**Vision # 1- Violent storms move across the US**

One of the first visions and dreams I had was in the spring of 1982 about 3:30 am. God revealed to me what he was getting ready to do in the United States in the days to come.

I was awakened by a dream of violent storms extending all the way from Seattle, Washington down to Baja California and traveling across the entire nation. These storms were like giant walls coming vertically across the entire country destroying everything in their path. There were thunderstorms with lightening fields that were hitting everything. Tornadoes and hurricanes the likes of which I had never seen. I asked God what the dream meant. He said, "Because of the wickedness of the United States, it's sorcery, witchcraft, idolatry and lewd conduct and behavior, I am going to start judging the United States and judging it hard".

I saw judgment start with the physical signs first in the weather patterns. The storms came from the West Coast and moved eastward all the way across the United States. The storms were tearing up the entire states.

**Vision # 2- Russia attacks New York with nuclear missiles**

Around 1986 God took me up into the heavens and I found myself flying like superman through the air. I was in the clouds and the cover was so thick that I could not see my hands in front of my face.

During this time I couldn't understand why I was flying through the air. As I dropped in altitude and started to get below the clouds, I began looking to my left and right. As I was looking, I saw five nuclear missiles, long range intercontinental ballistic missiles to my right and my left. Each one carried multiple warheads with the Communist star on the fuselage of the missiles. As I looked down to the ground I saw Staten Island, Manhattan Island and New York City. I could not

believe that these missiles were getting ready to hit New York with such a magnitude. They were coming right down onto the state of New York. The next thing I knew, I was standing down on the ground looking at all of the devastation. All the buildings were totally annihilated. The big skyscrapers had fallen over as though a domino effect had happened when they were blown up. When they started falling, these skyscrapers fell one against another knocking each other down. There were dead bodies lying everywhere. Tens of thousands were dead and the air smelled of rotting, burning flesh. Not only did the air smell foul but as I looked everything was dark even though it was midday. I could not believe my eyes.

I then sensed time had passed, weeks and months. God then let me see little children taking instruments like butter knives and scraping the corpses of the people that had died. The children were looking for food by scraping the flesh off the people's bodies only to cause their own death later of radiation poisoning. The devastation was beyond the imagination of Hiroshima and Nagasaki. The death and the disease that broke out after was beyond imagination. I could not believe what I was seeing. I was overwhelmed by the devastation. I asked God why He showed me this. He said He is going to judge the United States and He's going to judge it hard. He said that the enemies of the United States are going to attack.

After having this life-like vision of what is coming, it was quickened to me later that Chicago and a lot of other big cities are also going to take a hit. From what I'm receiving right now, this is going to be worse than anything this nation has ever imagined. The American people will not believe what is happening to them. God is going to execute His judgment on this nation and He is going to pay America back double for the sins that have reached into Heaven.

### **Vision # 3- The 200 million man army**

The Lord came and got me and said "John I want to show you something. I want you to see this".

The next thing I know I am in the spirit and I am being taken to a giant sinkhole in the earth. This vision happened during the Tiananmen Square incident in Beijing where the students held a demonstration and march for their rights.

During this period of time, God took me up to a sinkhole in the earth somewhere. I do not know where it was located. As I looked into the sinkhole I saw a set of perfectly carved steps coming up the wall of the sinkhole extending all the way from the core of the earth to the surface. I saw coming up the steps and out of the center of the earth, 200 million armed warriors of Satan. As I looked and beheld these beings coming out upon the earth, I asked God "What is this?" He spoke to me and said "These are the 200 million armed warriors of Satan getting ready to come out upon the earth." I saw them in lines of four coming up the stairway. They were dressed like Roman soldiers used to dress with lace up sandals, breastplate, tunic and swords. Another thing I noticed that was unique about them was their height was only about 4 ½ to 5 feet tall. When I looked into their faces, I saw the face of aliens like the ones you've seen with the big black empty eyes and large heads. They had a gold spiked helmet on the back of their

heads. The point on the helmet went up the back of their head about a foot in the air.

Then as they were beginning to step on the face of the earth, I saw tens of thousands of angels from Heaven running into the front line hitting and knocking them back down the steps. It was like seeing police lines at a rock concert pushing crowds back. When they fell backwards, somehow they got enough momentum to push forward and when they did they were able to break through the Angelic ranks and make it out onto the earth. It looked like an ant colony coming out of that hole. There was no stopping them.

As I looked at this I said, "God, what is this, what is going on?" He quickened the scriptures to me about the 200 million man army that was going to slay a third part of mankind. (Revelation 9:15-16)

"And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. And the number of the army of the horsemen [were] two hundred thousand thousand: and I heard the number of them."

