Food Wars!

by Dr. William Schnoebelen ©2016

***Man shall not live by bread alone, but by every word
that proceedeth out of the mouth of Elohiym.***

- Matthew 4:4

There are few things in life more crucial than food. Without it we perish. Eating clean food preserves our lives and keeps us healthy - as does obedience to Yahuwah's commandments concerning what we put in our temple. The Almighty speaks clearly to us in Scripture about what we should eat, not eat, and what we need to partake of during His High Holy Days. But how can we do this in today's world?

Historians concur that the norm throughout most of history involved a *scarcity* of food. Whether it came from foraging, hunting or agriculture, getting food was a daily, arduous task. Famines led to wars - and thousands starved during conflicts. Sadly, famines caused by war are still with us today.

Paradoxically, during the past century in most civilizations, the opposite is true. Most deaths in America today are from diseases caused by **too much, or overly processed food**. Many are overweight or obese, but more through lack of understanding about WHAT they are eating than through any fault of their own. Even among children, obesity is reaching *alarming* levels. The cause might surprise you!

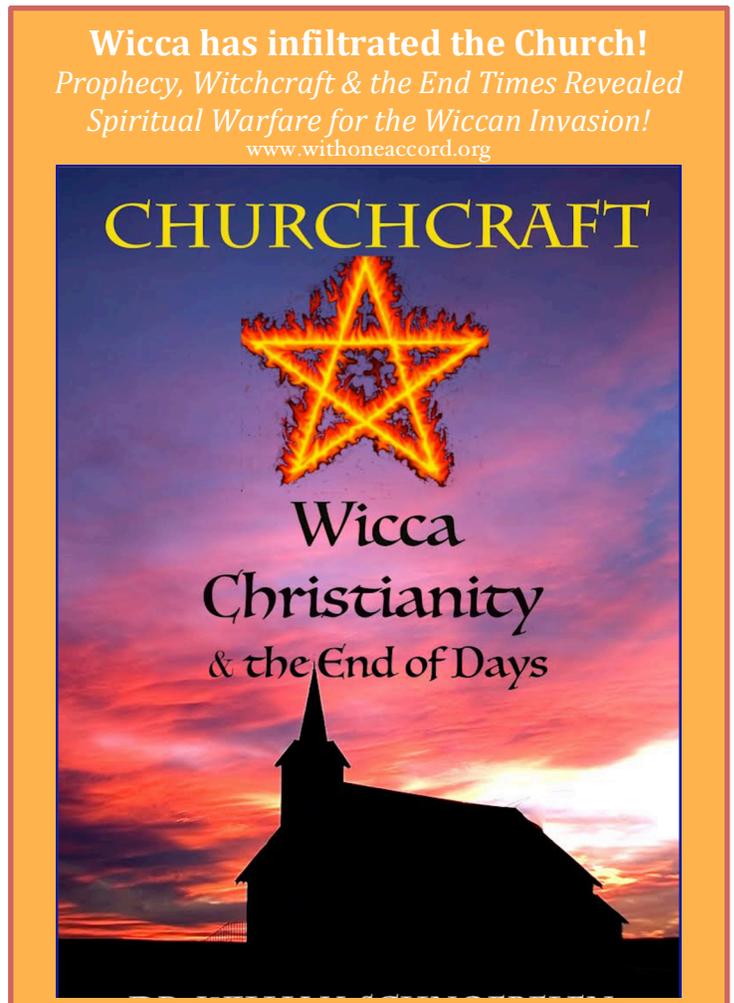

It is not - as many health experts would have you believe - because these people are lazy or gluttonous. For most, the cause is **much more complex and yes - spiritual**. As mentioned, the Scriptures DO offer powerful, regenerating guidelines concerning diet. First, we find the earliest mention of food in **Genesis 1:29:**

And Elohiym said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat.

The word there for **meat** in Hebrew is *OKLAH* (#402). This can mean either meat (animal flesh) or food in general. Most of you may be familiar with the *Law of First Mention* in Scripture study. This says that the first time a topic is mentioned is usually a good indication about how the Most High feels about it. So, Yahuwah wanted our first parents to *eat a vegetarian diet*. Our Creator made this evident through some powerful biological factors:

- We lack the teeth of a carnivore.
- Our jaws work very differently from a carnivore's - we can chew side to side to grind, not up and down to rip and tear.
- We lack powerful neck muscles of carnivores for bringing down game.
- We lack the carnivore's short intestinal tract; instead, our intestines are extremely long for absorption of nutrients from vegetation.
- A carnivore's saliva contains no digestive enzymes, ours does!
- A carnivore's stomach acid has *about 10 times* the hydrochloric acid levels we do, designed for digesting animal flesh.

Now many ask, "But didn't Noah eat meat?" Indeed,

Gen 9:3 appears to give legitimate freedom to eat animals - But note His warning in the next verse!

But flesh, with the life thereof, which is the blood thereof shall ye not eat.

