Dear Mr. Snyder,

Enclosed please find a copy of the, A Warning From G-d to His American Remnant, that G-d gave to me during the days and nights of Monday, November 21, 2016 through Wednesday, December 7, 2016.

It was a very difficult message to watch, see, hear, and write. It's nothing that I would want for anyone in America. But G-d is pressing me to not sit on it, but to share it with the hope that His people will hear, and come to Him in repentance.

I couldn't get it out to you until today, as our computer would not send it to our printer and it took some time to fix the problem. I apologize for the delay.

Thank you for taking the time to read it. Please let me know your thoughts on it. I'm very open to your opinion, thoughts, and any questions that you might have. You can reach me through Facebook's personal messages, or my phone number is [REDACTED].

May abundant blessings be upon you!

Shalom,

## A WARNING FROM G-D TO HIS AMERICAN REMNANT

On Monday, November 21, 2016 the Lord G-d began showing me His warnings to His people in America of what will take place in the days, weeks, months, and years ahead of us while living in these last days. This warning is for the end time remnant, especially G-d's remnant living in America. These warnings from G-d came to me in the form of day time visions, words of knowledge, and night dreams from Monday, November 21, 2016 through Wednesday, December 7, 2016.

Here is what Avinu Malkeinu (Our Father Our King) is warning His American remnant.

(hebrew)

America has sinned and her lust and thirst for wickedness has reached the point where G-d's hand of judgment of America can no longer be withheld or postponed. G-d's judgment of America's sin will soon begin. Regardless of who is in the White House, America's filthiness and wretched stench of sin has reached the throne room of the Most High G-d, and G-d's judgment on America has been set.

During the weeks before the 2016 presidential election, many of the American Christians, pastors, preachers, church leaders, and fellow believers fasted and prayed for G-d's mercy, and divine intervention in our government and our presidential election. Some of G-d's faithful remnant participated in these fasting and prayer times of repentance that were called and held for the purpose of G-d's will to manifest in the 2016 elections. The prayer of II Chronicles 7:14 was prayed throughout America. But where was the humbling and turning from our wicked ways by many American Christians? Many spiritually asleep American Christians who seemed more concerned about losing their pampered American way of life, attended and participated in pre-election days of prayer. When Trump's electoral win was announced, the fervor of many American Christian leaders' prayer meetings of repentance drastically depleted and diminished. The condition of our nation has gone from a pre-election fear of loss of our American lifestyles, to post election state of celebration for what is a faux confidence that America will have her best and greatest days ahead of her. Now there are shouts of victory, celebration, and much public rejoicing, replacing the prior public repentance, by many American Christians over the Trump election win. The excitement among American Christians of the "winning", "change", and the "draining of the swamp" that Trump promises to bring to America is being received by a majority of American Christians, almost as gospel. The faith for Trump to change the course, or at least substantially postpone the course, of G-d's coming judgment upon the United States seems to be the kool-aid being drunk by many American Christians. Now many American Christians seem to have moved to building, expanding, and ever increasing their businesses, their ministries, their investments, their careers, and their personal pursuits that they have on their "bucket list." Are we so naïve as to think that G-d was appeased by a few days or weeks of public prayer meetings petitioning G-d for a specific American Presidential win, that now America is going to avoid G-d's judgment for our nation's continued rampant sins? Why does it appear that many American Christians are looking to President elect Trump as the person to "save" our nation, rather than continuing to repent and seek G-d?

It is my understanding from what G-d has shown me that President elect Trump is in part a spiritual **distraction** that G-d has allowed and that G-d has set in place to see who looks to man for deliverance, and who looks to G-d for their deliverance. However qualified to be president and leader of the United

States of America that President elect Trump may be, President elect Trump is not, nor will he be will in the future, able to turn away this nation's destiny of destruction by G-d's soon coming judgments on America. Another aspect of Trump being a **distraction** is that while the American people are celebrating Trump's win and making plans for their own agendas, there is much going on in our nation that isn't getting noticed. Many spiritually asleep American Christians are letting down their guard. Many Christians in America are praising G-d for what they see as a godly President elect of the United States. They are relaxing in their belief that all is going to get better in the United States because of the Trump presidential win. Intercessors and prayer warriors are coming off the Watchman's Wall of their calling. (Ezekiel 3:17, Ezekiel 33:6, Isaiah 62:6). Many American Christians, and much of the church, are believing the deception that America's incoming leadership is committed to G-d, has turned to G-d, or will turn to G-d, will be obedient to G-d, and will be able to lead this nation back to G-d. There has never been a more important time for Intercessors and prayer warriors to hold their posts, stand strong on the Watchman's Wall of prayer, and stay focused on the callings and assignments that G-d has called you to. We are to continue to repent, seek our Heavenly Father daily to search us for sin, point our sins out to us, so that we may humbly ask our Father in earnest repentance to wipe away the spots and wrinkles in our garments.