During the Tiananmen Square demonstrations from April through June 1989 the news media interviewed the students. The amazing statement was made during their reporting on this story that China had over 200 million armed forces ready for combat. My visitation had been 2 days earlier!

It really shocked and amazed me that God showed me He is setting up all the components in the world for the great and terrible "Day of the Lord".

Revelation 9:

15 So the four angels, who had been prepared for the hour and day and month and year, were released to kill a third of mankind.

16 Now the number of the army of the horsemen was two hundred million; I heard the number of them.

## **Vision # 4- Jesus prepares the horses for his return**

Early in the morning in April 1986, the Lord came to me and said "Come, I want to show you something." When He said this I suddenly found myself in the spirit and being taken up very quickly. I am then standing in a place that is beyond imagination. It is a place that is similar to some of the things John describes in the book of Revelation.

As I looked, I saw horses standing in 2 lines that extended beyond what the eye could see. As I saw this I started to think about what a wicked person I was and how evil I used to be before I made Jesus my Lord and Savior. I asked God, "Why do you have me here and why are you showing me this?" He said, "Because I love you and I care for you and I want to show you this because I want you to go and tell the people."

As I was observing, I saw horses that looked like the Royal Lipizzaner stallions. They were pure, undefiled and beyond imagination. They had eyes of robin's egg blue and their size was almost twice as large as the Clydesdale horses. Their lips were pure pink and their hoofs like yellow gold. The horse's teeth were like mother of pearl, white and iridescent. As I'm looking at these horses that were very awesome to look at, I am in a state of shock. I cannot believe that God is showing me this and that He would choose me to see it.

As I was taking in all the details of the horses, I saw these little men who were about 4 feet tall that were the tenders of the horses. They were finishing saddling and bridling the horses. The horses were very calm and peaceful. They had a peace about them that was beyond any earthly type of peace.

As the tenders were finishing, they had put little ladders against the stomachs of the horses. The ladders were about 4 feet tall and they climbed up on the ladder to throw the saddle on the horse. Each horse had a tender holding the bit in the side of the horse's mouth waiting for the riders to arrive.

The grass around the horses was like a pure electric-like green. The sky was an unearthly beautiful blue. The only way I can describe the colors is to say that our earthly colors are dull when compared to the vibrant Heavenly colors. The glory of God was shining through the mane and tale of the horses and it created a prism effect. A rainbow was shining on the other side of the horses.

I was still in awe and I asked God again why He was showing me this and He said to me, "Does this tell you how close my second coming is? They are almost done."

As I was observing all this I was saying to myself, "I don't believe this!" The Lord then said, "Tell the people that time is running out and running out quickly."

Matthew 24:30

And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory.

## **Vision # 5- Jesus at the boundary line with the Four Horses of Revelation**

In 1986 about 2 weeks after the Lord showed me the vision of the horses, He came to me early one morning and said "John, come here I want to show you something". I am a welder by trade and was welding at the time and the next thing I realize I am caught up to a black abyss. It was pitch black and I could not see my hand in front of my face.

Jesus was standing right there by me and He said "I want to show you something." He pointed into the black abyss. I then questioned Him as to why He was showing me these things? He said because He loves me and wanted me to

see these things. He kept saying to come and look and I looked and I said, "What is it?" Again He said "Look." I could not see anything. As I was looking, I asked, "What are you showing me?" He said "Look and pay attention."

A few minutes passed and I still did not see anything. Suddenly, I began to see the outline of four figures starting to form in the blackness. I could hear the pounding of hooves like horses riding hard. I could see the outline of these four horses coming at me at a high rate of speed. Even though they were off a great distance, the closer they got, I was able to see that Jesus was showing me the four horsemen who are spoken of in the scriptures of Zechariah 6 and Revelation 6.

Jesus spoke to me and said, "John you are to stay right here and are not to move!" He took His right arm and put it against my chest and He said, "Do you understand you are not to move from this position? Do not move!" I said "Okay." He then walked forward and took His right foot and made a boundary line of about three hundred yards. He stood at the boundary line until the four horses rode up and were getting ready to pass over the line. Jesus walked right up in front of them and stuck out His finger in their faces and told them, "You are not to pass this boundary line until the appointed time. Do you understand?"

They started laughing and joking, mocking and cursing and riding around in a circle like madmen. They were striking each other with their weapons and laughing. They said to Jesus, "Lord Jesus, Son of the Most High God, let us go do what we must do. Let us go do it now, let us go! Jesus pointed at them and said, "The time is not yet".

Then Jesus walked back over to me and said, "These horsemen are getting ready to be released from this boundary line soon." As I stood there in a state of shock, I could not believe what Jesus had shown me. Afterward, He said, "Time is running out for mankind. Tell the people what you have seen, tell them!"

