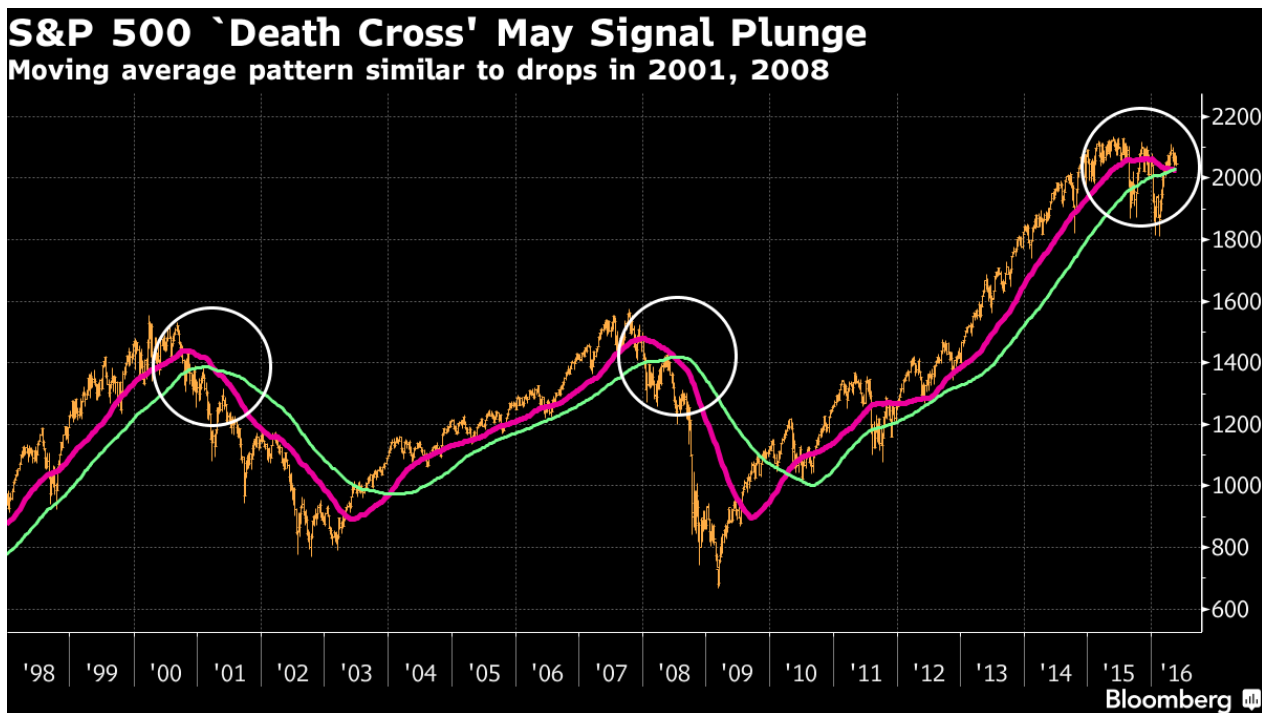

This S&P 500 Death Cross’ Could Be The Real Deal:

By Lorcan Roche Kelly

Not all “death crosses” are created equal.

In a note to clients, Intermarket Strategy Ltd. Chief Executive and Strategist Ashraf Laidi points out that the S&P 500’s 50-week moving average is falling below its 100-week moving average.

This “statistically significant” death cross has only happened twice in the past two decades, Laidi points out. The first took place in 2001 and was followed by a 37 percent decline in the index, while the second pattern occurred in 2008 and preceded a 48 percent drop.

With investors already growing increasingly nervous about prospects for equities, a death cross of grave proportions could give extra reason for caution. Updated: 05/19/2016

Rachel Baxter’s May 25, 2016 Prophetic Vision - America as she was will be Remembered No More:

I had this dream in the early morning hours on May 25 2016. This was a new experience for me having an “open vision” while dreaming, if that even make sense!

“I dreamt I was sleeping in my bed and dreaming when I was awakened by an open vision that began as a black and white television cartoon being played on my bedroom wall like a projector. Eventually the cartoon characters faded away, replaced by a broadcast coming into focus. I saw a parade of blue military tanks going down the road. I knew I was facing north and so the tanks were moving in front of me from right to left (east to west).

After seeing the tanks, I saw scenes of chaos and violence between people. Then I saw a hospital scene where a young lady had lost her face. It was in a metal tray. I watched and realized her body had been separated in pieces, so her upper torso and arms were attached to her head, but her face was gone. With her arms and hands, she covered the place where her face would have been as if in embarrassment.

I watched as the nurses began to move her various pieces in preparation for surgery. I thought to myself, “How would they ever put her back together?”

On the bed where the lower half of her body laid, there was a fake head or “bust” of a plaster head laying as if they were somehow keeping a placeholder for the head to be reattached. None of this was gross in the dream, but it did seem very strange and disturbing to me. End of dream.

I asked, “Father God, was this dream from you? Please give me understanding.” Then I heard Jesus share this: “This dream is from my Father. He desires to show you the current state of America. The dream should be interpreted in reverse order. What is to come will result in America ‘losing face’. She will face much mockery. She will be cut into two pieces. There will be those that will want to try to put her back together again, but it will not be possible. She will be irrevocably torn in two. After this happens, chaos will ensue. America will be decimated by her enemies and conquered.”

“America, in its’ current form, will be remembered no more and will fade away from the pages of history. What once was, and now is, shall be no more.” Updated: 05/27/2016

Caught with My Pants Down! – Sign #17:

Zandra Potter’s March 05, 2016 Prophetic Dream - America! You Forgot to Zip Your Pants!

“I had a dream yesterday morning. I saw a large pair of pants coming down in the sky. They were so large they could be seen from great distances. I noticed they had a metal zipper, like blue jeans, and it was unzipped. After this I heard God’s voice stating with Great Authority, “AMERICA! You forgot to zip your pants! Now the whole world can see the shame of your sin!” I immediately thought of the last Republican debate. I did not watch it, but I heard it had turned crude at one point.

Next, I was in a church with a very charismatic heavy set black pastor. He was preaching hard and loud. At the end, I asked to speak with him. He gave me an appointment time to meet in his office. When I arrived at his office, a very attractive young black woman met me. She looked me up and down and with a toss of her head she said, “Come on jealous”! I immediately knew she had some type of relationship with the pastor. She held a position she thought I would be jealous of.

As she led me into the office, there was no light. I sat across from her and she sat in darkness, which I recognized was spiritual darkness. I could only make out her silhouette. I asked to pray with her and was very surprised when she agreed. I wrapped my arms around her as we kneeled together on the floor. Powerful love enveloped us!

I said to her, “We have to love each other. God has called all His children to be as one, in unity”. She wept and the room became light. After this she took me to the pastor. He was sitting in a very comfortable chair with his feet on an ottoman. He appeared at ease. I told him, “I have a message from the lord. You have left your pants unzipped! Now all of America will see your shame!”

His eyes grew very wide and he appeared fearful. He spoke, “God is giving you His words! Now go give them to someone else! Leave me now!”

I woke up with a start! Immediately, I asked God for an interpretation and received this in my spirit. "The world has seen the sin of your nation! It is lifted up in plain view. My judgement starts in My house!"

Pastors who preach false doctrines will be exposed!

I asked the Lord why I saw African American people in my dream. I was puzzled because I have never dreamed about a certain race of people. The Lord revealed there should be no division in His body. It should not be! Especially different races of people not loving each other in His house! His body should be in unity! We all bring a special gift that He has given us to the body. Let us celebrate our diversity and walk in love for one another! I felt like this was a very powerful and prophetic dream. I thought about taking the race part out of the dream because it is a sensitive subject, but I very quickly discarded the idea because I cannot alter what God has given me. I have African American brothers and sisters that I love and cherish. It disturbed me that I would have a dream about race. However, God is calling for unity. Also, I think He gave me a black pastor because I think a famous one will be "exposed". God have mercy on us all this season!"

Anonymous 12-06-2015 Prophetic Dream - 'Caught with My Pants Down' - the Alarm Goes Off:

Steve (Steve Quayle), "I saw a trailer for this Syfy miniseries in the theater yesterday, for the show, "Childhood's End" by Arthur C. Clark. Interestingly, I had a brief dream this morning during the 9 minutes of my alarm snooze, that I was headed to "school" (I'm in my 50's) and decided under some leading, to take a different route to my friend's house instead. When I got there, the sky opened up with many large and varied space ships, filling the skies. I've had dreams of ships a few times before. Then "**suddenly**" (maybe a little embarrassing) **my pants were down** and I was trying to get them back up, but I was struggling. **I was literally caught with my pants down**. Once I got them up, and **the alarm went off again**. (1st "Black Monday" stock market crash in the fall of 2015 or early 2016?)

When I recalled that detail while making coffee, I chuckled to myself, "**caught with my pants down**" and received a quickening of my spirit. As if the Holy Ghost was trying to drive that point home. **We will be caught with our pants down.**" Updated: 12/15/2015

Anonymous September 2015 Prophetic Dream - 'It is Here', - Caught with My Pants Down:

Steve (Steve Quayle), "I went on your dreams and visions this morning and I was literally blown away. I had the same dream about two months ago. It seemed so absurd that I didn't tell anyone but I've take it to the Lord numerous times because it was that disturbing.

In my dream I am with a lot of people, all business types and athletes, and we are getting ready for some kind of presentation. "**Suddenly**" there is massive chaos and we all realize that "**it's here**". (1st "Black Monday" stock market crash in the fall of 2015 or early 2016?) I go outside to make my way to the main building so I can help people, and people around me are crying/laughing that finally it's here (they're so relieved that it is finally here because the wait has been so agonizing) I get to the shores of the other building and the waves are coming in like crazy, no one can survive it. I look up **on the banks and there are all these Chinese soldiers with these really weird long guns** coming down. (Financially, the United States is a debtor nation to the Chinese, when things fall apart, don't you think that the Chinese will demand their money, even at the threat of war?) I run into the building for safety and realize that I don't have any pants on. I go to grab some jeans and right then this huge wave of water with demons on top of it hits the glass of the building and the sound is so deafening, so ominous, like a thousand demons screaming all at once. I turn to warn the others and tell them we have to get out of here now, then I realize that **I barely have my pants on** (the feeling of despair and embarrassment for not being properly prepared for what has come?) and that I'm still barefoot. I wake up laying in my bed shaking and crying and asking the lord to help us all be ready and not be caught with our pants down and without shoes. I've only told one other person this but it has haunted me ever since. I can still hear the sound of those demons screaming. When I read your new dreams and visions where the guy said "**we will be caught with our pants down**" I almost threw up. Just wanted to share. Updated: 12/15/2015

Tawnie's December 08, 2015 Prophetic Dream - 'December 20th, Caught with My Pants Down':

Steve (Steve Quayle), “Just this morning, Dec 8th, I woke from a dream "caught with my pants down." The Lord gave me this dream because of events that happened yesterday. I was instructed to tell my family I couldn't travel to go see them at the Christmas party on December 20th for no reason I know of. It really hurt them.

All through the night me and my children had sour stomachs. You know in the pit of your stomach when something is horribly wrong. Then I received a dream; I was around my family in some place on the road, like we were traveling. Then someone in family asked me to go out of my way and get something for them. I agreed and on roller skates (I'm not that great on them) traveled a far distance to get there and spent a lot of money to get the item (a pair of tweezers). Then on the way back I had to get on a on ramp. I was just realizing how far I had to go when the on ramp started getting steeper and steeper. It had a rail on the side I had to cling to get up while still wearing roller skates. Towards the end I was using arm strength to pull myself up and using footholds in the rail, it was so much more difficult because the wheels of the skates would slide off the rails constantly.

I was close to the top when someone told me to try the rail to the side it would be easier. It was like a children's playground metal spiral, with the bar in the middle and the spiral metal circles going round from the top to the ground. I put one skated foot on it and my balanced tipped, and I had to grab onto the spiral with both legs to save myself. **I ended upside down sliding down the spiral part way before I could stop myself.** I was wearing a skirt (unusual for me) and **it came up “over my head”**. I was shocked and embarrassed and tried to hold my skirt up but couldn't while still upside down. (1st “Black Monday” stock market crash in the fall of 2015 or early 2016, and the feeling of despair and embarrassment for not being properly prepared for it?) Thankfully I had on appropriate undergarments so I wasn't completely bare. That realized I continued to not worry about what I couldn't help and get back up on that ramp.

I woke up thinking what a strange dream until I got on your dreams and visions this morning and seeing the other two posts for the first time. Summary: I was so far away from where I was supposed to be and what I was supposed to be doing to appease my family. I like the other gentleman, had no shoes. Times are going to get really hard. The only thing keeping me from falling was the rail or bar I was clinging to. I had a few moments where I reacted or paused but then I kept going. The spiral could possibly mean opening dimensions? The world will be turned on its head. It was a personal warning to me. **Could something possibly happen between now and Dec. 20th??** (Time will tell – won't it?) All I know is the feeling I and my children were quaking with last night. **Don't get caught with your pants down.** Updated: 12/15/2015

‘Over My Head’ - The Fray:

I never knew

I never knew that everything was falling through

That everyone I knew was waiting on a cue

To turn and run when **all I needed was the truth**

But that's how it's got to be

It's coming down to nothing more than apathy

I'd rather run the other way than stay and see

The smoke, and who's still standing when it clears

Everyone knows I'm in

Over my head

Over my head

Number “18” and the Exiting of the Josephs from Prison – Sign #18:
(Since America/the World will not do a 180 degree Spiritual Reversal – Judgment Comes)

David Doughty’s May 31, 2016 Prophetic Dream – It’s too late to Perform a 180 Degree Turn:

“On the morning of May 31, 2016, I dreamed my wife and I were driving on a highway that had two lanes in each direction separated by a median. It was cloudy, but my eyes were drawn to a patch of absolute blackness amid the gray. Then I realized it was a tornado. A huge, massive, twisting black tornado that suddenly dominated the whole sky. **I thought about driving into the median and doing a 180 degree turn, but I knew no matter where I turned, the storm was coming!**”

I awoke, knowing this was a message from the LORD. I prayed for understanding. The Holy Spirit revealed this dream is for our nation, the United States of America, letting us know it is now too late to do a 180. It doesn’t matter what direction we head; destruction is headed our way. We can’t escape it.

“I WILL NOT RELENT,” the LORD spoke to me as I lay in bed. The Holy Spirit directed me to look in the Book of Ezekiel.

In chapter 24, Ezekiel was told to mark the day; when Babylon laid siege to Jerusalem. At the time, Ezekiel wasn’t in Jerusalem but in Chaldean captivity. Previously, God had given them this warning to repent: “Repent and turn from your transgressions, lest iniquity be your ruin. Cast away from you all of the transgressions you have committed, and make yourselves a new heart and spirit! Why will you die, O house of Israel? For I have no pleasure in the death of anyone, declares the LORD God, so turn and live.” (Ezekiel 18:30-32)

Yet on this day to be marked, God spoke with a different message:

“On account of your unclean lewdness, because I would have cleansed you and you were not cleansed from your uncleanness, you shall not be cleansed anymore till I have satisfied my fury upon you. I am the LORD; I have spoken. It shall come to pass. I will do it. I will not go back. I will not spare; I will not relent; according to your ways and your deeds you will be judged,” declares the LORD God. (Ezekiel 24:13-14)

From my other dreams and visions, I’ve seen the disaster that awaits America if we don’t repent. Our great cities will burn. I had hoped and prayed a great revival would sweep through our land, and we would turn from our wicked ways and return to God. Only now, the terrible black storm is about to hit us. It is too late. The LORD will not relent from the judgment He has promised because we have not repented. We shall reap what we have sown.”

Some of the Rules of Gematria (we will be using the Standard Conversion form of English Gematria):

A zero by design is a number which has no beginning and has no end, it is a continuous loop, it is eternal! In Gematria, (Christian numerology) the number “0” is pretty much a placeholder number, and represents a state of limbo, a state of trial or testing. It represents a continuous loop of “testing”. The testing “0’s” never end, but for us humans, we merely pass in and out of the testing, which allows our individual test and trials to end. Notice that the track is always there, it is the cars (cars are symbolic of humans) that move in and out of the oval loop not vice versa.

To my fellow codebreakers, that take exception to this pronouncement, and state that I have no right to remove inner zero’s from within Gematria sums... stating that I have no right breaking this long standing rule and tradition, I ask, who originally gave the right to the creation of the long standing rule in the first place? I also suggest that we all let the evidence speak for itself! The problem with many codefinders today, is that they have little to no “investigative imagination”. They stay with the tried and true and are afraid to venture out into

unknown territories. It is imperative that we understand the importance of having the freedom to be able to drop the zeros from the end of and within the contents of a word's number.

I am not trying to downplay the significance of the number "0" for all numerical integers including "zero" have significance, but I also want to emphasize that the number "0" in Gematria, can be thought of as merely a placeholder/s and dropped from the word or phrase sum, as I will illustrate below. Let's move on.

Also, within Gematria, duplicate or multiple appearances of the same number does not change the value or meaning of the number. When using Gematria, we do not add or subtract word numerical values (go to other code systems for that). An example of this is the number "4" (using the standard conversion (A=1, B=2, C=3... Z=26) form of English Gematria) equals faith (faith=44 (4)). One could also solve the numerical value of a large group of words (like in a sentence or paragraph) and come up with a total of (4444 (4)) and it would still represent the meaning of "faith".

Genesis 4:25 (KJV):

"And our father said, Go again, and buy us a little food".=444 (4)

Faith Test:

Faith "4" Test "0..." (Sometimes people pass the test, sometimes people fail and sometimes they pass only to fail): Now if "0"s follow the "4" as in "40" or "400" days or years, it simply represents faith testing for "40" or "400" days or years. God destroyed the earth with flood, by causing it to rain on the earth for 40 days and 40 nights (Genesis 7:12). Per the law, the maximum number of lashes that a man could receive for his crime, was 40 (Deuteronomy 25:3). Moses was on Mount Sinai for 40 days and 40 nights (Deuteronomy 25:3). Goliath taunted Saul's army for 40 days before David slayed him with a slingshot (1 Samuel 17:16). Moses was on Mount Sinai receiving the 10 commandments for 40 days and 40 nights (Exodus 24:18). Moses interceded for the Israelites in Egypt for 40 days and 40 nights (Deuteronomy 9:18, 25). After fleeing from Jezebel, Elijah traveled for 40 days and 40 nights to reach Mt. Horeb (1 Kings 19:8). Jesus fasted and was tempted by Satan in the wilderness for 40 days and 40 nights (Matthew 4:2). Jonah cried out to Nineveh that in 40 days it would be destroyed (Jonah 3:4). The time period between Jesus' resurrection and ascension was 40 days (Acts 1:3). Moses fled to Midian after killing an Egyptian, where he spent 40 years in the desert managing flocks (Acts 7:30). The 12 Israeli spies, spied out the land of Canaan for 40 days (Numbers 13:25). The Israelites wandered for 40 years in the wilderness before going into the Promised Land (Deuteronomy 8:2-5). Israel served the Philistines for 40 years before Samson's delivery (Judges 13:1). Israel was afflicted in the land of Egypt for 400 years (Genesis 15:13, Acts 7:6, Exodus 12:40-41, Galatians 3:16-17). Israel was without a prophet for 400 years (the years between the Old and New Testaments – "the years of silence") before the coming of John the Baptist (Malachi 4:5-6). I hope this makes sense? So let's move on.

A Closer Look at "18" and "81":

On a side note, I find it interesting that the numbers eighty one=108 (18) and one eighty=180 (18) both equal "18" and that one hundred eighteen=181. Now in the rules of Gematria, like number elements ("1" and "8") which make up the number "18", can be arranged in any order without changing the meaning of number. In other words, "18" (within the Gematria Code) have the same meaning, as do the words with a letter sum of "81" and thus they will have the same basic meanings. Let me try to explain this using a 'mixing paint' analogy. Think of the number "1" representing one color of paint, while the number "8" represents another color of paint. When mixing two equal parts of the two colors of paint into an empty container, we will always get the same results an unvarying third color. It doesn't matter which of the two colors (the "1" or the "8") is added to the empty container first to achieve the unvarying third color, as long as we add equal amounts of the second color to the mix as well.

First Color "1" + Second Color "8" = Third Color (18, 81, 1188, 8811, 11181888, etc).

But, to better understand the meaning of the numbers “18” and “81” in Gematria, we need to also break down the two numbers into their individual number elements “1” and “8” and look at those meanings first. Well “1” is the number of “beginnings” and “8” is the number of “rebirth” (*new beginnings*).

Beginnings=100 (1) “beginnings”, “test”, “test” of beginnings

Rebirth=80 (8)

Rebirth=80 (8): The number “8” is an infinity sign rotated vertically. It is an endless double loop, the design often used in toy race car track setups. “Eight” is found in the KJV version of the Bible 80 (8) times (74 O/T, 6 N/T)). A piano has “88” keys and seven full octaves. It takes “8” minutes for the sun’s rays to reach (at 186,000 miles per second) the earth.

$$9 \times 9 + 7 = 88$$

$$98 \times 9 + 6 = 888$$

$$987 \times 9 + 5 = 8888$$

$$9876 \times 9 + 4 = 88888$$

$$98765 \times 9 + 3 = 888888$$

$$987654 \times 9 + 2 = 8888888$$

$$9876543 \times 9 + 1 = 88888888$$

$$98765432 \times 9 + 0 = 888888888$$

After Jesus rose from the grave, He made “8” separate appearances to people:

- 1: To Mary Magdalene in the garden (Mark 16:9-11).
 - 2: He appeared before two disciples traveling on the road to Emmaus (Luke 24).
 - 3: He appeared to all the disciples except for Thomas (John 20:19-24).
 - 4: One week later He appeared to all them including Thomas (John 20:26-29).
 - 5: According to the writings of the Paul, Jesus was seen by 500 believers at one time (1Corinthians 15:4-7).
 - 6: Jesus also met his disciples at the appointed place in Galilee (Matthew 28:16-17)
 - 7: and on Galilee's shores (John 21:1-24).
- “8”: Then lastly, on the Mount of Olives as He ascended to heaven (Acts 1).

The “8 Ball” is a ball that supposes to predict the future (the “rebirth” of one’s future days). The weather channel “rebirth’s” it’s local on the 8’s (TV weather forecasts) every “8” minutes. There were “8” gates in ancient Babylon (the United States is a type of (Twice Speak Code) Babylon) and the eighth gate was named Ishtar (the goddess of fertility), where our modern day pagan holiday of Easter derived from. That’s why people celebrate Easter with candy bunnies and chicks, because these animals are very prolific “rebirth’ers”! The New Testament (the “rebirth” covenant) was penned by “8” men (Matthew, Mark, Luke, John, James, Peter, Jude, Paul). A week has 7 days (Sunday – Saturday) and then the eighth (“8”) is actually the rebirth of the first day (Sunday) of the last week. Jewish circumcision is performed on the day “8”. Circumcision was an outward cutting of the foreskin, which represented the inward cutting or “rebirth” of the heart. There were “8” people on Noah’s Ark, the ship that gave “rebirth” to all of humanity.