G-d has shown me it is important to pray for President elect Trump's safety. There has never before in the history of the US been a president elect, where there are so many death threats against him. I do not know if President elect Trump will be able to take office, and remain in office, or if he will be in office for either four or eight years. Since the 1990s I've watched the Clintons' aggressiveness push their agendas into place, and push others aside. President Obama said in a September 9, 2016 interview with Wolf Blitzer on **CNN**, "As president, I must do what I feel is in the best interest of our nation. If the American people elected 'the Donald' then I will be forced to take whatever actions I deem necessary.....I am not standing down as president if it means four years of President Trump." We are instructed in scripture to pray for our leaders (Ezekiel 22:30, I Timothy 2:1-2, I Peter 2:17, Romans 13:1, Psalms 2:10-11) at all times, regardless of who our leaders are.

Our Father showed me that our nation will continue to sin, and the sin and lawlessness in our nation will increase exponentially, and not decrease regardless of who our president is. Trump vowed to "drain the swamp", expose the corruption within our government, and appoint judges to the Supreme Court that will change the laws allowing abortion, and homosexual marriage during his Presidential run. In Trump's first national TV interview since winning the election, Trump told Leslie Stahl, in his **60 Minutes** interview, that he now does not plan to seek to overturn our nations laws on homosexual marriage. Trump announced he will not seek further investigation of Hillary Clinton. Many millions of American Christians voted for Trump on these same campaign promises. A man of G-d does not negate his promises to the millions who voted him in office on those same promises, within the first week of his Presidential win.

Throughout the Trump Presidential campaign Trump has often spoken about his wanting to "broker the peace deal" between Israel and the Palestinians. On November 23, 2015, **Reuters** reported Trump refused in an interview to rule out dividing Israel. On November 11, 2016 the **Wall Street Journal** reported Trump referring to the Israel/Palestine situation as, "That's the ultimate deal. As a deal maker,

I'd like to do...the deal that can't be made. And do it for humanity's sake." November 23, 2016, Trump told the **New York Times**, "I would love to be the one who made peace with Israel and Palestinians, that would be such a great achievement." Trump went on to say that both sides would have to give to obtain peace. Trump's many statements (before and after the Presidential election) on his desire to negotiate a peace treaty between Israel and the Palestinians, and his statements on dividing the land of Israel, are problematic for the many Christian leaders who continue to support and uphold Trump as a man of G-d. Christian leaders that surround and support Trump have been, and continue to be silent on this issue. Why haven't we heard the pastors, preachers, and church leaders who surround Trump even approach this subject? Jeremiah 2:7-8 reads, "And I brought you into a plentiful country, to eat the fruit thereof and the goodness thereof; but when ye entered, ye defiled my land, and made mine heritage an abomination. The priests said not, where is the Lord? And they that handle the law knew me not: the pastors also transgressed against me, and the prophets prophesied by Ba'al and walked after things that do not profit."

On November 29, 2016 the news carried reports of President Jimmy Carter encouraging President Obama to recognize the state of Palestine before President Obama leaves office on January 20, 2017. According to G-d's holy scriptures, anyone that seeks for Israel's land to be divided in any way, G-d will severely punish. (Joel 3:1-2, Zech 2:1-8, Psalm 121:4) If any past or present President of the United States takes part in the dividing of the land of Israel, G-d will certainly strike our nation in judgment.

Trump is G-d's chosen man of the hour for this time though, as scripture teaches that G-d sets up and takes down leaders of nations. Whether Trump actually makes it to Inauguration day on January 20, 2017 and takes the office of President of the United States or not, at least for the time being, if not for the next 4-8 years, Trump is G-d's choice. Daniel 2:21 ".....he removeth Kings and setteth up kings:..." (Daniel 4:17, Daniel 5:21, Jeremiah 25:8-9, Acts 4:27-28, Acts 13:22, I Peter 2:13-17, Romans 13:1, Proverbs 8:15, Psalms 75:6-7) G-d has His will and His reasons for placing Trump where Trump is now.