## **Prophetic Word from God # 6- Great shall be America's torment**

In the fall of 1988 the Lord spoke to me these words pertaining to the people of the United States, "I am not going to relent from the calamity I have pronounced against the United States of America. Because of it's foreign corrupt government policies, the killing of the innocent unborn children, not keeping the Sabbath day holy, fornication, idolatry, witchcraft, sorcery, murder and an out of control government, I am going to judge America double because of this. If all of the prophets from the days of old and all of my disciples were to stand before me right now, interceding for the United States of America, I would not relent from the calamity I have pronounced against it. I am going to repay America double

what she has done and great shall be her destruction and great shall be her torment.”

## **Vision # 7- Christian martyrs for the witness of Jesus**

The spirit of the Lord came and took me into one of the West Coast states. I did not know whether it was Alaska, Oregon, or Washington. I found myself in the woods hiding behind large rocks. As I looked, I saw a gigantic 120 foot fishing processor vessel with Communist troops loading Christians onto it. I knew they were Christians because they wore white linen gowns. Their hands were tied behind their backs. The troops were filling each vessel up with as many people as they could get on board. The ships left the docks and went out about 300 yards off shore. God allowed me to see what they were doing to them. I saw the troops cut the throats of the Christians, stab them in the heart and kick them overboard. This caused a feeding frenzy with the sharks. I noticed that the Christians had the Glory of God shining out of their faces and they did not seem to have a care in the world. They were not the least bit upset about what was happening. To the amazement of the troops, a majority of the Christians were singing and praising God. There was no fear or fright about them. They were actually smiling!

In my hand, I found I was holding a high-powered sniper rifle. I was going to start shooting the soldiers so the Christians could start escaping. God said, “No! You will rob them of glorifying my name and their reward of martyrdom.

Revelation 20:4

And I saw thrones, and they sat upon them, and judgment was given unto them: and [I saw] the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received [his] mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

## **Prophetic Word #8- God to destroy individual states if there is no repentance**

The Lord came to me early one morning in July 1995. He spoke and said, “John, I am getting ready to start executing my judgment upon the United States of America. Because the people of the United States no longer acknowledge Me for the great abundance of grain and food with which I have blessed them. I am

going to bring a famine to America. The famine will be so great that the women who had abortions will long to have their children as food.”

He also said, “Since America wants witchcraft, sorcery, black magic, divinations and New Age theology, along with astrology, then I am going to turn America over to her witchcraft that she wants so badly. Since Americans do not want Me any longer, then I will give them their hearts desire. They will choke to death on it!”

He then told me that since America would not repent, He was going to start executing judgment on individual states in hopes that the others would repent. Florida has been chosen as one of the states to be used to set an example for the rest of the nation. God has shown me that He is going to strike Florida and only a handful of people are going to come out of that state alive. His judgment is going to be heavy on this state. Why He has chosen Florida I do not know.

During the same time as the vision about the state of Florida in July of 1995, God gave me a vision of a massive army coming down on America. He said, “John, I am going to allow the enemies of the United States to judge America. When America’s enemies come they will have no mercy on the men, women and children. I saw troop movement and they appeared to be communist troops coming into the United States. As they came in, America was no match. I saw churches and synagogues were being leveled by heavy artillery. As the churches were being blown up I saw Jews and Christians being herded up and shot like cattle in front of their churches and homes. The troops were taking their bayonets and running them through infants and children. I saw the American people tormented beyond imagination. The troops were void of emotions. Their objective is to take the nation and take it hands down. All able bodied working people will be forced into slave labor. Some will be taken to other countries and some left here. The soldier’s main objective was to kill all Jews and Christians. As I am seeing all this horror I asked, “Lord, what is happening?” He said, “Because of the wickedness of the United States of America I am allowing their enemies to invade their lands.” God ended the vision.

The enemies of America are supernaturally being drawn together. When they come, they are going to catch the nation by surprise. Great is going to be her destruction and torment. This judgment is coming soon. The American people, Christians and non-Christians do not believe that God has fiery indignation that will be poured out. The great day of darkness is quickly coming upon the whole world, the day of God’s wrath and judgment.

Jeremiah 50:3

For out of the north there cometh up a nation against her, which shall make her land desolate, and none shall dwell therein: they shall remove, they shall depart, both man and beast.

## **Prophetic Word #9- The Jewish prophets warned before World War 2**

In the early 1930’s God asked three Jewish men, Leo Braeck, Eli Wiesel and Martin Buber to warn the Jewish people of the fire under their feet and to go to Palestine

to escape what was coming. God instructed the men to warn them that they were getting ready to be destroyed by the Nazi's. The reaction of the Jews was disbelief. They thought they had the best of everything in food, housing, business and lifestyle and they refused to give it up. Many replied, "Why should we listen to you prophets telling us we are going to be destroyed when there are no signs in the air? You three Prophets go to Palestine, we are staying!"