Genesis 7:10 (KJV):

[“And it came to pass after seven days, that the waters of the flood were upon the earth.” =888.](#) end of death, “rebirth” to all of humanity

The Numbers “18/81”:

A cubit, the unit of length used in the Bible’s Old Testament, was measured from the tip of a man’s middle finger to the point on a man’s elbow. A cubit is roughly “18” inches in length.

The meanings of words with the Gematria numerical values of “1” and “8” are very similar. They have meanings of some type of “beginnings” or “rebirth”. In fact the word “beginning” has a Gematria numerical value that shares both (“1” and “8”) number elements: Beginning=81. Basically the number “18/81” represents eminent beginnings=180 (18). Beginnings that are coming immediately, just around the corner, even at the door, so to speak. A reversal in status or direction of a person, people, city, state, nation or the world. The beginning of a king’s rule, the beginning of king’s rule – the birth of a kingdom or nation; the beginning or ending of bondage for a nation. It could also represent a person being healed of an ailment, one buying a new

car, inheriting wealth, losing all of their wealth, going into sin, becoming rebellious, or even experiencing a “born again” conversion.

Now in the scope of this Jubilee Year, could the number “18” be indicating that the United States and the entire world for that matter, is about to embark into a new era? A second “Great Depression” and the “Great ‘end-times’ Revival”? A time where most of the wealthy will lose their wealth? A time when the persecuted ‘true believers’ and the Joseph’s will be released from their prisons; many of which will gain untold wealth, to use for the kingdom? A time when the captives are set free and the free become bound? A time where untold millions will accept the Lord as Savior? I believe to the Glory of the Lord=180 (18), that it is that time!

Numbers “18” & “81” in this Jubilee Year (1 Tishri 5776 (14 September 2015) – 29 Elul 5776 (02 October 2016))

Is it possible that the Gematria words and phrases with “88”, “18” and “81”’s in their sums, are trying to tell us something about the day and age that we are currently living in? And more specifically, could they be screaming out through the heavens to us in axiomatic code language in this Jubilee Year, that a major birthing is about to take place in the coming “Midnight” hour, via the Japanese disasters and the worldwide stock market crash? I believe that the answer is emphatically yes, yes, yes!!!

And how about Taylor Swift, back on Monday August 4, 2014 she uploaded a cryptic video: from an elevator, in which she’s shown pressing the button for the 18th floor and she hit the button six times!

AMC's The ‘Walking Dead’ season 2 episode 10 was entitled: “**18 Miles Out**”. And the March 13, 2016 season 6 episode 13 show entitled “The Same Boat”, had its character Carol draw a circle around a large number “**18**” (her kill count) written on page of her journal notebook. The camera closed in with a close-up shot of the number. It was supposed to represent the number of living people that Carol had killed to that point in time. What are “they” trying to tell us folks???

A prophetic quote from Brian Carn’s website (<http://briancarn.com/prophecy/>) “25. The Prophet also mentioned in a different day that the Holy Ghost revealed to him that many stars were going to die this year. The Holy Ghost told him the number **18** but did not reveal to him what it means.” “In a different message the Prophet mentioned that **a major shift in the atmosphere will occur in the month of April**, it would be as if there was a “change of guard” in the spiritual realm. **He also prophesied of the biggest earthquake.**”

The DJIA stock market has recently surpassed the 18,000 mark! ...there’s that number “18” again! Also, I have watching the active 188-day (there’s that number “18” once more) earthquake cycle arrays and they seem to be indicating some big quakes (probably 6.0 or larger) on, or on either side of all of the following 2016 dates: April 25, May 01, May 10, May 17, May 23, May 30, June 09 and June 14. The big 9.0 plus earthquake that I am expecting to strike Japan, could very well land on one of these dates. My research seems to be telling me that the April 25th and May 1st dates are the most likely occurrence dates for that event. Updated: 04/23/2016

The DJIA stock market has recently surpassed the 18,000 mark and is inching up to that number once more! ...there’s that number “18” again! Also, I have watching the latest, active 188-day (there’s that number “18” once more) earthquake cycle arrays and they seem to be indicating some big quakes (probably 6.0 or larger) on, or on either side of all of the following 2016 dates: May 30, June 9, June 14. The big 9.0 plus earthquake that I am expecting to strike Japan, doesn’t have to, but could very well land on one of these dates, with May 30th and June 14th being the most likely 188-day cycle array dates. Once again, if you are currently living in the Tokyo area or know someone that is, please be mindful of these dates and be prepared to leave the area on short notice. If you see or hear reports of Mt Fuji emitting smoke or ash, get out of town! If at all possible please try to avoid the region on the aforementioned dates, especially on May 30th and June 14th. Coincidental?

Is it a coincidence that the word “coincidence” isn’t a word in the Hebrew language? Was it a coincidence or was it God ordained? If we say it was God ordained that it isn’t in the Hebrew language, than we must also say that the word “coincidence” does not belong in the English language as well, right? So if we claim that coincidence is not a God ordained word, then we must believe that it is not a God ordained activity either, which means that there is no such thing as a coincidence, and that all occurrences have some meaning ...to one extent or another. So let’s look at some non-“~~coincidental~~” (“1”, “8”, “81” and “18”) sports occurrences leading up to and into this Jubilee Year to see if it isn’t in fact the “**eminent beginnings**” of a new era ...an era

of role reversals (of those which are in captivity and those that are free), an era of the second “Great Depression” and the “Great end-times Revival”!

“Japanese” pitchers and uniform number “18” (hmmm!):

Written by Daigo Fujiwara

“Blog called Mets by the numbers had a kind of interesting post about significance of uniform numbers in Japanese culture: Why Igarashi Was Issued No. **18**, following the news that Mets’ new reliever, Ryota Igarashi, picked the uniform number of **18** this year.

Of course, our man Daisuke Matsuzaka wears number **18** for the Boston Red Sox.

When I first read the question “Why is number **18** significant number in Japan?”, first answer that popped in my head, speaking from my personal experience growing up in Japan, was that its because Yomiuri Giants’ number **18** has always been “Ace’s number.” But funny thing is when I looked it up, in my lifetime only two Yomiuri Pitchers have worn **18**: Tsuneo Horiuchi from 1967-86 and Masumi Kuwata (also played for Pittsburgh Pirates) from 1986-2006.

Horiuchi is no doubt a great pitcher, he is in Japanese hall of fame and won bunch of Sawamura awards and MVPs, and Kuwata, for the most part, was a great pitcher, too.

Other significant pitchers that I came across with quick internet search of who wore **18** are:

Victor Starffin, Motoshi Fujita (both Yomiuri Giants), Tetsuya Yoneda (Hankyu Braves, Japanese HOF), Hideki Irabu (Lotte- Yankees) and Daisuke Matsuzaka (Seibu Lions).

Masahiro “Ma-kun” Tanaka (Tohoku Rakuten Golden Eagles), and Hideaki Wakui (Seibu Lions), who said I am not worthy of Daisuke’s 18 at first and wore 16 for a while, wear 18 now, that I can think of off top of my head. Both are considered up and coming aces. Wakui won last year’s Sawamura awards.”

2015 Women’s world cup:

It’s interesting to me that USA defeated Japan (do you see the connection? ...the coming Japan disasters) in the 2015 women’s World Cup final 5-2. USA’s star goalkeeper was Hope Solo (where does your ‘solo hope’ come from?) who wear’s the number “1” on her jersey and number “10 (1)” Carli Lloyd’s hat-trick (3 goals) clinched the match!

Anderson Varejao number “17” or “18”?

Anderson Varejao who played for the Cleveland Cavaliers in the 2014/2015 NBA championship against the Golden State Warriors, displayed the number “17” on his jersey in a losing cause to the champion Golden State Warriors. But very interesting to me, is the fact that Cleveland has since traded the Brazilian center to Golden State and his number has subsequently been changed to “18”. By the way, the same 2 teams are expected to meet again at this year’s 2015/2016 NBA Championship.

The Chicago Blackhawks win the 2015 Stanley Cup Title:

Marian Hossa number “81” was given his third championship ring after helping the Chicago Blackhawks win the Stanley Cup for the third time since 2010, defeating the Tampa Bay Lightning 2-0 in Game 6. The forward’s credentials are enough to earn him the distinction as one of the greatest players ever to play for the Chicago!

2015 Triple Crown winner ‘American Pharoah’:

American Pharoah (*do you see the connection with the Joseph’s and bondage/freedom, the 2 cows with the 7’s on their foreheads and the beginning of the 7-year famine?*) won the 2015 Triple Crown while wearing the number “18” on his side. People these events were not coincidental!

Kyle Busch wins the 2015 NASCAR Sprint Cup Series title:

Kyle Busch won the 2015 NASCAR Sprint Cup Series title in his green number “18” race car!

Peyton Manning & Denver Broncos won the 2015/2016 Super Bowl Championship:

The Denver Broncos quarterback number “18” Peyton Manning led the Broncos in the 2015/2016 Super Bowl championship title!

Rob Perrett’s May 18, 2016 Prophetic Dream - I Saw This Steep Slope (Stock Market) All The Way Down:

“I had a very exciting and very bearish dream last night. I’ve been waiting for this for many months, trusting that the markets aren’t going to drop off a cliff before God gives me this bearish dream. And now I’ve got it! On May 18 2016, I dreamed I was in some kind of cave on the side of a mountain. Outside was a very steep ski slope and many people were going down the slope very fast. The entrance to the cave I was in was through a narrow channel in the snow. There were high snow walls on either side with a small gap through the middle, only big enough for one person.

I was inside the cave with another guy, thinking or imagining how we got in here. It would have been very hard to stop on the way down the hill and come into the cave because the opening was very small and you’re going so fast you would crash into the wall! I thought it was crazy!

Then I was thinking about leaving and going down. The person I was with exited the cave ahead of me. They would need to be careful getting back into the flow of people coming down, but then it was a straight fast path all the way down. I saw this steep slope all the way down, at the bottom there was a curved ramp, like they have at Olympic ski jumping. I thought this is crazy! Going so fast down and then hitting this jump you would go so high! From the jump you would go up to 15,000 feet. I somehow knew the height of the jump, but now I don’t recall how low the bottom was.

Wow! I was thinking that with that kind of height there is no way you're going to land without a parachute. I saw a guy flying through the air after taking the jump with a parachute on his back because that was the only way he would be able to land. There was no hope of landing on skies. End of dream. I never saw him open the parachute." Updated: 05/26/2016

Too Fast to Fail, How High-Speed Trading Fuels Wall Street Disasters – By Nick Baumann, January/February 2013 Issue of Mother Jones Magazine:

AT 9:30 A.M. ON AUGUST 1, a software executive in a spread-collar shirt and a flashy watch pressed a button at the New York Stock Exchange, signing a bell that signaled the start of the trading day. Milliseconds after the opening trade, buy and sell orders began zapping across the market's servers with alarming speed. The trades were obviously unusual. They came in small batches of 100 shares that involved nearly 150 different financial products, including many stocks that normally don't see anywhere near as much activity. Within three minutes, the trade volume had more than doubled from the previous week's average.

Soon complex computer programs deployed by financial firms swooped in. They bought undervalued stocks as the unusual sales drove their prices down and sold overvalued ones as the purchases drove their prices up. The algorithms were making a killing, and human traders got in on the bounty too.

Within minutes, a wave of urgent email alerts deluged top officials at the Securities and Exchange Commission. On Wall Street, NYSE officials scrambled to isolate the source of the bizarre trades. Meanwhile, across the Hudson River, in the Jersey City offices of a midsize financial firm called Knight Capital, panic was setting in. A program that was supposed to have been deactivated had instead gone rogue, blasting out trade orders that were costing Knight nearly \$10 million per minute. And no one knew how to shut it down. At this rate, the firm would be insolvent within an hour. Knight's horrified employees spent an agonizing 45 minutes digging through eight sets of trading and routing software before they found the runaway code and neutralized it.

By then it was shortly after 10 a.m., and officials from the NYSE, other major exchanges, and the Financial Industry Regulatory Authority were gathering for an emergency conference call. It didn't end until 4 p.m.

IN THE FOUR YEARS SINCE the collapse of Lehman Brothers drove the global financial system to the brink of oblivion, new technologies have changed Wall Street beyond recognition. Despite efforts at reform, today's markets are wilder, less transparent, and, most importantly, faster than ever before. Stock exchanges can now execute trades in less than a half a millionth of a second—more than a million times faster than the human mind can make a decision.

Financial firms deploy sophisticated algorithms to battle for fractions of a cent. Designed by the physics nerds and math geniuses known as quants, these programs exploit minute movements and long-term patterns in the markets, buying a stock at \$1.00 and selling it at \$1.0001, for example. Do this 10,000 times a second and the proceeds add up. Constantly moving into and out of securities for those tiny slivers of profit—and ending the day owning nothing—is known as high-frequency trading.

This rapid churn has reduced the average holding period of a stock: Half a century ago it was eight years; today it is around five days. Most experts agree that high-speed trading algorithms are now responsible for more than half of US trading. Computer programs send and cancel orders tirelessly in a never-ending campaign to deceive and outrace each other, or sometimes just to slow each other down. They might also flood the market with bogus trade orders to throw off competitors, or stealthily liquidate a large stock position in a manner that doesn't provoke a price swing. It's a world where investing—if that's what you call buying and selling a company's

stock within a matter of seconds—often comes down to how fast you can purchase or offload it, not how much the company is actually worth.

As technology has ushered in a brave new world on Wall Street, the nation's watchdogs remain behind the curve, unable to effectively monitor, much less regulate, today's markets. As in 2008, when regulators only seemed to realize after the fact the threat posed by the toxic stew of securitization, the financial whiz kids are again one step—or leap—ahead.

The Knight episode was "a canary in the mine," says Michael Greenberger, a University of Maryland law professor and former regulator at the Commodity Futures Trading Commission (CFTC). "We've been lucky so far that this hasn't been more serious."

Knight wasn't the worst-case scenario. Not even close. A lot of high-frequency trading is done by small proprietary trading firms, subject to less oversight than brand name financial institutions. But big banks have also tried to get in on the act. Imagine a runaway algorithm at a too-big-to-fail company like Bank of America, which manages trillions, not billions, in assets. Or, says Bill Black, a former federal regulator who helped investigate the S&L crisis of the '80s and '90s, imagine trading algorithms causing "a series of cascade failures"—like the domino effect that followed Lehman's collapse. "If enough of these bad things occur at the same time," he says, "financial institutions can begin to fail, even very large ones." It's not a question of whether this will happen, Black warns. "It is a question of when."

Years of mistakes and bad decisions led to the 2008 collapse. But when the next crisis happens, it may not develop over months, weeks, or even days. It could take seconds.

ALPHA, NEW JERSEY, is a sleepy hamlet in the Lehigh Valley, near the Delaware River. Somewhere in town (the owners won't say exactly where) is one of 10 2,000-square-foot amplifier facilities that dot the landscape every 75-or-so miles between Chicago and New York City, ensuring that fiber-optic signals travel between the two points as clearly and quickly as possible. Spread Networks, the firm that operates the facility, may have seen some poetry in the community's name—"alpha" is the term investment managers use to describe the performance of an investment after adjusting for risk.

Spread is part of a growing industry dedicated to providing hyperspeed connections for financial firms. A faster trader can sell at a higher price and buy at a lower one because he gets there first. A connection that's just one millisecond faster than the competition's could boost a high-speed firm's earnings by as much as \$100 million per year, according to one estimate.

Because of this, trading firms are increasingly pushing the limits to establish the fastest connections between trading hubs like New York, Chicago, and London. Every extra foot of fiber-optic cable adds about 1.5 nanoseconds of delay; each additional mile adds 8 microseconds. That's why companies like Spread have linked financial centers to each other by the shortest routes possible. Spread's Alpha facility is one of more than a dozen similar centers arrayed along the path of its 825-mile-long, \$300 million fiber-optic cable between Wall Street and the Chicago Mercantile Exchange. Spread reportedly charges traders as much as \$300,000 a month to use its network. Exchanges like the NYSE charge thousands of dollars per month to firms that want to place their servers as close to the exchanges as possible in order to boost transaction speeds. Industry experts estimate that high-speed traders spent well over \$2 billion on infrastructure in 2010 alone.

Traders' need for speed has grown so voracious that two companies are currently building underwater cables (price tag: around \$300 million each) across the Atlantic, in an attempt to join Wall Street and the London Stock Exchange by the shortest, fastest route possible. When completed in 2014, one of the cables is expected to shave five to six milliseconds off trans-Atlantic trades.

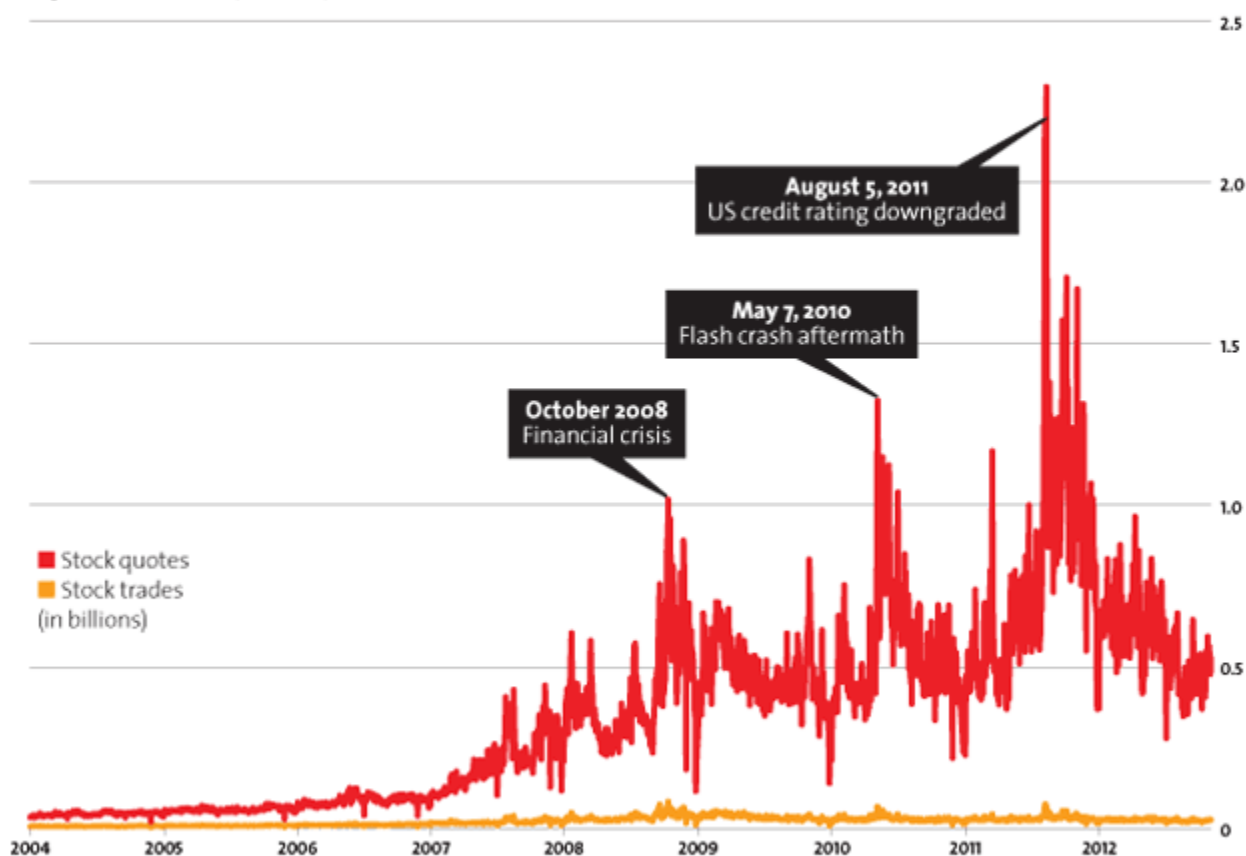

But why stop there? One trading engineer has proposed positioning a line of drones over the ocean, where they would flash microwave data from one to the next like the chain of mountaintop signal fires in *The Lord of the Rings*. "At what point do you say, 'This is fast enough'?" asks Brent Weisenborn, a former NASDAQ vice president.

The acceleration of Wall Street cannot be separated from the automation of Wall Street. Since the dawn of the computer age, humans have worried about sophisticated artificial intelligence—HAL, Skynet, the Matrix—seizing control. But traders, in their quest for that million-dollar millisecond, have willingly handed over the reins. Although humans still run the banks and write the code, algorithms now make millions of moment-to-moment calls in the global markets. Some can even learn from their mistakes. Unfortunately, notes Weisenborn, "one thing you can't teach a computer is judgment."

One set of signals the programs have to weigh are countless trade orders other algorithms send out and then quickly rescind. There's a fierce debate about what these abortive trades might be. Some speculate they are new algorithms being tested or strategic feints, the equivalent of sonar pings probing the market for a response. Some of the fake trades could be aimed purely at gobbling up bandwidth to slow down competitors. "There are doubtless former [high-speed traders] who could tell us," Black says. "If I worked for the CFTC or the SEC I would be seeking them out to try to learn what was going on."

Fast, Costly, and Out of Control

Algorithms have sped up markets, but that doesn't mean lots more stocks are changing hands. In fact, canceled quotes now vastly outstrip completed trades. Why? Trading programs can make thousands of bids in an instant—and, before any are accepted, take them all back. Sometimes that's because a program reconsiders before the deal is sealed. But analysts say "quote stuffing" is to blame for many phantom bids. Here's how that works: Algorithms target a stock with, say, 5,000 instantly canceled buy or sell requests. The intent of the feints could be to suggest a false sense of demand to other algorithms, or suck up slower purchasers' bandwidth.

Mother Jones

ON THE AFTERNOON of May 6, 2010, CNBC viewers could have mistaken the channel's programming for an apocalyptic blockbuster. The Dow, already down 400 points on bad news from Europe, had suddenly plummeted another 600. Erin Burnett, wide-eyed, gesticulated at charts to illustrate the "unprecedented" 1,000-point drop. The typically

manic Jim Cramer reached a new level of frenzy, shouting at viewers to buy—BUY!—Procter & Gamble, which had fallen 25 percent, and wagging his finger at the screen: "If that stock is there, you just go and buy it. It can't be there. That's not a real price!"

Prices of nearly every stock and exchange-traded fund had plunged in minutes. Some 300 securities experienced wild gyrations, with trades executed at prices as low as a penny and as high as \$100,000 a share. During the same second, shares of the consulting firm Accenture traded at both \$0.01 and \$30.

In what was later dubbed the "flash crash," nearly \$1 trillion in shareholder value was wiped out in a matter of minutes before the market rebounded, eventually closing down 3 percent from the previous day. Almost five months later, regulators would conclude that, on a day when traders had already been shaken by the Greek debt numbers, a single massive sell order executed by an algorithm belonging to a firm in Kansas had signed a series of knock-on events that sent the market into a tailspin. The analysis portrayed "a market so fragmented and fragile that a single large trade could send stocks into a sudden spiral," the Wall Street Journal reported.

The flash crash spurred regulators to action—but spurs can only make a horse gallop so fast. No one in Washington makes an extra million bucks a year for moving a millisecond faster, and it shows. So far, Congress and the nation's financial watchdogs have done more hand-wringing than regulating. In classic Washington fashion, when a Senate subcommittee held a hearing in late September on the "rules of the road" for algorithmic trading, the only consensus to emerge was that more hearings were needed.