It is my understanding from studying scripture, and reading Jonathan Cahn's book, ***The Harbinger***, that G-d historically allowed Israel's enemies to overtake them, when ancient Israel rejected His laws and His ways, rebelled in sin, and defied G-d, rather than following G-d's laws. At those times of ancient Israel's rebellion against G-d, G-d would allow the nation of Israel to be overthrown and became captives to their enemies. Why should we as Americans believe that G-d would not follow this same biblical / scriptural pattern with us? G-d in His mercy gave ancient Israel many warnings, but they did not heed. Instead, in their arrogance of assuming G-d would not require their obedience, they rebelled, sinned, and defied G-d, much the same as the United States has done.

G-d has given and continues to show signs in the heavens, such as the Blood Moons of 2014 and 2015. Next year (2017) at Rosh Hashanah there will be the solar alignment of the sun, moon, and the stars, as described in Rev. 12:1. Few Christians recognize these heavenly signs as markers of warnings from G-d.

I've prayerfully considered and I have asked G-d about something that doesn't fit Trump's leading America into a time of peace and prosperity as Trump promises. In Johnathan Cahn's ***The Isaiah 9:10 Judgment*** DVD that biblically explains the modern day application of the Isaiah 9:10 judgment, there is a

snippet portion of a news report video of Donald Trump's reaction to the 9/11 attack, where Trump is filmed stating, "They should rebuild the World Trade Center, but make them stronger and maybe a story taller, and then we've won the battle." Several American politicians, including President Obama, were also featured in the same DVD during speeches. News casts said much the same thing and even quoting the biblical judgment of, "The bricks have fallen but we will rebuild." (Isaiah 9:10) The common trait of the political speakers and Donald Trump in Rabbi Cahn's **The Isaiah 9:10 Judgment** DVD was the pride, arrogance, and especially the defiance to G-d of rebuilding after an attack, without first leading our nation in repentance to G-d. By defying G-d to seek rebuilding after an enemy attack, without repenting to G-d first, the men in the highest governmental offices in our land in 2001 and Donald Trump, by their prideful defiance, brought the same Isaiah 9:10 judgment upon America, just as had happened to ancient Israel. I saw the insight and wisdom in Rabbi Cahn's message to warn America of the Isaiah 9:10 judgment when I watched his **The Isaiah 9:10 Judgment** DVD. I also saw the spiritual blindness of the American people, and politicians, including President Obama, and Donald Trump, who through their blind arrogance, pride, spiritual defiance, lacked spiritual understanding, and pronounced and sealed the judgment of G-d on America back in 2001. So in watching and following the Trump 2016 Presidential campaign, I was surprised that many, many national and local biblical leaders of G-d praised Trump as being a man of G-d, and a man who is following G-d. The evangelicals of America strongly supported the Trump campaign in the 2016 Presidential election. Where was Trump's repentance? Where was Trump leading the American people to repentance? I never heard the pride, arrogance, or defiance of Trump's statements from 2001 repented of. Instead, I heard additional pride, arrogance, and defiance from Trump during his 2016 Presidential campaign mantras, "Make America great again", "Make America win again", and "We're going to rebuild America". I sought G-d to understand how American Christian leaders, and evangelicals that numbered in the many millions, missed the defiance of G-d, that Trump had displayed in 2001, and continued during his 2016 Presidential campaign. I asked G-d how could believers in 2016 miss that more judgment will fall on America with this kind of unrepentant pride, defiance of G-d, and the rebuilding of our nation without the President elect first leading the biblically required national repentance to hold back G-d's hand of judgment on our nation? The answer I got from G-d to my question was this: Most people in America know something is terribly wrong in our nation. Even nonbelievers throughout our nation sense and feel that America is in really serious trouble. But people are looking for someone or something to "save" their comfortable and complacent American lifestyles, and they refuse to believe the prophetic scriptures of end days hardships will ever happen here in America. Even the poorest of Americans live far better off than people in most other countries of the world, even though our prosperity is polluted with the largest national debt in the world. Many Americans are deceived that Christians being martyred throughout the world is only for Christians living in other countries. Many American Christians are deceived that prophetic scriptures describing the end time sorrows of Matthew 24 is for people living in other countries, and not America. Rather than drawing closer to G-d in repentance, Americans are being **distracted** by blind faith in Trump, and that **distraction** is blinding them to seeing the soon coming judgment of G-d on this nation. The pride, arrogance, and defiance of many of G-d's American people is exemplified in who the people chose as their 2016 presidential candidates. G-d showed me Americans don't want a godly President. So G-d showed me that He allowed the American people to choose between the two ungodly candidates that