The Jews of Germany and Europe did not listen to the three prophets that God sent to warn them. Because they did not listen they became victims of one man who tried to destroy the entire Jewish population.

Pastors and Shepherds, listen to what the Prophets are saying! The day and hour of the Prophet has come. The Prophets are speaking with great power and with signs and wonders such as has never been seen before in the history of the Christian Church.

Shepherds listen to the Prophets and do what they say!

### **Vision #11- Satanic chains of desensitization over the hearts of man**

In the spring of 1995 I was working in my garage when I saw a lead crystal glass podium come up out of the garage floor. I stood watching in amazement as it rose up out of the floor! It was pure crystal and on top of the podium was what looked like a golden egg holder like the ones the Russians used to hold ornately decorated eggs. The golden stand stood about 12 inches high, was solid gold and had three legs supporting the cup. It was decorated with precious stones. A human heart was cradled in the egg stand. The heart had barbed wire, bailing wire and large chains wrapped around it several times. Blood was pouring out of the heart and onto the floor. It then turned into a river of blood. The garage floor was covered with blood and I found myself standing in this blood.

I could not believe what I was seeing and I did not understand what it meant. So I asked God, "What does this mean?" He said, "Satan had a major strategic plan since World War II to desensitize a whole generation of people for himself. Unless the Satanic chains and bondages of desensitization are broken over their hearts, minds, spirit and souls of my people, which are called by my name, they will not be able to feel the spiritual, physical or emotional needs of other people to whom they minister the Gospel. This vision was given to the Church.

### **Continuation of Vision # 5- The Horses of Revelation are on world patrol**

The spring of 1991 God visited me and gave me the fulfillment of vision #5. He spoke to me regarding the four horses which are spoken of in vision # 5. He told

me the horses were allowed to go on patrol in the spring of 1991. They had been released from the boundary line that held them. These horses started to patrol the world and were allowed to strike where ever God had appointed them.

These are just some of the events that have taken place since then.

### **The Red Horse - War - Revelation 6:4**

"And there went out another horse [that was] red: and [power] was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword."

### **The Black Horse- Famine- Revelation 6:5-6**

"And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of

balances in his hand. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and [see] thou hurt not the oil and the wine."

### **Famines:**

There have been 4 major famines for the 17 year period between 1974-1991:

1974 famine in Bangladesh

1975-1979 Khmer Rouge. An estimated 2 million Cambodians lost their lives to murder, forced labor and famine

1980 famine in Karamoja, Uganda

1984 famine in Ethiopia

There have been 16 major famines for the 17 year period between 1991 and 2008. That is a 75% increase!

1991-1993 Somalian famine

1996 North Korean famine

1998 famine in Sudan caused by war and drought

1998-2000 famine in Ethiopia. The situation worsened by Eritrean-Ethiopian War

1998-2004 Second Congo War. 3.8 million people died, mostly from starvation and disease

2000-2008 Zimbabwe's food crisis caused by Mugabe's land reform policies

2003- famine in Sudan/Darfur (Darfur conflict)

2005 Malawi food crisis

2005-06 Niger food crisis

2006 Horn of Africa food crisis

2008- Myanmar food crisis. The Cyclone Nargis devastated Burma's major rice-producing region.

2008- North Korean food crisis

2008- Horn of Africa food crisis

2008- Afghanistan food crisis

2008- Bangladesh food crisis

2008- East Africa food crisis

**Note:** For the last couple of years the honeybees are disappearing inexplicably at an alarming rate. These bees are vital to the pollination of our food crops. Is it any coincidence that olive trees and grape vines are the only two crops that do not require bee pollination? These rely on the wind to carry the pollen. "and see thou hurt not the oil and the wine." (Rev 6:6).

### **The Pale Horse - Plagues/Diseases/Pandemics - Revelation 6:8**

"And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth."

This is a list of the latest "Super Diseases" that are poised to kill millions. HIV/Aids has been the primary disease/plague of the last 25 years but we are about to experience horrific outbreak of disease and pandemics on an unprecedented scale.

- 1 Ebola virus and other quickly lethal diseases
- 2 Antibiotic resistance
- 3 HIV infection
- 4 SARS
- 5 Influenza
- 6 H5N1 (Avian Influenza- Bird Flu)

#### **The White Horse - The Conquering Spirit of Antichrist - Revelation 6:2**

"And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer."

The Spirit of Antichrist has been patrolling the world to conquer the hearts, minds, spirits and souls of a whole generation of people! The moral decline of society is increasing rapidly. The decline of morals is directly related to the elimination of God from our lives and a shifting to false religions.