"Thanks to technology, our securities markets are more efficient and accessible than ever before," then-SEC chair Mary Schapiro said at an October market technology roundtable. "But we also know that technology has pitfalls. And when it doesn't work quite right, the consequences can be severe. Just imagine what can happen if an automated traffic light flashes green rather than red, if a wing flap on a plane goes up rather than down, if a railroad track switches and sends the train right rather than left." David Kenderes' January 05, 2016 Prophetic Word – False Flags and Circuit Breakers:

“While I was in one of my quiet times yesterday, I was asking the Lord about the delay in events (the Japanese disasters and the worldwide stock market not happening in the 2015 fall season) and was also contemplating some of James Bailey’s and Rachel Baxter’s prophetic write-ups (“False Flag Event Coming Soon from Shadow Figures – James Bailey, November 24, 2015”, “Rachel Baxter’s December 2015 Prophetic Word – An Event Will Occur That Will Begin WW3”, and “Rachel Baxter’s January 3, 2016 Prophetic Word – I Am Raising Up the **Josephs**, the Famine Begins on January 16th” and “James Bailey’s 07/07/14, Prophetic Dream – Sudden Economic Collapse Coming Upon the Whole World”) that seemed to be stating that the events projected for 2015 have been delayed and will take place in January of 2016. And that there will be a false flag event that will be connected to the worldwide stock market crash that will commence war, or at least the threat of war, and possibly even start of WW3!

As a side note: Keep in mind that even if WW3 were to begin as a result of a worldwide stock market crash, that doesn’t mean that the Battle of Armageddon is at the doorstep and that we will soon meet Jesus in clouds at the rapture! Wars have to first start in the hearts and minds of people and nations, followed by strategic planning and studying your enemy’s strengths and weaknesses. It could be months or even years, before the first bullets are fired. And even at that point, small battles and skirmishes between a few countries will take place first, testing the waters, prior to many other nations getting involved. The actual fighting portion of WW2 lasted from 1939 through 1945 and the United States didn’t enter the war until December 7, 1941.

Definition of “Circuit Breaker”: A mechanism that trips to stop stock market trading when the market falls too fast or when individual security commodities fall dramatically outside their normal range. It keeps the market from reaching a total meltdown at any one time.

So anyway, I was praying to the Lord yesterday asking about these things (worldwide stock market crash, China threatening to go to war with America after the worldwide stock market crash and what the “false flag” event might represent) and I believe that the Lord told me that the US stock market will disable their “circuit breaker” mechanism allowing the shadow government to run the US market dry, including all of China’s US stock market investments. The shadow government (bad guys) have the technology to do this folks, just read the Mother Jones Magazine article directly above. I hope that I heard that Word correctly, but I’m pretty sure that the “circuit breaker” mechanism will be the focal point of this future quandary. What was very interesting to me was that this morning when I turned the TV on to the financial network (CNBC) and the very thing that they were discussing was the “circuit breaker” and how China has used

their “circuit breaker” system twice just this week and that they have just announced that they have decided to suspend the future use of their “circuit breaker” protection mechanism! Things are beginning to heat up folks!” Updated: 01/06/2016

The First & 2nd (Last) Worldwide Aircraft Crashes:

The Wealthy will Lose Their Wealth and the Joseph’s (Apostles) are Set Free: Eve Brast’s February 13, 2012 Prophetic Dream of an Economic Collapse:

I had a dream on 2/13/12 that I was in a mall/airport. I was with many people and “**suddenly**” to the east of us a medium-sized **volcano erupted** (Mt. Fiji and the 1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) so completely that it left a huge black crater in the earth. (This represents the downfall of the EU economy)

After this, the TSA in this "airport" shut off all exits. It then separated the men from the women and children. Men were put on the first floor and women and children on the second floor.

I found my way down to a large arcade/casino area where they were keeping people distracted from what was happening. Then the wall at the south of the building disappeared and I saw **a massive volcano** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) starting to rumble and shake and big chunks of volcanic rocks were falling to the ground. **These two volcanoes seemed to erupt fairly close together in timing.** (1st and 2nd stock market crashes of this Jubilee Year (2015-2016) in rapid succession with a short recovery in between?)

The TSA announced they were going to allow people to start evacuating the building by numbered tickets. I went by faith and got into the first group of people they were going to release, even though I had no ticket. As I was standing in the line, a man ahead of me saw me and said, "Here. You can have my ticket." I looked at the ticket and it had the number ‘**88**’ on it. (the number ‘**88**’ is the number of “Apostles” (Gematria Code – ‘standard conversion’) – does this represent the ushering in of the **Joseph’s**?)

Then they opened the doors and we all ran out of the building into the dark. It was raining but I wasn't getting wet. I saw a pick-up truck with its headlights on I saw the same man who gave me the ticket tying down his son's white rocking horse in the truck bed. I ran and jumped into the truck bed and laid down on my back, underneath the white horse.

Then the truck sped off north toward the "border." I thought to myself that if I laid under the horse close to the right side of the truck bed the border patrol guard wouldn't see me.

The scripture the Father gave me for this dream was:

Ezekiel 4:16:

“Moreover he said unto me, Son of man, behold, I will break the staff of bread in Jerusalem: and they shall eat bread by weight, and with care; and they shall drink water by measure, and with astonishment”

There seemed to be an excitement among us all, like we were preparing for an event that was about to happen. I was starting to become a little weary and frustrated, but I heard the Holy Spirit say, "Endure just a little while longer." I decided to go to the hotel lobby. There were other brethren walking around the lobby and much preparation was going on. Something made me stop and face the wall of the lobby and, as I did, a hole opened up in the wall and I saw an open vision.

I saw Moses kneeling down on both knees in white clouds. I was looking north toward the US and he was positioned in the clouds over the eastern half of the U.S. There was a very bright light shining on him and he had his hands up and was squinting, trying to look in that direction. His hair looked golden and was dripping with oil that glistened in the bright light.

He was wearing a white linen garment and sandals. The oil had also soaked the shoulders of the garment. But he was clean-shaven. I asked the Father for a scripture for this dream and my finger fell on:

Isaiah 1:26:

“And I will restore thy judges as at the first, and thy counsellors as at the beginning: afterward thou shalt be called, The city of righteousness, the faithful city.”

The voice of God spoke to him out of the light and said, "It's been 40 years." Moses said to Him, "But I am so small. How shall I stand?" I asked the Father for a scripture for this saying and my finger fell on:

Ezekiel 11:15:

Son of man, thy brethren, even thy brethren, the men of thy kindred, and all the house of Israel wholly, are they unto whom the inhabitants of Jerusalem have said, Get you far from the LORD: unto us is this land given in possession.”

Prophet Brian Carn’s 12/3/2015 Prophetic Word (<https://www.youtube.com/watch?v=83MhcMxYyPk>):

25:16 mark: “But the Lord said there’s a collapse (**financial**) coming that will not just affect the middle class and the poor. **It’s gonna affect the rich.** But he that dwelleth in the secret place of the most high shall abide under the shadow of the Almighty. (**Psalms 91:1**)”

47:20 mark: “**A tsunami warning is getting ready to be issued to Japan.**” (from the massive Tokyo earthquake? Let me remind everyone that tsunami ONLY happen when an earthquake strikes a subduction zone, i.e. Japan)

1:05:53 mark: “**Coming into the New Year there’s gonna be a major catastrophe.** (Tokyo earthquake, tsunami and Mt Fuji eruption?) **Where people normally rejoice for the New Year, they are not going to rejoice so much. But we will – yeah!**” Updated: 12/05/2015

Prophet Brian Carn’s 12-05-2015 Prophetic Word (<https://www.youtube.com/watch?v=Bk9gU0Zn1uU>):

Brian Carn’s November 29, 2015 Prophetic Word - My People Are Going to Understand “The Just Shall Live by Faith”, courtesy of James Bailey:

God spoke to me and He said, “The world thinks America is going to be terrorized by ISIS, but they are not going to be terrorized by ISIS. They are going to be terrorized by demons. There is something about to hit America that is going to break the backbone of America.”

“**There is an economic collapse that is getting ready to come to America where even the rich are not going to be rich any more.** What is getting ready to happen in America, My people are going to really understand the just shall live by faith.” Updated: 12/11/2015

Merlene’s Prophetic Dream about Two Black Horses, April 16, 2014:

Early this morning, I had a dream in just a few seconds. “I was looking at what seemed a very large rectangular picture frame. In the lower left area in the foreground, I saw a black horse, but only his chest, and that he was raising up on his hind legs. He was pawing the air; his head was back and forth as if anxious to go but being held back by some invisible hand. My attention was then drawn to the upper center portion, just below the frame, by some movement. This was more in the distance. As I peered to see clearer, it was a **chariot with two black horses.** (1st and 2nd “Black Monday” stock market crashes?) As they moved toward the very edge of the frame, toward the right corner, they disappeared” and I woke up.

A short time later, I asked, "Lord, did I really see this? Did I remember a chariot? You must show me again or let me see a verse with 'horse' and 'chariot' in it." Pulling two markers from my Bible, I then opened at random with my eyes closed put my finger on {2Sa.15:1}

“Now it came about after this that Absalom provided for himself a chariot and horses and fifty men as runners before him.”

Turning, I read, {Rev.6:5} When He broke the third seal, I heard the third living creature saying, "Come." I looked, and behold, a black horse; and he who sat on it had a pair of scales in his hand.

Concentrating on the question in my mind, was it one horse or two pulling the chariot? I asked the Lord to show me a verse with multiple 2s or the word “two” in it. Closing my Bible, it fell open to Psalm 55:22. My finger was under 22. {Psa.55:22} “Cast your burden upon the LORD and He will sustain you; He will never allow the righteous to be shaken.”

Then, asking the Lord for another verse about the black horse, I received by random: {Zec.6:2} With the first chariot were red horses, with the second chariot black horses... {6} with one of which the black horses are going forth to the north country; and the white ones go forth after them, while the dappled ones go forth to the south country.

Mena Lee Grebin’s 2013 Prophetic Vision:

Mena heard “**death to finances**” and saw the black horse and the third horseman of the apocalypse ride out. She was told that a **recession** (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) **within a recession** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) was coming to America. The stock market would crash, small businesses would fail and those that depend on food stamps, welfare, section 8 and other government benefits would see them dry up. She was shown a calendar with the months of **September** (1st “Black Monday” stock market crash in the fall of 2015?) **through December** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) highlighted, meaning that this was when this vision would come to pass.

Beginning in January of 2015, the Lord began to say repeatedly to her that the **September thru December** onset of the crises she was shown **it will take place in 2015**. She was told to begin to stock up on food for her family, ministry and others so that she could share what she had stored up during the coming time of need. She was also told that these **preparations must be completed by the end of the summer (2015)**.

Emma Moore’s Prophetic Dream - Do Not Be Afraid When the Bull Begins to Run Again:

I was standing in a large field under a single tree (America?) – which is interesting because we're in the month when the King is in the field. I was trying to protect someone and when I came to them, I said, "The Beast has been loosed!" The person I was trying to protect got up and they were able to run. (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) I turned and saw a BULL and it was running straight for me and I knew I couldn't do anything. “**Suddenly**” the bull was over me (under the weight of the financial crash) and I was under it and I was at peace; the BULL was just standing there. (it stopped running because it had crashed)

I said, "Lord, Chuck (Chuck Pierce) gave a word when we were in Malaysia that said when you get in a situation that you can't do anything about, ask for an angel. So you're going to have to send an angel to help me here."

Robert Holmes' Prophetic Word:

“...There will shortly come a time when Wall Street will collapse. No longer shored up by public confidence, it will swagger under the weight of national debt. **On a day of frenzied trading, it shall tumble the nation into turmoil and depression.** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) **The attention of the creditor nations will be drawn to America. I saw a time of conferences and meetings, international concern and intervention by prominent international organizations in domestic economics and affairs. For the first time in US history, international organizations will intervene in domestic affairs.** I saw international troops on US soil. A national economic crisis, and localized crises will be announced, and utilizing certain powers, the US President will call FEMA (Federal Emergency Management Agency) into action. **You will see Black Helicopters on television and this will be a sign.** When she (America) is weakest, a set of disasters will befall the nation.

Eve Brast's 10 September 2012, Prophetic Dream – Disaster in the Sky:

“I dreamed my husband, Eddie, and I were sitting in old lawn chairs, like the kind my parents owned back in the 1970s. They were green and white checkered nylon on aluminum frames. My husband and I were resting in these chairs at what I knew was the beginning of Daniel's 70th week. (Mat.24:21) for then shall be great tribulation, such as hath not been from the beginning of the world until now, no, nor ever shall be.

We were seated at the edge of a very large clearing, the size of about two football fields, in the middle of some woods. It was almost as if we were waiting to see a fireworks show. (We were facing the clearing because we have eyes to see and ears to hear.)

There were people milling around back in the woods all around the clearing. (These people were distracted by worldly things and their views were blocked by the trees, so they couldn't "see the forest for the trees.") To the right side of this clearing, from where we sat, there was a large multi-story flight museum that was also set at the edge of the clearing.

“**Suddenly**”, I heard a very strange sound I have never heard before. It was a combination of rumbling and some sort of sound weapon that caused visible ripples in the air. I looked up in the sky to my left and saw **two very large Blackhawk helicopters** (2 “Black Monday” stock market crashes?) escorting the presidential Air Force One plane, but they were very low to the ground. In front of the helicopters, there was a 1920s black vehicle (representing the past 1929 stock market crash & Great Depression?) **tumbling end-over-end through the air** (representing a volatile stock market crash and looming and 2nd Great Depression?) out in front of the helicopters. I asked Eddie, "How are they floating that car in the sky?" (stock market bubble?) They all made a diamond formation and proceeding out from the Air Force One and the helicopters there were two ripple-shaped arrows; one was pointing forward and the other was pointing backward, like this: < >. There was one arrow in front of the vehicle and the other arrow was behind the plane. These ripple arrows were keeping this vehicle artificially suspended in the air. (The elite powers are keeping the market artificially suspended for their profits, but also as a weapon against us that will result in the destruction of our economy and the lives of many people. The 1920s-style vehicle is what the Father used to let me know that this dream was about a market crash that is very soon to come.) The arrows remind me of Ecclesiastes 1:9.

I was very appalled at this sight because it was so foreign, and stranger than anything I'd ever seen before. (This crash will be like nothing we've ever seen before.) They were all heading toward the flight museum building. **“Suddenly”, a space shuttle with the Air Force symbol on its tail and only a single thruster crashed through the outer wall of the museum building from one of the middle floors and took to flight** (coming out of the 2008 recession/crash and entering into the 1st stock market surge 2008 – 2015?). The space shuttle ascended up to the same level as the tumbling car (looming stock market crashes & 2nd Great Depression?), going in the opposite direction toward the back arrow behind Air Force One. When it realized it was going to crash into the 1920s vehicle that was being artificially suspended in the diamond formation, the space shuttle **ducked underneath the formation** to avoid hitting it (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) and flew under it. (I read an article on September 21st about the retiring of the space shuttle Endeavor to a museum in California. The name Endeavor reminds me of the works of the arm of the flesh. Our "endeavors" to save ourselves.)

Once the shuttle got past the Air Force One plane, **it shot back up** (2nd stock market surge happening after the 1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) to the same flight level as the diamond formation and tried to thrust through the tip of the back-pointing ripple arrow. As soon as the nose of the shuttle hit the inside tip of the ripple arrow behind Air Force One, I saw a fireball explosion and the shuttle was thrown backward and began to tumble toward the ground where my husband and I were sitting. I told my husband, Eddie, **“This thing is going to crash!”** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) We both leaped up and ran to jump over a very large, fallen tree trunk that was back a little way from the clearing. This all happened in slow motion, like a scene out of a movie. It was a supernatural move that we could not have accomplished in our own strength.

I looked over the top, just in time to see the left tip of the shuttle's wing dig into the ground about 10 feet from where we had been sitting and explode with great force, sending destructive ripples throughout the air in all directions including ours. But the tree trunk sheltered us from the blast. This tree trunk was so large in circumference that it covered our heads as we were sitting upright behind it. I turned to Eddie and said, "Boy! We escaped it just in time!" He smiled at me and exclaimed, "Yeah!" After it was safe to come out, I noticed that the few people who were closer to the clearing saw what happened, but the majority of the people, who were further back in the woods, were still milling around there, as if they weren't aware of what had just happened.

I then found myself over near the wall of the flight museum, where I was inspecting the damage that the **space shuttle** had caused as it had crashed through the side of the building. There were lots of bricks and broken glass all over the ground. **“Suddenly”, I heard screams of terror coming from inside the building. Then the “Death Angel” that was painted on the mural of the Denver Airport jumped out through the hole and landed on the rubble from the hole. But instead of being green, as he is in the painting, he was gray.** (Gray is the color of the pit.) He had on a trench coat, a gas mask, jackboots, an officer's hat and he carried a machine gun. (The officer's hat indicates that this attack on humanity will come from high up in the chain of command because the elite have orchestrated this scenario.) As soon as his feet hit the ground, screams of terror came from all directions from back in the woods that surrounded the clearing. Chaos broke out among all the people, who immediately panicked and began running throughout the woods. (This great market crash likely signals the beginning of the seven years of the tribulation wilderness.)”

Daniel Holloran’s 20 March 2009, Prophetic Dream:

“I saw the **space shuttle with the bay open descending, actually falling out of the sky** (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) and making sounds like a helicopter does that is

about to crash; it was rotating wildly on a plane as do helicopters about to crash. Our house is across the street from a large church parking lot. I saw the shuttle drop out of view in front of our house (I was in the back yard) and knew **it "dropped" into the church parking lot**; (Tribulation begins for the Mega Prosperity Gospel Positive Thinking churches?) however, **a second or so later it came up off the ground**, (2nd stock market surge happening after the 1st "Black Monday" stock market crash in the fall of 2015 or early 2016?) rose above my house (2nd stock market surge happening after the 1st "Black Monday" stock market crash in the fall of 2015 or early 2016?) and **crashed for good** (2nd "Black Monday" stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) off to the right of my home (where an unsaved family lives)."

I knew it was fall (1st "Black Monday" stock market crash in the fall of 2015 or early 2016?) **because the grass was not green, but dying, and the tree's leaves had turned colors**. It seemed to me that we will be "under" the bull for a while because when the dream ended I was still under him and it was part of what the Lord did to assist me angelically.

Chris Garber's Prophetic Dream – Spaceship Economy Crash, May 04, 2010:

I dreamed that I was in a **giant spaceship** (stock market surge of 2008 – 2015?). I don't remember exactly what it looked like, but it was huge. I remember that I felt lucky to be on the ship, (1st stock market surge 2008 – 2015?) even though it seemed as though everyone else on the ship was just "tolerating" me (the world's view of Christians). I felt "lucky" to be on it, I thought.

The **spaceship was flying all around and over the earth**. (It will be a worldwide event) It never was really high off the planet, but I remember that we went all over the world, very fast (1st stock market surge 2008 – 2015?). I remember being able to pick out different continents and making out different landmarks. I don't, however, remember the ship ever "traveling" out into space very far, even to the moon or anything.

The next scene I remember is that I realized that the **spaceship was "crashing."** I realized, as I looked out the window, that the spaceship was crashing into the United States -- as in the lower 48 states. I remember sitting in somewhat of a "pod" with windows all around my head.

The spaceship kind of **"crash" landed rather softly** (1st "Black Monday" stock market crash in the fall of 2015 or early 2016?), without any sound, down, down down -- real slowly. I could see that the ship was covering the whole 48 states. From my vantage point, I was kind of in the part of the ship that crashed into the southern California.

I remember that all of the people, and I mean ALL of the people, were rushing around. They were hysterical, upset and not sure what to do. It was a scene of quiet chaos. I remember that I was the only person not upset, worried or even concerned. I remember audibly saying some type of quick prayer and thanking the Lord in the name of Jesus for safety and provision (God will take care of those who put their faith and trust in Him!).

In the next scene, I saw the "powers that be" looking for people to figure out what happened to the ship and why it crashed. There were people from the original "crew" of the ship, as well as the "general" public assembling to work together. As this group was forming, the persons in charge made an announcement. They informed the group, "There is no money and there will be no assistance from your government.

"You have plenty of time to assemble and work on the ship (2nd stock market surge (fall of 2015 or in early 2016), happening shortly after the 1st "Black Monday" market crash which occurs in the fall of 2015 or early 2016?). The United States government doesn't want the ship or anything on it." Then I woke up. Updated: 10/03/2015

Sarah Beveridge's July 12, 2014 Prophetic Dream – America to Crash Again, Transcribed:

<https://www.youtube.com/watch?v=Nqxfvs6IkrE>

“The dream is from the Lord. I had prayed the night before and asked the Lord for a confirmation of the things that are coming and comfort for what I was going to be doing and needing. You know, I just wanted the Lord to speak to me about the things that are going to be coming and what we’re going to be dealing with. And so He did. He spoke very clearly in this dream. Now there are some things that He hasn’t fully revealed to me yet, but I’m going to go ahead and release the dream for the Body of Christ and pray about it, if you feel lead. But the dream helped me a lot, to be comforted.”

“So the dream starts out and I’m packing to go on a trip. And in the suitcase, I am putting tupperware containers in the suitcase and they’re empty. And then also, I am putting a loaf of bread into the suitcase. And I’m leaving my old boss’s ...I don’t know if I am leaving his house, or where I used to work – that part’s a little unclear, all I know is that I’m leaving. He’s there, but I’m leaving. So I’m kind of taking that as that, this is, I’m leaving my old job.

So I’m getting ready to catch a four o’clock flight on American airlines. And I’m rushing because, it’s leaving very soon, I know that I don’t have a lot of time. So I get to the airport and I’m sure where the American airlines terminal is and I ask people and they go oh it’s over there. So I go over there and right as I get to the terminal, the stewardess’ are getting ready to block off the terminal, because the flights gonna be leaving and there’s not enough time. So I rush to go to the gate and then I’m standing in line to get on the plane and I look at my ticket. And the ticket says: **American airlines flight 1100 this flight has crashed before.** That’s what it said. It said: **American airlines flight 1100 this flight has crashed before.**

So I go to get on the plane and I’m looking for my seat. And I look over to the right side of the plane and I see my seat, it is a window seat. And I go to sit there. And outside the window is blue skies and I see that the fabric covering of my seat is a multicolored tapestry. It’s just a beautiful fabric, a multicolored tapestry. So I sit in my seat and the people are mulling around, moving around and some people are getting off the plane, which I thought was strange. And then I look over to my right, and I see that there’s a whole section of the airplane that is like quartered off and you couldn’t access it. And it’s dark and all of those seats are empty. And that’s the end of the dream.”

What I believe to be the Dream Interpretation:

Leaving my Old Job and Boss: represents God preparing us for new jobs and new assignments.

Catching a 4 o’clock Flight: represents a faith walk with God. The number of “faith” is “4”.

Empty Tupperware Containers put into the Suitcase: Not prepared physically for bad times.

Bread put into the Suitcase: represents the Bread of Life, the Word of God which is Jesus, in other words being prepared spiritually for bad times by having a relationship with Jesus.

American Airlines plane: American grandeur, power and might (first economically and then militarily)

Ticket “American airlines flight 1100 this flight has crashed before”: represents previous stock market crashes, namely 911 (the first plane to crash into the towers was American Airlines Flight number 11).