Even though meat was **allowed**, we are **NOT** to consume blood. Beyond that, we must recall that this is after the flood where all the vegetation on earth would have been drowned, rotted and unfit for consumption. Thus, it was necessary for the Almighty to **permit the eating of animals** for Noah's survival. *Permit* is a key word there! We need to ask ourselves, what was His original intent?

Abba also laid down strict guidelines about what animal flesh was permissible. Beyond avoiding blood, His people are *not to eat unclean* foods. The most common ones in our Western diet are **swine, shellfish and fish without scales such as catfish (Leviticus 11)**. What these unclean animals have in common is that they are either carrion or meat eaters and/or they are eaters of filthy waste products from their (or others) environment. Pigs, for example, will eat garbage, excrement and their young. They neither sweat as we do nor do they perspire through their tongues like canines. Their carcasses are *full* of parasites, worms and biological toxins – many **cannot be removed even by high heat!** No wonder our Father forbade us to eat swine flesh!

Now, at this point, invariably, some will retort, “*Preacher, that’s in the Old Testament. Those rules were done away with on the cross.*” Although that is a popular argument, it does not really hold water Scripturally. **In Matthew 5:17-19**, Yahushua said:

Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled. Whosoever therefore shall break one of these least commandments, and shall teach men so, he shall be called the least in the kingdom of heaven: but whosoever shall do and teach them, the same shall be called great in the kingdom of heaven.

If someone says these dietary laws are just minor things, perhaps they should pay attention to what our Savior said about “**the least of these commandments.**” If they are teaching these commandments are done away with, *then they are least in the Kingdom!*

The word Abba Father used to describe these foods is ABOMINATION (**Lev.11:11-13, 20, 23** etc.) The *same* word is used for **homosexuality** in the **same book in Leviticus 18!** Ironically, the same preachers who rail against gays will sit down and eat unclean foods like bacon. The fact is these foods are *all* highly toxic and Yahowah created the animals they come from to be the garbage collectors of creation.

Sadly, many who eat these foods are obese and have very unhealthy cardiovascular systems. Many die *long* before their time. Our Father stated our lives would be 120 years (**Gen. 6:3**). *Rarely* does anyone in the U.S. - Believer or not - live to be that old. Their lives are cut short because they **ignore** the Creator's instructions.

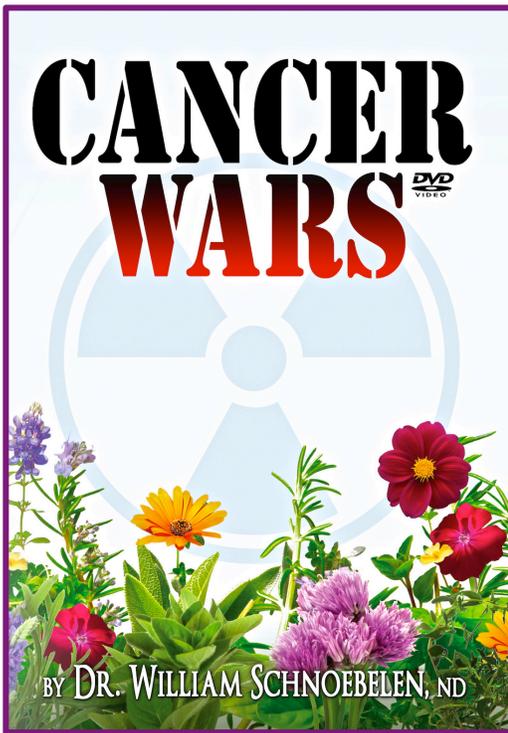

Most do not eat a clean diet and most do not eat the healthiest diet.

Literally hundreds of scientific studies that are **NOT funded by the giant meat and dairy industries** prove a **Genesis 1:29** diet is the best way to live a longer, healthier life. Indeed, of the top three killers in the U.S., two of them – heart disease and cancer – are *almost entirely preventable* by lifestyle:

- Get plenty of moderate exercise
- Drink lots of pure water
- Eat a diet that is low fat, whole foods and plant based.

Of course *the third leading cause of death in the US is doctors!* Dr. Michael Greger, MD (nutritionfacts.org) documents that of the top 15 causes of death, *almost all of them* are preventable by a low fat, plant-based diet.

Sadly, there are Christians who say, “*Why should I live a long time? This world is wicked! I just want to die and go to glory.*” Like many things, this is a half-truth. Yes, the world is wicked and heaven will be SO MUCH better! But...Yahowah has a plan for your life *and* your homecoming. Although having a coronary *might* be His timing, even then, *you would leave behind shocked, grieving loved ones.* Additionally, there are things worse than death: Painful, lingering, degenerative diseases like Alzheimer's, ALS, MS and stroke that can impart immeasurable suffering for years *and* drain your family's finances. Scripture and research agree on this point: Most diseases can be *avoided* if you eat a **Gen. 1:29 diet!**

In our DVD teaching, *Cancer Wars!*, we discuss how ineffective AMA treatments are and share many alternative treatments that work *in most cases*. In addition, we have a *free booklet for download* on our website titled [Notes: Cancer Wars Alternative and Integrative Treatments](#) containing all the notes from the DVD pertaining to alternative treatments, therapies, and references.