the American people showed in the Primary elections that they wanted. Believing Trump's promises **distracts** American Christians from hearing G-d's warning and His instruction on preparing for His judgment that is soon coming to America. Their ears are deafened by the lusts of their own desires, so they can't hear the spiritual problem with Trump's plans to negotiate the Israel and Palestinian peace treaty that will mean dividing Israel. Celebrating Trump's win, and believing Trump's promises of making America great again, and making America win again, is **distracting** many of G-d's American people's minds from what is soon coming. The faith and belief that America will be able to avoid judgment is part of the Trump **distraction**. The greed and selfishness of many American's desire to be prosperous, great, and winners is so appealing to so many that this **distraction** has compromised and clouded many American Christians' minds and hearts, and their ability to spiritually discern. It has compromised their obedience to G-d's word, and their ability to hear G-d's warnings. So for many of G-d's American people, their faith is in a man that they chose to believe is godly, rather than testing his words with scripture. Anyone who defies scripture and has stated that his goal is to mediate peace talks that would facilitate Israel having to give up some of her land, is not a man of G-d. G-d showed me that He will use Trump for His own plans and purpose. Don't be mistaken, not Trump's Presidency, nor if Hillary somehow wins the December 19, 2016 Electoral vote, nor if President Obama stays in office, nothing and nobody will stop or delay G-d's chosen timing for His soon coming judgment of America.

As of 12-1-16, the American abortion death count according to [www.abortionclock.org](http://www.abortionclock.org) is over 59 million. Last year it was on national news that some American labs had been involved in purchasing aborted body parts of fetuses. How can we as believers think that without our nation's leaders, leading our nation to repentance for this holocaust of our nation's unborn that we can continue to avoid G-d's judgment on our land?

Some of the sleeping and apostate churches in America are embracing homosexual and heterosexual sin in both their congregations and from their pulpits with full acceptance of their sins as a lifestyle choice. How many times do we hear from pulpits, "We just love people where they're at."? We are to love everyone, but not to accept or excuse their sins or our own sins, as being in right standing with G-d. G-d meets all sinners where we are, but once we decide to repent and accept the free gift of salvation, scripture is clear that we are to change and follow His ways, His precepts, and His statutes, and to not continue in a lifestyle of sin. Romans 3:23 teaches, "All have sinned and come short of the glory of G-d;" But we are never to embrace ANY sin as a lifestyle choice. "Whosoever is born of G-d doth not commit sin; for his seed remaineth in him: and he cannot sin, because he is born of G-d. (1 John 3:9) Many of America's pastors, preachers, and church leaders walk in spiritual compromise, and spiritual rebellion, it has caused them spiritual blindness to hear G-d's warnings of His impending judgment of America.

Added to our nation's sinful lifestyle, we are now living under another additional strong spiritual curse that has recently been placed in our nation. On September 19, 2016, during the biblical month of Elul, (Elul is the biblical month of repentance) in New York City outside City Hall there was erected a giant replica of the Arch of Ba'al. The original Arch of Ba'al was in a pagan temple in Palmyra, Syria where it was erected in the ancient days to lead to the pagan Temple of Ba'al. During the September 19, 2016 unveiling of the replica of the Arch of Ba'al in NYC, middle eastern music was played to set the

atmosphere. There is a small black sign attached to the NYC Arch of Ba'al that reads, "Temple of Bel (Baal)." Many American Christians are so out of touch and unaware of what is taking place in our nation, and the ether of spiritual apathy has so smothered them that they no longer have eyes to see and ears to hear that they are as asleep as the parable of the Ten Virgins' five foolish virgins who were ultimately told by the Lord, ".....I know you not." (Matthew 25: 1-13)

G-d took me in the spirit and showed me inside many of our American churches are filled with lukewarm, spiritually asleep Christians who fear losing their comfortable lifestyles far more than they fear our holy G-d. Many pastors, preachers, and church leaders in America are more concerned over their ministry giving them notoriety, and themselves not being in the lime light enough, than they are concerned with their own relational walk with G-d. Many church leaders in America compromise the word of G-d to carefully not offend, to keep their salaries. Many of G-d's people have been lulled into the depths of such spiritual deception and blindness, that they are deaf to G-d calling His people in America out of sin. In scripture we learn in Rev. 18:4 of G-d calling His people out of the sins of Babylon, "...Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities." G-d has shown me terrible sickness, infections, cancers and other disease will increase in America. Plagues of infectious disease will spread throughout America, that will be resistant to what medicine has to offer. G-d showed me that America will have a least one new infectious disease that has never been to our land, that there will be no known cure for, that will disease and kill many.