#### **The Horses of Revelation 6 are coming to America**

In February of 2004 I was with a large group of people and we were praying. All of a sudden I started to see and hear hoofs of a huge horse riding toward America. Every time the hooves of the horse hit the ground the whole earth shook. I asked God what this meant and He said, "This is the white horse I showed you back in 1986. It is on its way to America with a bow and a crown conquering with conquest the hearts, minds, bodies, spirits and souls of men. Just as you see the outer bands of a hurricane when it approaches land, then the hurricane makes its direct hit on the land. The white horse will have outer bands before he rides into the American heartland."

The white horse should be here about the spring of 2005.

The Lord went on to reveal to me that the black horse of famine will be coming six months behind the white horse. We have been in a spiritual famine for about 15 years now. America will start to experience a physical famine that will be so severe that the women who have had abortions will long to have their children for food. With this there will be disease and pestilence and war.

In the spring of 2005 I was fishing at Rudee Inlet in Virginia Beach one afternoon when something huge slammed up against my shoulder and knocked me

sideways. I thought it was another fisherman that knocked into me but I looked up to see the white horse and rider. The rider was the devil wearing white and had two black holes for eyes. The rider wanted to make sure that I knew he was here now. I was in a state of total shock as I saw this and He then smiled and went on about his business. God then said, "See I told you so."

At the beginning of 2008 through the power of the Holy Spirit it was quickened to my spirit that the first six months of 2009 the pale horse of pestilence and the red horse of war will be coming to the land of America. The Lord continues to show me the progress of the horses.

### **Prophetic Word # 12- America's idols**

July 17<sup>th</sup> 1998

This is the word of the Lord to the people of the United States of America. See how bitter it will be since you no longer want me. Ask the creations of your hands and the idols you have built of plastic, steel, aluminum, glass, rubber, concrete and fiberglass to deliver you out of my hands.

### **Prophetic Word # 13- America the great whore**

Since the end of World War II, time and time again, America I warned you not to go the way that you have gone. I sent prophets, I sent Pastors, Shepherdesses, Shepherds and Evangelists to warn you to repent and turn from your wicked ways. After defeating the Japanese Imperialism and Nazi Germany, you said in your heart, "There is no nation like unto us on the face of the earth. Who can stand against us?"

You are absolutely right!! There is no nation like you on the face of the earth. In the last 60 years you have become nothing more than a two bit whore, spreading your legs for anyone who passes by. Economically, spiritually and morally. The Constitution of the United States is to allow Christians to practice Christianity under the guidance and power of the Holy Spirit. It does not give the right for occult religions to be practiced and to destroy the lives of humans and animals in pagan sacrifices. This should never be tolerated in the United States!

Read Revelation 18

### **Vision # 14- Blood on the hands of the Shepherds**

I saw Priests, Pastors, Evangelists and Prophets standing before God Almighty with their arms raised with their hands and forearms soaked in the blood of the

believers and non-believers because they did not warn them to repent of their wicked ways.

Read Ezekiel Chapter 7- in place of Israel- put America. This is exactly what is getting ready to take place.

## **Vision # 15- The Grizzly bear is ready to pounce**

November 20, 1998

I was praying in my Pastors office one afternoon at about 4:30 P.M. when suddenly the whole wall turned into a vision. I saw a black forest that had an opening into the forest with what looked like a wide beaten animal path. It looked as though animals had been travelling on it for years. I found myself standing in a large meadow outside the forest.

I began to hear cracking sounds like very large trees being pushed over one by one with great strength. Suddenly, a large Kodiak grizzly bear came growling and pouncing out of the path to the edge of the meadow where I could see him. He was very angry and stood there growling and pouncing on his front paws in a threatening manner. A large circus chain was around his neck with a 6 inch, red and amber medallion that had a gold hammer, sickle and star engraved in the upper left hand corner. I asked God what this meant. He said, "Russia is getting ready to make a strategic move in the world."

At the time President Boris Yeltsin was in the hospital and very ill. That same day a Russian Democratic reformer by the name of Galina Starovoytova was assassinated at her home. Galina was murdered because she was nominated to run against the hard line communist party in the case of Yeltsin's death.

During this time, I felt God quicken to me that in the beginning of 1999 the fireworks for the world would really start.

## **Prophetic Word #16- Breach between the spiritual and physical realm**

In the Spring 1983 I was in the parking lot of a local church in Virginia Beach when I heard a loud high definition explosion with a very sharp and clear report. It shook the entire area for about a 150 mile radius and was felt as far away as Richmond, VA. Right after that I asked God what it was. He said, "There has been a tear between the physical and the spiritual realms and Satan's forces were coming through this breach that was created."