But on the issue of diet, wellness and longevity - the sad fact is that today's food and chemical industries have bequeathed us DNA-morphing GMO foods. These are terribly unhealthy and are a violation of Scripture (**Gen. 1:11, Lev. 19:19**). Additionally, these industries continue to dump millions of tons of toxic chemicals into our environment every year, forcing our bodies to fight poisons our ancestors never imagined! Praise Abba, some doctors are providing research and incredibly successful treatments through a whole foods diet for thousands! But most just scratch their heads, citing how **difficult it is** get people to change their eating habits – even at the cost of their lives. It reminds one of a severe alcoholic who continues drinking, even though his doctor warns him of imminent liver failure! Stay with me here...

In his book *BREAKING THE FOOD SEDUCTION*, Dr. Neal Barnard documents how certain foods (like cheese) are *incredibly addictive*, like drugs. In our ministry to thousands over the decades we have noticed that many with tragic backgrounds also have serious health challenges. Many abuse survivors tend to be morbidly **obese**. This is partially because the disturbed mind and heart of the person quietly perceives fat as a means to *deflect* sexual predators. But there is another, deeper component...

For many of these unfortunate souls, the only comfort in their tragic childhoods was food. Their abusers (or lives) were horrific and frightening. Repeated trauma make bonding extremely difficult. The terrible secrets carried within can 'never be shared' – for various emotional reasons. But you are only as sick and your secrets! *So food became their only friend.*

Of course what we call *comfort foods* today are usually the most fattening. Mac and cheese, ice cream, potato chips, candy, and most homemade desserts are all heart attacks waiting to happen. Even many without this kind of traumatic background sometimes develop **unhealthy attachments with food**. We all (knowingly or unknowingly) associate our mothers with our favorite childhood 'treats' – especially desserts and holiday fare. Of course a LOT of those foods are fattening or unhealthy! See, pleasure pathways develop in the brain during infancy and childhood. This programming is **tough to overcome without prayer liberation and hard work**. Tiny nerves in the brain are 'built into' our childhood associations. These are incredibly powerful - linked to the most primitive areas of the brain, just like our sense of smell. This is why certain aromas (think bakery, theater popcorn or holiday turkey) trigger us in a very authentic way. So how do we respond when we have emotional hurts or lose loved ones over the years and a strong, emotional bond **anchors** us to the foods we associate eating with them? We gobble them up - to comfort the wounds and fill the loss in our souls.

Additionally, for *some*, there is real power in **ethnic** connections to food-related festivals – special foods associated with cultural and/or religious feasts and partying that are NOT set apart (i.e. chocolate Easter eggs). All these attachments **need to be renounced in Yahushua's Name!**

RUACH has shown us that just as we can have unrighteous soul ties with people, *we can have unrighteous ties with foods and beverages that are unhealthy!* If you or someone you love struggles with food or related spiritual issues, are either overweight or simply trying to eat clean, healthy food, **we suggest you pray the sample prayer on page five!**

UNRIGHTEOUS SOUL TIES PRAYER FOR FOODS & BEVERAGES

Abba, I come before your Throne in the Mighty name of King Yahushua the Messiah, and I ask you to **cut any and all unrighteous soul ties or leagues** between myself and any food or beverage, especially [Name them] created by childhood experiences, parental relationships, body memories, programming, poverty, neglect, loss or fear - known or unknown, remembered or forgotten.

Please Abba, take Your Battle Axe (**Jer. 51:20**), Your arrow of deliverance (**2 Kings 13:17**) and the Sword of the Set Apart Spirit, and separate my human spirit from the egregore (or dark celestial spirits) of any food or beverage with which I may have had unrighteous associations, affections, consumption or addictions.

In Yahushua's name, I ask you to cleanse those ties with His shed blood of any possible access through which the evil one can trouble me (or my children – if any). I also pray Abba, that You would cauterize those ties with the Divine Fires from the Ruach (Set Apart Spirit) and wash them clean with the Living Waters (**John 19:34**) flowing forth from the side of Yahushua on Calvary's Cross.

I pray Abba Yahuwah, that You would send Your Ruach to *cleanse* any memories, body memories or emotional attachments between these foods or beverages and my parents, grandparents, family or friends that may be unwholesome or unbalanced in Your Sight. I submit all these memories, body memories, relationships, emotions and attachments to Your Sovereignty and I ask You humbly to please fill any void places in my heart, mind or soul and replace any idolatrous fixations on food, beverages or relationships with Your authentic love and Providential care for me. I further pray and ask You to sever any emotional or generational ties to foods or ethnic food-focused celebrations.

I pray, Abba, that any food/love associations related to deceased parents or grandparents (friends or relatives) be cleansed and healed right now. I pray that Your precious Ruach (Spirit) would bring love and authentic wholeness to those memories and would sever any unwholesome relationships between certain foods (Name them) and the Set Apart love of my deceased relatives. Please break any chemical or biological cellular memory triggers right now so that Your Love can move in and bring healing and wholeness.