At this time, G-d showed me he is wooing His people back to Him, but few are listening and responding with true repentance. G-d showed me He is patient, because He doesn't want any of His children to be lost. He doesn't take any pleasure in judgment of a nation. G-d is offering to cover His children with the shadow of his wing of protection in the judgment of our nation, but we must repent, and we must come out of the Babylon in our lives. G-d showed me He is offering a refuge to get through the judgment that is coming to America, but few of His people are repenting. He showed me that many of His people have been deceived into believing that G-d will not judge America, just as Eve was deceived by satan that G-d would not judge her disobedience. Many of His people in America truly don't see their sins, and are being lulled into the deception that they are in right standing with Him. The essence of repentance is deep regret and sorrow for our sins, recognizing that only Yeshua (Jesus) can cleanse us from our sins and save us. Our personal commitment to change from sinning to walking closely in fellowship with, and in obedience to G-d's word is the evidence of our repentance. Where is the change that goes with true repentance in our churches, congregations, and our personal walk with our Lord to live lives of obedient joy, and not to accept sin in ourselves, our communities, or our nation's government to exist? Instead of our thankful gratitude to our G-d for His abundant mercy, evidenced by our renewed zeal for a lifestyle of joyful biblical obedience, most American Christians are touting restoration of America due to our newly elected President's slogan to, "Make America great again." The Stock Market has soared to all time highs since Trump's Presidential electoral victory, and the news programs are starting to project the DOW could reach 20,000 by early 2017. The American dollar is steadily climbing in strength, as confidence that a time of financial prosperity is just beginning in America again. This morning *Time Magazine* named Trump the Person of the Year for 2016. Christians seem mesmerized by the

**distraction** that America looks to be entering a time of financial prosperity, peace, and safety. We are living in a time where many American believers have become wise in their own eyes and prudent in their own sight, rather than following scriptural discernment and instruction (Isaiah 5:20-21). We live in a time where people are lovers of self, rather than lovers of G-d, having a form of godliness, but denying the power thereof. (II Tim. 3:1-5). People are looking for "peace and safety" (I Thess. 5:3) and prosperity to be imminent, and that peace, safety, and prosperity to be a by-product of our new President elect. Promises from both politicians and from pulpits across America talk of the coming American blessings to abound and expand, for our children to live in a prosperous and peaceful time under Trump's administration. G-d specifically showed me that we are living in a time of illusion of great prosperity, but that it will not last. Our nation will fall into great debt. This short lived illusion of prosperity will happen regardless of who is our president. G-d showed me that the financial losses will be so monumental that America will not be able to financially recover from the soon coming catastrophic financial losses.

On November 11, 2016, just three days after the 2016 Presidential election win by Trump, President Obama signed into effect Executive order #13738 which revokes the federal government's official recognition of the Pledge of Allegiance. Under this new Executive order #13738 it is effective immediately, and it is illegal for any federally funded agency to display the pledge or for any employee to recite, or encourage others to recite, the pledge while on duty. This new law also applies to federal contractors, and other institutions that receive federal funding, such as public schools. Individuals who violate this new Executive Order can face fines of up to \$10,000 and up to one year in federal prison. ABC News reported this as it was being signed by President Obama at the White House on November 11, 2016. President Obama stated that his reason for signing Executive Order #13738 was, "...one nation under G-d..." was not inclusive of all of American's citizens. I've heard no Christian leader even mention, let alone stand against this. Instead I've only heard the celebration of Trump's win and the "Make America Great Again" slogan. We have stood by as believers and we have invited and allowed our nation to be overtaken by those who have no reverence of G-d, or His holy word, and have instituted sinful laws. This is an example of how many American Christians are so **distracted** that this Executive Order has for the most part gone unnoticed by American Christians. How can so many American Christians believe that a newly elected president who shows no public repentance, will reverse the sinful laws of our nation?