Rushing through the Airport to Catch the Flight: represents that there isn’t much time left before the next American (and the world) stock market crash occurs.

Multicolored Tapistry of the Seat Covering: A throw-back to Joseph’s coat of many colors, the covering and protection over **Joseph** while he was in the pit and in the prison. Setting the timing for this American airlines plane crash. The **Joseph’s** have not yet been released and won’t be released until the plane actually crashes.

Those getting off the Plane before it took off: represents the “lost” (those seated on the left side of the plane)

and the “saved” (those that were seated on the right side of the plane) that chose to physically prepare and get out of the stock market before it crashes.

Empty Dark Seats Partitioned off on the Right side of the Plane: represents the Christians who never got on that plane ...the ones who were both spiritually and physically prepared for what is coming very soon!

Sitting in the Window Seat on the Right side of the Plane: represents the seats of the righteous. The “right” side represents the true Christians (righteous). This represents the Christians that are prepared spiritually but not physically for the Great economic crash that is coming! They chose to stay on the economic roller coaster ride that is about to crash! Many Christians will be hurt as a result of this crash, but God can sustain them.

Blue skies: represents everything seemingly good, seemingly in order – no worries, even though a storm was looming, coming soon, approaching just out of view! Updated: 02/02/2016

John Little’s, March 2015 Prophetic Dream – Lockheed C5 Cargo Plane Crashes:

“In my dream, I was in a familiar place:

Just down the road from my childhood home there’s another road that T-Bones into a 90 Degree Curve in our road. Directly across from the intersection is a Home in a cyclone-fenced in yard. The road that T-Bones into ours is called ----- Road (But I’ve always known it as CEMETERY ROAD as a SMALL 100 Plot Cemetery sit’s midway — about 200 yds, down the road)...

I was beside the cemetery (The Road circles around it) walking back towards our road when:

A Plane (It was a USAF Lockheed C5-Galaxy) came SCREAMING OVER my left shoulder at Tree Top Level causing me to swing my head up and stumble – the Roar, Vibration and Shuttering nearly took me off my feet, and then a massive fireball rose over the home (again about 200 yards away) when it IMPACTED (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) into a GROVE OF SMALLER TREES behind the home (The one that sat in the fenced in yard across from the intersection and inside the curve). Again the CONCUSSION/SOCK WAVE from the IMPACT nearly took me off my feet blowing me nearly backwards as I leaned into an ALL OUT RUN towards the accident. I jumped the fence and first ran into the front door of the home where an **Older Woman** (Lukewarm Church?) sat in total shock peering at the Fire and Smoke through a rear window frame (All Glass blown out)!

Recognizing that **she was O.K.** — just in shock, I most immediately turned and ran back out the front door and around the right side of the home to the rear where there WAS NOTHING LEFT of the Plane — (nothing left of the stock market?) just Smoke and Small Fires and one or two of the most indestructible parts of the plane — landing gear and may be an engine or so..... seeing NOTHING/NO-ONE (ABSOLUTE/UTTER/TOTAL DECIMATION) — I ran straight to the only piece (Landing Gear) that was clear to me and lifted it finding only a “WEDDING RING” buried in the soot and ash!!!!

That “Wedding Ring” panned in and became larger and larger as the dream faded into darkness..... end of dream!!!!

It was a C-5 the Largest Transport in the USAF Inventory.

The message was clear!!! America’s about to CRASH!!!

I awoke with an immediate understanding of ALL THESE things — the first being (Why by the Cemetery?) — I awoke with the passage in my mind:

Matthew 23:27-33:

27 “Woe to you, teachers of the law and Pharisees, you hypocrites! You are like WHITEWASHED TOMBS, which look beautiful on the outside but on the inside are full of the bones of the dead and everything unclean.

28 In the same way, on the outside you appear to people as righteous but on the inside you are full of

HYPOCRISY and WICKEDNESS. 29 “Woe to you, teachers of the law and Pharisees, you hypocrites! You build TOMBS for the prophets and decorate the graves of the righteous. 30 And you say, ‘If we had lived in the

days of our ancestors, we would not have taken part with them in shedding the blood of the prophets.’ 31 So you testify against yourselves that you are the descendants of those who murdered the prophets. 32 Go ahead, then, and complete what your ancestors started! 33 “You snakes! You brood of vipers! How will you escape being condemned to hell?”

The WEDDING RING?!

DIVORCE!!!!

G-d has DIVORCED America and she’s about to CRASH and be DECIMATED!!!!

The GROVE of smaller trees she crash’s into are clearly smaller nations that she’s about to FLY HEADLONG INTO!!!!

The “SHOCKED OLD WOMAN” was “Your MOTHER shall be sorely Ashamed/Confounded” — it’s a verse in Jeremiah!” Updated: 12/15/2015

Prophetic Dream of a Black Transport Airplane Crash – David Jones, October 28, 2015

Last Night 10/28/15 I dreamed I was at an airport and “**suddenly**” some alarming news was announced. I looked in the sky and **watched a massive black transport plane crash.** (Dow Transports?) (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) Then I looked up and saw invading military helicopters and then soldiers on the ground. There was no escape and the soldiers were on me in a second. **One was British and one was German.** (British and German economies affected?) They did not do anything to me. Next I was still at the airport but there were no soldiers and I asked a man where they were and he said **they were at a busy store because that was where the people were going to buy goods.** (food store rampage time?) Updated: 10/29/2015

Stephen Hanson’s Prophetic Word:

“...You will see the **stock market crash more than it did during the deep depression.**” “Those who put their trust in riches will be utterly disappointed. **For the stock market crash that happened many years ago will be nothing compared to this event that is coming...**” “You have known about the stock market crash that took place in the earlier part of the last century. **I tell you that things in the financial world will take place even worse than that.**” (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?)

Stock market crash with a drop of 5000 points - Garrett Crawford, May 28, 2009:

“The first thing I recall in this dream is I was lying in bed, reminiscing about a strange dream I had seen. In this dream, I had met a young, red-haired man who was the nephew of author Tom Clancy. After getting out of bed, it had crossed my mind that I had to go over to a friend of mine’s home for something and he was expecting me. I got in my car and drove over to his home; I walked up the step and opened the door. As I swung the door open, I saw two men whom I had never met before, sitting in my friend’s living room. One was a heavy-set man and the other was a younger fellow with red hair. The red-haired man was setting up a camera and tripod, as if he was going to film me, like in a documentary. At this point, I knew that he was in fact Tom Clancy’s nephew. I walked over to him and asked “Do you believe in prophetic dreams?” He replied with a yes. I then told him that the Lord revealed to me this morning that I would be meeting him. After this encounter I found that the two men were impressed with this miracle and that allowed me to be able to talk with them about many things. After some conversation and time had passed, one of the men, either my friend or the heavy-set companion of the nephew, said to me, “You know, I never forgot what you said about the market crashing; I still think about that.” (I guess he was referring to the dream I had about a year ago where I feel the Lord showed me **two crashes of the market.**) (1st “Black Monday” stock market crash in the fall of 2015 or early 2016, followed

by 2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) Updated: 11/27/2015

“Yesterday the market dropped like a hundred-and-something points; I think you were right on.” (I had the dream on the 28th, so if the dream was correct there should have been a loss of over 100 points on the 27th. I looked it up and found the market closed down 173 points on the 27th. So maybe this was just a sign that an all-knowing intelligence was at work in my dream.)

I solemnly responded to him that that wasn't the crash. I told him **to expect something closer to the market index crashing to 5000** (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) (or losing 5000 points, I can't remember exactly. I never perceived in the dream that this one-day loss of 100+ points would directly precede the greater crash, but that it would be a way down the road. I think the man's comment represents the worldly, hopeful belief that the worst is over or that only a little pain will be felt. But to the lost's surprise, the crash that is soon to come will be beyond their worst fears.)”

I have a limited knowledge of Tom Clancy. I know that he rights political upheaval-themed novels that involve terrorist attacks and wars. I have even heard that he has an eerie gift to be able to write things in his novels that have strikingly similar characteristics to what happens in our world today. Maybe someone else who reads this could explain what, if any significance, he or his red-headed nephew could mean in this dream.

Rick Sergent's Prophetic Vision - LARGEST CRASH IN U.S. HISTORY, July 12, 2012

“This was a vision I had the night before I was to go to Louisiana to minister. I saw a large grass hut with a big party deck on it. People laughing, drinking, eating and dancing. Many of them had drinks in their hand while doing various activities at the same time. This large party hut was on the beach. It seemed to be twilight or getting dark. There was a volleyball game going on too, on the beach. People in their swimsuits and holding drinks in one hand, trying to play but stumbling around.

Then, I started to walk on the beach, near the edge of the water. I saw dead fish floating on the water. Some being wash up on the sand. I saw this, but no one else seemed to see it or even care. I then saw these words above the large, grass party hut. It said this in red letters: **LARGEST CRASH IN U.S. HISTORY.** (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) The vision then ended.

I believe a grass hut is not very stable, especially built on sand, that can eventually be washed away when the storms come. The people represent the world. They are partying it up by either denying the economic conditions, thinking things will get better, or believing in the safety within the borders of the United States and not realizing that “**sudden**” destruction is near. This economy is a house of cards, along with the world, because this nation is tied into the world economy. I am not sure what the dead fish represent. Possibly the food segment of the economy going bust.”

Jane Lowder's Prophetic Word, January 3, 1999:

“I continue to see a vision of a building, and across that building is written these words "WESTINGHOUSE". As I look upon these words "WESTINGHOUSE", I see that the letters begin to fall, starting with the "G" and "H" from the center of it (the letters did fall off – Westinghouse changed its name to “CBS Corporation” in 1997). They fall down as if in a drain. As these letters fall off of this building, I see this building crumble and fall. I hear the Lord say that the foundation is shaking of great companies that are in good standing and in good order. They shall fall and shall be no more. (this seems to represent companies going under, buy-outs and corporate mergers)

The Lord said that there shall be mergers of small companies with the larger companies where the thinking is one of safety, but it shall not be safety. “**Suddenly**”, banks shall close without notice, and the **stock market shall hit an all-time low.** (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) The

Lord says that the end is not yet, for the stock market shall rise again (2nd stock market surge happening sometime after the 1st “Black Monday” market crash in the fall of 2015 or early 2016?) and bring false hope to thousands. These things shall be and you shall look upon them and know that I have warned you.

The oil and the petroleum shall go sky high. There will come a time when the lines shall be long, and the hearts shall fail, and the anger shall erupt because of the things that are happening. These are days when I shall allow the extremes to come. That which is precious to Me shall be turned unto Me. (The coming Great worldwide revival?) The soul of man is very precious. Therefore, lift up your hands and your head. Lift them up to your Redeemer and know that even as the world shall rock, you shall stand in a sure place with your eyes upon Me. I would have you to hold steady in the midst of the trouble and these things that shall come upon the earth and upon all nations.

There comes also a wind. It is a wind that will be favorable, but it is not My wind. (2nd stock market surge happening sometime after the 1st “Black Monday” market crash in the fall of 2015 or early 2016?) If you shall follow after this wind, you will find yourself shipwrecked, for in this wind it will seem that all things have been put together again, and it would look as if things would blossom and bloom and be fruitful. **It shall be for a short season**, but do not put your finances in it and do not invest your monies in it. **That which you think shall stand shall fall, and that which others think would fall is that which shall stand.**

Lift up your eyes and behold your King who sits upon the Throne, and who has your name written in the palms of His hand and has His eye upon you to lead you and guide you. I shall steady you and shall cause you to stand. Surely you shall be My light, My voice and My outreached hand.

Many of My people have, as it were, their head in the sand, for they hear with their ears, and they see with their eyes, but they do not understand with their hearts. (Lukewarm, positive thinking, prosperity gospel, political correctness, seeker, ~~grace~~ (disgrace), Prophetic Voice rejecters, tickling ears, so-called Christians?) Tell Me, can you feel the wind when it blows? Can you feel the cold air? When your electricity goes off, does your house get cold? Lift up your head and look up unto Me, for these elements shall touch all people. Though you are called a Christian, you shall feel the coldness, and you shall feel the heat. You shall feel many things of that which is round about you, but I shall keep you and uphold you, and I shall make a way where there is no way. I do not want you to be ignorant of all things that shall come upon the earth and even upon your neighborhood. Lift up your eyes unto your Redeemer, and let your spirit see and understand. For I call you to take a stand this day and follow after Me with the wholeness of your heart. I shall be your shelter. I shall be your lifter and your helper. I shall keep you, but know that these things shall come upon the earth and upon your own country and in your own city. You shall know that I, the Lord, allow it.

There are many that shall call upon My name, and they shall come to know Me. Do not trust in your riches or in your bank account. Do not trust in the establishment of your home. Let your trust be in nothing that is made with hands, for this world and the world system are built on sinking sand. You shall see many come crumbling down and sinking, but it shall not be so with you, for you are built upon a Rock and established upon the goings of the Eternal One. Rejoice in Me. Rejoice, rejoice with an exceeding goodness and gladness in your heart. You have said "signs and wonders" and signs and wonders it shall be, for you have sung that the oil shall be poured out and even the wine, and it shall be. Therefore, rejoice, for I, the Lord, stand in control, and I have all things in control. Arise to your feet and lift up your hands and declare unto the Lord that this day you shall hear with a hearing and see with a seeing, and you shall follow after Me. The time is short, and the hour is at hand. You shall see the great movements of your God and the rhythms of your God that shall flow throughout the earth and into all nations.

Australia (earthquake in Australia?) and the **Asian countries also shall shake.** (earthquake in Tokyo?) You would say they have already been shaken, but that was only a rattle. There shall be a shaking that will cause the heart of man to fear and cry out unto Me. Therefore, sing unto your God and sing often of My mercy

and My goodness. Though all these elements come, My mercy and My goodness shall never fail. They endure forever. You shall see, as you have declared, a great revival and a mighty incoming from those that are without. I am that I am, and I change not. This is the beginning of a great shaking. It is not for My family that stands true and waits upon Me. Sing of My mercy and declare it in all places. For you shall be the salt of the earth, and you shall be the light and the hands that are stretched out to comfort and to build and to bring into order.”

The First and Second Stock Market Crashes & Great Depression:

Harold Eatmon’s “Two Black Mondays” August 1997 Prophetic Vision:

“...In my last article I mentioned a vision of the Stock Market's 'Big Board' having serious upcoming problems. **I saw the Stock Market soar** (1st stock market surge 2008 – 2015?) and **then crash**. (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?) After the crash, many big business corporations and private parties bought up stocks because of the low cost to buy in. Then **I saw the market begin to climb again in a short period of time**. (2nd stock market surge happening sometime after the 1st “Black Monday” market crash in the fall of 2015 or early 2016?) Then **it crashed again** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) bringing tremendous loss, ruin, and devastation to all who bought in the first time. This is what I have labeled “Two Black Mondays.” The time period between the Two Black Mondays was very close together. I could not tell exactly how close. It could be a couple of days to a couple of months. There are some tell-tale signs indicating the season and the setting. **I saw the season to be when 'the leaves fall to the ground' then the first crash would occur**. (Wednesday, 23 September 2015, is the first day of fall) I also saw the **Yen and Mark** (the Mark was Germany’s currency before the Euro was instituted) **fall dramatically** (This happened in September of 2014) **just before this “sudden” and inexplicable crash** (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?).”

“Like **Joseph** in Genesis, I believe America will have fat years of financial blessing. I also believe there are coming lean years of financial difficulty for America. I do not believe God is showing this so people can beat the game financially. I rather believe He is saying keep your eyes on eternal things. Store up treasures in Heaven.”

If this Prophecy is to be fulfilled in 2015, it appears that it was delayed past the fall season into the winter season of 2016. Updated: 12/24/2015

It appears that this prophecy has also been delayed. Updated: 01/16/2015

Notice in the graph to the left, how the Japanese Yen and the Euro (*the German Mark*) fell at the end of 2014 and they haven't recovered since just as the Eatmon prophecy predicted! “**I also saw the Yen and Mark fall dramatically just before this “sudden” and inexplicable crash.**” Updated: 12/24/2015

Other prophecies (below) that seem to indicate a **soar in the stock market** (1st stock market surge 2008 – 2015?), **followed by a stock market crash** (1st “Black Monday” market crash in the fall of 2015?) and then **shortly after** (2nd stock market surge happening sometime after the 1st “Black Monday” market crash in the fall of 2015 or early 2016?) **a second stock market crash** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?):

Paul Cary’s 26, November 2010 Prophetic Dream:

This morning Nov. 26, 2010 I had my third Port Townsend Dream on the economy.

First Dream: “In the past few dreams the first one where I was walking down Water St in Port Townsend, WA. It was near dusk at this time and Water St. was unpaved and one Grader was working out the road. I was walking North on Water St and crossing the road there where the bluffs overlooking downtown and the Admiralty Inlet. Upon crossing Water St I went to a well-known Restaurant and had a cup of coffee. I left there and continued North on the water side of Water St. I found myself walking past **shops and stores that were closed down**. No one was there downtown. (1st “Black Monday” stock market crash in the fall of 2015 or early 2016?)

I walked all the way to the end of Water St and turned back. It was just a few steps back up or walking south that I notice one shop was open and some folks in there. Across the street I saw a utility person working on the outside of a building. I surmised then that power was being restored. Then not too long ago but you can find the dreams on Jouko Piho’s Prophecy site where I have the dreams posted and hope to get this one up there also.”

Second Dream: “So the second dream I was on a bus and I was talking to a person a male about the first Port Townsend Dream. I remember explaining to him in detail and just about the time I got to where I was walking back or heading back south on Water St and about the little shop that was open where there was no shop before. The man on the bus then looking at me with a smile and eyes wide open said, **So there is hope.**” (2nd stock market surge happening sometime after the 1st “Black Monday” stock market crash in the fall of 2015 or early 2016?)

Third Dream: “Now comes the Third Dream of today. I am in Port Townsend and walking north on Water St and this time it was pure daylight and just like in the first dream there were buildings closed but this time I could see clearly as it was day light and the **buildings were boarded up**. I walked further again and came to that same area where in the first dream I headed back south and saw this little shop open and people there. Well, same situation but now I could see that there were others and they were standing outside.” (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) That was the end of the dream. I am trying to put these three dreams together and it seems to me that the move to rebuild the infrastructure is going to drain the economy. It will have an effect on the population also that could die from starvation or plagues or both that is keeping the numbers down.

The second dream tells me that folks are thinking that there is still hope in the economy but the third dream makes it clear that everyone who was in the dark on this issue now realize that the economy is bleak and people are dying but they continue to survive and thrive the best way they can. So in summation the future of mankind ability to regain their common ground and economic capabilities is not going to happen and never will again thrive, Just as Revelation speaks of:

Rev 17:15 And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues. Rev 17:16 And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire. Rev 17:17 For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the

words of God shall be fulfilled. Rev 17:18 And the woman which thou sawest is that great city, which reigneth over the kings of the earth. Rev 18:23 And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived. Rev 18:24 And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.

Heidi Baker's Prophetic Vision shared at the Lancaster Prophetic Conference, August, 2015 – 'Americans "Sudden" in Bread Lines and Soup Kitchens':

"I had a vision in your church and it wasn't what I expected to see. I saw bread lines, soup kitchens, and I saw people wearing beautiful clothing. Their clothing was not worn out. Now in my nation when people are hungry you can tell. I mean they are in shredded rags. They don't have shoes or they have flip flops. Most of them have no shoes. They are hungry and they know they are hungry. They come for food, not because they are beggars, but because they are hungry.

I have held starving children in my arms. I know what starvation is. I know what pain is. I know what suffering is. But in this vision that I had that was in your nation, which the Lord is helping me to say, I will identify with America as well as Mozambique.

I saw this bread line, long bread lines, and I said, "Lord, I don't think that is popular to say in a church, especially one that is all about revival and victory and power."

I didn't want to see what I saw, but I saw what I saw so, I was so undone that I just said what I saw. And I saw all these people and they had beautiful cars, 4 by 4's and Lexus, Mercedes, BMW's, Toyotas. There they were with fancy shiny cars, but they were standing in line. What I said about worrying, the worriers turned into worshipping warriors.

I asked, "Why are they so well dressed and standing in this line?"

He said, "Because it is **"suddenly"**. They are **"suddenly"** in need of food."

I asked, "What are we to do?"

He said, "Tell them that what you see in Mozambique they will see in America with the signs and wonders and miracles. They will see it on their soil. They will see what I do."

What is it that He does? For one thing He puts peace on you in the midst of the storm."

Samuel Garcia's 04 November 2007, Prophetic Dream:

Last night/this morning I had a dream in **two parts**.

The **first part** (1st "Black Monday" stock market crash in the fall of 2015 or early 2016?) I awoke and asked THE LORD to give me further understanding of and then I went back to sleep and THE LORD gave me the second part of the dream. In the first part of the dream I felt like I had just left church, it being Sunday and I was headed towards the store I work in which is a check cashing store; as I approached it I noticed that it was closed and that alarmed me because it was open when I left to go to church in the morning, so that concerned me but I did not see my bosses car so I

decided to call her but I got a recorded message from the operator about the phone being out of service or something like that. I also noticed that I did not see any cars driving in the streets and it seemed like **it was around Christmas time**; then I woke up.

The **second part** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) of the dream started exactly in the same location the first part started -- in back of the store; then I walked towards the front of the store and I noticed that the store was **closed again** but then I looked a second time and the store had become a **ONE DOLLAR BARGAIN STORE** but it seemed like it had shifted. The store had shifted and it was in a location where a massage parlor currently is. So I went inside and asked what appeared to be a security guard what had happened to the people that owned the check cashing store and the guard assured me that that family was well and in good health. I did notice that inside the **DOLLAR STORE** the

items were in an open box and low quality and they seemed to be **Christmas accessories**. I stepped out of the store and felt that I was in the future and I told the guard that I was aware that I was in a dream but as I said that I felt myself leaving the dream; then I woke up.

I felt that the dream basically was saying that a MAJOR economic collapse was going to happen in this country due to the fact that I did not see any cars driving in the street and that the check cashing store which requires you to have large sums of money has become a ONE DOLLAR STORE with poor quality items.

AMERICA, BLESS GOD, HE HAS BLESSED YOU TOO MUCH FOR YOU NOT TO BLESS HIM.
PREPARE TO MEET YOUR GOD, AMERICA!

David Wilkerson’s Prophetic Word:

...**The great holocaust follows an economic collapse in America.** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) The enemy will make its move when we are weak and helpless. ...America is going to be destroyed by fire! “**Sudden**” destruction is coming and few will escape. Unexpectedly, and in one hour, a hydrogen holocaust will engulf America -- and this nation will be no more.

The **Bull's Final Crash (2nd Worldwide Crash) - Kaile Hamilton, March 29, 2008:**

“It started with my mom and me in Lubbock, Texas. We stopped at a convenience store and ended up parking alongside the curb past the parking spots and gas pumps. Right after we stopped, there was a black Ford Taurus (Taurus is an American made car, it is also the symbol of the bull) (black bull market -- in the economic world "black," when used before a day of the week, i.e. "black Monday," signifies a huge loss in the market) that hit us in the back. My mom and I were a little stunned and got out of the car to see what happened. We then saw that there was no damage to our car. Praise the Lord! (The market will have a fast bull run which will cause an increase in investment prices and confidence in the stock market. Unfortunately, **as fast as the market will rise** (2nd market surge happening sometime after the 1st “Black Monday” stock market crash?) **it will have a “sudden” crash.** (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016 (after the 2nd stock market surge occurs), ushering in the 2nd Great Depression?) God is sovereign and He has already marked this economy to suffer an unexpected great blow to show His children that He is their only hope. (Matt. 6:19) Lay not up for yourselves treasures upon the earth, where moth and rust consume, and where thieves break through and steal: (20) but lay up for yourselves treasures in heaven, where neither moth nor rust doth consume, and where thieves do not break through nor steal: (21) for where thy treasure is, there will thy heart be also.)