Please Abba, help me to hold on to what is good and wholesome in these memories and associations and give me the strength and *Your anointing* to lay at Your altar anything in them standing between me and full victory in Yahushua. In Yahushua's mighty name. Omain!

By the authority of the Name of Yahushua the Messiah in relation to food and drink, I break the power of any and all unrighteous covenants, headship, inner vows, commands, attachments, mind control programming, agreements, oaths, vows, rituals, bonds, bands, bindings or commissions made over me or my children [if any], known or unknown, remembered or forgotten.

I also ask the Set Apart Spirit of Yahuwah to clear my memories, my mind, my body and to dismantle any and all triggers, switches, or programming, related to food or drink and I ask You to destroy their power over me (and my children) forever! In the name of Yahushua the Messiah, I now command any and all evil spirits that may have come into me through unrighteous soul-ties through food and drink to leave me at once, never to return. I especially come against: *(if needed, name specific demon strongmen as led by the Holy Spirit especially: The spirit of Bondage - The spirit of Heaviness - The spirit of Lethargy - The spirit of Fear AND the spirit of Gluttony.*

I bind you all together as one, and I say Yahuwah rebuke thee!

I weaken you with the Blood of Calvary and I command you to GO where King Yahushua tells you to go by the voice of His Set Apart Spirit!

Finally, I pray that my appetites and my tongue would be entirely renewed and open and submissive to Yahushua's overall plan for my life.

SEALING: ABBA, in Yahushua's name, I now ask you to shut any doorways of diabolic access opened into my soul, my mind, my will, my emotions, my appetites and my physical body and brain by any sins or transgressions involving food and drink, at any time, in any way. I ask you to seal those doorways shut forever by the Blood of the Lamb. I thank you for this, in Yahushua's name. Omain!

Bill's 30th Year in Ministry!

This summer we joyously celebrated **Bill's 30th Anniversary in Ministry to the Body of Messiah** by giving thousands of Yahuwah's ministry tools to His flock: Books, DVDs and teachings free or at cost.

HALLELUYAH! THANK YOU DEAR FRIENDS & PARTNERS!

It all began when Ed Decker, founder of Saints Alive in Jesus, invited Bill to come out and speak at the major Capstone Conference in Salt Lake City in July, 1986. The anointing fell - bringing many to salvation! This was Bill's first public sermon and later became his first DVD, **Joseph Smith and the Temple of Doom**. This teaching blew the doors off the secret LDS temple rituals and their occult connections in a way never heard before! Bill, a former witch, Freemason, Satanist and Temple recommended Mormon, spoke to a packed house about the **profound demonic elements within the most "sacred" aspects of LDS temple worship**. As a result, thousands of precious Mormons have left their church and found Yahushua, the TRUE Messiah! We give Yahowah ALL the glory this has proved to be a powerful tool for winning Mormons to Messiah!

After that, Ed offered Bill a position on his staff and in 1987, a move was made to Issaquah, Washington. Bill worked for Ed five years and was ordained during that time. He also wrote his first book with James R. Spencer, titled, **MORMONISM'S TEMPLE OF DOOM** (the teaching is updated with new information in Bill's DVD teaching). This was followed with the books **WHITED SEPULCHERS**, **WICCA: SATAN'S LITTLE WHITE LIE**, his highly acclaimed books **MASONRY BEYOND THE LIGHT** and his autobiography, **LUCIFER DETHRONED**.

The RUACH moved – speaking to both Ed and Bill in 1992, and Bill launched his own ministry WITH ONE ACCORD in August of that year. Two years later, in 1994, Bill's best-selling landmark book on spiritual warfare and deliverance, **BLOOD ON THE DOORPOSTS** was published. BOTD now available in Spanish, and has brought liberation and freedom to thousands – **HalleluYAH!**

As the anointing grew Bill began traveling A LOT as more sought liberation from Masonry and the occult. In 1995, he began speaking for the Prophecy Club with another landmark teaching that REALLY amped up the spiritual warfare, **EXPOSING THE ILLUMINATI FROM WITHIN**. Additionally, his book on UFOs and prophecy, **SPACE INVADERS**, was published, and the monumental 9-hour DVD set, **INTERVIEW WITH AN EX-VAMPIRE**, featuring fascinating conversations with Bill on every facet of his extraordinary life in cults and the occult, exploded onto the screen. During this entire time, Bill ministered to thousands of people to be set free from the demonic, traversed overseas to preach to packed-out crowds in Australia, Rio, Jamaica and Paris, and spoke frequently in Canada...and then, there were *thousands* of radio shows. In 1998, WOAM's website, www.withoneaccord.org began making an *increasing* number of Free Resources available - which today includes hundreds of Biblical teachings, tracts, links to [YouTube teachings](#), [radio shows](#) and [testimonies](#)!