The explosion was reported by thousands of people who called the police, the fire department, the military bases and the city government offices for all the local cities. No one knew what it was or could explain it. After about a month of investigating the explosion it remained a mystery because no one claimed responsibility for it and the military said they had nothing to do with it.

## **Dream # 17- Tidal wave coming - Virginia Beach-Eastern Seaboard**

Fall of 2005

I went into a deep sleep and had a dream I was on the boardwalk in Virginia Beach. It was night time and I think it was about 2:00 am. I put my foot up on the railing and was looking out over the ocean. There was what looked like a full moon on the horizon. I noticed just underneath the moon was a giant black wall on the horizon. The moon was reflecting white caps off the wall. As I stood there looking out into the Atlantic Ocean I realized that the white caps are from a massive tidal wave heading to shore. It was about 300 foot high. I felt the realization that it was too late to warn the people and the dream ended.

In the fall of the following year, 2006 I had the same dream again.

In January 2008, I had the same dream except this time I started running to peoples houses to wake them up and warn them, but it was too late.

I feel like this tidal wave is a real tidal wave that is going to hit the eastern seaboard. I also believe this tidal wave might represent in the spiritual, a tidal wave of satanic destruction that is coming to destroy the people.

To my amazement, in the months of April, May and June of this year (2008), I saw a group of people on the boardwalk in Virginia Beach anointing the railings and banisters with anointing oil. Even though I knew why they were doing this, I pretended like I was just curious and asked them. They told me they were anointing the banisters and railings for the whole Virginia Beach boardwalk because they had had dreams that Virginia Beach was going to be hit with a giant tidal wave.

Rev 18: 21 "Then a mighty angel took up a stone like a great millstone and threw it into the sea, saying, "Thus with violence the great city Babylon shall be thrown down, and shall not be found anymore."

I feel that this tidal wave will take place after the US has been invaded because Revelation 18:21 says that the angel will throw the millstone in the sea after Babylon is destroyed.

Read Revelation chapters 8 and 18.

## **Vision # 18 – I saw the Angel of Revelation 10**

On Mothers Day in May of 1999 I was leaving Grace Episcopal Church in Virginia Beach. I was in the parking lot when I and the others around me noticed the daylight seemed exceedingly bright. The brightness was so brilliant and intense we couldn't look up. I was finally able to look up to see what was causing the brightness and I beheld an Angel standing in the Heavens with one foot on the sea of humanity and one foot on the land. It had a rainbow for a crown. I told everyone to look up, there is an Angel there. They tried but could not look up because of the brilliance of the light. I said to them, "Look there's the Angel of Revelations 10!" They all said I was crazy and had lost my mind. Then later they told me they knew something was there, but they could not see it. That Angel appeared to me in the same way two more times during the summer of 1999.

Does this tell you how far along we are in the progression of the tribulation?

### **Revelation 10:**

Rev 10:1 And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow [was] upon his head, and his face [was] as it were the sun, and his feet as pillars of fire:

Rev 10:2 And he had in his hand a little book open: and he set his right foot upon the sea, and [his] left [foot] on the earth,

Rev 10:3 And cried with a loud voice, as [when] a lion roareth: and when he had cried, seven thunders uttered their voices.

Rev 10:4 And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.

Rev 10:5 And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven,

Rev 10:6 And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer:

Rev 10:7 But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

Rev 10:8 And the voice which I heard from heaven spake unto me again, and said, Go [and] take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth.

Rev 10:9 And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take [it], and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey.

Rev 10:10 And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter.

Rev 10:11 And he said unto me, Thou must prophesy again before many peoples, and nations, and tongues, and kings.

## **Vision # 19- The wedding rings for the Marriage Supper of the Lamb**

Revelation 19:9 "And he saith unto me, Write, Blessed [are] they which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of God."

In the spring of 2007 I was attending a praise and worship service at Revival Life Church in Virginia Beach. Immediately after the service ended I was taken into the spiritual realm and God showed me a very long table. It was as long as a football field which is 300 feet or 100 yards. The table was about 4 feet wide and the legs and the frame were made from a material unknown to me. The entire top of the table was a type of jewelry display case of deep dark royal blue velvet type material. The whole table top was covered with wedding bands and engagement rings of every sort. Some had precious stones and some did not. These rings were evenly spaced out every 1 ½ inches apart. There were hundreds of thousands of rings! I asked God what does this mean and He said, "These are the wedding rings for those who have been invited to the wedding supper of the Lamb. Each of these rings will go to those who have been invited and who have not broken their engagement to the Lord."