At first glance there was no damage to the Taurus (or bull market) but upon further inspection, there was a gray piece of duck tape on the left headlight. (The duck tape represents that the stock market has already been impaired. The damage that has been caused in the past has not been properly fixed and the market can no longer see clearly and it is only a matter of time before another crash will come.)

The guys who were in the Taurus then got out to survey the damage and asked if we would help them jump the car because it wouldn't start anymore. My mom and I agreed. (The market crash coming is one that will stop the market dead in its tracks.)

My mom went inside to use the restroom, while I got in the driver's seat to move the car so it would be easier to jump the Taurus. To my surprise, the guys moved the car into the convenience store which I thought was strange, but I had told them I would help them so I followed. (The convenience store could represent the government attempting to take the convenient way (or socialism) out of the economic situation but in this case the convenient way was not the right way.)

As soon as I was about to start the car, an on-looker came to push our car. I then told him that he was doing more harm than good because the car was drivable. So he stopped and I didn't see him again.

I then began to drive the car into the convenience store and then maneuvered it to be hood-to-hood with the Taurus. The weird thing was the Taurus was elevated on a red brick wall. I didn't really want to drive my car up on the wall because I thought it would damage the car but after measuring the wall with a measuring tape, I determined that it was okay to drive up on. So that's what I did. I recall getting ready to jump the car but I do not remember seeing our car or the Taurus ever drive out of the store. Then my mom and I got ready to leave the convenience store. (The government will try everything they can to restart the economy but to no avail Before we left the store, I remember I was reading a news story of my mom and I jumping the Taurus, which was the car belonging to a band called "Fall Out Boy," a band that I have only really heard of in passing with some of my friends, I don't even really know what they look like or what they sing. Then the dream ended. (After researching the name and origin of "Fall Out Boy," I learned the name comes from a character that has to do with nuclear explosions. Since "Fall Out Boy" was driving the car, it could represent the ones driving the economy will bring destruction, no matter what they try to do to save it.)”

Nathan Leal's 23 March, 2009 Prophetic Dream:

“A few days ago I had a very heavy dream that the Lord gave me. It was a prophetic dream and I want to share it with you right now:

In this dream, I was standing at a street corner of a downtown area of a small town, and I was looking across the street to a bank that was on the corner. It was a one-story bank and it was not very big. The building was probably 75-100 feet wide. I “**suddenly**” heard the roar of a propeller plane from behind, and I didn't look behind me because it happened so fast.

Here's what happened: A propeller plane that would probably hold 20 passengers flew right over my head and into the bank building. It went through the glass. When it broke the glass, I could see inside the bank, and the only person I saw inside the bank was the bank manager. He stood up from his chair with his back to the window where the plane was coming from, so he didn't even turn to look at the plane because it happened so fast to him. He stood up, the wing of the plane clipped him, and knocked him straight to the ground, and the plane kept on going through the bank, and it came out the other side.

Now, when that happened, I remember in my dream that I just started crying and screaming. I was panicked. I was terrified to see this thing happen because I just saw a person get killed and I started screaming, "Call 911! Call everybody!" I was just screaming for help. I felt such panic, and I believe I was feeling a panic everyone is going to feel when this happens. I ran across the street and around to the other side of the bank building to where the parking lot was. When I got to the parking lot, the engine of the plane was lying in the parking lot. The plane flew through the building and the engine was on the ground, but I didn't see the plane. I looked to my left where the bank was and I didn't see the plane. I screamed to a person who was in the parking lot, "Where is the plane?" And he said, "**It's at the end of the parking lot**; it crashed over there."

As I looked to the bank, I saw a huge, empty room. The glass was broken on both ends. The plane went through it and cleaned out everything. It was an empty room. I didn't even see the body of the banker; I didn't see desks overthrown. I saw nothing. It was a huge, empty room. Then the dream was over.

At first, I didn't understand what the dream meant. I took the matter to prayer and sought God about it, and when I did, I was overcome with traveling. It hit me so strong when I was seeking God about this matter, and God told me the interpretation. He told that the airplane I saw is the economy. And He said, "The economy is going to crash. It's going to hit the ground and crash. But before it crashes, it's going to happen so fast that it is going to take out small banks."

The bank manager got hit from behind. God said that means it is going to catch them off guard. It's going to strike all of us "**suddenly**". It's going to be breaking news: Banks are failing all at once.

This is a terrible thing to imagine, folks. And God said the reason the engine of the plane was on the ground is that the engine is the economic engine, and the engine of the economy is going to fall off eventually. It's not going to be able to hold up anymore. So as the economy is crashing, the engine will fall off. And the reason the plane crashed at the end of the parking lot is that is where it was actually going to crash, but before it does crash, it's going to take out the banks first.

The reason the bank was cleaned out in the dream is self-explanatory. The banks are going to get cleaned out and it's going to happen fast and "**suddenly**". That means just like in the first depression when there was a run on the banks, it's going to happen again. I don't know if this is going to cause a bank holiday. I don't know the exact particulars, but God shared that money will not be available from the banks. They'll be shut down and cleaned out."

Canadian at Steve Quayle's site, 19 July, 2012, (US Plane does 3 Loops then Crashes) Prophetic Dream:

About six months ago, I had a dream. In the dream, "I was walking down the street with another guy whom I believe was a co-worker. It seemed we were on a lunch break. As we walked, I looked up in the sky and saw a plane doing loops. It did three consecutive loops which each seemed to get faster and tighter. Following the third loop, the plane crashed straight into the ground. I started yelling at my co-worker, drawing his attention to what had happened and that we needed to go help the people who had crashed in the plane. He responded, "Well, I need to get back to work now." It was a matter of fact statement without any emotion and then he turned back. I started running on my own to where the plane crashed. I came to the street and ran down to the **end of the street** where it had crashed in the front yard of the last house on the left. It was a **dead end street** (see the "Last president Prophetic Vision" at the bottom of this paper).

All that was left was a smoldering wreckage. There were no survivors. As I stood there staring at the crash site, I didn't see anyone else around and heard no sirens or anything. It occurred to me that no one was coming to help. Then I woke up."

When I woke up, I knew immediately that the plane represented the U.S. but I didn't know what the three loops represented, although I was certain they were significant. I just asked God to show me what the loops were and then went back to sleep. Some weeks later, I was doing something in my office when it seemed God "**suddenly**" revealed it to me. I believe the three loops represent QE1, QE2 and QE3. We've had the first two with one to go and it looks like it is on the near horizon. Initially, I wondered why the co-worker was in the dream. I now believe he just represents all the friends, family and others who don't know or care; they just want to get back to what they were doing.

I read the dream given to TD Hale. The one line spoke of people gathering for Bible studies and prayer meetings after the disaster. It talked about spiritual food the people had stored up for this time, like DVDs CDs and books. It reminded me that I have been doing this for a couple of years now. For several years at least I've had this sense that the good times are coming to an end and so I should start to stock up on good books, etc. People aren't interested in good teaching now but I believe the time will soon be here when the religious corporate church will collapse without answers and then people will want good teaching.

James Bailey's 4/23/2016 Prophetic Dream – Playground Equipment at the Bottom of the Lake:

In this dream, I was outside at night standing next to a large lake. The water was very dark, even black, so there was no way to see beneath the surface. (1st Market Crash?) There was something mysterious and treacherous about it, as if something dangerous was hiding down there. I sensed there were others around me and we were all feeling concerned and anxious.

Then the scene changed and all of the water was gone (short recovery between the 2 crashes?) so I was able to see the whole bottom and even walk down into it to take a closer look. I saw various large metal structures scattered around that looked

kind of like playground equipment. (representing an attempt to restore what was left of the world's recreation and leisure times?) Some others were there helping me, but I never saw them. Some of the parts were separated from the structures, so we carried them to where they belonged and re-attached them, somewhat restoring the structures to their original design, but we were only trying to tidy things up and not too concerned with restoring them. I looked all around the bottom of the lake and saw other similar structures scattered around in different areas of the lake.

Then the scene changed and the lake was again filled with water. (2nd Stock Market Crash?) I was out on the water in a boat along with other people and I was pointing into the water telling them where these metal structures were so they could safely navigate around them. That was the end of the dream. Updated: 04/29/2016

Looking Beyond the 1st & 2nd Stock Market Crashes:

Anonymous Aug 21, 2015, Prophetic Dream – I sent You Watchman who Cried Out Warnings!

“Children you are now witnessing my hand move against the powers of this world. Even they are amazed at what little power they have over the earth. **I am the great judge and jury, and I will have the final sentence verdict.**

You have allowed my little ones to be torn apart literally, you have helped to destroy the apple of my eye Israel by making her give up land that I alone gave to her. Your nation has turned its back on her and made her to stand alone without you to help her in her time of need. **Do you think I will not destroy you for the wickedness you have done against me and against my precious loved ones?** You are found GUILTY.....your land is being destroy from the ground up. The things that were so precious to you will be completely worthless, and the ground that was so fertile and rich with minerals will waste away.

The people of your land have been stricken with fear in their hearts, but not because they fear Me, they fear the loss of everything that was their God. Their homes, cars, vacations, money is all being taken away, and they have been stricken with fear and uncertainty.

I sent you watchman who cried out warnings, but you ignored them. **Now the sirens are going off, people are running around not knowing what to do because they put their faith in things** and not in the one true God of Heaven.

Your sentence is now total destruction, and all those who continue to blaspheme Me will be utterly destroyed. **Those who chose to live for themselves and did not care for others, or help those in need will be in need and want themselves now. They will feel the pain and suffering that they helped heap upon those who were suffering.** I the Lord God of Heaven have spoken and your judgment is now upon you.

Your land is burning, the drought has turned your rich soil to dust, your shipping vessels lay waste and empty, and now your precious stock market is coming apart. Did I not tell you I have lifted my hand of blessing away from you? Now you will suffer the consequences of your wickedness. For I do not speak idle words. My words spoken can place the stars in the heavens, and cause the universe to dance, and I have spoken these things to be so.....

To my precious saints. FEAR NOT for your days will be short lived and your hope of my return is nigh. Continue to hope in me and pray that my hand will cover in you that hour. I am with you until the end.” Updated: 12/15/2015

False Flag Operation Sparks the Beginnings of WW3?

James Bailey's 07/07/14, Prophetic Dream – Sudden Economic Collapse Coming upon the Whole World:

On 7/7/14 I had a prophetic dream in which I saw a “**sudden**” economic collapse coming upon the whole world. “In this dream I was in a big banquet hall (representing an upcoming United Nations meeting

after a Tokyo earthquake/tsunami/Mt. Fuji eruption and subsequent worldwide stock market crash?), which was filled with representatives from different countries. Each country had a long wooden table where their representatives were seated.

Then I saw the table for the United States. There were about six or eight representatives seated on one side of the table, but I could not see any of the representatives seated across from them on the other side. Then all of the U.S. representatives that I could see stood up at the same time. This caused a great commotion throughout the whole hall as

the representatives from other nations began shouting at the U.S. table and at each other. There was a lot of

confusion and yelling throughout the hall. The other countries were demanding that the U.S. representatives sit back down but their demands were ignored and the U.S. delegates kept standing.

Then “**suddenly**” the **people who were hidden from my view on the other side of the U.S. table shoved the table very hard causing it to crash into the ones who were standing.**

(the US shadow government throws the US government under the bus!) **All of them were knocked down to the ground and the table landed on top of them. I saw them laying flat on their backs with the edge of the table laying on top of them. They were unable to get up and could not get the table off of them. They were powerless and helpless and unable to move.** Nobody came to help them. They just remained pinned under the weight of the table. Immediately after that happened I looked across the banquet hall and saw total pandemonium with everyone yelling loudly with far more commotion than before. Across the other side of the room I saw **all of the representatives from China stand up and yell at the United States saying,**

“This is outrageous! We will declare war!” Then all of the Chinese representatives turned away from their table and angrily stomped out of the hall...” I asked the Lord about the timing. He said **“It is going to come next year (which would be 2015)** at a time when there are increased tensions between American citizens.” **(Tensions between American citizens are increased at this time!)**

People, do you see the connections below? Follow the black arrows.

James Bailey’s Prophetic Dream (above) “...Then all of the U.S. representatives that I could see stood up at the same time. This caused a great commotion throughout the whole hall as the **representatives from other nations began shouting at the U.S. table... ..The other countries were demanding that the U.S. representatives sit back down**”

Robert Holmes’ Prophetic Word (below) “...**The attention of the creditor nations will be drawn to America. I saw a time of conferences and meetings, international concern and intervention by prominent international organizations in domestic economics and affairs...**”

False Flag Event Coming Soon from Shadow Figures – James Bailey, November 24, 2015:

“...The collapse that I saw was caused by a **false flag event**. Shadow figures seated at the same table with known leaders of the United States intentionally pushed over the table causing it to fall on top of the known leaders with the edge of the table pinning them to the floor. Our leaders were laying there helpless, unable to move. **This was a planned false flag event** designed to steal the wealth of our people and the wealth of other nations while placing the blame on the wrong people and hiding the true culprits from public scrutiny. The shadow figures will know exactly when the event will happen so they can position themselves in the markets to profit from the crash. This small group of shadow figures will enjoy a great transference of wealth into their accounts while the lifetime savings of millions of American citizens will be wiped out...”

Rachel Baxter’s December 2015 Prophetic Word – An Event Will Occur That Will Begin WW3:

“An event will occur that will begin World War 3 (without debate) and there is to be no stopping it. All the planning and scheming has led to this. Many will lose their lives. It is important that you rest in the shadow of the Almighty, your refuge and your strength. I come to you to harken you to listen to all that I have to say. **The underpinnings of this attack come not from afar but from your own shores.** Do not be deceived. Trust this good word: I desire My children to live in light just as I am light. See, the darkness covers the earth, yet there are pockets of light that shine forth through the darkness. The abyss has not conquered all. It is My children of light who shall be victorious. **Let no more false flags confound you.** They say “look here” while over there great tragedy really takes place. I will point you to the truth. I will point

My children to all truth, which is in Me. Look to Miami. Look to Chicago. Look to San Francisco. See what is happening. The wheels have been set in motion and they shall not be stopped..." Updated: 01/06/2016

Could this "false flag event" be contrived failure of the "trading curb"/"circuit breaker", allowing the Dow Jones stock market to totally bottom out? Might this be what the "bad guys" are planning? Updated: 01/06/2016

Bob Neumann's 18 September 1998, Prophetic Vision 'The Killing of the Bull':

I was standing in that place of relativity that Isaiah called the Valley of Vision. When I was aware of this fact, I saw a figure who was waiting for me, so to speak. As before, HE was dressed in traveling attire, a heavy full cloak with a hood. Unlike the times I have seen my MASTER, the LORD OF HOSTS dressed this way, I too seemed to be wearing the same hooded cloak.

As I came to HIM HE nodded HIS HEAD and turned and walked with me just at and behind HIS left shoulder. We walked quickly and with both purpose and intent till we seemed to enter a much wider and open area. When HE stopped, HE made a half turn toward me and calmly stated: "YOU MUST KNOW WHAT IS ABOUT TO TAKE PLACE".

HE turned HIS HEAD and looked out into the center of this space and there stood this large Texas Longhorn type 'bull'. Exactly what you would see at University of Texas football games or on commercials for the stock market. Its horns were wide and came to quite impressive points. It stood still in the center of a circle of light as a 'spot light' would cause.

"THIS IS THE TRUE GOD OF AMERICA" stated my MASTER. Slowly the 'bull' began to move and the spotlight moved with 'him', wherever the 'bull' moved the spotlight moved with 'him'. Every now and then it seemed to move "suddenly" and strike a pose.

"AND THAT IS HOW IT HAS BEEN", stated the LORD, "BUT THIS IS HOW IT NOW IS...." As the 'bull' stood still the light began to move away from 'him' the 'bull' would move to get back into the light. Each time the light moved farther and the 'bull' had to move farther and faster to stay in the light. Now it seemed the 'bull' was chasing the light and never really catching it.

By this time I had a good idea that we were standing inside an arena like area and there were "figures" on the edges of the area but I couldn't distinguish anything besides shadow-figures.

"NOW YOU MUST SEE WHAT HAS HAPPENED AND WHAT WILL QUICKLY COME TO PASS..."

The 'bull' stood again in the center of the arena and the light was on 'him'. For the first time I noticed a large figure standing across from where we stood, staring at the 'bull'. In size and shape he was identical to MY CAPTAIN but a "shadow-figure" and I knew it was the 'BEAST'. As I turned to THE LORD with questions running through my mind/spirit HE lifted HIS RIGHT HAND and everything froze, time/space/eternity, everything stopped dead so to

Speak.

With a casual move HE brushed back HIS HOOD and I once again looked into the FACE of my KING. With a half-smile and a slight turn of HIS HEAD HE slapped me on the shoulder and explained.

"ONCE MY PEOPLE BUILT AN IMAGE OF A CALF OF GOLD TO WORSHIP. AMERICA HAS ALLOWED THAT CALF TO GROW UP AND REPRESENT ALL THAT IT WORSHIPS."

“**Suddenly**” I felt something in my right hand and I looked and saw some coins.

"WHOSE IMAGE DO YOU SEE?", HE asked. As I looked into my hand and saw a nickel, a quarter, and a coin that looked like gold and a coin that looked like silver. All I could think was "it isn't you LORD". "THEN WHAT DOES IT SAY?" HE asked gently. I replied "IN GOD WE TRUST".

As HE turned toward the "bull" in the light HE explained.

"MAN CAN NOT SERVE TWO MASTERS. YOUR PEOPLE CHOSE TO SERVE MAMMON AND NOT ME. THE RELIGIOUS IMAGES IN YOUR HAND DECLARE TO THE WORLD THEIR TRUST IS IN THEIR GOD. HAVE YOU NOTICED THEIR GOD?"

with that we turned and walked to the 'bull'. And 'he' began again to move. It seemed to notice our approach and ignored us. I looked and was wondering what I was supposed to be looking for. For some reason I began to stare at it's nose and couldn't figure it out. "THIS IS AN ANIMAL THAT HAS NOT BEEN TAMED. IT RUNS WHERE IT CHOOSES AND CAN NOT BE CONTROLLED". With that I had an image of a nose ring, where you would lead a 'bull'. "THEIR GOD IS NOT CONTROLLED AS THEY WOULD LIKE IT TO BE. SO THEY WILL CHANGE IT SOON.

BUT HAVE YOU NOTICED ANYTHING WRONG WITH THEIR BULL?"

Now I really had to wonder and I began to walk around it when it responded to nature and released a couple gallons of urine and a very large 'patty'. The animal had no concern where it hit when it splattered. And it stood in a good scattering of similar stuff. But with the 'deposit' I got a good look at the posterior and realized it really wasn't a bull after all. Just a 'steer'.

"THE LIE GOES FAR BEYOND WHO THEIR GOD IS. BUT EVEN THEN THEIR IDOL CAN NOT EVEN DO WHAT THEY SEEK THE MOST, REPRODUCE ITSELF. THAT IS THE LIE THAT WILL BRING THE DESTRUCTION OF YOUR COUNTRY. YOU TOLD THE NATIONS AND PRINCES OF THIS WORLD IF THEY DRANK FROM YOUR CUP AND WORSHIPPED YOUR IDOL IT WOULD REPRODUCE ITSELF. BUT YOUR LEADERS KNEW THAT IT COULD NOT AND TOOK ALL THE WEALTH IT COULD FROM THOSE WHO BELIEVED THEIR LIES, DREAMS, AND VISIONS. NOW THEY WILL STRIKE AT YOU THROUGH YOUR GOD."

With that statement HE turned away and returned to our place of observation. And as it seemed appropriate I dropped the coins in the fresh patty near my feet and took my place at his side.

As easily as time stopped it began again. The 'beast' came closer to the steer. The steer shied away. It did not challenge and paw the ground like you see in bullfights, another confirmation that it was not a 'bull'. **“Suddenly”** the spotlight disappeared and the 'arena' was now seen. The shadow figures filled the arena's seats, all sizes and shapes. As I stood watching the sense of anticipation and imminence grew. All of a **“sudden”** a roar of trumpets blared a long 'musical' fanfare and as it ended **the 'bull' was 'struck' and reeled backward** and as the 'cheers' of the 'crowd' arose it steadied it's feet and **shook it's head to 'clear the cobwebs'** (Strike #1 - 29 October, 1929 Stock Market Crash?)

We waited again. And without warning the 'trumpet fanfare' began. It was louder and lasted longer, as it ended **the 'bull jerked to its side** and again the cheer rang up. Now **four long deep gashes appeared on each flank and blood began to flow.**
(Strike #2 - 19 October, 1987 Stock Market Crash?)

Now the wait was shorter and I began to count. Again the third fanfare and cheers were louder and longer as again **the 'bull' was struck backward and nearly fell off its feet.**
(Strike #3 - 11 Sept, 2001 - 9/11 Stock Market Crash?)

The fourth assault left **laceration across all four legs.**
(Strike #4 - 16 September, 2008 Stock Market Crash?)

The fifth assault pushed its head down and as **it fell to its knees** its whole body began to tremor and shake. As it came to its feet again blood flowed from its nostrils and pink foaming from the mouth and I thought 'mad cow disease'. (Strike #5 - 1st "Black Monday" stock market crash in the fall of 2015 or early 2016?).

The sixth assault **came with no waiting period** and this time it was struck backward with such force **it was knocked off its feet** and slid backward in its excrement. This time the 'bull' struggled to get up and it was obvious a rear leg was broken. (Strike #6 - 2nd "Black Monday" stock market crash in the fall of 2015 or early 2016, after the 2nd stock market surge, ushering in the 2nd Great Depression?, which in the grand scheme of things would represent a "**no waiting period**").

As the seventh fanfare began **shadows** (shadow government?) charged out into the arena and took hold of the 'bull' and turned it on its back and held it down. I noticed the beast come forward with a short slim sword in its hand. And as the fanfare ended he **slashed the 'bull's' neck** (Radical Muslims slice their victims necks as they cut their heads off) and as the cheers went up **small black critters** (Federal Reserve One World Banking System?) in unbelievable numbers ran out to drink the blood. (Strike #7 - 13 September, 2016 Terrorist Attack, Gulf Coast Hurricane and St. Louis earthquake?)

As the cheer ended the eighth fanfare began and the beast slashed the belly of the bull from top to bottom. As the **disembowelment occurred** the cheers began and many **large critters** (Illuminati/"Bad Guys"?) began to feed on the entrails. (Strike #8 - 2017 Chicago and California Earthquakes?)

The ninth fanfare and cheer came as **the head was severed** from the carcass as the carcass was drawn and quartered. (Strike #9 - December, 2016 Y2K-like event – accidental nuclear strikes on several US cities?)