**Prayer HAS Made all things Possible...
Thank You Dear Friends and Partners!**

With great joy, Bill married his long-time friend and fellow prayer warrior, Mary, in 2011. During that time, in response to the vampire craze in pop media, Bill produced **ROMANCING DEATH**, his eighth book. This discussed the very real dangers of vampirism, Harry Potter, and other pop culture factors that have served as lures for millions of young people into the occult. And again, the spiritual warfare amped up – BIG TIME.

Then about a year and a half ago, Bill began work on his ninth book, a sequel to **BLOOD ON THE DOORPOSTS**. But with a heavy liberation prayer schedule and countless responsibilities each day, he continues praying for time to complete it. Please, pray for him! Bill turned 67 in August but is not slowing down efforts to win souls to Messiah and preach the Truth of the Gospel of Yahushua to all!

As we faithfully press on, we know that the future is in Abba Yahuwah's Great Hands. We work diligently toward the goals set before us. Thank you dearest Friends and Partners for making this ministry – Bill's life's work - possible through your prayers and generous donations. We love you in Messiah!

JAMES R. SPENCER

Sadly, we just learned that my friend, mentor, and co-author
Jim Spencer has gone home to heaven.

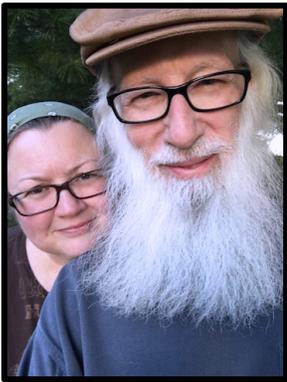

He passed away peacefully in his sleep on July 31, 2016.

*We praise Yahuwah for Jim who was an invaluable help to so many,
most especially to me. He was a dear friend. As both a pastor and
later an evangelist, Jim's kind, anointed spirit ministered to me in a
profound way, and he taught me many valuable lessons about
witnessing and apologetics to those trapped in Mormonism and the
cults. We will miss him - but rejoice that he is now home in glory. Our
deepest condolences to his wife Meg, and their entire family.
Shalom for now, dear friend.*

NOTES FROM MARY

Dear Friends & Partners,

BATTLECRY...Never in WOAM'S history has the onslaught been so vehement. Increasingly, curses assail us at all hours. Praise YAHUWAH that TOGETHER we reach out to the lost, defiled and walking wounded with His life-changing power of the Gospel! HALLELUYAH!

Most of you know this summer was brutal - both in terms of ministry, need, spiritual warfare and finances. Together we have led thousands to VICTORY through your generosity dear Friends & Partners!! **THANK YOU!** But after much prayer, Bill has been led to make a very difficult decision regarding **THE LIBERATOR...**

WOAM has spread the Gospel with a printed edition of THE LIBERATOR for over 24 years (can you believe it!) at no charge...but expenses for printing, binding, mailing, envelopes etc. have skyrocketed. Even though we do all hands-on ministry work ourselves, we simply can't continue to mail the newsletter without financial help!

Earlier this year we made a plea, and we do so again: If you receive a printed newsletter or simply want to UNDERWRITE this newsletter, please, send a gift of any amount, even just \$5 a month - the cost of a cup of coffee - to cover expenses. It is necessary for us as a faith ministry and good stewards of the Master's resources to make this request. Friends who send a gift will keep receiving a printed newsletter but those who do not will need to be dropped from the list! Your designated gift will not assist with rent, food, operating expenses or other outreach ministries. It WILL keep your copy of the printed LIBERATOR coming to your home! Also, you can make a larger donation to underwrite this vital outreach and we will keep the mail list exactly as it is now! However, there IS another alternative...

Receive THE LIBERATOR via email! There are no printing costs to email you the full-length, expanded electronic edition! Our e-newsletter contains Bill's Full-length articles, has more Teachings, and is in color. If that sounds good to you (and you're currently receiving the print edition), please email me at: withoneaccordministries@gmail.com! Include your name and mailing address and we'll make sure you receive your edition of THE LIBERATOR before it goes to press!

NOTE: If you are unable to send a small gift due to financial difficulties but want to continue receiving a printed copy, please JUST WRITE me a note and mail it in the return envelope provided!

With One Accord Ministries (A Corporation Sole)
THE LIBERATOR! is published Tri-monthly.

Purity: Pressing the Oil

With One Accord Ministries

by Mary Schnoebelen

Many friends listening to Bill teach have heard him quote one of my favorite sayings: ‘There’s Power in Obedience!’ Over the years, I’ve had more than a few hard lessons – and found that, when we lay down our own ‘personal’ truths, needs and hurts at Calvary’s Cross and take up Yahuwah’s Truths, Desires, and Commandments - no matter the cost - we gain purity and power beyond our limited, mortal comprehension. Some already understand who they are in Yahushua, and Who He is IN them. Those with the gift of heavenly, visual discernment (spiritual sight) like my husband, Bill, actually see the results of hard spiritual work, anointings from Ruach emanating from a person. Just this morning he saw three Malakim during his prayer time. Lately, this happens more often than not. We believe it is because of the presence of YAHUWAH through prayer, fasting, Scripture study and the End Time anointing - He has brought all this through With One Accord Ministries for His Beloved. Yet ALL OF US are called and anointed in one way or another, and we ALL NEED each other. We are all just dust-walking, heaven-bound instruments – nothing more, yet **nothing less!**

Through Yahushua’s love and purity we are bequeathed the power to live His ORIGINAL plan for our lives. And if we missed it during the first few decades of our lives (or longer) – it seems He bestows it in even greater measure once we have matured IF we seek purity through a set apart life. In time, we lay down our ego and embrace our true destiny. It takes hard spiritual work.