September 6, 2008:

I was dictating the details of this vision to my scribe, Sara when I received a prophetic word from the Lord. He said, "Many got engaged to me but they broke their covenant with me. They have broken the engagement. Many bought the fire insurance policy but they did not pay the premiums and their policies have elapsed."

Read Mark 4 about the parable of the sower of seed.

This vision continues to appear to me. God has shown this to me about 6 times now. Each time there are less and less rings on the table. The last time I had the vision there seemed to be only about 15 rings left on the table. The rings are given to those who pay the price. If you are not living the crucified life and have not turned away from the fleshly things of this world you will not receive a ring and you will not be invited to the marriage supper of the Lamb.

Read Matthew 25 about the foolish and wise virgins.

## **Vision # 20- Jacobs Ladder**

On a Sunday morning in the fall of 2006 I woke up and went outside to drink a cup of coffee. I was sitting on a 5 gallon bucket and as I looked from downtown Norfolk to the south all of a sudden I was in the spirit realm. I saw the sky appear to part and to my utter amazement I was looking at Jacob's ladder. There were clouds and rainbows surrounding it. The appearance of it was similar to the Golden Gate Bridge in San Francisco except going vertical. One end was in Heaven and the other end was on the earth. Instead of being made of steel it was

made of what looked like hand blown crystal lead glass. Even the cables were like hand blown crystal glass. The color was an indescribable icy blue that I had never seen before but it reminded me of the colors of blue found in the South Pole. It was a Heavenly blue that had the glorious radiance of God.

What I am about to tell you is amazing. I watched as Angels were doing what I can only describe as "relaying" from earth to Heaven and Heaven to earth. The Angels were relaying up and down the ladder prayers to God, answered prayers, messages and healings. They were relaying the souls of the recently departed and the souls of aborted babies up the ladder. The Angels were coming and going and coming and going. The traffic on Jacob's ladder was almost like that of the Los Angeles freeways!

At the base of the ladder on earth there were devils, demons, fallen angles and Satan's. The fallen angels had broken wings that were hanging and being drug on the ground. They had faces of animals such as jackals and cobras that matched the spirit they had become on the earth after their fall. These demonic creatures were fighting with the warring Angels from Heaven. The warring Angels ranged anywhere from 6, 8, 12-14 feet tall. They wore Roman style clothing, they had teeth and finger nails like mother of pearl. Their hair was golden blond. They had eyes the color of robin's egg blue. They were fighting with swords that were made of a type of metal not found on earth. It was like a bright liquid metal polymer. The warring Angels were helping and protecting the relaying Angels get their task completed up and down the ladder.

The demons at the base of Jacob's ladder are fighting 24 hours a day, 7 days a week to try and snatch the souls of those bound for Heaven out of the hands of the Angels. They try to snatch the aborted babies on their way to the alter of God where the babies will be healed and brought into a full grown young man or woman.

Sometimes the battle pertaining to the souls of the little children is so intense that the children are passed off from one Angel to the other in order to get their souls up to Heaven.

After watching all of this the only thing I could say to God was, "This is unbelievable!" God then spoke to me audibly and said, "Son, do you see this ladder?" I replied, "Yes Lord." He then said, "Very soon I am getting ready to pull it up and there will be no more traffic."

What I interpret this to mean is that Jesus is coming very, very soon. In Genesis 6:3 God says that He will not strive with man forever.

Genesis 28:10-12

10 And Jacob went out from Beersheba, and went toward Haran.

11 And he lighted upon a certain place, and tarried there all night, because the sun was set; and he took of the stones of that place, and put [them for] his pillows, and lay down in that place to sleep.

12 And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it.

### **Vision #21- Military Parade in Heaven- The Changing of the Guard**

September 1, 2008

I was in my welding shop and had been reading the book of Enoch. I was getting ready to go to bed when I was opened up to the spirit realm. All of a sudden I saw a part of Heaven open up and there was a gathering of the military host of Heaven. Right before my eyes I saw Christ Jesus the son of God. He was wearing a white heavy king's robe that was made of a material that was so pure white it had a gold sheen to it. He was marching in what can only be described as a military parade in Heaven. About ten feet behind him on the left side was the Archangel Michael and on the right was the Archangel Gabriel. Jesus held a sword in his hand that was made of a metal not found on earth. I can only describe it as a silver metal polymer. Michael and Gabriel also had swords but they were at their sides in a sheath. The three of them formed a triangle as they marched. They were on a highway that looked like pure solid gold. It was so pure that it was transparent.

On the sides of this highway there was grass that was electric green in color. The grass was so full of life I felt like I could sit down and talk to it and it would speak to me.