False prophets seem to be everywhere now, increasingly vocal since the 2016 Presidential election. There are apostates preaching and prophesying on America's great days ahead. Do not believe the lies of false prophets who tell us what they themselves want to hear, rather than what is scripturally sound, and what G-d is saying. (Jer. 23:21-22, Matthew 7:15) Here are some scriptures that the Lord gave me concerning these "feel good" prophesies that are being said. "That this is a rebellious people, lying children, children that will not hear the law of the Lord: Which say to the seers, See not; and to the prophets, Prophecy not unto us right things, speak unto us smooth things, prophesy deceits. Get you out of the way, turn aside out of the path, cause the Holy One of Israel to cease from before us." (Isaiah 30:9-11) "For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears. And they shall turn away their ears from the truth, and shall be turned into fables." (II Tim. 4:3) "Then said I, Ah Lord G-d! behold, the prophets say

unto them, Ye shall not see the sword, neither shall ye have famine; but I will give you assured peace in this place. Then the Lord said unto me, The prophets prophesy lies in my name: I sent them not, neither have I commanded them, neither spake unto them: they prophesy unto you a false vision and divination, and a thing of nought, and the deceit of their heart.” (Jeremiah 14:13-14) The Lord is warning His children not to fall prey to deceiving doctrines, and false prophets, prophesying their own desires.

Since the Trump win in the Presidential election, G-d has shown and allowed me to hear a noise and a clamoring in the spirit realm of singing in celebration, and dancing in delusional merriment. It is not a holy worship of our G-d, or our hearts wanting to be right with Him, or a mournful song petitioning our G-d to deliver us in His mercy from the sin that is still so rampant in our nation. It’s much like Exodus 32:18-19, when the children of Israel sang and danced with joy while worshiping the golden calf. We are witnessing that same spirit of rebellion within the growing apostate and sleeping American churches now. Many of G-d’s people now, as had happened with the children of Israel’s worship of the golden calf, are entering idolatry by looking to an image other than G-d Himself for protection, peace, safety, and joy. G-d’s people are letting down their guard, and are being led astray from biblical obedience into idolatry and deception. Just like in Exodus 32:26, G-d used Moses to ask the children of Israel, “.....who is on the Lord’s side...?” G-d is bringing forth His hidden prophets, His servants, and maidservants who are not interested in building a ministry based on popularity, those who are not increasing a ministry as a business, those who are not interested in being in the limelight, and those who are not putting their own reputations and their financial interests above the high calling of prophesying in obedience to G-d, His warnings to America. G-d is bringing His servants out from His hidden places who are not interested in anything except living a life of biblical obedience, serving the Most High G-d, witnessing to a lost and dying world about salvation through our Messiah Yeshua (Jesus) and following His ordained statutes. Many of G-d’s watchmen, prophets, servants, and maidservants are being instructed to warn American Christians who have gotten **distracted** into looking to a man (Trump) or any political affiliation in power, as a way for America to be spared and saved from G-d’s soon coming judgment. Instead G-d is calling His people to repent of idolatry, and to have eyes to see and ears to hear to discern and avoid being deceived by the false prophesies, so that the Lord may protect and shield His people in the days of judgment coming to America. The Lord is beckoning and calling His people to make the decision to be, “...on the Lord’s side...”, NOW! Wake up, be aware, be alert, and prepare for the judgments from G-d that are soon coming upon the United States!

Hosea 4:6 teaches, “My people perish for lack of knowledge,” but few people are as aware or take to heart the 2<sup>nd</sup> part of that same scripture that teaches, “because thou has rejected knowledge. I will also reject thee, and thou shalt be no priest to me: seeing that thou hast forgotten the law of thy G-d, I will also forget thy children.” This is not a scripture to non believers, but it is a warning scripture to believers and followers of G-d. We cannot pick and choose what parts of scriptures fit our own personal desires, but we must heed scripture in its entirety and walk in G-d’s ways, following His laws, not our own ways, or our own thoughts. When we hear G-d’s warnings we are not to compromise or diminish His warnings because of our fear of being called “judgmental” or “nonloving” if we speak out. The book of Isaiah teaches us in Isaiah 9:16, “For the leaders of this people cause them to err; and they are that are led of them are destroyed.” Our governmental leaders have made laws that have caused our nation to err,