Submission. Sanctification. It’s all about Him. ONLY HIM. It is an on-going PROCESS. Then, in an instant – we become AWARE of His Presence within us. It is difficult to articulate – but the soul and spirit recognize His Light and suddenly, you are breathing His Light. Because within you it is tangible. Your eyes shine. Your facial muscles and body relax. People notice. But so does the enemy! That is why we urge you to pray every day, night and day, for the Armor of Light (Rom. 13:12) and cover yourself in ALL of YAHUWAH’S Armor
(Eph. 6:12-18).

From our experience, the favorite Trojan horse of the enemy is the ego. Pride. When you become filled and covered with HIS ARMOR and walk in Ruach’s Garment of Light, you develop incredible perception for both spiritual Light and spiritual darkness. Just know that pride will keep rising up if not completely surrendered at the Cross - and it doesn’t like to go peacefully.

Sometimes the enemy will put a ‘thorn’ in your life (2 Cor. 12:7) that, without Ruach’s leading and the Blood of Yahushua, we cannot overcome... BUT WE ARE INTENDED TO BE OVERCOMERS! Especially, beloved, during these End Times as so eloquently put forth by Yochanan (John) in REVELATIONS (Rev. 2:7, 11, 17, 26 etc.). It’s time to shed the comfort of a social church, where egos are paraded, ‘feel-good’ proclamations are made, and people remain in soul-binding sin, totally lost to the purity, power and purpose Abba intends for them.

But the Ruach (Holy Spirit) can and WILL sever ego from us and equip us for Yahuwah’s purposes IF we continually submit ourselves in love to Messiah through prayer, meditation and Scripture study, fasting and even good works (mitzwot) – see James 1:27. This counteracts the ego’s constant need to be fed on a diet of sympathy, rebellion and oftentimes, intense emotional drama. We have seen many who have a true calling and purpose FALL BACKWARD because the ego rises up, demanding vindication for perceived wrongs, seeking pity to fuel the old ‘man’ of manipulation that sometimes drains the very life out of those around them.

With his spiritual eyes of discernment, Bill sees the dark spawn of demonic larvae crawling on many pour,

lost souls – and many Believers too. Why haven't they yet experienced deliverance or prayed prayers of repentance (teshuwah) for generational sins (among others) that cause open doorways into their lives? Because they're stuck in dysfunctional or dead churches teaching against the WHOLE of Scripture. Because they're broken and need liberation in the Mighty Name of Yahushua! Our Savior warned that unless we repent, we shall perish (**Luke 13:3**).

One thing that IS helpful to subdue the ego is to stop trying to figure everything out, stop looking back and lamenting the pain of 'my story' (**Phil. 3:13-15**). READ AND STUDY YAHUWAH'S STORY! Eventually, the ego fades away – and we stop seeing Yahushua and others, even ourselves, through 'a glass darkly'. Although none of us will see perfectly clear until we reach heaven, we were born of His Marvelous Light when we gave Him our lives, but we MUST SEEK His marvelous Light! This 'working out our Salvation with fear and trembling' (**Phil. 2:12**) is found only through a deepening realization of YAHUWAH's Word and our relationship with HIM! And that takes prayer, meditation and study of the King James Bible.

As the debris of ego is purified, our vessels are left empty for Ruach HaQodesh to fill. The amazing gifts of heaven manifest where our old ego once held ground. But the vessel must first be purified so His anointing has a worthy, sanctified temple to reside in. And like any precious thing of YAHUWAH's It must be cared for, nurtured and kept clean. Cherished. Guarded. Loved.

Navigating through our daily lives – the tedious tasks, setbacks and oppositions of the enemy (oftentimes working through friends and family) - can be discouraging. Life is not fair and is oftentimes tough. We suffer, and many of us need to guard against the temptation to become bitter. The bog of this world is fraught with slippery mire and only prayer and set-apart time with YAHUWAH holds us fast. When we fail to seek Him intimately with a pure heart, like a little child, spiritual oppression can slide back in to muddy our inner sanctum. THAT is why King David prayed in Psalms 61:7 He shall abide before Elohim for ever: O prepare mercy and truth, which may preserve him. This is not a new idea. But preserve him for what? **To be a set apart vessel!**

Laboring for Messiah!