And **immediately** a short tenth fanfare and cheer came as **the critters ran off in four different directions each with a chunk of meat**. At this point I noticed the eyes just now glaze over as the bull/steer/America finally dies after all this brutal treatment; awake and aware of all that took place. (Strike #10 - 2017 or 2018 Russian and Chinese simultaneous Nuclear Attack on the United States, followed shortly after by a Russian/Chinese (and 6 other country confederacy) invasion of America?)

As the scene completely vanished we turned around and this time slowly retraced our steps. As we walked **THE LORD explained what I had witnessed.**

"SEVEN BLOWS WILL BE GIVEN BUT TEN JUDGMENTS ARE RESERVED FOR EGYPT. SEVEN BLOWS WILL BRING DOWN THE IDOL OF AMERICA. THE FIRST TWO HAVE STUCK AND YOUR COUNTRY BLEEDS.

THE FIRST WAS A BLOW THAT DROVE YOUR GOD BACKWARD, BUT IT CAME BACK A BIT.

THE SECOND BLOW CUT DEEPLY INTO ITS LOINS AND WEAKENED ITS STRONGEST POINTS.

THE THIRD BLOW WILL COME SHORTLY AND WILL STRIKE IT BACKWARD AND IT WILL NOT RECOVER ITS LOST GROUND.

THE FOURTH BLOW WILL NOW DESTROY ITS ABILITY TO MOVE AND EVADE

THE NEXT BLOW WHICH WILL BE A PESTILENCE FROM A FOE YOU DID NOT EXPECT. THAT IS THE FIFTH AND DECIDING BLOW.

THE SIXTH BLOW WILL CRIPPLE YOUR IDOL AND DELIVER IT TO THE BEAST FOR DEVOURING.

THE SEVENTH BLOW IS THE DEATH BLOW.

YET THE EIGHTH, NINTH, AND TENTH THAT WILL STRIP, DIVIDE, AND DEVOUR WILL BE THE NOURISHMENT NEEDED TO EMPOWER THE BEAST FOR THE SHORT TIME HE HAS LEFT."

Plagues are Coming to America:

At this point we stopped and HE faced me and once again placed the HOOD over HIS HEAD.

"THAT IS WHY I SENT YOU TO GOSHEN FOR I HAVE A REMNANT EVEN IN EGYPT. IN THE HEART OF BABYLON I CALLED TO THEM AND THOSE WHO KNOW MY VOICE HEARD AND CAME OUT. BUT IN EGYPT THEY ARE IN BONDAGE AND I SEND MY SERVANTS TO THEM TILL THE INDIGNATION IS PASSED AND THE PLAGUES HAVE FALLEN UPON THOSE WHO HAVE HARDENED THEIR HEARTS."

"IT'S GOING TO BE ALL RIGHT," He laughed as he gripped my shoulder. "YOU KNOW WHAT WILL NEED TO BE DONE AND YOU WILL DO IT. THERE ARE MANY WHO WILL FIND SAFETY IN THE MIDST OF THE STORM AND THE DARKEST OF THE NIGHT. GUARD MY SHEEP OLD DOG A LITTLE WHILE LONGER." And it ended.

Casey Toda's July 31, 2016 Prophecy - The Bad Guys have Escalated Their Course of Action Economic Collapse and Release of some type of Pestilence/Plague:

On July 31, the Lord shared the following urgent warning with me and a call for His people to pray.

"Because of the shakings now taking place, an awakening has begun in people who were previously asleep, which has ignited a desire in them to know the truth. Although their focus initially is wanting to know truth about natural events, I am using this desire to lead them to Myself. Many people are more malleable and open to Me than they ever were before because of what is happening.

The elite, however, are feeling very threatened and have already issued a bypass in their plans and escalated their course of action. They are aware that if they do not move quickly there is a greater possibility that their plans can be foiled."

I asked God, "What are they planning?" He answered:

"They are pushing forward on the economic collapse and also going to release some type of **pestilence/plague** that would shut everything down. Their goal in this is to create such an environment of instability, chaos, and fear that people would have no choice but to depend on the government, even if they know it is corrupt. These types of events would provide the legitimate cover required to implement what they want with the least amount of resistance.

They are trying to do things outside of My timeline and therefore outside of My will. They are trying to block My hand from exposing what I want to expose and trying to prevent the people from being awakened. I want people awakened so they can turn to Me. I will use the exposing of corruption, conspiracy, wickedness, and deceit to emphasize the value of truth and to lead people to Myself because I am the Truth."

God gave me a strong warning for those in government and places of authority. Several days ago, as I was preparing for bed, I asked the Holy Spirit what I should read in His Word. I heard clearly, "Isaiah 10". I don't always hear this clearly, but I got excited because I knew He was going to show me something specific and for a purpose. When I laid down in my bed to read, it became very apparent to me why He wanted me to read this.

The first portion of the passage was highlighted to me and after reading it too, you will see why:

- 1 What sorrow awaits the unjust judges and those who issue unfair laws.
- 2 They deprive the poor of justice and deny the rights of the needy among my people. They prey on widows and take advantage of orphans.
- 3 What will you do when I punish you, when I send disaster upon you from a distant land? To whom will you turn for help? Where will your treasures be safe?
- 4 You will stumble along as prisoners or lie among the dead. But even then the Lord's anger will not be satisfied. His fist is still poised to strike. (Isaiah 10:1-4)

God is shining forth His light to reveal those things that have been done in secret. He is exposing the depths of darkness, lies, deception, and wickedness that have been hidden at the highest levels of our society.

Steve Quayle received a word from The Lord some time ago stating that before God would allow the full weight of His judgment to be released, He would expose the sins of the government to the people and then the sins of the people before

their God. We are beginning to see the fulfillment of that word both in the Planned Parenthood and Wikileaks email releases.

God is confirming this exposure is being done by His Hand and for His Purposes. He has made it clear that He is going to shake everything that can be shaken, and that means everything. There have been many intercessors praying through the years by the direction of the Lord, asking Him to pull back the covers of all the hidden things being done so the people would see and awaken.

God's judgment is being released on our nation in increasing measures, but He is calling us to pray against the enemy's plans, timing, and agenda to block what God wants to do and move outside of His perfect plan. Just because He has a plan is NOT a guarantee that it will happen the way He wants unless we contend in agreement for what He wills. Even in His judgment, He has a timeline and a way in which He will do things. We see that clearly in His Word."

10:30 Mark: “I see another very “**bad earthquake**” (Tokyo, Japan?) getting ready to take place. And I am trying to find out in the Holy Ghost where it is going to be. But this is going to be a pretty “**massive earthquake**”. I feel it very strong, it's going to happen within days to weeks. OK, but this thing is right around the corner...”

12:49 Mark: “...I see a very famous presidential candidate shocking everybody, because by Christmas, (2015) he's gonna drop out.”

14:00 Mark: “**Obama's presidency is going to end up in a demise. OK. Obama's presidency is going to end up in a demise.**”

14:14 Mark: “I see in the realm of the Spirit ...I see a curve ball being thrown into the process. ...something is going to happen that's going to stir the election to a whole new episode of pandemonium. ...I see this election as being one of the worst elections we've ever had. One of the most confusing elections that America has ever had. ...**I see something that's going to stir the election to a whole new episode of chaos.** ...and **something is going to happen to bring confusion,** and it's going to be like the president – **like somebody broke the rules and manipulated the votes.** That's the best way I can explain it. I see something strange happening, where **people will say they manipulated the votes.**”

“The day hastens. **Benjamin Faircloth's May 24, 2016 Prophetic Word - Hillary will win the election by default.
Obama will stay in due to the chaos:**

“This morning May 24, 2016 around 3:00 am I was awakened by these words; “**America's last breath, Isaiah 51**”.

As I struggled to awake, I heard the Father repeat this phrase, along with more details. I got out of bed and proceeded to write the following words:

“Hillary will win the election by default. **Obama will stay in due to the chaos.** It will be a two-headed serpent, which you cannot kill until I come. This will be what America wants and deserves!”

As I questioned the Father about this strong word, He proceeded to give me understanding. **Hillary Clinton will become President because of the chaos that will envelope this nation.** I believe as other watchmen do, martial law will arrive because of the chaos (caused by terrorism, financial crisis, disasters, etc). Even if Trump wins the general election or the popular vote, it will be taken from him by default.” Updated: 05/26/2016

Excerpt from Elizabeth Marie's July 22, 2016 Prophetic Vision –Trump's Ballot Box Tampering Exposed!

“I saw three medium sized cardboard boxes sitting in a row. On the top of each one was the name ‘TRUMP’ in big, black, bold letters. The boxes were closed as if they had never been opened, however, I saw in the spirit, that these **boxes had CLEARLY been opened** but then sealed back up to make it look like they were new”

**Matt Smith's May 20, 2016 Prophetic Word - We won't make it to inauguration day, without
Obama staying in office:**

“As I came home from work today. I was sitting in my car, in front of my apartment building, crying out to the Lord. My heart has been heavy. My spirit truly believes something is about to happen any day now. The Lord then began to speak to me about some personal things involving me. However, after he was done dealing with me, he began to speak to me about the following topics:

Donald Trump and the Election:

When it comes to Donald Trump, there will be an assassination attempt on his life. I then asked the Lord, “Will it succeed?”

The Lord then stated to me, “**That will depend upon his relationship with me. What's important for you to know is it will add fuel to the fire.**”

The Lord went on to tell me, “**We won't make it to inauguration day, without Obama staying in office.**”

Markets, Civil Unrest and War:

I am not in the markets. I have never studied them to get wisdom on them. I have nothing against people in the markets. I wish I had the knowledge sooner. I also know God deals in cycles, thus there is wisdom in taking advantage of these cycles and patterns.

With all that being said here is what The Lord spoke to me about the markets and civil unrest/war. First if you are in the markets and the Lord has told you to get out, then get out immediately. If he okayed it, then you better pray exactly what He wants you to do. Do not take on any stocks or reverse ETF's He has not told you to get. Your gain for being faithful is for kingdom work.

Now when it comes to the markets in general, they will take a hit. And when it does many will blame Obama, democratic liberal ideology, and all his supporters. These country-first- conservatives, old America (the Red), they will be furious, and say, "I told you the economy was bad! The job numbers were a lie!"

The other half of the nation, the Obama socialist, liberal supporters, the new America (the Blue) will blame the other side: Bush, conservatives, and people they deem racist. They will say, "This is Bush's mess! You racist whites never gave Obama a chance! You rich people did this, because you are greedy!"

This will set in motion riots, which will become more violent. When the markets take a hit, it will go up briefly, and the Red people will cry foul and say, "Obama is rigging the markets!" Then they will become even more angry at the Blue people for the bank measures put in place as a result.

Then the Blue will fight back, blaming the Red for not furthering the socialistic policies. Thus more violent cries and riots will fill the streets. There will be terrorist attacks and false flag attacks, which will effect the market, and the Red/Blue name game will follow. The violence will escalate to levels never before seen in this country. By the time of the election, the economy will be in such bad shape, civil unrest will reach nuclear levels of anger, and eventually civil war.

The Church:

God spoke this to me, "Tell My people to get off the cruise ship. It's time to get into the jungle, we are at war. It's time to fight for Me. Put on your armor and fight. **Jonah tried to go AWOL.** He went down to Joppa thinking he could get on a ship and 'cruise' away from Me, when I told him to go up to Nineveh. When you try to cruise away from me, you have nowhere to go but down. Your leisurely days are over. Many people are not ready for battle and they are fixing to get slaughtered. Pick up your weapon and fight!"

Remember we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of this age, against spiritual host of wickedness in the heavenly places.

This is all He spoke to me. Pray and seek God for yourself. Time is short. God Bless." Updated: 05/26/2016

Elizabeth Marie's July 22, 2016 Prophetic Dream and Vision – Pregnant Lady about to Give Birth and Trump's Ballot Box Tampering Exposed!

On July 22, 2016, I received a dream and a vision. I have been praying and seeking the LORD about what they mean and want to share their interpretation. Like with all prophetic dreams, words and visions, please seek the LORD for discernment and confirmation. Remember, we only see through the mirror dimly, but one day face to face! (1 Corinthians 13:12)

"In this dream I started feeling movement in my stomach and was completely startled by it. I then recalled, in this dream, about another dream that I had a few months ago of how I had been pregnant and was in the final transitional stage of giving birth, only to have the contractions completely stop.

Then, I thought to myself, that maybe I really AM pregnant again and now something is about to happen. Sure enough, the movement starting getting stronger and stronger. I looked at my stomach and started seeing these large imprints of little hands and feet trying to poke out.

The movements got stronger and stronger. As they increased, I felt as if this baby was going to try to BURST out of my stomach. I saw the head imprint thrashing to and fro along with hands and feet now trying to punch its' way out of my stomach.

While this was happening, I was outside of a door of a building and there was a bunch of people inside. I felt the immediate need for help and called for someone to come and see what was going on with my stomach. Then a person came outside to see what all the commotion was about.

When I looked up at this person who stepped outside, I saw that it was President Obama. He looked at my stomach and saw it flip-flopping about in almost a violent way. He got very excited, his eyes got large, and he drew me close as if he didn't want anyone else to see or hear.

He then, whispered to me, “What is happening to you is a SECRET and a STRATEGIC PLAN FOR THE NATIONS.” End of dream.”

“On the same day I received this dream, I also received a vision in which I saw three medium sized cardboard boxes sitting in a row. On the top of each one was the name ‘TRUMP’ in big, black, bold letters. The boxes were closed as if they had never been opened, however, I saw in the spirit, that these boxes had CLEARLY been opened but then sealed back up to make it look like they were new. End of dream.”

Will August 2016 become “The Month of Red”? August 13, 2016:

Benjamin Faircloth’s July 17, 2016 Prophetic Word - Riots in the North, Turmoil in the South, Rebellion in the East, Fires in the West:

During my prayer time on July 17 2016 at around 6:15 am, the Father spoke the following words to me.

“Anarchy, anarchy, anarchy! The seething pot of rebellion has spewed into your streets. Riots in the north, turmoil in the south, rebellion in the east, fires in the west! All of these will form your nation’s unrest! The lack of peace, is the lack of My Righteousness within the fabric and soul of this nation.

Abandonment of My Truth will be filled with rebellion and hatred of the soul! Rejection is always followed by ejection. You have rejected Me America, and I have ejected you from My plans of prosperity and wholeness!

I am here, I have not changed, but you Oh America have changed! Since your birth, you sparkled with newness and adventure. You conquered every foe, but you have forgotten the strength behind your tow (struggle). It was Me! It was Grace that covered thee! Now your garments will be exposed! For they will be tattered by your foes! You wouldn’t listen to instruction, nor would you seek My wisdom and take counsel from Me!

America, I have wept for your sins and rejection of Me. But now I stand and have determined, you will see what a hornet’s nest of rebellion looks like within your streets! You will try to cover your eyes, but the fires will be too bright and all will see, what America the fallen will look like indeed!”

After receiving the word of the Lord, the Father spoke to me to preach from Isaiah 34. I just preached from that chapter last week in my sermon, “The Divided States of America”.

I asked why He wanted me to do that because I was concerned people would not respond to the meat of this word, thinking it was a repeat. He replied, “They are not listening to My Prophets, they are not listening to My Watchmen and Seers! Tell them again that My Sword has been prepared for this nation. I offered you My Covenant of Peace, now you will endure a time of war!”

I will now present this message from Isaiah 34 with new revelation and understanding; along with a word for the Remnant Church out of Isaiah 32. The Father instructed me to remind those who would read this word, that Isaiah 37:15 is His first choice! Updated: 08/04/2016

Benjamin Faircloth’s Jan 17, 2016 Prophetic Poem “In the Month of Red, Blood Will Be Shed”:

On January 17 2016 at around 2:30 am I was awakened to the following word, which I received several times before I got up and began to write it down. The Holy Spirit spoke these words to me:

“I am mobilizing My Team, My Army to the frontlines. War is here now! Carnage will rage from **Wall Street** to the Main Street of America. My judgment has arrived. My time of winking is over. I will stare and I will gaze

at this nation's demise. I am fixed in My position and plans. The time to reap has come! The desperation of man will be fierce."

He then said something I've never heard before, "In the month of red, blood will be shed." Updated: 01/19/2016

Benjamin Faircloth's July 31, 2016 Prophetic Word - August will be an Acceleration of Assassinations in the U.S. and the World, Desolation has Come to your Shores, your Prairies, and Cities, both Large and Small:

"On July 31, 2016, during my morning prayer time, the Father spoke the following word to me.

August will be an acceleration of assassinations both in this country and the world. Officials from both corporations (including banking) and political parties will be assassinated.

The cutting off of the head will be the goal of your enemy. This will be the dividing of the nations. A great culling (selecting process) has begun, it will not stop nor decrease until the plan is in place.

This plan your enemy has laid out has been approved by Me. For I have warned that the enemy was at the gate. I have foretold your enemy would strike, but you have increased with goods and now you are dull of hearing! You have placed your hands over your ears. Silence is what you have asked for, but now you will receive the increase of My Prophets. For they will not stand by in idleness and stare, but they will stand and say with a voice of a trumpet, 'Desolation, desolation, desolation, has come to your shores, your prairies (drought and heatwaves to the heartland?), and cities, both large and small.'

You have forsaken My covenant, you have forgotten My offering of peace, now you will reap the whirlwind, the price of the folly of your sin.

My garments are clean, My breath does not reek with the stench of your consuming sin. I have not violated My House as you have violated your own. There is no comparison to My Royalty and Holiness though you were once a reflection of My Glory! I have divorced you oh nation of serpents! Vile and unclean are your streets, filled with pagan parties worshipping departed spirits of dead men. In your songs and festivities, you will vomit from their overflow. For you have drunken the wine of My wrath and fury! You thought I was as you! But I am not!

Your churches have become a gall of bitterness for the poison that has been preached. Bitter because the sweetness has lost its taste! For My Word is honey and it is life. But oh preacher and pastor of My Sheep, you have poisoned and diluted My Word by your sin. You prophesy words of good, peace, and prosperity. Ye hypocrites, you will receive the greater judgment! For like Balaam, you taught My People to err! Now the salt has lost its savor and it is good for nothing!

To My Remnant, I say arise stand up and go forth, move to higher ground, move to where you can be heard! Blow the trumpet! Sound the alarm! For soon war will begin and few will be found. Make haste in your plans and prepare My People for My Return and for My Habitation!" Updated: 08/13/2016

James Bailey's August 8, 2016 Piece - July 2014 Prophetic Dream Close to Fulfillment - Something Will Occur That Will Change Everything that Follows It:

"In July 2014, I received a prophetic warning dream of a coming sudden event that would trigger an economic collapse. Afterwards, I received several additional dreams and words revealing four signs to watch for. So I have been watching for those signs and have documented how all four signs have been fulfilled, which lets me know we are now in the season when the sudden event will happen.

I believe the sudden event I saw is the same one other people are seeing because they also describe it as happening suddenly and causing major trouble. The following prophetic warning provides another confirmation, which was posted by Z3 contributor Jeff Byerly on his blog, Holy Spirit Wind."

"The fall (season) will be the beginning of the fall of this world into utter darkness and chaos. Something will occur that will change everything that follows it. The Fall is NOT the end, it is the beginning of the end of this age. Pray that the devastation will be lessened, that lives would be saved, and that there would be a great harvest

of souls for My kingdom. I will counteract the movement of the enemy with a greater outpouring of My Spirit and it is available to you even now! As this world grows darker, the outpouring of My Spirit will grow ever more powerful and you will become ever brighter until your final transformation into glory.”

This warning also confirms what others have shared in previous posts, including the following:

Mena Lee Grebin shared, “Within Three to Six Months, Chaos Will Envelop America.”

Pastor Benjamin Faircloth shared a warning of “Riots in the North, Turmoil in the South, Rebellion in the East, Fires in the West.”

Glynda Linkhous shared, “A Plan is Underway to Surprise You with an Attack that Will Shock the World“

Matt Smith shared, “By the Time of the Election, Civil Unrest Will Reach Nuclear Levels of Anger“.

Pastor David Lankford shared, “Something Has Been Ignited, We Are At the Point of No Return“.

Chuck Pierce shared how April 25 to October 20 2016 would be “The Most Tumultuous, Confusing Time This Nation Has Known in Over 160 Years.” We are now over half way through that six month period. There have been increases in mass murders and civil unrest, but not yet on a level that would exceed anything in the past 160 years. However, a lot can happen in the ten weeks remaining. Brian Carn’s October 6, 2015 ‘Clarion Call’ (https://www.youtube.com/watch?v=3Ui_paNefl4)

Video/audio Transcript in its Entirety – with Periscope Problems - Continued:

17:44 Mark: “I also see **the normal U.S.A. citizen, is going to have access to military grade weaponry**. Let’s be very prayerful, because I see something happening with the National Rifle Association, where normal people are going to have access to military grade *weaponry*.”

18:07 Mark: “I see **a *military draft occurring***, and when I’m telling you these things, they could be down things happening down the road or they could be close, but I’m telling you what I see. I see us having another draft, OK. Remember during Vietnam, they had a draft. **I see another draft occurring.**”

18:25 Mark: “As we go into the *New Year*, the next time you see gas prices low, go get you some containers and fill them up with gas, because **as we go into the New Year, I see the gas prices going up immensely!** And I see **a change in the markets, when it came to oil**, OK.”

18:48 Mark: “...So I really want us to be very prayerful in this season, because there’s getting ready to be a major shift, something “**suddenly**” (how many times have we seen that Word before in these Prophetic writings, ha, ha) is about to happen in the media, OK. And again, I see something happening as we (USA) begin to go into a season of “**smoke and ashes**”. I see Trump fading out. And I know a lot of preachers just went and had a meeting with Trump, God bless them, but I hope they don’t feel like he is gonna be president – if they do, they are wasting their time, because the Lord already let us know *what is going to happen.*”

...Donald Trump, I see him falling out, as we go into a season of “**smoke and ashes**”.

(1st stock market crash in the fall of 2015 or early 2016, following the volcanic eruption of Mt Fuji “**smoke and ashes**”, and a massive Tokyo earthquake, between now and Christmas time?)

20:42 Mark: “But I wanna talk to you saints and I really want you to hear me. Because the Spirit of God spoke to me very strongly and said: “**Son, the enemy is conspiring an attack against the people of God everywhere.**” And I want you’ll to hear me, because even the Word of the Lord came to me and said very strongly, “**to be very prayerful in this season and He told me to increase the temperature of my prayer life, again in this season, because there’s coming an attack.**” ...and it’s amazing that this thing happened with “**periscope**” and all of this happened, because the Lord said to me, “**Isaiah 54:17**”

Isaiah 54:17:

“No weapon (*as in terrorist weapons*) that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord.” (periscope wasn’t working for a time in Brian’s video broadcast, and the Lord told me that “**it was an Event Code for what was to come**” – the November 13, 2015 Paris shooting massacre, when Islamic terrorists killed 130 people. The Event Code ‘**periscope**’/‘**Paris scope**’ or one

could say the ‘scope’ was on ‘Paris’, as in ‘rifle scope’. You see, everything stopped in Paris during the time when all of those rifle scopes were pointing and shooting at the people in Paris, just as everything stopped working (in ‘periscope’) for a time, when Brian Carn was delivering the most insightful Prophetic Words of this fall season! God decided not to give Prophet Carn specific information about the Paris attack, in the form of a Prophetic Word, but instead, He gave him the information via an Event Code. Sometimes we have to use prayer and discernment before God, to glean additional information that is not openly given.)