About one hundred feet behind Jesus, Michael and Gabriel there were millions of winged angels who each stood about 14-16 feet tall. They were wearing white linen robes with swords at their sides made of the same unearthly metal. They were marching in perfect military formation. As the procession went forward about 150 feet ahead of Jesus on the left and right side of the highway were millions upon millions of war angels that did not have wings. They each stood about 6 feet tall and their hair was dark brown, almost black. They were dressed in pure white clothing similar to the dress of ancient Roman soldiers. They wore lace up sandals and breast plates made of what looked like pure bronze. They also had the same type sword at their sides.

As Jesus, Michael and Gabriel began to pass the un-winged angels on the right and left side they raised up their arms and began to shout, "Give praise, glory and honor to the Father of Lights and to the Son of the Most High God. Give praise, glory and honor!" They were shouting this over and over and over. It was deafening to the human ear and the whole Kingdom of Heaven shook at this.

I asked God what this was about and He said, "They are prepared and ready to go to war against Satan, his angels and those who follow after him."

Comment: The un-winged angels are also sent by God to protect His elect. These will be those who follow the Lamb wherever the Lamb goes. They crucify their lives on the cross to serve Christ Jesus.

### **Read Revelation 19: 11-21**

What does all this mean and why was I shown this military parade in Heaven?

There was a partial lunar eclipse on August 16th, 2008 at 8:00 pm which blotted out half of the full moon on the horizon. I asked God what the eclipse symbolized and He said, "This is a cosmic time clock, my clock says the Lord, not mans clock. Time is very, very, very short for Satan and his kingdom and for mankind and his kingdom."

Sixteen days after that word of knowledge on September 1st, God opened up the Heavens to show me the vision of Jesus and the angelic military parade. We are now getting ready to come into the full and complete day of darkness where no man will be able to work. The great and dreadful Day of the Lord is quickly approaching.

Description of Jesus: This is something that many people are very interested in hearing about so I am putting this in a separate paragraph. The best way I can describe the physical appearance of Jesus is to say that He is a very attractive, neat and clean cut man of about 30-35 years of age and he stands about 5' 8" - 6' tall. He is a medium build in physical appearance. His hair is brownish with light brown highlights. It has a natural body wave and is not long and not short either. Remember that Jesus is now in his Heavenly body as the King of the Kingdom of Heaven and not the humble Jewish man that was here on the earth. For those of you who have a perception of Jesus as a meek pacifist who was led to the slaughter on the cross like a sacrificial lamb let me give you a dose of reality. Jesus Christ is coming back to this earth as a powerful warrior King who will rule the earth with a rod of iron. (Rev 19: 15-16).

## **Vision # 22 - The Satanic Sentries take their Positions**

Fall of 1997

It was dusk and I was in the neighborhood of Pinewood Gardens in Virginia Beach, Virginia. There was an eerie feeling in the air all over the area. I could not quite understand what it was but I knew in my spirit that something was up. Everything had a dark, eerie and gross feeling all over the whole city.

I went to bed at 11:00pm and slept for a little while. I then got up to get a drink and the darkness felt even heavier and more gross and foul as it did earlier. Immediately I was in the spirit realm and looking to the south toward the North

Carolina border and I saw hundreds of thousands of satanic sentries. These sentries are devils. Some have wings and some do not. They ranged in height anywhere from 4, 6, 8, 14, 16, 20 to 24 feet tall. There are leaders and captains, lieutenants and sergeants- all in military order.

They were landing in all the neighborhoods in the city. They landed on the schools, the city government buildings, office buildings, malls, the boardwalk and the churches. They created a collective network to monitor everything that is going on in our daily lives. The purpose of this was to infiltrate every aspect of life and to inform all the rulers of darkness and their principalities of their progress in subduing and influencing the American people. Their objective is to make sure that you die, go to hell and never make it into the Kingdom of Heaven. Because they hate you, they hate God and they hate the kingdom of heaven.

I asked God why He showed me this and what was going on. He said, "Satan is launching an all out attack against Christians and Jews. Tell the people to pray and fast."

Long before this happened, during the 1980's, God had spoken to me and said, "Since America wants wickedness and wants evil, I will give it to them until they choke to death on it. I will also give them wicked leaders after their own wicked hearts. Since they no longer find it fit to acknowledge me any longer I will turn them over to their own wicked devices."

America you had 400 years of blessings and now you are in the final throws of all the curses of Deuteronomy 28.

Read Deuteronomy 28.

Look where we are today in the fall of 2008. The foreboding darkness that has come upon America and the world is worsening and soon the night will overtake the day and the day will overtake the night.

Note: For 3 summers in a row (2006, 2007, 2008) the prince demon Basilic has subdued and seduced the entire east coast of the United States bringing heavy bouts of darkness and depression among the people. He always shows up right before a major war in the world is to take place. He is showing up now before World War 3 because it is about to begin.