Remember, abiding is not an occasional visit. It does not allow for the picking and choosing of things we like in His Torah. It brings growth that sometimes painfully challenges our comfort zone. Abiding is – more than ANYTHING ELSE – an ultimate oneness with Yahuwah under the covert of His Wings (the 'fringes' of His Tallit covering - **Malachi 4:2**). And yet...even when we fail in the struggle against ego, He is merciful! He will 'turn us again' and again (**Tehillim 80:1; 3; 7; 19, Lam 3:40**)...and when we come to the end of ourselves – we find His shalom.

It can be especially tough to begin this new walk – this Set Apart way of worship and living. He is patient and kind, and will keep giving us the same lessons over and over until we finally 'get it'. The outstretched Hand of Yahushua's mercy is NOT dependent on our faithfulness, but on HIS. He wants clean vessels to fill. At the wedding at Cana in Galilee, the servants were directed to collect six empty 'water pots' of STONE. This signifies our hearts before the love of our union with Him. When we realize HIS Faithfulness covers us, keeps us and sustains us with the watering of His Word, we learn that the power of obedience AND the seed of His Righteousness abides in us. He lives in our flesh, He LIVES within us - in the dust of our flesh! Our bodies of mud are changed into His golden, Kadosh place. Our DNA is sanctified. Then, we are called a peculiar people – a holy nation. **Living stones.**

But we MUST grow into a completed, hollow vessel that He - and He alone - can fill. Once our vessel has been purified and given unto His purposes, nothing

will ever be the same – and nothing else can ever fill our empty places or fulfill our need for His living water. The things of this world that once beguiled us lose all their power. We are truly LIBERATED!

Purity is a gift that comes through submission and obedience to YAHUWAH's Word. The problem is we are all still human... and many preachers today assail their congregations through a veil of wounds and contention. Their own issues, man's traditions, misinterpretation and sadly, emotional hurts and submerged anger can end up leading many innocent sheep astray. We *grieve* for these 'walking wounded' and ask you to join us in prayer, seeking YAHUWAH for their liberation!

For some, the world's allures are too great to resist. They become sidetracked (a favorite snare of the enemy) with the 'glamours' of modern life. Yet deep down the longing for true Scriptural Freedom is there... Yet if they pray putting the ego aside and walk circumspectly, Abba is faithful to deliver!

Being 'pure in heart' begins with an attitude of thankfulness. When you start calling all things from YAHUWAH good – even His judgments – and realize you simply cannot reason or understand His purposes, the windows of His Light open. From thankfulness flows praise – and from praise flows faith! We begin doing ALL THINGS through Him Who strengthens us!

For me, obedience and purity aren't two sides of a coin. They're a multidimensional ENCOUNTER – we kneel aside and are shown more of Him, more of His supernatural power. But we MUST pray for it. We will see facets of His Being drawn together as One (as His Name is One), and His Presence in our lives grows, becoming ROCK SOLID. When we praise Him in purity and live a set apart life as an offering, our prayers ascend like sweet smelling incense to His Throne (Rev. 8:3-4). Our temple is cleansed. Our souls are enlightened with His Ruach HaQodesh that ignites with His Fire. Our temple is filled with His Love and Purity! Nothing is better than THAT.

Today, we are all in a hurry (life keeps us busy!), yet the process I am talking about here takes diligence. We simply must invest the time – the very essence of our lives – into sanctification and relationship with Him. This is necessary for abiding purely within the Body of

the Living Torah, Messiah Yahushua. We need to withdraw (as Yahushua did when He prayed) to seal YAHUWAH'S purposes in our hearts. It simply has to be our priority.

From Genesis through Revelations the prophets and servants of YAHUWAH declare His Truth AFTER spending long hours, months or years, in prayer AND in submission to Torah. Many, like Yahushua Himself, went to the desert or found a cave to dwell in before stepping out (it is a fearful thing to serve the Living Yah!) and speaking forth. It is heartbreaking to see so many genuinely devout Believers today fall to ego, sin and languish after a huge rush to begin ministering - because they have not been purified, sanctified and anointed in Him.

If only we began our service to Yahuwah through obedience, prayer and devotions! We must study ourselves approved, seek purity through fasting and prayer, and sanctify our vessel through submission to His Word in order to be a pure residing place for the Almighty! How can we expect the Almighty Creator of the Universe and judge of all Righteousness to abide in and use us if we are walking as the world does? We need to become His resting place – an earthen Holy of Holies - for His Presence to bring the fire of revelation into our being. His resting place, this clay, must not only be internally holy, but must exude purity through and through! Being set apart means NOT looking, or wanting to appear, as the world does. Isn't it time for all set apart Believers to begin the tough, often challenging spiritual work to become pure? Remember, purity is two SEEMINGLY similar things in the natural world: Gold, for example, is something physical that can be either pure OR impure. It is graded by the ABSENCE of ANYTHING not

gold. And also, it is graded by the qualities of the gold itself. Remember **Job 23:10**:

He knoweth the way that I take: When He hath tried me, I shall come forth as gold.

Ask yourself: Am I separated from the world? Am I honestly Set Apart? Am I willing to trust His Word and learn – or do I already know it all? Have I repented and done TESHUWAH for sin (and transgressions) and prayed, asking HIM to close open doorways? Have I spent time with Him?