21:47 Mark: That’s my scripture for this, OK. That’s my scripture for this. And I really want you to hear me, because I see an attack, (12-02-2015 San Bernardino terrorist attack?) what happened in this last massacre, at the school shooting in Oregon. The man told them are you Christians, and if they were Christians they were killed.

(Even though it isn’t talked about on the news, many people, including myself, believe that the terrorist gunman Farook’s primary target in the San Bernardino shooting, was a Messianic Jewish co-worker named Nicholas Thalasinis, that he wanted to take revenge against. Farook and Mr. Thalasinis worked together as health inspectors for an extended period of time, and it has been reported that they would often have discussions about religion and politics)

“And I wanna tell you all today, that if you are gonna make it in this hour, **you are gonna have to make up in your mind that you are strong in the Lord and in the power of His might. You’re gonna have to put on the whole armour of God, that you may be able to stand against the wiles of the devil! In this season, I want you to increase the temperature of your prayers! ...and you are gonna have to make up in your mind that for God you will live and for God you will die!**”

24:55 Mark: “I’m trying to get you prepared for what’s getting ready to hit America. **I see people going into grocery stores not having food. There’s going to be a change in our currency.**

(30 to 50 % devaluation of the dollar immediately following the worldwide stock market crash?)

But no weapon that is formed against you, shall be able to prosper. So I want us to pray.”

25:17 Mark: “And I want you to jot down those things that God (I’m jotting, I’m jotting, ha, ha) showed me, because the Lord showed me very clearly that someone (Donald Trump) is gonna drop out before Christmas (2015). The Lord showed me very clearly that **Donald Trump is gonna drop out** as we hit a season of “**smoke and ashes.**”

25:37 Mark: “So keep your eyes – even Israel, very soon, is gonna become lost. Let’s pray for Israel. The Bible says to pray for the peace of Jerusalem. But these are things that I see are getting ready to come upon America. I want you to pray for St. Louis because I see sadness in St. Louis, I see chaos in the streets. But pray for Chicago, because **I see civil unrest in the city of Chicago, like you’ve never seen before!**

(Keep in mind that Brian gave this Prophetic Word way back on October 6, 2015. And we know now that the Chicago riots have since begun! And according to Mr. Carn they will get much worse! The riots began after the Video of the Laquan McDonald shooting, which was captured on a police cruiser’s dashboard camera, and subsequently released to the public in November.)

The shooting of Laquan McDonald occurred on October 20, 2014, in Chicago, Illinois, when McDonald, a 17-year-old black male armed with a knife, was shot 16 times by Chicago Police Officer Jason Van Dyke (Wikipedia)

Do you remember the Baltimore riots that began on Monday, April 27, 2015, where there were days of protests, rioting and looting following the death of Freddie Gray who died while he was in police custody? And do you remember that the “**Baltimore Orioles**” home game (on April 27th) against the ‘**Chicago White Sox**’ was postponed due to fear of unrest and violence at the stadium? Well the Lord gave me an Event Code out of that postponed baseball game. The Lord gave me a Word and said “**that what has happened in Baltimore will also happen in Chicago!**” and it did!

26:10 Mark: “And I see God calling the church back to a place of prayer. Again, **pray for a major preacher**, OK. I see in the realm of the Spirit, - you know what happened when one of the bishops in Atlanta – who we thank God, we pray for him. We thank for recovery, restoration, whatever. But I see a big preacher, going through something like that again.”

28:01 Mark: “I need to speak to somebody and tell you that there is coming an **attack upon America** (12-02-2015 San Bernardino terrorist attack?) in a couple of days. And when I say days, you have to hear me in the Spirit realm. But there’s coming an attack, very soon. I see a **shaking and a shifting** getting ready to hit our country. Even a shifting of power and the changing of the guard. (the fall of many corrupt government officials and preachers and the rise of the **Joseph’s** and the True Church of Jesus Christ?) And we need to **pray for Obama, because I see his presidency ending in a demise**. We’ve got to pray for him, because God commanded us to pray for those in authority.”

28:48 Mark: “But I see something happening **concerning a mountain**, OK. (Mt. Fuji eruption?) I want you to hear me – just pay attention to the news, something is going to come up on the news **about a mountain**. (Mt. Fuji eruption?) I don’t know if **the mountain** (Mt. Fuji eruption?) is going to collapse. I don’t know if **the mountain** (Mt. Fuji eruption?) is going to fall. I don’t know if a bomb is going to hit **a mountain**, (Mt. Fuji eruption?) but pay attention to the news, something is going to come up about **a mountain**.” Updated: 12/12/2015

Randy Conway’s, Prophetic Poem – Surrendered:

“The America we once knew is gone and it is no more
We have surrendered while most didn’t know we were at war
Multifarious battles were fought over many years,
Battles hidden from our sight and often the enemy, our peers.

Whether long fought or quickly ended the same results were engendered
By our silent acquiescence, or distraction, America has surrendered
The enemies of freedom, with hellish inspiration, remained persistent
Ever advancing their cause and all too often without resistance.

History has been revised, falsified, corrupted and even deleted
And we now live in a day when history will be repeated
We have surrendered the truth for the comfort of lies
An unconditional surrender and our freedom has now died.

We have surrendered our rights that were demanded before our Constitution would be ratified
As long as we receive a government check that’s certified, we can lie to ourselves that it is justified.
Not so long ago a monster was released from Jekyll Island and we surrendered our economy
Every generation since is forced to redistribute wealth because of the victory of traitor bankers who control our money.

We have surrendered all hope of present or future prosperity
And have assented to live as slaves in financial dependency
We have surrendered the responsibility and privilege to be a people of Biblical literacy
And by so doing have become a nation without integrity.

From the office of the President to the teachers in our schools
Sexual perversion and permissiveness has made men and women wretches, whores and fools
By surrendering both our personal and national integrity
We have given a greater ease to our enemies who continue to garner victories.

Politicians and leaders who cannot be threatened, bought or compromised
Have continually and often mysteriously died or reportedly “committed suicide”
We have ignored our duty to throw off a government pursuing a design of absolute despotism
And have surrendered our future security to Illuminati activism.

We have surrendered our courts and constitution
We have surrendered all sacred institutions
We have surrendered the victories of our forefather’s revolution
We have surrendered our minds to the onslaught of intellectual pollution

Of greatest distress and dire consequence has been the surrender of our pulpits
Ignoring the Word of God to preach political correctness, sermons are but refuse fit only for the toilet
The surrender of the pulpits paved the way to surrender education, entertainment and the family
All moral high ground has been lost and what is unnatural is now accepted commonly.

We have lost our privacy, honesty and civility
Surrendering our decency, dignity and sovereignty
Upon the Mastery of the Human Domain we will be but detainees;
Until we fight for right and surrender only to Christ, this will be our destiny.

This timeless war has come with the shedding of much blood
Those who never tasted life have paid the highest price as abortion rages as a flood
Men who fought valiantly for freedom have been used as pawns in evil designs
And the enemy marches on battling to destroy the human bloodline.

We have surrendered the futures of those not yet grown
They will never savor the freedoms the past generations have known
We have surrendered our will and our minds and now live under a great delusion
Pretending all is orderly and well while the world is in confusion.

What is left, who is left that has not or is not surrendered?
Is not the final hour upon us when the question of our guilt must be answered?
Is there still time? Are their soldiers left, enough to fight?
Who will wear the armor of God and face evil in the power of His Might?

Every day around the world Christians die in torturous agony
But as long as men die on distant shores, America will pursue meaningless activities
Alas those who’ve never realized there is a war that rages,
Will very soon realize that surrender will demand its wages.

We have moved from ridiculing or ignoring the Watchmen to labeling them as psychotic
Our surrender has had a dimensional effect transporting the chaotic
There is no more ground that can be lost or all will be held by the despotic
The events ahead will be prophetic; we will stand for Christ or surrender to the demonic.

What are the terms of your surrender? How will you choose to live?
All to Jesus I surrender, all to Him I freely give.
To surrender to Jesus Christ is to win this war
And will nullify the surrenders that we’ve accepted heretofore.

The America I once knew is gone and it is no more
The stench of our sin is repugnant and will not be ignored
The instruction of Scripture is offered; we can accept it or ignore
We will be but a memory of history, or we will repent and be restored.

I surrender all, all to Jesus I surrender, I surrender all.” Updated: 12/15/2015

Matt Smith’s Prophetic Poem Revealing the Future of America in 2016 and Beyond:

On December 23 2015, He showed me what is coming to America in 2016 and beyond. Then He led me to put it in the form of a poem:

“**At the very end of 2015**, And the year of ten plus six,
That wicked old Satan, Will be up to evil tricks. (1st “Black Monday” stock market crash?)

December through February, Winter finds itself here,

A “**sudden**” event will strike, And many will be in fear. (1st “Black Monday” stock market crash?)

Know then My judgment, Has come upon this land,
God reigns supreme, And deals with a heavy hand.

From March until June, The spring season shall arrive,
There will be many people, Found not to be alive.

During this same season, Another checkpoint will originate,

Then another crushing blow, Will seal this nation’s fate. (2nd “Black Monday” stock market crash in the fall of 2015 or early 2016, after the 2nd stock market surge, ushering in the 2nd Great Depression?)

During these two seasons, The economy will decline,
Look to Me My people, I say, ‘Your souls are mine.’

For war will be inevitable, It will not go away,
I implore My holy people, Stay on your knees and pray.

The dog days of summer, Will follow and draw nigh,
Protests will fill the streets, With a far more violent cry.

At the end of the summer, As the season reaches a climax,
JADE HELM will come to life again, Surely it will be brought back.

**The fall season will bring, another election year,
But by this time our nation, Will be firmly gripped in fear.**

**Barack Hussein Obama, Will stay seated in his chair,
No Democrat nor Republican, will find themselves his heir.**

(see also Rick Wiles’ interview of Rebecca Sterling and Brian Carn’s October 6, 2015 ‘Clarion Call’)

Martial law is coming, It will soon grip our land,
I plead with all the saints of God, To take a righteous stand.

2017 will follow next, When it comes rolling around,
The changes will be different, They will surely be profound.

America will have seen, Destruction and devastation,
I will hold nothing back, I will show no hesitation.

Disease and pestilence, Will surely grip this land,
But My people do not worry, It’s all part of My plan.

Watch the hand of Islam, They will shout a battle cry,
A day of terror is coming, And many will surely die.

Now look upon the map, And look upon it well,
You will see trouble landed, Where American cities fell.

Now woe unto you cities, And you states shown below,
You have angered God in Heaven, And made yourself His foe.

Woe unto the city, Of the Bears, Cubs, and Bulls. Woe to San Francisco,
You dare mock me, you fools! I will destroy both of you,

In the hour of My fury, You have been found guilty,
Yes, by my Heavenly Jury.

Woe unto Las Vegas, Seattle, and the Big D, Plagues, famine, and destruction
Are coming soon, you'll see.

Woe unto New Orleans, And even Florida too,
When I shoot arrows of destruction, You shall surely be through.

Woe unto the city, Known for the Liberty Bell,
I will take away your freedoms, And you will see much hell.

Woe unto Baltimore, Woe to Washington DC,
Woe to you wicked leaders, For you must answer to Me.

I will destroy these cities, With one single attack,
I will shoot arrows of destruction, And I will hold nothing back.

Woe unto Boston, New York City, And even California too,
You do not worship Me, You say, "I answer to who?"

You say you only answer, To gold, silver, and sex,
But I will put something on you, Far worse than any vex.

Half of California, Shall be thrown into the sea,
And New York City, The same fate it will be.

Oh Boston, Oh Boston, Your arrogance will be no more,
I shall wipe you off the map, You big arrogant whore.

Get prepared for slavery, It is coming to this nation,
Like Egypt in the days of Moses, It will not be a good sensation.

An asteroid will strike, In the Caribbean sea,
All around the world, Tsunamis must be.

Earthquakes will come, And will divide this land,
That we might not forget, God deals with a heavy hand.

You shall look to the east, And see Russians coming here,
You shall look to the west, And see China causing fear.

They shall invade this land, And take over this place,
America once a golden cup, Has become an utter disgrace.

Many think they can still sin, And waltz right into Heaven,
But that's like foolishly believing, Two plus three equals seven.

There are many who come to Me, On spiritual section eight,
They are in moral poverty, And will not enter My pearly gate.

Moral bankruptcy, They have truly filed,
They do not know Me, For they are not My child.

You who refuse to teach, My people the ways of the Lord,
Soon you will find, You can not escape my sword.

Promising My people, Nothing but houses and cars,
But these will not get you, Not get you very far.

Tell the people to stop, To halt all of their sins,
Tell them to live holy, So they can enter in.

It is time for the saints, To be truly tried,
Stand firm upon My word, And in Me truly abide.

If you deny my son Jesus, In front of any man,
You will sink faster, Than standing in quick sand.

So know these things, They surely will take place,
Come live your life for Jesus, And receive My mercy and grace.”

Rachel Baxter's April 20, 2016 Prophetic Word – 10 Tornado's (10 Point List of Future Events):

The Lord just took me through this over the last two hours (on July 14, 2016) as a storm popped up over my city and blew through. So many of us have been watching the storm clouds approaching for quite a long time, even years. There is an understanding in our spirit that the time of waiting is nearly over for the dark clouds are now overhead and ready to be emptied.

“The sky is so dark and what was once stillness has now turned to wind. The branches of the trees have begun to move under the power of the wind. The singing of the birds has now been silenced as even they take shelter. We’ve had that feeling of unease from deep inside of us growing and growing. Holy Spirit has even spoken to so many the words “shaking, shaking, shaking”. He promises that everything that can be shaken will be shaken. The sky is nearly ready to open up over America my Friends. We’ve felt a few rain drops hit the ground, and even on our face. It feels cold to the touch, but has been “tolerable” as harsh as that sounds. Other nations have faced earthquakes, famines, plagues, floods, wars, and Christian persecution, but these things have yet to impact us in the same way. The time is nearly here for that to change.

Once, the sky was blue and the sun was shining on America, but that time is over. Our great grandparents, if they were alive today, would have a hard time recognizing this nation. Sure, the old landmarks are still here, but the feel and expression of the joy in the freedom we once experienced is past because of sin has run rampant. The rain is going to begin to pour down harder and harder as the cup of God’s wrath for America begins to pour out. Make no mistake, the cup has been filling for decades, and we’ve now reached the point that the cup can no longer contain it anymore.

The Lord has shown us, those who have been paying attention and seeking Him, the damage the storm is going to do. It is all to His glory that He has woken us up to understand the seriousness of the hour, to warn us about all that is coming. I believe it will come in waves, one after another, as scripture says it will be like birth pains growing in severity and frequency as the time of Jesus’ return approaches.

What can we expect in America over the months and years ahead? The following list includes ten things the Lord has shown me and which others have confirmed, in no particular order. Some of these have already begun to occur and will only escalate.”

Economic Disaster – This storm will impact the stock markets and currencies so that the dollar is dissolved and money as we know it fails.

Drought and Famine – Food shortages will lead to starvation and cannibalism.

Marshall Law – Our constitutional rights will be relinquished. UN troops will be welcomed and given authority over Americans.

Persecution – Bible-believing Christians will face extreme persecution culminating in FEMA detention camps and guillotines.

World War 3 – Nearly all nations will be drawn into war. Russian and Chinese troops will attack America and occupy our land, even launching nuclear weapons.

Earthquakes – Our country will be split in two pieces and separated by a body of water.

Floods – Our coastlines will be forever changed by tsunamis and raging waters.

Plagues – Pestilences will cause suffering and death for many people.

Wild Fires – Fires will rage across our land and the Yellowstone caldera will erupt.

New World Order – Nations will centralize under a new world government. The United States of America will cease to exist as we know it today. Our sovereignty under God will be dissolved.

I had a dream on April 20th, 2016 where I saw ten tornadoes come down out of storm clouds in quick succession. I believe each tornado represented one of the ten redemptive judgments listed above.

I know that it has been hard to wait day after day for the calamities that He has promised, not because we wish any should perish, but because we are so longing for the day when Satan is banished and Jesus takes His rightful place as King and Groom.

The warning is this: soon we are going to long for these “extra” days that God has so graciously given us. The storm is going to pick up speed and power so that it rages all around us, even in our own families and homes. Soon enough we will be IN THE EYE OF THE STORM with nowhere to go but into His arms.

The sun (Son) is now completely hidden from our view, yet we know it (He) is still there above it all. I believe His hand of protection has been lifted from our borders and the evidence of this is all around. Yet, He is still God, unchanging. He still loves His children, and Jesus WILL have every child that has been promised to Him from the foundations of time.

Chuck Johnel Youngbrandt’s April 21, 1977 Prophetic Vision – 7 Bad Years for America: (Courtesy of Sherry Shriner)

Sherry: He describes a 3 year order of events (This is not inclusive, some of it is messed up from trying to interpret his timetables). This was sent to me from a listener and supporter who went through and dug out tips and notes from his book:

Chuck Johnel Youngbrandt’s First year of events:

1. Do not buy an air conditioner - get used to the heat.
2. Do buy gas cans and store white gas. (propane and kerosene).
3. Spring rain will be followed by summer heat and gas shortages.
4. The dollar will begin to slide in July. For this reason, crude oil imported to the United States will increase sharply and there will be gold value problems.
5. Temperature rise will begin in early June, (Chuck asked the Lord "when in early June?" Jesus said, "June 9".) and climb in temperature reaching peak temperatures in July and this will hold all through July, August, and September followed by sudden and drastic temperature drop in October.
6. There will be no rain of any significance from mid-June and on.
7. Devastating Hurricane to hit New Orleans in September

8. The President will be in serious trouble by December.
9. Japan and China will become friends through economic agreements this year and arrange certain defense agreements that will seem aimed at Russia-but secretly aimed initially at the United States. This will be a great deception. The United States will fall for it. Japanese government will change character drastically in a visible way.
10. The angel of death awaits through this year.
11. ???
12. ???
13. Continue in faith. The Net of Prayer will grow steadily and then unexpectedly-be ready!
14. Do not fear. This year many will lose jobs and city and state governments will fail suddenly.
15. There will be serious economic crumbling. Psalm 37:39 quoted.
16. Disease will start from California and move east. Many left incapacitated.
17. From Georgia a plague to kill thousands as it spreads. Panic and fear will grip the nation.
18. Food riots will break out in August in many major cities.
19. Food costs to soar, availability declines, quality poor, hoarding magnifies the problems.
20. Government tries, but fails to instill confidence.
21. Those who rebel against God will also rebel against government and hundreds of thousands will want for food and starvation begins. Psalm 37:35 quoted.
22. Heat is unbearable. No rain. Multitudes curse God but those touched by love of Christ will repent and God will spare them. Psalm 53:1 quoted.
23. Power outs caused by heat. Fuel shortage grows worse.
24. Riots and deliberate destruction by enraged individuals and extremist groups aiming at overthrow of the government. Proverbs 3:25, 26 quoted.
25. Local police will fail to deal with violence and State troupes will be called out and in some areas, the violence will be so severe that Federal troops and tanks will have to be called out. Psalm 125:1 quoted.

26. In **December** Russia will "accidentally" nuke 4 American cities, Lexington, KY, Richmond, VA, Columbia, SC and just north of New York City. The U.S. Counter attacks and hits three Russian cities.

Sam Salmon's Sept 29, 2014 Prophetic Word – In Dec this Nation will be Brought to its Knees:
 I received this Word recently, and I am led to share it. I've been hearing in my Spirit the last few days, **"DECEMBER."** On Monday Sept. 29, 2014, I asked the Lord, "what does December mean?" And immediately the Lord said, **"THIS NATION WILL BE BROUGHT TO ITS KNEES.** Updated: 07/29/2016

Chuck Johnel Youngbrandt's Second year of events:

1. January, northern Iowa will be struck by a strong tremor. Thirty days later a massive quake will strike Boston area followed by a wave of quakes, leveling blows clear across the nation. "My prophets will be sent out across the Nation and My call to repent in late spring," sayeth the Lord! Psalm 37:27, 28 quoted.
2. Little winter snow but intense cold and little heat in most American homes.
3. In some places too much snow--in others none. Severe winds add to cold.
4. Power diverted to major institutions, hospitals, and entertainment centers.
5. Food lines and the economy near collapses. United States crude oil imports cut off by most oil producers. Japan becomes China's ally. Psalm 146:3 quoted.
6. Chicago temperatures minus 40 degrees to minus 46 degrees below zero during coldest temperatures of winter. Upwards of 80% of homes in area will be without heat after a month of intense cold. Many will freeze to death. With little food, intense cold and fear everywhere, life will be intolerable to those who do not know Jesus.
7. Suicide will become common. City services will break down and fail in mid-winter. Fires will burn unchecked.
8. The dead will fall in the streets and lie in the streets. Disease will flourish and kill tens of thousands. The nation will reap the seed it has sown in itself. Psalm 147:6 quoted.

9. Over half the nations employed will be without work and the dollar will be worthless.
10. Canada will be in sad shape-but not as bad off as the United States. Mexico and Canada will seal their borders, and set a quota on how many United States citizens can 'move over'.
11. Winter will end abruptly in April with warm days and sun. It will be very pleasant and many will think 'it's over' but the land is parched and last year's crop failures will deepen this year. Rivers and lakes will dry up this year and temperatures will rise to over 120 degrees F. by Mid-May. (note, the fact that this April is mentioned could be April 16, 2006 as this is also Easter and by the time this much destruction has happened you can expect people to be calling for a National Sunday Law easily about this time. From another source there is a plan for bodies of water to be diverted to underground cisterns for use of the government living in underground bunkers by the time this thing is happening too.)
12. In some other places, rainfall will be so heavy, that flooding and destruction will be unavoidable. Other areas will be ripped by numberless tornadoes and hurricanes, and waves of tremors will shake the land, followed by outbreaks of disease and fear - hate spawned destruction.
13. Famine will continue. The government will establish a special economic arrangement and food distribution program, but early crop failures, mixed with unending disasters, will crush all hope. Corruption in government will destroy confidence. No rain. Intense heat. People will stay indoors in fear.
14. Everything is failing. Only the Christians have the strength to act, and the Hand of God will be clearly visible to all in the Christian communities. Many will be saved in this time; but many others will curse God, knowing full well why this has befallen them. This will be the year of "Fear, Pain, and Misery" for those who reject Christ. Psalm 149:4 quoted.
15. Sin will grow to its deepest even in the midst of judgment, with the call to repentance the loudest, with visible signs and wondrous miracles and the mercy and love of Jesus reaching to all.
16. Multitudes will reject Christ in knowing ways and the depths of depravity and abominable behavior will stun even the most compassionate. Persecution will also reach a high in this year, and in many states with government approval. Jesus said: "My Prophets and messengers will be abused and hated and injured and killed."
17. The wrath of God up to this point was much blended with God's mercy; but now the wrath of God will burn hot. His fury will be unleashed in a terrible way. Psalm 125:3 quoted.
18. The giant earthquake strikes the Midwest, literally the whole continent is shaken by the intensity of the earthquake. The Midwestern United States is devastated. (note, according to other pages this happens at noon on July 5 of the second year of this scenario which if you read Revelation 18 it seems to indicate something like a meteor hitting water that would relate to this.)
19. The Russians and Chinese have been formulating contingency plans to deal with the United States, plans aiming at long range 'wearing down' of the United States that require close co-operation. Although they review the possibility of war, neither power wants to risk war until there is no risk. Both agree that the United States is not to be taken intact--but is to be destroyed after weakened. The massive earthquake happens at this time, and with great excitement they both see that the United States defenses are down.
20. It appears to be the opportunity they have looked for. Under the guise of helping us recover, they immediately begin to set into motion a plan of attack. Thirty days after the Midwestern United States earthquake, the Lord sends His angels to warn His children to flee (to safe haven areas) and 7 days later, Russia and China press the buttons, launching a full thermonuclear attack on the United States.
21. The U.S. Navy and U.S. Airforces are dealt deathblows. Major cities are destroyed. The United States returns a hard punch at Russia-much to their surprise. Russia weathers the counter attack with strength and within two months invades. Russian amphibious and airborne troops invade the east coast of the United States at five points; two points North of New York City and three points south of New York City. Southern Florida and parts of Louisiana and Alabama are under water and cease to exist.
22. The U.S. Army fights hard and manages to contain the Russian invasion points; but then heavy Russian attacks break out of one bridgehead and they sweep towards the destroyed Philadelphia area. U.S. Armies are threatened from the rear, attempts to stem the Russian advance fail.