Yahuwah - ultimately the PRESENCE of YAHUWAH abiding in us...quantifies and qualifies what is GOLDEN in our spirit! Where our treasure is, there resides our heart. IF we seek purity FIRST, we can expect our vessels to be filled with HIS glorious, Divine Presence! THAT IS GOLD! THAT IS HIS POWER to transform our lives and the lives of those around us!

Sharing as Commanded: SABBATH BLESSING

I seldom share these things because they are so incredibly personal. Many Believers would think it pretty far 'out there'. But the gifts are without repentance (**Rom. 11:29**) - and need to be shared in humility so the Light of Yahushua blazes into every corner of the earth and beyond – even into unseen dimensions and spiritual realms. I share this here, humbly seeking to serve YAHUWAH.

The other day as we prayed with a wounded warrior, the anointing simply erupted. Ruach's power amped up on me and inside me, running across my skin and through my belly! Then, WHOOSH! I rebuked ha satan in YAHUWAH's Name, commanded him to leave his victim and about fell on my face. This has happened several times over the past 35+ years, and Ruach has built up my endurance for this sort of

thing...but I was on fire, numb, empty and overflowing all at the same time - I couldn't have held back without bursting!

I was covered in heavenly water - it ran down my back, down my neck and gathered around my belly. I saw into the spiritual realm and yet was miraculously hidden from the enemy. Later, as I tried to describe what had happened to Bill, I told him it was like (spiritually) having a HUGE sneeze explode out of nowhere! BOOM, it's out! It rattles your body and freezes your brain – and if you try and hold it back or close your mouth to restrain it – your eardrums split open! This doesn't come close to how it felt, but it's the best way I can describe the profound sensation of this outpouring... I trusted Ruach and so obediently opened my mouth. If I hadn't, it would have stifled the Kadosh Spirit from manifesting and this tormented person would not be liberated. I KNEW this was the moment for this beloved child of Yahuwah to be set free. Praise Ruach! This was a profound and prophetic Word – like the trumpeting of a shofar.

THEN, I had to get on my face before YAHUWAH. I went into our prayer chamber and lay on the floor. I heard myself sobbing. But it wasn't emotion making me cry. It wasn't anything to do with a feeling. It was Ruach's white-hot Light billowing through me and rattling my soul to the core. Tears burned my cheeks. I heard myself crying, Yahushua...Yahushua. My entire face was wet. It was so bittersweet...I felt no anguish. No exaltation. No joy in victory. All I KNEW to my very bones was that I'd just had a very small taste of eternity...and this: The Word of YAHUWAH is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart (**Heb. 4:12**).

**THEN TWO DAYS AGO IN THE VERY EARLY MORNING HOURS
I DREAMED A DREAM...**

I was in a pearly white room sitting in a white chair. There, directly in front of me about six feet away, was another chair. It was bright white with clean lines, a modern style (it was made of white stone). Gold ran along all its smooth flat edges. The light in the room was brilliant. Even the floor was white. Sitting in the chair, very casually, was a very masculine, elderly man. THIS WAS A REAL TIME EVENT.

He looked familiar somehow, and was wearing a light blue button down shirt, nicely tucked into soft- looking blue jeans. He wore plain black shoes. But His eyes...were sharp. Like blue crystal waters. As He sat looking at me, I seemed to fall into those eyes. They flashed purely, brilliantly. I was lost in them. He smiled gently at me and I felt his tender love flowing, holding me up. All the love in my heart for HIM erupted in a huge tidal wave as we talked without words – without speaking. I knew His thoughts and He spoke to me of assignments, the future, and other things close to my heart – no words necessary. Then, overwhelmed with love for Him, I stood up. I wanted to go to Him. Embrace Him. I might have taken a step toward him...but *instantly* He STOOD in a white doorway that appeared behind Him out of nowhere.

Standing sideways in the half-opened door, He turned and smiled a very unfathomable smile. Not human – not angelic. THE BRIGHTNESS BEYOND THE DOOR WAS BLINDING. I could not look into it.

All I knew was HIM.

**Looking directly into my eyes, He said softly,
GO! - And Press More Oil.**

Beloved of YAHUWAH, Dearest of the Most High, we must ALL GO AND PRESS MORE OIL. We must be strong, pressing in until the ego shatters and the Mayim Chayim (heavenly living waters – **John 7:38**) floods our body, soul and spirit. We must keep our feet to HIS Path for life, neither looking to the left nor to the right, pursuing His Purity - His deep waters. THEN, when the adversary comes in like a flood the RUACH of YAHUWAH shall lift up a standard against him –

IF we have put on THE FULL ARMOR OF YAHUWAH! **Is 59: 17-19.**

Bill and I pray you put on the Full Armor every day for yourself and your family. Thank you for allowing me to share this part of my spiritual journey here with you. I pray it encourages you to seek His Face, His Torah, His Son – Yahushua, Yah come in the flesh! HalleluYAH!