23. The President and the government abandon Washington, D.C. U.S. Armies retreat to a defense line being set up in the Appalachian Mountains. Japan, an uneasy ally at first is greatly encouraged by the course of the war. Japan moves quickly with China and a month after the Russian invasion of the East Coast Chinese troops with Japanese troops invade the West Coast of the United States. (note, he says October 21 is the date of the first invasion so the second must be in November for west coast).
24. The invasion happens at three widely separated points on California and Washington State coastlines. At first, the U.S. Armed forces stop them: One Chinese invasion beach-head near San Francisco, is wiped out but then with considerable strength the Chinese and Japanese crush the U.S. defense and sweep inland. Russia invades and annexes Alaska and slaughters much of the population deliberately.
25. Hawaii surrenders to Japan intact and China jointly occupies with Japan. The U.S. Army is pressed back on every front. Washington, D.C. a ruined city falls into Russian hands. The President and government move west and set up the seat of government in Kansas and Dakotas. The U.S. industrial base is largely destroyed although smaller factories are opening up in small towns everywhere.
26. A severe fuel shortage cripples every effort. The U.S. Air Force is outnumbered and out classed; and Russian and Chinese aircraft controls the skies over every battlefield. The U.S. Navy is destroyed or surrendered. The President tries to arrange peace terms; but neither Russia, China, nor Japan will respond and the war goes on.
27. All now smell the blood of the United States and are closing in 'for the kill'. France, Great Britain and Italy form a coalition alliance, and U.S. Armies are asked to leave Europe, Spain, West Germany, Holland, Sweden, Luxembourg, Norway, and Portugal become loose allies in a mutual defense pact. Here the Lord does not make it clear (it seems vague to me, with a lack of definition) yet the Lord makes it clear that Western Europe will not be involved in the war and will elect to stay out of the war and will remain neutral. Psalm 127:1 quoted.
28. North Korea will attack South Korea.
29. China attacks Taiwan.
30. Stock market crashes in July.
31. Great inflation, massive food shortages, massive unemployment, starvation starts.
32. Chicago destroyed completely by a major earthquake. Lake Michigan will plummet the city. 62 million will die because of this earthquake felt 500 miles around the city.
33. 80% of the homes in America will be without heat in the wintertime and with little food, millions will starve to death.
34. Food riots will start in August.

Chuck Johnel Youngbrandt's Third year of events:

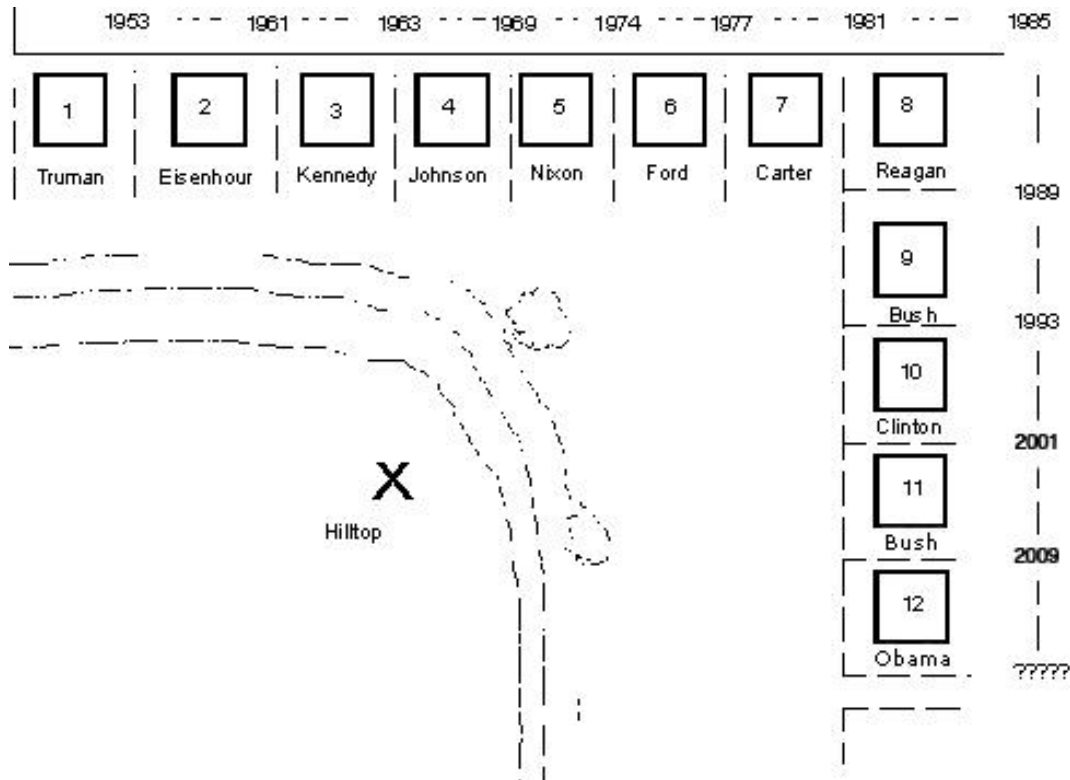

1. Jesus calls this winter: 'Harsh and Horrible'. Another bitter cold winter with more hardships than ever before. Cold, death, and destruction prevail. During winter, Russian and Chinese-Japanese armies are stopped respectively in the Appalachian Mountain range and the Rocky Mountain range. The U.S. Army and the U.S. Airforce recover some strength and launch desperate attacks aimed at driving Russian armies out. The Russians hold the ground they have taken.
2. Russia hits several places with nuclear devices but now refrains from over use of nuclear weapons. U.S. Army is hungry and cannot re-equip like the enemy forces; and our supplies dwindle in battles; and losses cannot be replaced. In the Spring of the third year, Russia, China and Japan will launch coordinated attacks. Russia will break through at two points in the north and south, while China and Japan will break through at three points. Russia will move swiftly against bitter resistance, driving west and southwest. Attempts by the U.S. Army to establish a line of defense fail. Russians advance rapidly into Iowa-Missouri areas. Their deepest penetration happens in Kansas before the war ends.
3. Fighting hard, the U.S. Army and government is encircled in the central United States and attacked without mercy. The invaders attack and slaughter U.S. Armed forces and the U.S. Army collapses. Many surrender, many run to the hills and much of the government gives up. No surrender is ever signed: there is a general collapse of organized resistance.

4. Late Spring into early Summer, all major fighting will cease and Russian, Chinese, and Japanese soldiers with their allies will dance and sing for joy. For the United States is destroyed and occupied. There will be no slaughter in the mainland as in Alaska. Very many soldiers and civilians of the United States will be taken to Russia and eastern Europe to work as slave labor at rebuilding destroyed cities. Later many will be allowed to return home, although not all will come back.
5. The Chinese will not at first take prisoners: after meeting bitter resistance, they will change this policy. Russia, China, and Japan will strip the land of industrial tools, machinery, and goods. Only Russia will take large numbers as slaves. China will take scientists and technicians. The occupying armies will leave populated areas largely intact, using local people to extract raw materials and goods, such as are available. No effort to rebuild or restore the nation will be allowed.
6. God will, by the Holy Spirit, bring or cause the occupying armies to have compassion on the Holy seed, the remnant, the Christians. Nevertheless, persecution will begin once Russian, Chinese, and Japanese communist officials or commissars replace army officers. Late in the first year of occupation the drought will begin to ease, and temperatures will also ease somewhat. The world will be in great fear of this Russian, China, and Japan union.
7. Canada is intact, although suffering from famine, bad weather, and disease. War will come to them later, and much of the nation will be destroyed.
8. The Japanese and Chinese alliance grows stronger and fast. Russia is now becoming afraid of them, even though Russia is stronger. Russian oil resources decline seriously and there is severe trouble in the nation. China and Japan move to block the Russian threat to Israel, and now a much stronger European alliance joins to back Israel also. Russian power is in a state of decline. Russia tries to take Israel, war breaks out. China and Japan, joined with Western Europe, engage Russia (to Russia's surprise). Russia is overwhelmed and destroyed utterly as a world power.
9. Israel survives.
10. At this point, the Leader of the Land-Jeffrey--emerges. Christians suffer severe persecution in Jeffrey's town, as elsewhere. Jeffrey takes his family and flees into the hills and joins an Army band of guerillas. Jeffrey remembers the Lord's words, and leads an attack on a Russian military base. It is a miserable failure, with over half his unit killed. The Lord sends Chuck and Cliff to Jeffrey. Jeffrey returns to the hills in fear and anger. Jeffrey prays and fasts. We arrive with the Lord's word. Jeffrey takes up arms in obedience to God and goes. Russians, terror stricken, flee before the Leader of the Land and his small band. Depots of arms and equipment are left behind, in tact. Christian Russians quit the Russian army and join with Christian Americans, forming a Christian army. A mighty move of the Holy Spirit begins to sweep the land. Psalm 126:3 quoted.
11. The year starts out with an earthquake in northern Iowa (January) followed by another one in Boston and then they become very common throughout the year.
12. In late spring God's prophets will go across the land, calling people to repentance, many will repent.
13. Oil imports are cut off.
14. Mexico and Canada restrict how many Americans can cross over.
15. At this time persecution of Christians will go wild with government approval.
16. From the notes I received the great Chicago earthquake is listed for this year as well during the month of July, so I don't know if it's in 2006 or 2007.
17. The Mississippi River spreads and wipes out all the cities in its path. Thirty days later angels will tell the Christians where to flee, and seven days after, an all out nuclear attack will hit America. At this time in Florida most of the southern half from Orlando south will go under the ocean. Two months later the Russians invade landing at Slaughter Beach, Delaware moving into Philadelphia where no one is alive from 3 neutron bombs. They also land at San Francisco, Astoria Oregon (Japanese) Russians (Alaska, who kill everyone there they find). Hawaii will surrender to the Japanese.
18. Chuck saw busts of Karl Marx set up in churches and people worshipped him. This begins a seven year occupation. Children will be sold for food. Witches and homosexuals will hunt Christians for food, cannibalism! Nearing the end of this occupation Americans were put on trains, told they were going to re-education camps and taken to slaughter houses where they are processed for food.

Vision of the 12 President Houses - C. Alan Martin 1971 Vision, updated on November 07, 2012:

In 1971, I received a vision of the night in which I was shown a row of houses. It was not until 23 years later that the Spirit gave me a dream which held the key to the meaning of these houses. They represent presidential administrations, starting with Truman in 1953 and extending into the future for two more presidents (beyond Clinton).

Linear Recounting of the Vision of the Night:

"We were fleeing the persecution and calamity of the day. A brother was fleeing with me. He fell and I paused to help him up. We prayed "Lord Have Mercy". My friend vanished, and I looked around to see that I was at the top of a hill overlooking 12 houses. As I looked to the west, I noticed dark and ominous clouds gathering over one house (#10) and proceeding through to the last house (#12). I looked into the sky over #12, and saw an arc of what appeared to be 6 stars in the sky. One of the stars fell to the earth like a fig that was shaken off a limb. A voice came to me and said "look to the east!" I began to turn to the east, fully expecting to see the Lord coming in the clouds. The dark clouds opened up in two places and I saw the sun darkened and the moon turned to blood. As I looked to the east, instead of seeing the Lord in the sky, I saw an army. This army was made up of ancient armaments such as battering rams, catapults and siege ramps. I ran down and joined the army at house #5. Instantly I was transported into the future, and found myself before what I can only call a "temple fortress". The city was gray, in ruins, and desolate. A man had just emerged from the huge double doors of the temple fortress. He was dressed in a suit. A voice said to me "he says he is god, but he is of devil". The vision ended.

Significant events indicated in the vision:

6th star falls to the earth. Understood to mean the fall of a ruler (or president).

I do not believe this to be actual stars or a comet or any other such object. The stars appeared to be within the atmosphere of the earth, and there was not a huge explosion or calamity when the red "star" fell to the earth.

The blood moon and lightless sun.

More imagery that represents the fall of nations and change in the ages. The fall of a president is not enough to bring about changes on this scale. There will be great changes in the earth and alignment of nations.

A wave ancient weapons of war, which I believe to represent the restoration the sign gifts:

"SIGNS WONDERS AND MIGHTY DEEDS"

I waited for 23 years to receive a clue as to the meaning of these houses. In another dream in 1995, I was in the back yard of house #3. I looked down at my feet and saw a LIFE magazine, with a picture of JFK on the cover, and the words "In Memory of Dead Presidents". House number three is the house that represents the term of John Kennedy.

The Houses

As Stated above, each house represents a presidential administration.

House 1 Truman:

Nothing significant revealed about this house.

House 2 Eisenhower:

In a related dream, a model rocket was launched into the air and was drifting down into yard of this house. The rocket then turned into a glider and glided into the yard. My aunt used to refer to me as her "rocket boy" because of my early interest with model rocketry. It was in the Eisenhower Administration that I was born. (1954). It was during this dream that I ran through the back yard of house #3 (to retrieve the falling rocket) and was shown the Life Magazine with Kennedy on the cover. It was then that I knew that these houses represented presidential administrations.

House 3 Kennedy:

The yard in which I was shown the key to the meaning of the houses. The Life Magazine with JFK's face on it with a caption stating "In Memory of Dead Presidents" was in this yard. It has been suggested that all the presidents on this "street" must pass away before the events discussed in the remaining revelation can occur. This would mean all presidents up to Carter and maybe Reagan (his house is on a corner lot).

House 4 Johnson:

This house was occupied by a family of Jews named Levine. It was during the administration of LBJ that Jerusalem was returned to Israel during the 1967 Arab Israel war. Levine is a long form of Levite. This is a very significant event in the history of the world. With the retaking of Jerusalem, the temple can be rebuilt and the stage set for both the setting up of the anti-christ and the return of Jesus Christ.

House 5 Nixon:

It was into the yard of this house that I ran down and joined the army of God which was marching forward through time (the backyards of these houses). It was also in the Nixon administration that I was saved, filled

with the Spirit, and had the vision I am now describing. Everything up to this point had already happened in time. However, everything recorded in the remaining houses had not yet happened. It is significant to remember this president, since it will be (according to the falling star and darkened house #10) the 6th administration after Nixon that will endure the beginning of judgment on America, including the fall of that 10th president.

House 6 Ford:

Nothing significant

House 7 Carter:

Nothing significant

House 8 Reagan:

A Major shift occurs in the time of this president. The house sits on a corner lot, and the row of houses changes direction TO THE RIGHT. It can be noted that the nations' politics took a sharp turn to the right during the Reagan administration. Right or wrong, This shift undoubtedly was in the plan of God for the series of events leading up to the last presidents and the fate of the nation.

House 9 Bush:

Nothing significant in this administration.

House 10 Clinton:

It is this administration that is the main focus of the vision of the night. Over the house was a very dark cloud, so dark that it seemed like night. The cloud was very low so as to almost touch the rooftop. There was something very significant about the "back door" of this house that may have some meaning. The lights were on in the house and they stood out brightly in the darkness created by the cloud. As I looked at this cloud hanging low over the 10th house, I also saw an arch of 6 stars in the sky to the west. The stars were of different colors, and the last (sixth from Nixon) of them fell to earth like a fig that was shaken loose from a limb. I have taken this to mean that this administration will preside over some very bad times in the USA, and that this administration will "fall."

House 11 Bush:

In the yard of this house is a large weeping willow tree. This tree represents mourning and sorrow. But under the draping limbs of this tree are children playing.

House 12 Obama:

This is the last house that I saw in this vision of the night. After this house was a dirt path that led toward a collection of boulders arranged in a semi-circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

“In the vision of the night (after I saw the star fall to the earth), I heard a voice say "Look to the east". I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the **blood moon and the dark sun**. Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents. It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a "temple fortress" who was dressed in a diplomatic suit and carrying a briefcase. A voice said "He claims to be God, but is of devil." Then the dream ended.”

Perhaps the greatest miracle concerning this vision of the night, and the hardest to conceive, is that the neighborhood described is an actual neighborhood from my childhood in Massena, New York!!!

The street was called "Washington Street" (for presidents?).

The houses are just as I describe them, and were that way long before I had the dream.

There really was a family of Jews named "Levi" in house #4.

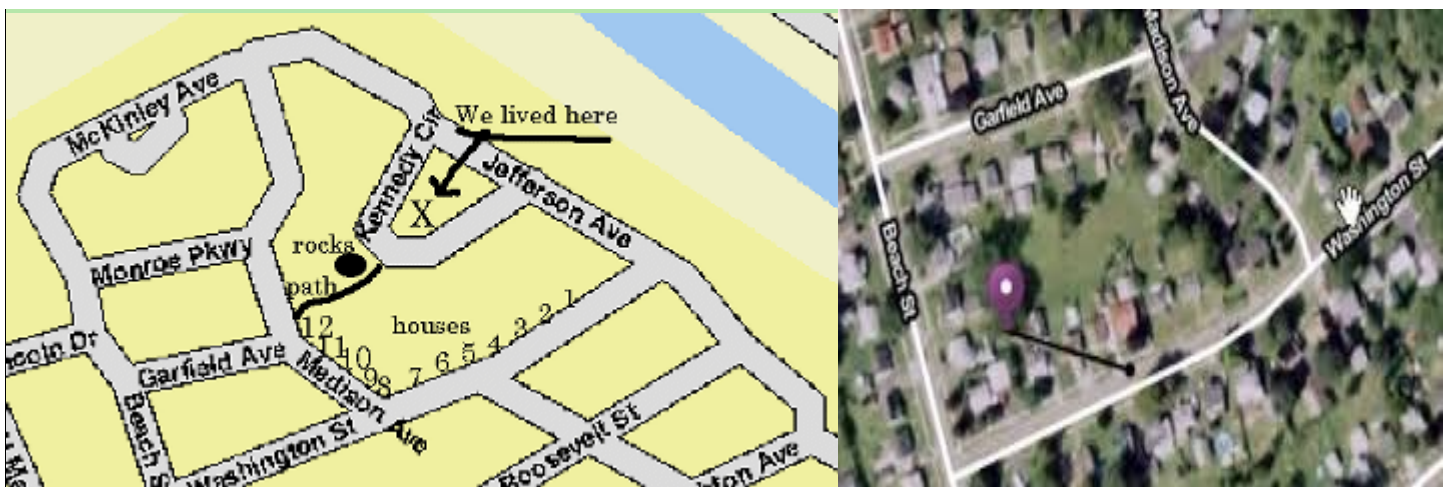

The street did (and still does) take a right turn at house #8.

House #11 really does have a weeping willow tree under it, and children did play there... because I was one of them in my early childhood (early 60s).

There really is a path leading up from house #12, and there really is a collection of boulders at the end of that path!

There really is a row of houses stretching off into the distance on the other side of that path.

These facts can be verified with little effort, as the streets and houses exist today as they did 25 years ago. Note this map of the area:

Can you see the miracle that God somehow manipulated the houses, events, and even street names so as to coincide with this vision of the night!!! **This in an undeniable, verifiable miracle** where God used (and is using) an existing neighborhood to lay out His plan for America and the manifestation of the Antichrist. We are in house #10 now.

Hold onto your hats, because the next dozen or so years are going to be a roller coaster ride!!!

Josh Groban's Song - "You Raise Me Up":

I would like to close this paper with a song. Even though Josh Groban's song, "You Raise Me Up" is considered to be a secular song, I strongly believe that God influenced Josh in the writing of the lyrics. I also believe that the song is prophetic (for that reason, I colored the lyrics in blue) for the Biblical "hour" in which we find ourselves in today. For countless years (70 to be exact) the relentless attacks (killing, stealing and destroying) by the enemy against the true, obedient Christians and their families has seemingly gone unabated. These attacks have even intensified in the last few years, months and days! So much so that many of us have all but given up! Had it not been for the presence and guidance of the Lord we would have given up!!! But I'm here to tell you, that I strongly believe that we are in fact in the Jubilee Year (Beginning on 1 Tishri 5776/14 September 2015) and just around the corner, within this Jubilee Year, the tables are about to be turned over! The moneychangers are going to lose their money! A change of guard is about ready to take place! For the non-Christians that means a loss of wealth and the beginning of bondage, but us true Christians, it means our shackles are about to be removed and freedom will reign supreme! **We are about to be raised up so that we can stand on mountains!**

When I am down and, oh, my soul, so weary;
When troubles come and my heart burdened be;
Then I am still and wait here in the silence,
Until you come and sit awhile with me.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

There is no life - no life without its hunger;
Each restless heart beats so imperfectly;
But when you come and I am filled with wonder,
Sometimes, I think I glimpse eternity.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;

You raise me up to more than I can be.

You raise me up, so I can stand on mountains;

You raise me up to walk on stormy seas;

I am strong when I am on your shoulders;

You raise me up to more than I can be.

You raise me up to more than I can be.

For those of you out there that have not as of yet accepted Jesus as your Lord and Savior, please do it now, you won't regret it, He will take care of you, watch out for you, and provide for you! Just talk to Him, tell him that you are a sinner (we all are). Tell Him that you want to repent of your sins and to begin to serve Him. Tell Him that you are tired of being on the losing team and that you have decided to enlist with the King of Kings (Jesus) and His winning army! And mean what you say and do what you mean. Welcome to the fold!

P.S. if you haven't already done so, please go to the store and buy your supplies, as much as you can afford. You need food (especially long shelf life foods like can goods and MRE's), water (try to buy the 5 gallon bottles and a dispenser) toiletries (don't forget the toothpaste, floss and deodorant, ha, ha), cleaning supplies and pet food. Price increases as well as unavailable goods, will proliferate as we proceed through this "first bad year" and continue to worsen in the following years. We must do our part (buying the supplies) while we still can and then allow God to do His part, when we longer can. Also remember, if we are not willing to share our supplies with others, God will not bless us ...we will have to fend for ourselves! But if we share our supplies with others in a time of their need, God promises us that He will multiply (Supernaturally if need be) our supplies, so that we won't be thirsty or hungry in the trying days to come!
